

My Sassy President Novel

Chapter 71 – 75

Chapter 71

Everyone in the design department sees it, saying nothing, and absolutely not touching things that can't be provoked. Coco still couldn't hold back, and asked.

Amy Xia was eating, thinking about it seriously, "Maybe, she is definitely more prettier than her!" Hearing this, Coco chuckled and couldn't help but laugh. Now, she not only thinks that Amy Xia has a great mouth, but also has a sense of humor.

Although it is true, Amy Xia said so, but it felt funny.

At this time, Amy Xia looked at her and asked while eating, "Isn't it?" Coco nodded again and again, "Amy, I am finding out more and more that you have too much appetite for me!"

"Is that right?"

"Yes!" Coco nodded and said, just like Amy Xia's confidence.

Amy Xia also smiled, did not say anything, the two continued.

After this chat, both Amy Xia and Coco felt that the relationship was much closer. The two talked and laughed, and the common topics suddenly increased.

After the meal, the two went back together.

And Sebastian Mu and Ling Xiaoyun were there. Two people were eating western food, Sebastian Mu was silent all the time, and did not take the initiative to speak.

Ling Xiaoyun sat opposite him, feeling for the first time that this man was in front of him, but not her mind.

"What are you thinking about?" Ling Xiaoyun asked, looking at him.

"Nothing!" Sebastian Mu replied faintly, and then looked at her, "Why do you remember that you asked me for dinner today?" Upon hearing this, Ling Xiaoyun raised his eyes, "Of course I miss you."

I used to come out every other day. Eat!” Speaking of this, Sebastian Mu raised his eyebrows. For the first time, he felt boring to sit and eat with Ling Xiaoyun. Sitting together, I miss you, love you, and so on. There is no nutrition.

At that time, Amy Xia’s face suddenly popped out of his mind. What is she eating now? He was thinking! This restaurant is the one he and Amy Xia ate here last time.

Although they didn’t say much last time, they still felt unfinished, very interesting... Seeing Sebastian Mu not caring for her, Ling Xiaoyun felt even more in crisis.

“Sedum!” At this moment, Ling Xiaoyun suddenly put down the knife and fork in his hand, stretched out his hand to grab Sebastian Mu’s hand, looked at him and asked sadly, Sedum, do you not love me anymore? Seeing Ling Xiaoyun’s appearance, Sebastian Mu thought for a while and said, “How come, don’t think too much!”

“But why do I feel that your mind is not on me!” ? “Ling Xiaoyun asked worriedly. She didn’t feel much before, but today, she feels more worried. Seeing Ling Xiaoyun’s appearance, Sebastian Mu said, “I think too much, but I’m a bit busy recently at work, I ignore you!” Listening to Sebastian Mu’s words, Ling Xiaoyun blinked, “Is that right?” Mu Sebastian nodded. Since Sebastian Mu said this, Ling Xiaoyun would believe it. She firmly believes that even if Sebastian Mu lied to her, he would love her.

If a man doesn’t even bother to lie to you, then it means that he doesn’t love you anymore.

“Okay, eat it quickly, don’t think too much!” Sebastian Mu said, withdrawing his hand, then patted her and said.

Looking at Sebastian Mu, Ling Xiaoyun smiled and nodded, “Hmm!” So he continued to eat.

“By the way, Sebastian, did my dad tell you about the cooperation between Ling Shi and Yun Rui?” Ling Xiaoyun asked, looking for a topic.

“Well, I said it!” Sebastian Mu replied lightly.

“What do you think!?” Ling Xiaoyun asked. Speaking of this, Sebastian Mu looked up at Ling Xiaoyun, this is her purpose for looking for him today!

Chapter 72

Thinking of this, Sebastian Mu looked at her and said, “The land is not signed, and there is no way to develop it. Therefore, I want to wait for a while before talking!” He said very casually.

“I want to sign on it, isn’t it a piece of cake for you?” Ling Xiaoyun asked with a smile.

