

My Sassy President Novel

Chapter 91 – 95

Chapter 91 Hold a Cocktail Party 4

“By the way, you have a speech at that time, I wish you well!” Sebastian Mu said. Speech? Amy Xia frowned.

“What? Stage fright?” Sebastian Mu asked back. Seeing Sebastian Mu’s good show, how could Amy Xia compromise? She smiled slightly, “I’m just a little annoyed by the speech!” After speaking, Sebastian Mu gave Sebastian Mu a provocative smile and turned and left.

Looking at Amy Xia’s back, Sebastian Mu also smiled and walked out. Everyone says that people in the upper class are extravagant, and that’s right.

It’s just that after winning a championship, it would be so extravagant. The hotel was reserved for Sebastian Mu’s hotel, and the entire venue was reserved. When it was about to get off work in the afternoon, the Chow Group was very lively, saying that Universal Celebration was a bit exaggerated, but it was not bad.

Men’s suits and women’s dresses were replaced directly at the company.

Only Amy Xia, he now understands what Sebastian Mu said! At this moment, Coco walked over and looked at Amy Xia, “Amy, didn’t you bring a dress?” Amy Xia shook her head, “No!”

“You want to dress like this?” Coco asked.

Amy Xia glanced at herself for a moment, “Can’t you?” In fact, she was not too particular about her.

“It’s not impossible, but... what you say today is also the protagonist, do you want to wear such a plain dress!” Coco said.

“Su?” Amy Xia asked again, then smiled, “It’s okay!”

“Amy, you are too low-key!” Coco said. Hearing Coco’s words, Amy Xia smiled, “Perhaps I wear such a plain dress, among your flowers, I will stand out!” Amy Xia joked. Her words also made Cocoa ridiculous.

“Look at them, that is not a formal dress, but you only wear it so plain!”

“Low-key is the most gorgeous show off!” Amy Xia said. She always had her own reasons, which was ridiculous and didn’t say anything.

At this moment, someone shouted at the door.

“Is that Miss Amy Xia?”

“I am!” Amy Xia almost subconsciously spoke when someone called her name.

After the man saw Amy Xia, he immediately walked over, “Your package!” It was a big box.

At that time, all the female colleagues in the design department looked over.

“At this time?”

“I don’t know too much.

A gentleman made the reservation for you!” the man said. Hearing this, Amy Xia frowned, but still signed the bill, and the man put down his things and left.

Amy Xia looked at the box, then opened it.

“Wow…….” As soon as it was opened, people around me exclaimed.

It was a dress inside. The gem is blue.

It looks strangely noble. Even Amy Xia was surprised.

“Amy, who knows you so much, and gave you a dress!” Coco watched and said, and several colleagues came over and watched “I don’t know!” Then Amy Xia put the lid aside , Picked it up and looked at it.

It is a self-cultivation gemstone Lancer dress, one-shoulder style, looks very beautiful.

“I don’t know? Why don’t you know, is it your boyfriend?” the female colleague asked. boyfriend? Hearing this, Amy Xia frowned, “I don’t have a boyfriend!” His colleagues in the design department were surprised.

“That’s a crush, suitor!” the colleague guessed.

“Don’t worry about who it is, go and change, let us see!” As he said, the colleague booed Amy Xia to change.

I don’t know who sent it to wear it.

Amy Xia felt a little weird, but under their booing, she went to the toilet to change her clothes.

Chapter 92

Looking at herself in the mirror, Amy Xia was a little surprised. Who delivered it to her, she knew exactly what her size was, and she put it on, the size was just right, and... The sapphire blue made her skin better.

Looking at herself in the mirror, Amy Xia was in a daze. When she went out, Amy Xia had already put all her curly hair aside, so she looked more noble. The colleague from the design department stood in the case, and didn't know whether it was intentional or what, and said in unison, "Wow!" Looking at them, Amy Xia smiled, "Don't be so exaggerated, I can't help but want to laugh!" "Amy, very beautiful, really!" Coco couldn't help saying. Several colleagues also nodded.

