Chapter 196 – 200

## Chapter 196

“What’s the situation now? Are Song Qi and Sebastian Mu chasing you!”

“I want to go there!”

“I saw the newspaper too, don’t think I know nothing!” Jenny Say.

“Do you believe in that kind of gossip magazine?”

“I believe that things will never come from nowhere!” Jenny was very sure, and based on her knowledge of Amy Xia, it was definitely not that simple.

Amy Xia, “...”

“Speak quickly!” Jenny said eagerly, with a feeling of chasing TV series. So helpless, Amy Xia had to tell Jenny about the situation that day.

After listening, Jenny looked longing, “Amy Xia, please tell me honestly, do you have a feeling of acting in a TV series or a Korean drama? This feeling of two men fighting and one woman!” Amy Xia shook her head, “No!” Looking at Amy Xia “Ah, for a woman like you who doesn’t follow Korean dramas and doesn’t understand romance, it’s a waste of that scene. You should enjoy it!”

“I was just thinking about how to break free. Fortunately, there is Alexia, otherwise I am really afraid of being split in half!” Amy Xia said. Jenny, “...” Sure enough, she didn’t understand romance too much. Jenny has been obsessed with obscenities, enjoying her feelings at that time for her! “Honestly, why are you taking me out today?” Jenny looked at Amy Xia and asked.

“You should have seen the news today. Song Qi is going to develop a new company in City A. Say it to celebrate, so I will take you with you!” Amy Xia said. Speaking of this, Jenny was surprised, “You take me to see Song Qi?” Amy Xia nodded, “Why? Not willing!?”

“Will it disturb the world of both of you?” Jenny asked.

“Believe it or not, seal your mouth!?” Amy Xia asked back. Jenny smiled, “Isn’t this for your consideration?”

“I thank you!” Jenny smiled, “You’re welcome, you’re welcome!” As they said, the two of them just took a taxi. While on the road, Amy Xia’s cell phone rang, and when she saw Song Qi’s number, Amy Xia answered it.

“How about? Do you want me to pick you up!”

“No, we’re almost there!”

“Well, I’ll go straight there!”

“Yeah!” After the brief words, I hung up the phone.

At this moment, beep While listening, he laughed, “It seems that Song Qi is still very considerate of a gentleman!”

“Growing up abroad, a gentleman must!” Listening to Amy Xia’s words, Jenny smiled, did not say anything, and went straight to it. Up.

After arriving, the two of them waited for a while, talking while waiting, and it took a while for Song Qi to arrive.

“Sorry, something happened temporarily, I’m late!” Song Qi said sorry.

Amy Xia smiled, “It’s okay, we just arrived!” Song Qi nodded.

At this moment, Amy Xia introduced, “This is my good friend from childhood, you can just call her toot, this is Song Qi!” Amy Xia gave a brief introduction.

“Hello!” Song Qi looked at Jenny, the gentleman smiled, and then stretched out his hand. Jenny sat there, watched Song Qi stretch out his hand, stood up immediately, smiled happily, “Hello, just call me Jenny, thank you for taking care of my Xiaoxi in London!”

“I can meet her, it’s me.

It’s an honor!” Song Qi said.

Listening to Song Qi’s words, Jenny smiled.

“Okay, sit down and talk!” Amy Xia said.

At this time, two people sat down.

## Chapter 197

“Have you ordered your food?” Amy Xia shook her head, “Not yet, waiting for you!” So Song Qi nodded and summoned the waiter to start ordering.

All three of them ate western food.

After ordering, the three people sat there chatting.

“Ms. Song...” Just as Jenny spoke, Song Qi turned his head and looked at her, “Don’t call me Mr. Song, just call me Song Qi or Aqi like Amy Xia!”

“Is that all right?” Jenny asked .

“Amy Xia’s friend is my friend, there is nothing good or bad, let alone, the name is called by someone!” Song Qi watched Jenny say this lightly, and Jenny listened very comfortably.

Looking at Song Qi, he also had a good impression in his heart.

“Well, I’m not welcome!” Jenny said with a smile. Song Qi nodded, and the meal was served, and the three of them were eating there.

“By the way, I heard that you are going to stay and develop in City A!?” Jenny looked at Song Qi and asked. Song Qi nodded, but remembered something, “At that time, the company will be operational and there will be a cocktail party. Then you will come with Amy Xia!” Hearing this, Jenny was taken aback, “Can I go, too?”

“Of course!” Song Qi nodded, “I will send you an invitation letter!”

“Thank you first!” Jenny said with a smile.

I have to admit that I am very satisfied with Song Qi, and have a much better impression of Sebastian Mu.

Sebastian Mu’s impression of Jenny here is almost zero! As they were talking, the three ate and laughed.

At this moment, Song Qi’s cell phone rang, he picked up the phone, and when he saw the number, he answered it.

“Hey...” But when he heard the words on the phone, he frowned.

“What are you talking about? How could this be?” Song Qi asked.

Listening to his tone and tone, Amy Xia and Jenny knew that he was in a situation. Song Qi frowned, and after a long time, nodded, “Okay, I see, I’ll go right there!”

