Chapter 56 – 60

## Chapter 56

“You’re welcome!” But Mr. Mu, the good stuff is just to be shared, and it’s useless to leave it alone.

It’s better to share it and the entire design department can improve! “Amy Xia said with a smile. But why, Sebastian Mu always feels that her smile is so unreal.

“You are right, accept the suggestion!” Sebastian Mu said.

Amy Xia smiled, stopped talking, and continued to look down at the magazine in front of him.

“Have you eaten?”

“Sebastian Mu asked immediately.

“Mr. Mu has to work overtime, so he has time to eat!”

“Amy Xia said.

Is she complaining? “I said I asked you to work overtime, but I didn’t tell you not to eat!”

“Sebastian Mu retorted.

Amy Xia thought for a while, without even lifting her head, she said, “Forget! “Come on, I’ll treat you to dinner!”

“At this time, Sebastian Mu said. Didn’t Amy Xia make a mistake? Ask her to eat? Amy Xia thinks that she has not yet reached the point of courage.

“I have to work overtime!” She faintly refused.

At this time, Sebastian Mu looked at his watch, and it was almost nine o’clock.

“I announce that the overtime is over!”

“Sebastian Mu said word by word, “Now go to dinner with me!”

“Sure enough, it was the boss, who said overtime would work overtime, and said it would end.

“Since it’s over, I’ll go back!”

“Amy Xia said, I just didn’t want to go to dinner with Sebastian Mu. Hearing her refusal one, two or three, Sebastian Mu was a little angry, “Amy Xia, are you rejecting your boss like this?” Come to dinner with me, don’t refuse! “

“Are you? “

“Yes! Amy Xia, “ ...”

“Give you two choices, one, I will go home with you for dinner, you cook it for me, and two, go and eat with me!”

“That’s still two!” Sebastian Mu, ” .....” So, after giving Amy Xia a glance, Sebastian Mu took the lead to go out. Seeing his pulling look, Amy Xia reluctantly put away the information, and then followed him out.

Sebastian Mu was standing in the elevator waiting.

After Amy Xia walked over, she walked in.

After Amy Xia walked in, Sebastian Mu pressed it.

As a result, the elevator closed slowly.

Amy Xia and Sebastian Mu were in the elevator. They felt strange and didn’t know what to do. Can only stand like that, no one speaks.

Sebastian Mu also stood upright, saying nothing. Finally, the difficult time passed, the elevator opened, and Sebastian Mu took the lead to go out, and Amy Xia followed closely behind.

As soon as he was about to get in the car, Sebastian Mu ordered, “Sit in the front!” So, Amy Xia was also abruptly stunned when he opened the back door. Reluctantly, he opened the front door and sat in.

Sebastian Mu pulled on the seat belt, “What do you want to eat?”

“I’m eating with you, and President Mu decides to do it!” Amy Xia said lightly.

“Eat with you?” Hearing this, Sebastian Mu raised his eyebrows. With that tone, Amy Xia knew that he wanted to be crooked, so he immediately spoke.

“A decent person like President Mu shouldn’t think too much!”

“Who said I was decent?” Sebastian Mu turned his head and looked at her jokingly.

“I can see it!”

“Then I tell you, I’m not decent at all!” Sebastian Mu had a tone of frightening her.

Amy Xia is no longer that kind of little girl, how could she be so easily scared like a little sheep.

“Mr. Mu, you finally admitted, it was just a compliment just now!” Amy Xia said with a smile.

Sebastian Mu, “...”

## Chapter 57

Seeing Amy Xia’s appearance, Sebastian Mu suddenly couldn’t help but laughed. He found that this woman was getting more and more interesting. He didn’t say anything, so he started the car and left the parking lot. She didn’t ask Amy Xia what she wanted to eat, but drove her directly to a western restaurant. Nine o’clock is a good time for a date. When they arrived, there were a lot of people in the restaurant, but because Sebastian Mu was the VIP here, there was always a reserved place.

Amy Xia didn’t say it, anyway, it was Sebastian Mu’s treat, she just had to eat.

“Mr. Mu, here!” Lead by the manager, Sebastian Mu sat in a good position.