“No one knows how the plan will go.

In case there is a change, it is only us who will suffer by that time, so we will talk about it after a while!" Sebastian Mu said, and did not want to continue this topic with her.

Sebastian Mu had said so, Ling Xiaoyun was not good to say anything, nodded, "Well, you and my dad can figure this out, I won't ask more, I believe you will do it!"

"Yeah!" Sebastian Mu nodded faintly, without much emotion.

Ling Xiaoyun looked at him, suddenly remembered something, and said, "By the way, my dad said, you haven't been to my house for a long time, let you take time to pass!" She looked at him coquettishly and asked. Speaking of this, Sebastian Mu's brows sank, and he said after a long time, "Okay, I see, I'll take time to pass after the game!" He said seriously, he didn't reject the matter, but how exactly it is his business to do it.

Listening to Sebastian Mu's words, Ling Xiaoyun was relieved a lot.

"Okay, I'll relay it to my dad!" she said with a smile.

Sebastian Mu glanced at her and said nothing.

A meal, let Ling Xiaoyun untie a lot of knots. When Sebastian Mu sent Ling Xiaoyun back, Ling Xiaoyun embraced him, "Sedum, do you have time at night?" she asked in a charming voice. Seeing Ling Xiaoyun's appearance, Sebastian Mu knew what it meant, but now, he had no thoughts at all.

"Well, there are two more dinners in the evening!" Upon hearing this, Ling Xiaoyun pursed his mouth in dissatisfaction and hugged his neck, "You have not been with me for a long time!"

"What's wrong? Think about it!?" Mu Sebastian raised his eyebrows, looked at him playfully and asked.

After hearing Sebastian Mu's words, Ling Xiaoyun blushed, "I hate it!" Although he said so, he acquiesced in what he said.

"When are you with me?" Ling Xiaoyun asked when he looked at him. Seeing Ling Xiaoyun's appearance, Sebastian Mu's mind once again flashed Amy Xia's face, that woman, I am afraid that this way would never be revealed. What a hell! One night, her face kept flashing in his mind! Sebastian Mu said, "Xiaoyun, it's daytime!"

"Do you care about this?" Ling Xiaoyun asked charmingly while looking at him.

At this time, Sebastian Mu held her face, "Goodbye, I have to go back to the company if I have something to do, and I will find you another day!"

Chapter 73 She Is Jealous?

"But..."

“Good, obedient!” Although it was coaxing her tone, but Ling Xiaoyun could hear it, his voice was very sure and firm.

Afraid to upset him, Ling Xiaoyun had to give up, “Well then, remember to call me!”

“Yeah!” Sebastian Mu nodded. So Ling Xiaoyun leaned over and pressed a kiss on Sebastian Mu’s lips, “Then I’m going back!”

“Yeah!” Sebastian Mu nodded. So Ling Xiaoyun got out of the car reluctantly. Seeing Ling Xiaoyun getting out of the car, Sebastian Mu didn’t stop any more and drove away.

Ling Xiaoyun stood there, watching Sebastian Mu’s body disappear, and the smile on his face collapsed a little bit.

It wasn’t that she was too concerned, it was because she obviously felt that Sebastian Mu was rejecting her. Before, as long as she was not in the office, she would be very excited if she took the initiative, but now... His reaction was cold, and when he was with her, he was absent-minded... Thinking of this, Ling Xiaoyun felt a sense of inexplicable panic. . She is about to lose him...

Moreover, all these feelings stem from the appearance of a person! Amy Xia! Thinking of this, Ling Xiaoyun shook his hand tightly! Hate, her beautiful eyes... She will definitely not let Amy Xia ruin her happiness! After Sebastian Mu went back, she inadvertently looked at Amy Xia’s seat, but she didn’t sit there anymore. Frown. Where did she go? Thinking about this, his steps are walking towards the office. Sitting in the position, I always feel something is wrong.

After thinking about it, I still press the pain inside.

“Xiaoya, let Amy Xia come in!”

