Chapter 76 – 80

Chapter 76-She Is Jealous? 4

Hearing Sebastian Mu's words, Amy Xia smiled, "I don't know what the result will be, but this design, I hope to give you a surprise!"

"Surprise me?" Hearing Amy Xia's words, Sebastian Mu frowned. eyebrow. He heard it right! Amy Xia has always been unable to hide from him, but now she surprises him? "What do you mean?" Sebastian Mu asked when he looked at her, and couldn't help but feel better.

Amy Xia smiled, "Temporarily keep it secret, you will know when it is announced!" Since Amy Xia is about to sell her, Sebastian Mu certainly gave her face, raised her eyebrows, said nothing, and drove on. Soon, they arrived at the designated place in Nice. Hearing that Amy Xia and Sebastian Mu were coming, Nis almost came downstairs to meet him personally.

"Mr. Mu, Miss Xia!" Nice smiled and said hello, then shook hands one by one. While talking, he went upstairs.

"Miss Xia, how are you confident about this competition?" Nice asked Amy Xia, looking at him. He is still relatively optimistic about Amy Xia.

Amy Xia smiled, "According to what you said, just design something you like, something with a story.

As for the final outcome, it still depends on the judges!" Amy Xia said with a faint smile. When Nice smiled, he admired Amy Xia's calm and calm energy.

At this time, several people went upstairs together.

Amy Xia handed the design drawing to Nice, "This is my design!" Looking at the design wrapped in archive paper, Nice took it and smiled, "Miss Xia, looking forward to your design!" Amy Xia smiled. Did not say much.

At this time, Sebastian Mu looked at Nice, "Will the answer be revealed in a few days?"

"Two days!" Hearing this, Sebastian Mu nodded. So, after speaking for a while in the office, Sebastian Mu and Amy Xia left.

As soon as I walked to the door, I saw a person.

Amy Xia really feels that, in fact, she and Ling Xiaoyun are deeply connected with each other, that they can be met here! Ling Xiaoyun fluorescent high heels, gray cropped trousers, white suit.

It's rare to see her so formal. When he saw Amy Xia and Sebastian Mu, Ling Xiaoyun stopped there.

Looking straight at Amy Xia and Sebastian Mu. Knowing that they will come together, but seeing them stand together, her heart still can't help but hurt! Because they stand together, they look so good! Good match! Although I don't want to admit it, it seems to be the same thing! Nevertheless, Ling Xiaoyun stood there, pretending to be nothing.

Instead, Sebastian Mu looked at her and said, "Xiaoyun, why are you here?" Ling Xiaoyun just smiled when he heard Sebastian Mu's words.

At this moment, Nice came out and introduced, "This is our competition.

One of the reviewers of Lingshi Group!" Review? Hearing this, Amy Xia and Sebastian Mu were a little surprised. However, Amy Xia stood there without speaking.

Although she thinks this is not a coincidence.

Sebastian Mu also looked at Ling Xiaoyun, "Are you the judge of this competition? Why don't I know?" Ling Xiaoyun smiled, "When the judges are involved, they want to keep it secret, not that I deliberately didn't say it, Sebastian, you At work, there is always a clear distinction between public and private.

I believe you will not be angry with me, right?" Ling Xiaoyun looked at Sebastian Mu and said.

Sebastian Mu looked at Ling Xiaoyun's appearance, his eyes were straight, and the corners of his mouth made a smile, "Of course!"

Chapter 77: She Is Jealous? 5

At this moment, Sebastian Mu turned his head and looked at Niss, with a smile at the corners of his mouth, "Niss, should you know about my relationship with Ling Xiaoyun?" Niss frowned, "You are!?"

"The whole city of A knows that we It's a boy and girl friend!" Sebastian Mu seemed to declare specially. Nice was taken aback.

Ling Xiaoyun didn't know why Sebastian Mu said this, but he was very happy to hear him say this.