“Yeah!” So he hung up the phone.

Amy Xia was watching her. Before he could speak, Amy Xia spoke first, “Did something happen?”

“A little thing, I may have to leave first!” Song Qi said.

Amy Xia nodded, “Be busy first, things are important!” Amy Xia said.

Listening to her words, Song Qi nodded, “I will invite you to dinner another day to make amends!”

“It doesn’t matter, you can leave without worry, I will go back with Amy Xia after eating!” Jenny also said. Hearing this, Song Qi nodded and left.

Although Song Qi didn’t say anything, Amy Xia’s instinct told him that it had something to do with his company. But since Song Qi didn’t say anything, Amy Xia wouldn’t say much.

“He should be fine!?” Jenny asked as he ate.

Amy Xia shook her head, “I don’t know, he will take care of it!” Hearing this, Jenny nodded and continued to eat.

And the other side.

Sebastian Mu sat at the same table with the mayor with a smile, “Mayor Li, if there is anything to use with me in the future, just speak up!” Hearing Sebastian Mu’s words, the mayor was almost drinking.

“Mr. Mu is a business man, who doesn’t know!” Sebastian Mu smiled, “Mayor Li looked at me, but no matter what, thank you for your help today.

If there is anything in the future, I will You must do your best!”

“It is enough to have you, come and have a drink!” Mayor Li said.

Sebastian Mu also took a few sips with his cup.

## Chapter 198

This meal was a full three hours of fun.

After Mayor Li left, Sebastian Mu drove away.

Although he drank a lot of wine, it was a trivial matter to Sebastian Mu. The most important thing is to achieve today’s goal.

And the other side. Song Qi hurried back to the company after receiving the call.

At this moment, Assistant Mike walked up immediately.

“What the hell happened?”

“I had already negotiated with the mayor and agreed to sign, but I just received a call saying that it was not in compliance.

It may take a while!” Mike said. Hearing this, Song Qi frowned.

“But the company is about to open, everyone in the outside world already knows, if we drag on, we will lose a lot of money!” Mike said on the side.

Of course, Song Qi understands how powerful it is. Song Qi thought for a while, his eyes narrowed, “I said before that the document will be approved soon, but now I change my mind temporarily. There must be some misunderstanding in this!”

“I found out that the president of Chow today and Lingshi Group All of the bosses have dinner with the mayor!” Mike said. Hearing this, Song Qi suddenly realized.

It turned out to be so! Sebastian Mu! Thinking of this, Song Qi’s mouth turned into a sneer. Do you really think you can stop me? Looking back at Mike, “Help me make an appointment with Mayor Li tomorrow!” Hearing Song Qi’s words, Mike nodded, “Okay, I get it!” Thinking of this, Song Qi’s mouth faintly evoked... The next day.

Mike appeared in Song Qi’s office.

“President, Mayor Li said that there are many meetings to be held today, so there is no time!” Mike said. Undoubtedly, Mayor Lee did it intentionally.

“Continue to make an appointment, even if it takes ten minutes, it must be settled!” Song Qi said. Hearing this, Mike nodded and went out.

In the next two days, Mayor Li turned down Song Qi’s invitation with different excuses. Song Qi’s complexion was very bad.

It was obvious that Mu Jing had done a lot of work. Now that the time to leave the industry is getting closer, Mike looks a little worried.

“President, let the old president come forward!” Mike said. Hearing Mike’s words, Song Qi raised his eyes, “No!”

“I don’t want people to think that I am a rich second-generation!” Then, he raised his eyes and looked at Mike, “Help me check Mayor Li’s itinerary today!” Mike didn’t know what Song Qi thought, but when he ordered it down, he had to do it, “Yes!” After a response, Mike went out.

After ten minutes, he walked in.

“President, I found it!”

“Where!?”

“Just checked the news, he is going to the golf course now, as if there is something to talk about!” Mike said. Hearing this, Song Qi squinted his eyes slightly, and a smile appeared at the corner of his mouth.

“Go to the golf course!”

“Yes!” Mike didn’t ask too much. Song Qi always had his own way of doing things. He just did it. Up. So they went to the golf course.

In the past, the golf course was used for cultivating sentiment and self-cultivation, but now it has become a place for all business and political negotiations. Discuss here in the name of golf.

At this time, Mayor Li was chatting with others, Song Qi also walked over, dressed in casual clothes, he looked so young and sunny.

“Mayor Li, it’s so leisurely!” Song Qi walked over.

## Chapter 199

Mayor Li was talking with people, and when he saw Song Qi, he was slightly taken aback. He also knew a little bit about Song Qi’s identity, but he had no choice but to agree to Sebastian Mu first. He could only avoid seeing him all the time, and he didn’t expect to encounter him here! He knew that this was not an encounter, but a deliberate encounter! Song Qi came to him specifically! Mayor Li smiled, “Yes, what a coincidence, I didn’t expect to meet here!” As they said, both of them walked up and shook hands.

“If you want to make an appointment to invite Mayor Li to have a cup of tea, you can’t make an appointment!” Song Qi said with a smile.