"Wow, who has such a good vision? Honestly, you really don't know!?" Cocoa looked at Amy Xia and asked.

Amy Xia immediately raised her hand, "Swear to the sky, I really don't know!" As she said, Amy Xia felt it, "I don't know who gave it, it feels weird to put it on!" Seeing Amy Xia's expression, it became ridiculous. .

As a result, a few women had trouble with the design department for a long time.

In the afternoon, there was a car to take them to the reception.

After arriving there, Amy Xia knew what Sebastian Mu's words meant. The entire hotel is packaged, and it is very luxurious. They are all self-service, and the decoration inside is also very luxurious. When they first arrived, there were many cars parked at the door.

At first, Amy Xia thought that there would only be people from the company, but it seemed not.

Moreover, Sebastian Mu's high-key work, low-key character, a cocktail party, will not be so stingy.

Amy Xia sometimes feels that what she thinks is too simple.

"Were there so many people at receptions in previous years?" Amy Xia asked. Coco nodded, "Yeah!"

"This is only half. People are not there. When they are there, you will know how many people are there!" Listening to Cocoa, Amy Xia thought for a while, then nodded, "Well, it's Mu The overall character!" But that's right.

In this industry, this is the comparison.

It can't help being a cocktail party and a blow to the opponent's company.

Amy Xia, Coco, and a few female colleagues walked in.

As soon as they walked in, they dispersed.

Only Coco was with Amy Xia.

At this time, two people took a glass of red wine and stood aside.

At this time, watching the waiter shuttle among the crowd, and some high-level officials greeted the guests, only Amy Xia and Coco were here.

“Amy, you are the champion of this competition, do you have to stay here forever?”

“Otherwise?”

“Aren’t you going to meet other people?” Coco asked.

Amy Xia immediately shook her head, “Forget it, they don’t necessarily know me!” Seeing Amy Xia’s appearance, she smiled ridiculously.

“I’m going to the toilet, are you going?” Coco asked.

Amy Xia shook her head.

“Then I’m going!” As he said, Coco left with his dress.

Leave Amy Xia there.

At this moment, a figure walked in the door...

Chapter 93

Sebastian Mu didn’t know when he changed his clothes, and when he walked in, he instantly became the highlight of the whole scene. He was not wearing very formal, long trousers, wearing a blue casual suit on it, looking very handsome. Blue... Seeing him wearing blue, Amy Xia couldn’t help but look at her body. Today, she is also blue.

Oops.

Is it a coincidence? At this moment, Sebastian Mu walked in, and after someone greeted him a few words, he looked for someone in the center, turned his head, and saw her.

A wicked smile came up at the corner of her mouth and walked towards her.

Amy Xia was standing there, watching Sebastian Mu smile so much, her heart was beaten slowly... Turning her eyes away, she looked away.

At this moment, Sebastian Mu walked to her, looked at the dress on her, and smiled with satisfaction at the corner of her mouth, “Miss Xia, the dress is very beautiful!” Looking at

Sebastian Mu, Amy Xia raised her eyebrows, “Mr. Mu, At this time, shouldn’t you praise me for being beautiful?”

“Well, very beautiful, the dress suits you!” Sebastian Mu said with a smile, looking at the dress on Amy Xia, smiling all the time.

Amy Xia frowned, “Mr. Mu, you didn’t give the dress?” Amy Xia guessed. Two people stopped there, especially as if they were deliberately wearing a couple outfit.

Listening to Amy Xia’s words, Sebastian Mu casually picked up a glass of red wine from the table, took a sip of it gracefully, then raised his eyebrows and asked, “What do you mean?” Amy Xia, “...” How did he know. But looking at Sebastian Mu’s appearance, it should be correct! It’s just that he also wears a blue casual suit... The two look like a couple, what is his intention! Amy Xia didn’t speak either, picked up a glass of red wine and drank. He didn’t admit it anyway, and she didn’t need to thank her.

“How about it, I will give a speech later, really not nervous?” Sebastian Mu asked, raising an eyebrow. Hearing this, Amy Xia smiled, “President Mu invited so many people today, even if I am nervous, I have to pretend it!” Accustomed to Amy Xia’s poisonous tongue, Sebastian Mu raised his eyebrows, “OK, I will watch it in the audience.