In her opinion, Sebastian Mu dared to say that they are boy and girl friends in front of others. This is a recognition of her... But, this, only Nice knows what the relationship is! Amy Xia always stood there silently, with a smile at the corner of her mouth, she didn't dare to laugh! This is, Sebastian Mu smiled and shook hands with Niss, "If it's okay, we'll leave first!" Niss nodded.

At this moment, Sebastian Mu walked over, and when he came to Ling Xiaoyun's side, he said softly, "I believe in your power!" After speaking, he smiled at the corner of his mouth and walked out directly.

Only the two of them heard what Sebastian Mu and Ling Xiaoyun said. Nis stood there, stunned for a moment, but said nothing. When they left, Ling Xiaoyun walked up to Nis and greeted him, "Nice!"

"Miss Ling!"

"How about? Are everyone here?" Ling Xiaoyun looked at him and asked.

"Alright, I didn't expect Miss Ling to be so active!" Nice said with a smile.

Ling Xiaoyun didn't know whether it was a compliment or something, and smiled, "This is what I should!" They said, they walked inside.

"Go inside and rest first!" Nice said to Ling Xiaoyun.

Ling Xiaoyun nodded, just about to leave.

At this moment, someone came over and said something in Nis' ear. Nis nodded, turned and walked out. Watching Nis go, Ling Xiaoyun also just walked to the door of another VIP room.

After watching Nis enter the elevator, Ling Xiaoyun turned around and walked back.

If she was right, Sebastian Mu and Amy Xia walked out of this room just now! I didn't see Nice holding the file, so all the design drafts should be in this one! Thinking like this, Ling Xiaoyun looked at the people outside. There was no one at this moment. She thought, she opened the door and walked into the room.

After walking in, she looked at the design draft on the table. Yes, all the design drafts are here.

And Amy Xia's is on the top! It really takes all the effort! So Ling Xiaoyun hurriedly opened the archives, and after pulling it out, she looked at the design drawings.

In fact, she didn't know much about design.

Amy Xia painted it, she just thought it was pretty.

If they take it straight away, they may ask Amy Xia to hand in a new copy, and Nis will find out.

If it is destroyed, someone will definitely find the person behind it. so what should I do now? Ling Xiaoyun thought, a little nervous.

At this moment, she saw a card inside. She took it out and took a look. When she saw that thing, a smile appeared at the corner of her mouth. So, I took out the commentary card directly, put the design drawing back to its original place, and re-tied the portfolio. When she walked to the door, seeing no one came back, she opened the door and walked out.

As soon as I arrived at the door, this was, someone came over.

“Miss Ling, what are you doing here?”

Chapter 78

At this time, an employee asked. Hearing the sound, Ling Xiaoyun was startled, turned around and looked at the man, then smiled, “It’s okay, I’m looking for the toilet, where is the toilet!?” Ling Xiaoyun asked calmly.

“Oh, over there!” the employee said with a smile.

Ling Xiaoyun nodded, afraid of being helpless, and walked directly to the toilet.

Ling Xiaoyun breathed a sigh of relief after reaching the toilet.

Looking at the hand card in her hand, she smiled coldly and just threw it aside.

“Amy Xia, I will definitely make you unable to stay in City A. Without knowing the card, your design is equivalent to a painting.

It depends on how you explain to Sebastian Mu!” Ling Xiaoyun tick the corner of her mouth and finish washing. Hand, turned and left.

And that card was thrown on the ground. Not long after she left, at this moment, the door of the toilet was pushed open, and a woman came out from inside.

It was obvious that she had heard what Ling Xiaoyun said just now.

At this time, her eyes saw the card on the ground. Walked over slowly, leaned over, picked it up...

And Amy Xia and Sebastian Mu were there.

After the two walked out, they got into the car directly. None of them thought that Ling Xiaoyun turned out to be one of the judges this time, which was really surprising.

At this moment, Sebastian Mu drove the car and didn't speak.

Amy Xia glanced at him, and saw that he didn't mean to speak, Amy Xia simply refused to speak. The two people have been silent.

