

My Sassy President Novel

Chapter 51 – 55

Chapter 51

And the other side. Some things are not something you can't see if you don't want to see, nor can you hide away if you want. Regarding the cutting-edge competition, they have an exhibition that everyone who participates in the competition should go and see. So Sebastian Mu and you Amy Xia had to go together. Since that day, the two have not met alone again, and now in the car, the atmosphere is somewhat weird.

Amy Xia originally wanted to take a taxi by herself, but when she saw Sebastian Mu's dragging face, she swallowed everything.

As long as she can't talk to him, Amy Xia will do whatever she wants. Therefore, Amy Xia also deliberately sat in the back seat, keeping a distance from Sebastian Mu.

Sebastian Mu sat in the front, as if he had become a driver... However, Amy Xia didn't care about it.

Anything that could be avoided must be avoided.

Sebastian Mu drove the car, pursing his lips, never speaking. While Amy Xia sat in the back, Sebastian Mu didn't speak, and she didn't even speak, so she sat in the back, looking out the window, not knowing what she was thinking.

And Sebastian Mu looked at her so quietly, looking at her through the rearview mirror...

At this moment, Amy Xia retracted to realize, looked forward, and also happened to see the moment Sebastian Mu looked at him...

Atmosphere Extremely weird. Then the two people turned their eyes away tacitly at the same time, not looking at anyone.

Amy Xia's heartbeat was a little fast, because he was very afraid that Sebastian Mu would suddenly recognize himself at a certain moment. But Sebastian Mu was different. He saw it when he saw it. Even if he turned his sight away, he turned it away calmly. Driving the car, the two people remained silent.

At the destination, both people got out of the car.

After showing the invitation letter, the two went in smoothly. This time the jewelry display, but a lot of armed police and security were moved. Because they are all genuine products, and each has an extraordinary price, there are very few people invited. But there are also some wealthy people, high-ranking officials.

After Sebastian Mu and Amy Xia entered, many people had already begun to appreciate them.

“This is a rare opportunity, appreciate it, don’t shame Yun Rui!” Sebastian Mu said.

After hearing his words, Amy Xia frowned slightly.

Sebastian Mu’s words were really unpleasant, but who made the boss the boss, Amy Xia only nodded. So I started to watch those design works.

I have to say that every work is outstanding and outstanding. However, there are also many works that are empty and gorgeous, but they are meaningless.

Amy Xia watched without much interest, until she stood in front of a work and stopped.

It is a necklace design, very simple, with a blue diamond, oval, it looks really good. Seeing Amy Xia pause, Sebastian Mu also leaned over and took a look curiously. When I saw that work, I was slightly taken aback.

“Like?” Sebastian Mu asked with raised eyebrows.

“Don’t you think this design is very special, very special?”

“How special?”

“This pendant is like human tears...” Amy Xia said. Hearing Amy Xia’s description, Sebastian Mu looked a bit like it, especially the blue one, which gave people a very special feeling.

“A little bit!”

“I think this design must have a special meaning!” Amy Xia said very confidently.

Chapter 52

When it comes to design, Amy Xia is full of colors, and it looks like she has a charming brilliance.

Sebastian Mu looked at her, and then nodded, “Well, I think so too!” When they were talking, a man walked over, not someone else, it was the Nice of the day. He smiled when he saw Amy Xia.

Miss Xia really has a vision. This is the championship design of last year's competition!" Upon hearing this, Amy Xia and Sebastian Mu turned around and looked at Nice.

Amy Xia was a little surprised, but then smiled, "I like this design very much.

It feels like there is a story behind it!" Amy Xia is very talkative, and not tame or impatient, and feels very comfortable.

I have to admit that Nis admires Amy Xia very much, and her eyes are different.

"You are right, so there is a sentence I believe very much, as long as it is a design with a story, it will attract resonance!" Nice said, watching Amy Xia every word. Hearing this, Amy Xia nodded, dazed to understand something.