“Okay!” In response, the secretary went to find Amy Xia.

After a while, the door was knocked, and Sebastian Mu thought it was Amy Xia who came, raised his head and came in. But the secretary pushed in.

“Mr. Mu, Miss Xia has asked for leave!”

“Ask for leave?” Sebastian Mu frowned. Why doesn’t he know? “I heard that it was a little uncomfortable, so I took time off and went back!” the secretary said. Hearing this, Sebastian Mu frowned slightly.

In the morning, I asked her if she wanted to take time off and go back to rest. She also said that she didn’t use it. Now she is not feeling well.

“Okay, I see, you go out first!” Sebastian Mu said displeasedly. The secretary nodded and walked out.

Sebastian Mu sat there, always feeling that something was wrong.

After thinking about it, he finally picked up the phone and dialed Amy Xia's number. But what came on the phone was, "Sorry, the phone you dialed is turned off..." Turn off? Sebastian Mu frowned even more, what the hell! When she was upset, she thought about it again, is she jealous? Amy Xia knew that Sebastian Mu and Ling Xiaoyun would go out for dinner, and they would not be able to come back for a while. Even if he comes back, he will go directly to the company. So she asked for leave! After coming back so long, she did not go back to see Aunt Li. The matter still needs to be explained, so she bought a lot of fruits to visit Aunt Li.

It was the former villa, where Aunt Li has been taking care of Sebastian Mu. But she didn't expect that Sebastian Mu would call her, so she didn't answer it. So I took a taxi and went to the place where I used to be.

Chapter 74: She Is Jealous? 2

Here, there is not much different from two years ago, except that the planting in the courtyard of the villa is different, and the appearance of the villa remains unchanged.

At this time, standing at the door of the villa, his mood was completely different from before. Two years ago, maybe she also had hatred, even when she left, she had a trace of revenge, but now, standing there again, her heart is much calmer. What happened two years ago is vivid and vivid, and she hasn't forgotten it, but she doesn't have that strong feeling in her heart.

Amy Xia took a deep breath, walked over, and rang the doorbell. Soon, the door was opened.

"Aunt Li!" Amy Xia gave a smile when she saw Aunt Li.

Aunt Li didn't expect Amy Xia to come over.

"Less...no, Amy!" Aunt Li also yelled happily, "Why are you here?"

"Of course I came to visit you specially!" Amy Xia said.

"Come in, come in!" Aunt Li hurriedly greeted.

Aunt Li has been in Mu's house for nearly ten years, and the people in Mu's family respect Aunt Li very much. Even people as arrogant as Sebastian Mu have great respect for Aunt Li! "Aunt Li, this is for you to eat!"

"What else to buy, come in!" Aunt Li greeted.

Amy Xia smiled, and then walked in. The decoration inside is as usual, only two years later, it still looks so clean and so new! "With Aunt Li here, it's really as usual here!" Amy Xia said with a smile.

Aunt Li smiled, "Sit down, I'll pour you a glass of water!"

“No need Aunt Li!” Then, Amy Xia grabbed Aunt Li’s hand, “I’m here to see you. You, secondly, there are some things I want to explain to you, you don’t have to be so busy!” Seeing Amy Xia’s appearance, Aunt Li nodded, and the two of them sat there.

Amy Xia told Aunt Li the whole story.

Aunt Li was surprised but not so surprised anymore.

After all, Sebastian Mu didn’t know what Amy Xia was like when she left two years ago, so it should be because she can’t recognize it now. But I didn’t expect that their fate was so deep that they could still see each other in this situation two years later.

“It turned out to be like this.

I was shocked when I saw you at the company!” Aunt Li said.