At this moment, Sebastian Mu turned his head, "Don't you have anything to say!?" Hearing Sebastian Mu's words, Amy Xia was stunned and nodded, "Well, one of Mu's girlfriend judges should not lose.

It's too miserable!"

"Are you laughing at me?"

"I'm laughing at myself!" Amy Xia corrected.

Sebastian Mu, "...". In fact, Amy Xia knew that Sebastian Mu said that deliberately because he was afraid that Ling Xiaoyun would target her works. He should also know that Ling Xiaoyun had targeted him repeatedly, and that was obviously meant to Niss.

Listen. Regardless of whether Ling Xiaoyun supports her work, Nice will consider it.

Only Ling Xiaoyun thought that Sebastian Mu was talking about announcing their relationship.

Of course, Amy Xia didn't think Sebastian Mu was doing her good, he did it for Yun Rui's reputation.

If she can't get the spot for the competition, Yun Rui will also be affected.

Amy Xia really felt that Sebastian Mu's city mansion was too deep, and Ling Xiaoyun was not his opponent at all.

Maybe Ling Xiaoyun was still immersed in what Sebastian Mu said at the moment.

It's not that Amy Xia knows Sebastian Mu a lot, but just looking at Nis's expression, he knows what Sebastian Mu's words mean.

After taking a glance at Amy Xia, Sebastian Mu said, "In fact, don't worry too much. The judges only make up 30% of the final decision!" Upon hearing this, Amy Xia raised her eyebrows, "I'm not worried! "There was still a little bit, but when she saw Ling Xiaoyun, she miraculously calmed down. Regardless of the result, she would not recognize how much Ling Xiaoyun would move in it.

Moreover, she also believed that Ling Xiaoyun would not cover the sky with just one hand. So Amy Xia was not worried at all. Even if Ling Xiaoyun didn't care about her face, he still had to consider Sebastian Mu's face.

Listening to Amy Xia's words, Sebastian Mu turned his head and glanced at her, watching the smile hanging around her mouth miraculously calmed down.

Chapter 79

“Then wait for the news, there will be results soon!” Sebastian Mu said, and Amy Xia nodded.

As a result, neither of them said anything, the car was driving on the road and soon arrived at the Chow Group. The two went busy separately.

On the first day, that passed. When Amy Xia arrived at the company the next day, he was directly called to the office by Sebastian Mu.

“Amy Xia, the design drawings, are you sure you are ready?” Sebastian Mu asked when looking at Amy Xia.

Looking at Sebastian Mu’s expression, Amy Xia knew that something was wrong! “I’m sure!” Amy Xia looked at Sebastian Mu and said with certainty.

“I received a call from Nice, your commentary card is gone!” Sebastian Mu said. Hearing this, Amy Xia was taken aback, and then she said, “I put the commentary card together with the design drawings, and they are all in it!” Amy Xia said very positively. Seeing Amy Xia’s so determined look, Sebastian Mu frowned, thoughtfully.

“It’s just that the commentary card is missing?” Amy Xia asked back.

Sebastian Mu nodded.

“If I write another copy now, is it still possible to submit it?” Amy Xia looked at Sebastian Mu calmly and asked.

It seemed that after seeing Ling Xiaoyun yesterday, she had an intuition that something would happen.

I didn’t expect it, really.

Out! Therefore, she is also calm! Sebastian Mu shook his head, “It’s over!” The meaning is obvious.

Amy Xia stood there, thought for a while, and then said, “Mr. Mu, I’m sorry, I don’t know why this happened, but I did put the commentary card in it.

If this causes the company’s reputation and loss, I am willing to do my best. Take it!” Listening to Amy Xia’s words, Sebastian Mu looked up at her.

Amy Xia stood there, extremely calm, as if he had expected it a long time ago.

“This matter, I will find a way, you go out first!” Sebastian Mu said.

“Yes!” Amy Xia nodded, turned and went out.