Sebastian Mu sat there like a master, and Amy Xia sat opposite him.

“Mr. Mu, wait a moment and order your food right away!” the manager said respectfully. Seeing the manager’s behavior, Amy Xia concluded that Sebastian Mu must be here often, which is really overwhelming.

At this time, the manager walked away tremblingly, and immediately a waiter came to order.

“Two steaks, medium rare, and another bottle of Lafite!” Sebastian Mu said. The waiter quickly noted it down.

Amy Xia said, “...” Rafi said, Sebastian Mu’s life is really extravagant. The waiter nodded, “Okay, come right away!”

“Wait!” The waiter dared to leave, and Amy Xia spoke. The waiter stopped immediately, “Is there anything else I need?”

“The steak is half-ripe!” The waiter nodded when he heard it, “Okay, I get it!” So the waiter left.

Sebastian Mu looked at her, “A half-ripe is just right!”

“I’m not so bloody, a half-ripe is just right for me!” Amy Xia said. For some reason, Sebastian Mu remembered her simple sentence and said nothing.

At this time, Amy Xia looked around for a week, all couples were sitting in pairs, having a candlelight dinner. She sat with Mo Shaotian in this way, as if it had become a date.

Amy Xia was a little embarrassed, but Sebastian Mu felt that the atmosphere was great, and he wanted this effect.

“How about it, did you gain anything after watching it all night?” Sebastian Mu asked casually looking at Amy Xia.

“Yes!”

“Have an idea?”

“That’s not it!” Sebastian Mu, “...” She discovered more and more that this woman was not only interesting, but also very cunning. set.

“It looks like you watched it for nothing tonight!” Sebastian Mu said.

“That’s not necessarily true.

Anyone who studies will definitely gain something!” Amy Xia said lightly. Just as Sebastian Mu was about to say something, at this moment, the waiter pushed the trolley over and said, “Mr. Mu, your steak is ready!” Then he brought it up. The beef was discharged, the red wine was opened, and two glasses were poured.

“Mr. Mu, take it easy!” The waiter nodded and then left.

At this time, Amy Xia and Sebastian Mu began to eat. The service here is so good, the price must be very expensive, but Amy Xia eats comfortably, anyway, it is Sebastian Mu’s treat. Two years ago, Sebastian Mu didn’t get any cheapness. He didn’t expect that two years later, he would invite himself to dinner. Just thinking about it, Amy Xia found it ridiculous. Seeing Amy Xia’s mouth twitching, Sebastian Mu looked at her, “What are you thinking about?” Amy Xia returned to his senses and smiled back, “Nothing!” Amy Xia felt mysterious, like a woman with a story, which became more and more attractive. He wanted to find out.

## Chapter 58

As everyone knows, when he really knows the truth, how shocked he will be! “How is it, how does it taste!?” Sebastian Mu looked at her and asked. Er Lan nodded, “Can thousands of steaks taste bad?”

“You know, remember, owe me a favor!”

“Huh?” Amy Xia ate, raising her eyes to look at Sebastian Mu, “What kind of favor?”

“Doesn't I invite you to dinner for nothing?”

“Am I not eating with you!” Amy Xia said, this Sebastian Mu is too ruthless now.

“Eating with me, I also ate!” Sebastian Mu said, anyway, he made up his mind to corrupt her.

Amy Xia, “...” Can she leave the knife and fork and go now? However, even if she did not finish eating, Sebastian Mu would have ruined her.

It would be better to enjoy this dinner.

Amy Xia picked up the red wine and took a sip.

Sebastian Mu sat opposite her. For some reason, it was very comfortable to get along with her. Besides, there was a feeling of *deja vu*...

Amy Xia looked back and Sebastian Mu was watching. She still couldn't help being knocked in the bottom of her heart, and then Amy Xia said, “Mr. Mu, I was eating with you here like this, and I was even ruined by you.

If I was seen by your girlfriend, I guess You're crazy with me again!”

“Are you afraid?” Sebastian Mu raised his eyebrows and asked.