Amy Xia smiled, “Aunt Li, I know what happened for two years, you kept it secret for me, thank you!” Hearing what Amy Xia said, Aunt Li smiled, “Some things depend on fate!” Even if she said What can I do? Amy Xia went abroad two years ago, and Sebastian Mu couldn’t touch anyone. Now, she didn’t say anything, the two people still bumped into each other, and they were still in the same company, not what fate was! Amy Xia also knows what Aunt Li’s words mean. She didn’t say so much. She looked at Aunt Li, “So now, I still want you to keep it secret for me!” Aunt Li nodded, “Well, I know, but the paper package is not. Stay away from the fire, you must always have a mental preparation!” Amy Xia nodded, “Well, I will!” She will leave before Sebastian Mu finds out. But she didn’t expect that the plan would never keep up with the changes... So, Amy Xia and Aunt Li chatted there for a while and left. She was also afraid that Sebastian Mu would come back suddenly, and Amy Xia didn’t dare to stay for long, so she left.

Chapter 75 She’s Jealous? 3

“Aunt Li, take care of yourself!” Aunt Li nodded, “Take care of yourself too!” Amy Xia nodded and then left.

Aunt Li stood at home, looking at Amy Xia’s back, and shook her head helplessly. How many people, but the young master doesn’t know how to cherish it... Not long after Amy Xia left, the phone rang again. When he saw Sebastian Mu’s call, he answered.

“Hey...” And Sebastian Mu was just about to hang up, because what came on the phone was that the phone you dialed was turned off. He didn’t think so much, he said directly, “Finally answered the phone?”

“Mr. Mu, what’s the matter?” Amy Xia asked straightforwardly.

“Where are you?”

“At home!”

“I don’t feel well!?” Sebastian Mu asked.

“Yeah!” Amy Xia replied without saying much.

“What’s the matter?” Amy Xia asked immediately.

“It’s okay, it just depends on how your design is done!” Amy Xia, “...Don’t worry, Mr. Mu, I will hand it in as scheduled!”

“That’s good!”

“If it’s okay, I’ll hang up first. !” As he said, he hung up without giving Sebastian Mu a chance to speak again.

Sebastian Mu was holding the phone, very depressed. For the first time, a woman could not wait to hang up his phone! Sebastian Mu’s heart was very unhappy...

After hanging up the phone, Amy Xia’s heart was very comfortable. Sleepiness hit her head again, she took a taxi back, took a brief wash, and fell asleep after crawling on the bed.

In the evening, Sebastian Mu did not participate in any dinner, and went straight back. He rarely came back so early, and Aunt Li was a little surprised.

“Master, have you eaten? Do you need me to cook for you!”

“Well, let’s do something!” Sebastian Mu said leisurely, looking not in a good mood. Sitting there, he suddenly saw a bag of fruit on the table. He frowned, “Someone was here today?” Speaking of this, Aunt Li was taken aback, and then quickly put the fruit away, “Well, I have one today.

My relatives came to see me, Master, I’ll cut the fruit for you!” With that, Aunt Li quickly took the fruit to the kitchen.

Sebastian Mu sat there and said nothing... The next day.

Amy Xia slept until dawn.

Although she had dinner for dinner, she slept comfortably.

After waking up in the morning, I drank some milk, ate a fried egg and ham and went to work. For Amy Xia, she still pays attention to life. Breakfast is a must-have for a day.

In two years, her life is getting better and better.

After breakfast, Amy Xia picked up the design drawings and went to the company.

In the past two days, there were too many things to compete.

Amy Xia and Sebastian Mu didn't meet each other very much. Seeing that it is the last day, the design drawings must be sent by the designer and the company boss.

Moreover, it must be closed.

"How about? Is the drawing done?" Sebastian Mu asked when looking at Amy Xia.

Amy Xia nodded, "Hmm!"

"Go!" So the two went to the place designated by Nice.

Amy Xia has been holding the design drawings and is in a good mood. Up to now, what the result of the game looks like is not very important to her. The most important thing is this design.

Amy Xia feels that even if it won't be the first, this design will not be buried. Thinking about it, Amy Xia's mood relaxed a lot.

Sebastian Mu glanced at Amy Xia, "It seems that you are very confident in this design!"