"Miss Xia, I believe you, you will definitely design this kind of work, and I look forward to your performance that day!" Nice said, looking at Amy Xia.

Amy Xia stood there and nodded, "Thank you for your support, I will try my best!" Sebastian Mu stood there, always feeling that Nice looked at Amy Xia's eyes differently, so he said, "Thank Nice for supporting our company.

I thank you on behalf of our company!" As he said, he stretched out his hand and shook it for Nice. Nice stood there for a moment, then shook hands with Sebastian Mu.

At this moment, someone called Nis, and Nis said, "Mr. Mu, Miss Xia, you can watch it, I have something to do, go ahead!"

"Okay!" Amy Xia nodded gently.

"Yeah!" Sebastian Mu also nodded, but most of the expressions on his face were pretended! So, Nice smiled, left, and went busy. So Amy Xia and Sebastian Mu stood there, a little bit embarrassed, and then continued to watch the exhibition.

"Do you have any good ideas for this time?" Sebastian Mu asked when looking at Amy Xia.

"Not yet!" Amy Xia was honest, and said directly.

"Don't be under pressure, although you represent the whole Chow, it is the best state to relax the game!" Sebastian Mu said, rare! It's rare that he can say so considerate of his subordinates! Amy Xia felt that the sun was coming out from the west! Amy Xia nodded, "Don't worry, I won't be nervous!" She has been abroad for so many years and participated in several competitions. She is also experienced and won't be so nervous! Seeing Amy Xia's self-confidence, Sebastian Mu glanced at her, then nodded, "That's good!" So, when the two people were talking, a man and woman came over, and the woman accidentally touched Amy Xia.

After a while, Amy Xia leaned forward, just as Sebastian Mu stood in front of her, and stretched out his hand, subconsciously supporting her. Realizing that he had hit

someone, the man hurriedly turned around, "How are you? I'm sorry, I didn't mean it!" Amy Xia also turned around, "It's okay!" go away.

Amy Xia smiled, not much.

Looking back, watching Sebastian Mu holding on to her, that posture seemed to be holding her. For a moment of embarrassment, the two have not yet separated. This scene happened to be seen by someone who shouldn't have seen it!

Chapter 53

"Sedum...what are you doing!?" she asked tremblingly. Hearing this voice, Amy Xia and Sebastian Mu turned their heads at the same time and saw Ling Xiaoyun standing there, looking at them with wounded eyes.

In the next second, Amy Xia hurriedly left from Sebastian Mu. But the more so, the more he felt guilty in Ling Xiaoyun's view! In this scene, can Ling Xiaoyun think that they are hugging together? She didn't speak, but looking at her, Amy Xia could clearly see the hostility and anger in her eyes.

Alas, there is always something in the world called Wuqiao not a book. She really didn't mean it! Amy Xia was very depressed, and she saw it just like this! No one believes it is a coincidence.

At this time, Ling Xiaoyun stepped up a few steps and looked at them, "Sedum, you guys..." Amy Xia didn't say a word.

If she explained, she would definitely become more confused.

Sebastian Mu also seemed calm and ruthless, "Why are you here?"

"I came here to watch the jewelry show, why are you here?" Ling Xiaoyun asked.

"We are here to watch too!"

"You...together!?" Ling Xiaoyun looked at them incredulously. Even though she was extremely angry, she couldn't lose her identity to so many people.

"Well, she is the representative designer of our company. She participated in this competition, so we came and watched it together!" Sebastian Mu said.

Is it? Is that right? Ling Xiaoyun didn't quite believe it, but Sebastian Mu said this.

If it is unreasonable to make trouble, it might ruin the image in Sebastian Mu's heart. She could only endure hard, and then turned her head to look at Amy Xia, with a sneer at the corner of her mouth, "I said, but Miss Xia, in public, it is better to pay attention!" She said enthusiastically and coldly. When Amy Xia heard it, she was not angry, but smiled, "Miss Ling, you don't need to be so mad at me, and you don't need to be so

hostile to me, because what you think is good may not be considered good by others, even if it is.