Amy Xia believed that even if she didn't say something, Sebastian Mu knew what was going on, so she didn't say anything. However, thinking of the commentary card, Amy Xia sneered at the corner of her mouth, and she really tried her best.

In one day.

Amy Xia was busy at work and didn't care about the game at all.

It's not that she is not worried, that is her dream, how can she not worry. But now that things have happened and cannot be changed, it is better to go with the flow. Besides, there is also Sebastian Mu. Now it is not only her dream as simple as that, but also the honor of the entire company, Sebastian Mu should be more concerned about it! Sebastian Mu left the company and didn't see him for a day.

In the entire company, except for Sebastian Mu and Amy Xia, no one knew about this.

Otherwise, if anyone knew, they would definitely admire Amy Xia's calmness.

In fact, in her heart, Amy Xia had planned the worst result. So, such a day was spent. The next day, when the game revealed the answer.

All designers must arrive to announce the places for the competition.

After the selection, there are almost 20 designers, Amy Xia is one of them. Because she knew about the loss of the commentary card, Amy Xia didn't have much hope, but she always came, and she still had to take a look. Here, Amy Xia saw the woman.

Chapter 80

Alexia. She was wearing a white shirt, black trousers, and yellow hair curled up behind her head. The face and the eyes fully explained that she was a foreign woman.

It seems very capable.

Amy Xia recognized her at the first glance. Sure enough, she is a strong woman.

It feels very different.

At this time, she walked directly to the main position. The results were announced. From the third place to the second place, they were all announced. However, in the end, Alexia held a file in her hand, looked at the people below, and said, "Amy Xia!?" When she heard her name, Amy Xia raised her eyes.

At this time, according to her own reflection, Ya Lixia looked at her.

Amy Xia also stood up.

"I am!"

“Miss Xia, can you talk about your design philosophy?” Alexia said. Hearing this, Amy Xia paused slightly.

In order to respect this design work, Amy Xia decided to talk about it.

“This design, in fact, I want to give it to an old man!” Speaking of this, everyone looked at Amy Xia.

“My design inspiration came from him. This old man is a very ordinary person who works as a housekeeper in a family, and his son is very good. He returned from studying abroad. Seeing his career success, he is unfortunate. Yes, no longer in a car accident, and the only thing left is the necklace that the old man gave him before he went abroad!” Amy Xia said.

“Now the old man is delirious, almost holding the necklace without leaving his hand. That is a longing for his son.

I think if the old man’s son knows, he will definitely miss him. Therefore, I designed this necklace. !” When Amy Xia was speaking, every word made Alexia’s face greatly changed.

Looking deeply at Amy Xia.

After speaking, Amy Xia turned her head to look at Alexia, “This is my design philosophy.

Although it is a very simple story, I believe that people who can empathize will definitely understand this feeling!!” Amy Xia finished.

After that, Alexia remained silent and looked at her.

Alexia didn’t speak, anyone present dared to speak.

After all, she is the biggest organizer this time, and the decision is in her hands. Seeing the passing of time, no one spoke.

Amy Xia stood there, not impatient or impatient, and looked at Alexia plainly.

Although he was a foreigner, he spoke Chinese very well.

In the end, the person who couldn’t stand his temper was Ling Xiaoyun. She didn’t expect that Alexia would let her explain in person.

“Ms.

Xia, in your design, there is only one design, not even a commentary card.

After all, in this game, you have already lost!”

“Ms.

Xia, if I pay a million, buy you What about the idea of ??” At this moment, Alexia suddenly said.

At that time, Alexia’s words stunned everyone. Even Amy Xia was stunned. She thought that she might lose, because she didn’t know what to say about Ka, but she didn’t expect that Alexia would actually say this.

Ling Xiaoyun was even more stunned.

Alexia’s words undoubtedly slapped her severely on her face.

At this time, Alexia stepped off the stage and walked slowly towards Amy Xia, “I will buy your work!”