“Of course!” Amy Xia said sharply, “Who is not afraid of accidents, not to mention, some are not, I am most annoyed by these things!” Listening to Amy Xia's words, Sebastian Mu's mouth hooked, but he didn't. Seeing that she was a little scared, she was even very angry when she talked to Ling Xiaoyun last time.

At this time, Sebastian Mu took a bite of steak and smiled, “Then you are afraid that you will be annoyed in the future!”

“Huh? What do you mean?” Amy Xia didn't respond for a while.

Sebastian Mu smiled, “It doesn't mean anything, eat!” Sebastian Mu said so, Amy Xia did not continue to ask, and continued to eat. Not to mention, there is indeed a big difference between a good steak and a bad steak.

Amy Xia admitted that the meal was not bad. So, a meal was spent in such an atmosphere. When he went back, Sebastian Mu wanted to send Amy Xia back, but Amy Xia didn't insist.

It was not easy to take a taxi at this time, so he got in Sebastian Mu's car.

Along the way, the two did not speak much, but they did not feel embarrassed with each other.

Sebastian Mu looked at her, “What are you thinking about?”

“Design!”

“Have an idea?”

“No!” Amy Xia said. Hearing this, Sebastian Mu raised his eyebrows, “Nice said that only people with stories will resonate, so you can follow your story!”

“The story comes from love, friendship, family love, life, I Life is very ordinary, family members are very harmonious, and friends are also very good, so I can’t think of any good stories!”

“What about love?” After listening for a long time, Sebastian Mu raised his eyebrows and asked. Hearing this, Amy Xia turned to look at him, “Mr. Mu, you deliberately, knowing that I am already divorced!”

“Before the divorce, there was no experience?” Speaking of this, Amy Xia was silent.

“What kind of person is your ex-husband?” Sebastian Mu asked half-publicly and privately.

## Chapter 59

Hearing this, Amy Xia turned her head and glanced at Sebastian Mu.

Is this intentional? If she avoids this question, will she be a little too deliberate? After thinking about it, Amy Xia said, “He, a scumbag!”

“Scum?” Hearing this, Sebastian Mu frowned, “How scumbags?”

“Affectionate, fanciful, crazy, unreliable, contrived. ,...” Amy Xia said several “crimes” of her ex-husband all at once.

Of course, for the current Sebastian Mu, he has long forgotten what he looked like in the past. He only knows who he is now, which is very low-key. However, if one day, she knew that these “crimes” Amy Xia said were all his, she would not know how dark her face should be.

“In that case, your vision is not so good!” Sebastian Mu said. Speaking of this, Amy Xia gave him a blank look, and didn’t say much, she didn’t want Sebastian Mu to notice.

“What about the other person?”

“Dead!” Amy Xia said.

Sebastian Mu, “... How did you die?”

“You did it!” Sebastian Mu, “...” Not wanting to focus on this topic, Amy Xia looked at him and asked, “What about your ex-wife!?” Two people Don’t have to confess now! Before

his ex-wife, Sebastian Mu frowned, and thought for a while, “I don’t remember it clearly!” Amy Xia’s face twitched when he heard this.

I really don’t want to communicate with this man anymore! She was silent, and Sebastian Mu thought for a while and then said, “I only remember that she is very old-fashioned and ugly. She wears old-fashioned clothes and a mirror frame every day. She is so boring!” Amy Xia’s casual expression was very calm, but I was sneering long ago.

If it weren’t like that, how could you divorce you, a big carrot! “It seems that Mr. Mu is still a person who judges people by appearance!” Amy Xia said with a smile while looking at him, but in the words, he secretly satirized him. Hearing Amy Xia’s words, Sebastian Mu also knew what she meant. He turned his head and looked at her, “Everyone has the love of beauty. Besides, even if I am not a person who judges people by appearance, she is not the woman I like. The important thing is that she doesn’t have any anger and is very boring!” This is very important to Sebastian Mu.

“But the most important thing is to keep yourself safe!”

“Do you think my woman will think of other things after being with me?” Sebastian Mu suddenly smiled evilly and looked at her and asked.

Amy Xia’s face twitched again.