“These days are very busy. How can I have time to drink tea? Otherwise, why would I have to drink your cup of tea!” Mayor Li also said with a smile.

At this time, it is suitable to dress and continue to dress.

“Really?” As he said, Song Qi looked at Mayor Li, “What about today?”

“No, I asked Mr. He to play golf!”

“I wonder if I can let the juniors join in a round?” This is, Song Qi said.

Mayor Li knew Song Qi’s purpose very well, “This...” Mayor Li looked at the so-called President He He. Song Qi also knew what Mayor Li meant, so he immediately looked at Mr. He with a smile and said, “I believe Mr. He shouldn’t mind it!?” As soon as he appeared, there was already a discussion in City A.

Of. The huge family business and family background are incomparable. Even though Mr. He is a generation older than Song Qi, he dare not say anything.

“Of course, of course I wouldn’t mind!” He said with a smile.

Mr. He has said so, what else can Mayor Li say.

“Let’s go together then!” Song Qi smiled when he heard this, then walked aside and picked up the golf club.

“I grew up in a foreign country since I was a kid, and I like golf very much!” As he said, he set his moves and looked into the distance.

“Actually, playing golf is like doing business, with a risk factor, but as long as the strategy is planned and done well, it will be a big profit!” He said, as soon as he tried hard, the ball was shot out.

Moreover, very accurate. Seeing his ball hit, Mayor Li was stunned. He played well, but what he said was the point.

Mr. He didn’t know what was going on, he just smiled and praised, “It’s really the back wave of the Yangtze River pushing the front wave.

I didn’t expect Mr. Song to play so well at a young age!” “I like golf very much, so I play golf every week as long as I have time. , And more importantly, as long as it is what I want to do, there is nothing I can’t do!” Hearing this, Mayor Li’s face changed. This is definitely something to point out.

At this time, Mayor Li thought for a while and looked back at Mr. He, “Mr. He, let’s talk about it another day, and I will call you another day. What do you think?” He spoke, Mr. He What else can I say, nodding again and again, “Okay, I just remembered that I am still a bit lost, in this case, we will contact you another day!”

“Yeah!” Mayor Li nodded.

“President He, come out for tea together another day!” Song Qi said while looking at Mr. He.

## Chapter 200

“If you have anything to say, just say it!” At this moment, Mayor Li didn’t talk nonsense, and said straightforwardly.

After asking him for so long, I have found here now, there is no need to install it anymore. Now that Mayor Li has spoken, Song Qi didn’t need to scribble around the corner. He put the golf club aside and sat there with Mayor Li, “I think I’m asking Mayor Li what happened.

Mayor Li should Very clear!” Mayor Li sat there and took a sip of tea, “If I knew it, I won’t ask you!” Song Qi knew that he was pretending.

If this is the case, he will say a little more, “I have already agreed with Mayor Li that the documents will be approved soon, but now I receive a call saying that there is a problem and it may be delayed for a while, Mayor Li, What do you mean by that?” After hearing Song Qi’s words, Mayor Li raised his eyebrows, “If this is the case, there is probably a problem with the file!”

“Really?” Song Qi raised his eyebrows, “I saw you before. When Mayor Li, Mayor Li said there is no problem!” Song Qi looked at Mayor Li and asked every word.

Mayor Li frowned.

Although Song Qi looked like a gentleman in front of him, he could feel that he was not a simple character, and there was a slight threat and strength in his words. With Sebastian Mu, there is nothing wrong with it.

“I just looked at it roughly, but didn’t take a closer look, so I don’t know exactly what happened!” Mayor Li said lightly. Hearing this, Song Qi’s mouth evoked a sneer. He turned his side and looked at Mayor Li, curling his lips, “Really?”

“Mayor Li, you and I know what this circle looks like, including you. Because of what caused the delay in my documents and the delay in granting me, I know very well, Mayor Li, are you thinking about it? Are you sure you really want to do this?” Song Qi looked at him and asked. Hearing this, Mayor Li frowned, “What do you mean by this?”

“What do I mean, I believe Mayor Li knows that collusion between officials and businessmen is a taboo!” Song Qi said.

Mayor Li’s face changed, and he looked furious.

“Song Qi, you are just a businessman. Now you dare to talk to me in this tone. Don’t forget, as long as I say a word, your company will always be You can be sealed up!”

“Then you believe it or not, your position can also be shaken!?” Song Qi looked at his leisurely opening, although his voice was not loud, but it was full of threats.

Mayor Li looked at him, he was stunned for a long time, then he sneered, “Don’t scare me!”

“I didn’t scare you, Mayor Li, I’ve always been hello and good, everyone is good, but you insist on not giving me the next batch of documents, then I have to use my own method to solve it!” Song Qi said. Hearing this, Mayor Li was stunned for a moment. He didn’t know Song Qi’s details. He thought it was just a businessman who had just returned from abroad, but now it seems that is not the case.

“Are you threatening me?”

“How is it considered a threat? I’m just discussing with Mayor Li. Actually, what Sebastian Mu can give you, and I can do the same!” Song Qi watched Mayor Li speak every word. , Both soft and hard is the best way for Mayor Li.