Okay, it's leftovers by others, I'm not interested!" After speaking, she smiled lightly, and then looked at Sebastian Mu, "Mr. Mu, I have finished admiring, so I won't bother you both, I'm leaving now!" After speaking, Amy Xia didn't even glance at Ling Xiaoyun, and walked over. Her words made two people angry.

Ling Xiaoyun was angry, but couldn't tell. What's more, Sebastian Mu's face turned black.

Is this woman saying he is left? ? ? Don't forget, she is also left! Inexplicably, Sebastian Mu was a little angry. What he was really angry about was that he felt that he, a man that all women liked, was actually rejected in her eyes! Say not interested! ! She is despising him! ? ! Although he thought so, Sebastian Mu didn't show it.

Okay, very good.

Let's talk about it at the company! At this time, Ling Xiaoyun turned his head to look at Sebastian Mu, and couldn't help but complain, "Really uneducated!" Hearing Ling Xiaoyun's words, Sebastian Mu just glanced at her and said nothing.

At this time, Ling Xiaoyun left directly.

In the past, holding his arm, a little bit coquettish and a little dissatisfied, "Sedum, how did she become the representative designer of your company?" Sebastian Mu was angry, but tried hard to endure it, and only returned her four words. , "!"

Chapter 54

From that day on, Amy Xia deliberately kept a distance from Sebastian Mu. But the more she maintained, the more dissatisfied Sebastian Mu was and approached her intentionally. Why does this woman say that he is the rest? She herself said that they are all one kind of people! Therefore, she is not qualified to say that to him! Thinking this way, my heart is more balanced.

After participating in the jewelry exhibition, Amy Xia is about to devote himself to design. Her mind kept echoing what Nis said that day, only the design of the story would resonate! Therefore, her design must have a story! After thinking about it for a day, I didn't have a clue.

In the afternoon, Amy Xia went to make a cup of coffee.

At this moment, her mobile phone rang. Seeing the number, Amy Xia smiled and answered the phone, "Hey, brother!"

"What are you doing?"

“At work!”

“I heard that you are now the chief representative designer of Chow, and you want to participate in the cutting-edge competition!” Sam Xia said over the phone.

“How do you know?!”

“Good things spread thousands of miles!”

“It must be Jenny again!” Amy Xia said.

“Of course not, I saw you and Sebastian Mu go to the jewelry show together, I knew you were going to compete!”

“So it is!” Amy Xia nodded.

“How about it, do you have time tonight? I invite you to dinner, as a celebration for you!”

“Okay, call Jenny together!” Amy Xia readily agreed.

Sam Xia on the phone also smiled, “Okay, as long as you are happy, you can do anything!”

“Well, then you are responsible for calling her, I’m still at work, it’s not very convenient!”

“Good!” Okay, let’s see you tonight!”

“Hmm!” Hung up the phone, Amy Xia had just walked out.

At this time, the secretary saw her, “Hey, Miss Xia, you are here, Mr. Mu is looking for you and let you go to the office!” “Oh, okay, thank you!”

“You’re welcome!” After speaking, Amy Xia turned to Sebastian Mu’s office, “Mr. Mu, you find me!” Knocked on the door and Amy Xia walked in. When he saw her, Sebastian Mu raised his eyes, “How is it? Do you have any thoughts on this design?”

“Not yet!” Amy Xia was honest, and changed to another designer. Dare to say words without thinking. However, Amy Xia has been abroad for a long time, and Amy Xia has also developed such a neat personality.

“If you have any information you need to refer to, you can ask the secretary directly!”

“Well, I know!” Amy Xia nodded.

“Is there something tonight?” Sebastian Mu asked casually.