Sebastian Mu, where is your self-confidence? You are so confident outside, does your mother know? ! Of course, Amy Xia would not say these words, but smiled without a smile. The car continued on the road. While driving, Sebastian Mu did not forget to say, “Unexpectedly, you are still a woman with a story!” Amy Xia smiled when he heard his words, “Don’t you think that such a woman has more connotations? Only there is A woman who has experienced it knows what she wants and what she cherishes!” Amy Xia said.

It happened to be where Amy Xia said, and Sebastian Mu stepped on the brake.

“Such a woman with a story, can’t design something with a story!?” Sebastian Mu asked back.

Amy Xia, “...”

“Or, lack of love?” Sebastian Mu asked back, saying, slowly moving forward, “Maybe, I can help you find the feeling...” Seeing Sebastian Mu approaching a little bit, Amy Xia can hear her heartbeat, what exactly does this man want to do!

## Chapter 60

Seeing him approaching a little bit, Amy Xia’s whole body was retreating, the silence in the car, the Buddha could hear each other’s breathing.

Sebastian Mu originally wanted to tease her, but looked at her skin, because he drank some red wine just now, his lips were red and his teeth were white, especially his eyes, full of autumn water, which made his heart move slowly and slowly. She leaned over...

I really wanted to kiss Fangze...

Amy Xia looked at him, really going crazy! This man still doesn't change his sentimental nature! In the next second, Amy Xia's hand opened the door of the car all of a sudden, and the whole person jumped down, "Mr. Mu, thank you for sending me back, I will go back!" Sebastian Mu rushed into nothing, feeling unhappy. But it can't be too obvious. However, Amy Xia's nervousness eased his mood a little, "Why? Don't you invite me to have a cup of tea?"

"Mr. Mu, sorry, I never drink tea, and there is no tea at home, so I don't invite it. You went up to drink tea, you walk slowly on the road, be careful!" Amy Xia said with a smile, standing outside the car window.

"Coffee is okay!"

"I just came back from abroad, and I haven't cleaned up at home, let alone coffee, I don't even know if there is water, so I don't ask Mr. Mu!" Amy Xia said, with a smile on his face. With firmness and affirmation. That means not asking Sebastian Mu to go up there. How clever Sebastian Mu is, how can he not see Amy Xia's careful thinking.

Sebastian Mu smiled, "Well, it's late, I'll go back first!" As soon as his words fell, Amy Xia said, "Be careful on the road, Mr. Mu!" Looking at Amy Xia's eagerness to let him go, Pretending to be very calm, Sebastian Mu wanted to rush to tear off the mask on her face. But it seems that that is meaningless. He would rather continue like this, which is more interesting... He wants to discover this woman a little bit... With this thought in his heart, Sebastian Mu hooked the corner of his mouth, without saying anything, drove the car and left.

Amy Xia stood there, watching the car whizzing past her, she clenched her fist fiercely. This man is absolutely deliberate! What happens if you drive slowly! But seeing her car disappear in front of her eyes, Amy Xia was relieved and walked back.

As soon as he walked to the apartment, Amy Xia was about to go in.

At this moment, a voice came to mind behind him.

"Amy Xia!" Amy Xia turned her head when she heard the voice. Then at this moment, Ling Xiaoyun walked up in a rush, indiscriminately, went straight up with a "pop" and gave Amy Xia a slap in the face.

Amy Xia stood there, not anxious to go back, but looked at her, "Are you crazy?" Ling Xiaoyun originally wanted to come here and wait for Amy Xia to talk to her, but he didn't expect to see Sebastian Mu send it away. She came back. She recognized Sebastian Mu's car.

Although she could not see what was happening in the car, she saw the two of them in the car and had not come out for a long time! As you can imagine, what they did in the car! Ling Xiaoyun is now surrounded by anger! "Crazy? Amy Xia, dare you to say that it was not Sebastian Mu who brought you back just now?" Ling Xiaoyun looked at her and shouted.

Amy Xia was stunned for a moment, it was indeed Sebastian Mu who sent her back, she couldn't deny this.

"So what?" Amy Xia looked at her and asked.