It’s you!” Amy Xia, “...You still don’t look at me, you are more at ease!” As soon as Amy Xia finished speaking, Sebastian Mu shot over with a glance, and Amy Xia immediately showed a flattering smile.

At this moment, someone came over to say hello.

“Mr. Mu, congratulations, congratulations!”

“Mr. He? It’s been a long time!”

“Yeah, I didn’t expect it to be Mr. Mu’s good thing to meet!” The two shook hands and said catering.

Amy Xia was about to drive away.

At this moment, the man looked at Amy Xia, “Huh, this is?”

“This is our company’s designer, that is, the winner of this championship!” Sebastian Mu briefly introduced. This is, that person looked at Amy Xia, a little surprised, “I didn’t expect to be so young and so beautiful!” Amy Xia looked at him and smiled slightly, “Mr. He praised!”

“Mr Mu, your company is really Crouching Tiger, Hidden Dragon.

Ah!” Mr. He said.

Amy Xia smiled, “He’s company is also strong!” The two spoke completely tacitly.

“Well, Mr. He, you are busy first, we will talk about it later!” Mr. He said.

Sebastian Mu nodded, and the man turned and left.

In fact, there is no shortage of young people in this group, but not many can do Sebastian Mu's step. Because the people who come here to say hello are all elderly people.

Chapter 94

At this moment, Mr. He had just left, and Sebastian Mu's eyes fell on Amy Xia. He hesitated.

Is it a wrong decision to buy Amy Xia a dress today? It could be seen that the eyes of those people kept looking at her, if it weren't for him here, I'm afraid the people who strike up have already come up! At this moment, a weak voice called out behind him.

“Sedum...” Sebastian Mu was facing Amy Xia, so he could see the people behind Sebastian Mu at a glance. Besides Ling Xiaoyun, who else? Hearing the sound, Sebastian Mu turned his head and frowned when he saw Ling Xiaoyun.

Ling Xiaoyun knew that Sebastian Mu was angry with him, so he came to look for him, but he didn't expect that Amy Xia and Sebastian Mu would be talking and laughing here, and...

Looking at the two people's costumes, they looked like a pair.

At that moment, Ling Xiaoyun's eyes were lit by the fire of jealousy again... His eyes swept across Amy Xia fiercely.

Amy Xia knew that Ling Xiaoyun had misunderstood again! Especially like acting in a TV series, dog blood, let Ling Xiaoyun see again and again, misunderstanding! Amy Xia feels fate is tricking people! “Mr. Mu, don't delay your chat, I'll go now!” After speaking, Amy Xia put down the red wine in her hand and left.

I didn't want to be caught between them, let alone let Ling Xiaoyun look at her with hostile eyes.

“Wait a minute!” At this moment, Ling Xiaoyun suddenly said.

Amy Xia's footsteps stopped there.

Ling Xiaoyun couldn't understand her more and more.

At this time, Amy Xia turned her head and looked at her, “What's the matter? Miss Ling?”

“Amy Xia, can you stay away from Sebastian?” Ling Xiaoyun watched Amy Xia’s words, his tone was like Amy Xia. Deliberately approaching Sebastian Mu’s.

After hearing what Ling Xiaoyun said, Amy Xia frowned and looked at her amusedly, “Miss Ling, what do you mean?”

“What do I mean, you should be very clear!” Ling Xiaoyun looked at Amy Xia and said fiercely.

“You had planned to approach Sedum from the beginning, how about it, you are very happy to see us become like this now?” Ling Xiaoyun looked at Amy Xia and said every word. Now, there are a lot of people at the reception and it is very noisy. No one has noticed here yet.

Amy Xia was a little funny, thought about it, and said, “Miss Ling, do you have delusion of persecution?”

“You!”

“I said, it doesn’t mean you think it’s good, others think it’s good!”