“Yes!” Amy Xia said.

Sebastian Mu, “...what’s the matter!?”

“An appointment!” Amy Xia said. Hearing Amy Xia’s words, Sebastian Mu’s first thought was Sam Xia! “Date!?”

“That’s true!” Seeing Amy Xia’s calm look, Sebastian Mu was very upset, “Then you are afraid to be disappointed, stay in the company tonight and work overtime!”

“Overtime?” Amy Xia frowned upon hearing this. brow.

“Yes, the secretary helped you find design materials. They are all champions in previous years of design competitions. Please make a good reference!”

“But I have something tonight!”

“Miss Xia, is your appointment important or your work important?” Sebastian Mu looked at her and asked, “You now represent not only yourself, but also the reputation of Chow as a whole, so I hope you take it seriously!”

Chapter 55

In a word, Amy Xia didn’t know what to say. She has always had a clear separation between work and life. How come to Sebastian Mu’s mouth, she has become disregarding work! Looking at Sebastian Mu, Amy Xia frowned, and then nodded, “I know, I will stay to work overtime at night!” She hadn’t heard that there would be overtime before. But Sebastian Mu has said so, what else can she say, that’s all! Listening to Amy Xia’s words, Sebastian Mu raised the corner of his mouth and nodded, “Well, that’s right, let’s go out!”

“Yeah!” Amy Xia nodded, then walked out. She didn’t notice the look in Sebastian Mu’s eyes, her eyes flicked slyly...

After going out, Amy Xia quickly picked up her mobile phone and called Sam Xia.

It was connected after a few beeps.

“Hey, Amy Xia!” Sam Xia rang softly on the phone.

“Brother, I’m sorry, I’m afraid I can’t go tonight!”

“What’s the matter?”

“I have to work overtime tonight, so I can’t go!” Amy Xia said. Hearing this, Sam Xia paused, then smiled and said, “It’s okay, you will be busy with you first, we will go again when you have time!”

“Well, good!” Amy Xia responded, “Then I Go ahead!”

“Yeah!” So, Amy Xia just hung up the phone, and at this moment, the secretary walked up.

“Miss Xia, this is the information that President Mu asked me to give you!” As he said, the secretary walked up with a pile of information.

“Okay, thank you!” Amy Xia nodded and took it with a smile. However, after seeing a magazine on it, she was surprised.

Sebastian Mu is not a magazine bought casually, these are some limited edition boutiques! She also saw a few copies abroad, but she didn't expect Sebastian Mu to have them here! Secretly surprised, Amy Xia went to the desk with the information. She is a person who likes to read this kind of magazine, so when she sits there and read it, time will pass. She was still watching when everyone else was off work and she was the only one in the company.

After Sebastian Mu settled the affairs, he walked out of the office and saw the light on the design department at a glance, while Amy Xia was sitting there, watching intently. Sure enough, I didn't go on a date.

Obedient! Thinking of this, Sebastian Mu couldn't help but lifted his lips, and walked over there uncontrollably.

“How about? Does it look good?” Sebastian Mu's voice sounded above her head.

Amy Xia didn't even know that he had come over. She always thought that there was no one left, but she suddenly raised her head with such a fright.

Amy Xia breathed a sigh of relief when she saw Sebastian Mu.

“Are you making no sound while walking?” Amy Xia asked dissatisfiedly, frowning slightly, really scaring her. Seeing Amy Xia frowning and dissatisfied, Sebastian Mu felt a little cute.

“You are too engrossed by yourself, don't blame me for walking without sound!” Sebastian Mu said.

Listening to what he said, Amy Xia ignored him and continued to look at the magazine materials.

“Good-looking!”

“Yeah!” Amy Xia nodded.

“These are limited editions, not everyone who wants to see it!” Sebastian Mu said. Hearing this, Amy Xia raised her eyes, and then smiled, “Then write more about Mr. Mu!”