“I made you like this? Miss Ling, could you please make it clear, did I do anything? You took my commentary card and I didn’t pursue it. What do you want!?” Amy Xia looked at her. Asked every word. Speaking of the commentary card, Ling Xiaoyun’s expression changed, a little embarrassed.

“Then you should stay away from Sebastian and leave Yun Rui!” Ling Xiaoyun said fiercely as she looked at her.

It was because of her that she became like this.

If it weren’t for her, there would be no such thing. Hearing this, the corner of Amy Xia’s mouth suddenly twitched, “If I can’t leave Yun Rui, it’s me who has the final say, not you. Before, I always had this plan, but now, I seem to have changed my attention, and, not now.

I can’t do without Chow, it is Chow who needs me!” Amy Xia watched Ling Xiaoyun and said word by word, and said with confidence.

“If you really want me to leave, over there, yes man, you go and let him fire me, then I will leave without saying anything!” Amy Xia looked at Ling Xiaoyun and said word by word.

Chapter 95

If she didn’t say anything before, it didn’t mean she had no temper. She endured her attacks again and again, but it didn’t mean that she would endure it forever.

“You—you mean, just refuse to leave!?” Ling Xiaoyun asked when looking at Amy Xia.

Amy Xia looked at her without answering.

Actually, she didn't need to say that she was going to leave, but when she said that, Amy Xia didn't give an answer, leaving her bottomless.

“Amy Xia, you—” Ling Xiaoyun was so angry that he raised his hand and was about to hit her.

At the same time, her hand was grabbed from behind.

Ling Xiaoyun turned his head, looked at Sebastian Mu, and was even more angry, “You let me go!”

“Is enough nonsense!” Sebastian Mu said coldly.

“Is it me fooling around? Sedum, can't you see it? This woman did it on purpose!” Ling Xiaoyun was furious.

Amy Xia always stood there, saying nothing, the corners of her mouth were slightly hooked, making it impossible to see her emotions.

“Enough!” Sebastian Mu yelled angrily, then took her and walked out.

Amy Xia stood there, watching them go out without saying anything, and continued to return to eat. She admitted that the words just said made her cool! She has been enduring the things before, and the design drawings have come out. She didn't care about it, and now she is still challenging her. Really think she is a vegetarian! I just don't want to be familiar with her, but I didn't expect her patience to become the capital for others to make progress. But thinking of just now, it's cool! Outside, Sebastian Mu took Ling Xiaoyun and walked out. Going outside, throwing away her hand, “Have you enough trouble?” Seeing Sebastian Mu's appearance, Ling Xiaoyun's anger did not come out, “Is it me making trouble? Sebastian, why are you defending that woman!”

“Ling Xiaoyun shouted and asked. Seeing Ling Xiaoyun's appearance, Sebastian Mu frowned.

It is the same woman, why is Amy Xia so happy and angry, but the woman in front of her, at this moment, is opening her teeth and dancing.

“You took away their commentary card. She was kind to you without calling the police. What do you want?” Sebastian Mu looked at her and asked.

Listening to Sebastian Mu's words, Ling Xiaoyun was taken aback and looked at Sebastian Mu, “Are you also angry about this?” Seeing Ling Xiaoyun's appearance, Sebastian Mu frowned, “Ling Xiaoyun, do you feel yourself Did it right?” Seeing Sebastian Mu's angry look, Ling Xiaoyun was a little worried, took a deep breath, and walked towards Sebastian Mu.

“Sedum, listen to me...”

“I know, I was wrong, but I am worried about you because I care about you, do you know? I am scared to see you walking with Amy Xia!” Ling Xiaoyun looked at Sebastian Mu and said.

Listening to Ling Xiaoyun’s words, Sebastian Mu turned his head and looked at her.

“I wanted to help you, but at that time, I just wanted Amy Xia to leave you.

I didn’t think about that much...” Ling Xiaoyun said while watching Sebastian Mu.

At this moment, Ling Xiaoyun completely lost his usual confidence.

“This is not an excuse for you to be justified by doing something wrong!” Sebastian Mu said while looking at her.

“No, it really is like this, Sedum, I love you, but I’m really afraid of losing you...” Ling Xiaoyun said.
