

Marriage To The Mafia Boss

Chapter 106 - The Crazy Woman

Emma is really stuffed after the dessert come to the table. She is finishing everything in front of her and she is really amused with the fact that she can finish everything on the table. He is resting his head on his hand while seeing his wife eat the food. He even pours her some hot green tea to rinse the taste.

"Why did you not eat your own food?" Emma is looking at her husband who is busy staring at her. His loving gaze makes everyone in the room become the witness of their love PDA. It seems Vito never had enough to see her beautiful face.

"I am not a sweet tooth. Would you like mine?" Vito is pushing his share of plates toward Emma. She is happily getting the slice of cake and putting it into her mouth. It won't take a long time for her to finish the cake and drink her green tea to wash her palate.

"Now, I am really full. I am a bit sleepy now," Emma is yawning after all the food already down in her stomach.

"Let's go home," Vito is telling her and escort her outside the venue.

"Wait a second. I want to go to the restroom," Emma informs her husband before she walks to the bathroom.

In the bathroom, Emma is doing her thing before she is washing her hand and walks outside the bathroom when Emma bump into a girl with a coffee cup in her hand.

The coffee is spilled into her dress, and she is screaming and slapping Emma until blood come out from the corner of her lips.

Megan's friend is cleaning her dress from the coffee. The arrogant Megan is looking deadly toward Emma.

Li Na and Vito are going to come in front to help her when she makes a hand gesture to stop them.

"Why do you hit me? We just bump to each other, and you are resorting to violence," Emma is replying back after cleaning the blood on the corner of her lips. She is looking back at the arrogant woman in front of her.

"Do you know her? her husband is a really rich and powerful person, and no one dares to hurt her or even hurt her," Megan's friend is warning her for Emma impudent act.

"I do not know, and I do not care for your position or husband. Your manner is really bad," Emma is pushing her and trying to walk away from her.

"Don't you dare to run away! You have to apologize to me!" Megan is pulling her, and it makes Emma's body launch into Megan's body who impacted and fall down on the floor.

"I did not do anything, and you fell down by yourself. I

am sorry and we are even," Emma still tries to help her.

"Guard! Take her away and give her some lessons. I want her to know her place!" Megan is screaming for her bodyguard to catch Emma. This time, the bodyguard from the Mancuso's family is shielding the lady boss.

In the meantime, Megan is making a phone call to her husband. She is becoming arrogant when her husband is trying to intercept the meeting with an important person who manages to have lunch in the public library. Megan is waiting for her husband to have lunch together in the corner restaurant for the socialite luncheon party.

Megan did not know about the company condition who is going down and her husband needs to secure the deal with this important person.

"Honey, where are you? I need help from you. Someone is actually hurting me," Megan is making a quick phone call to her husband.

"You will see after my husband come here. I will make sure about your future stop in here," Megan is pointing a finger toward Emma while standing up with the guard of her two bodyguards on standby.

Meanwhile, there are ten bodyguards with their black suit jackets with the emblem of the Mancuso family making a wall in front and back of Emma. Li Na is coming closer to her lady boss and checking her condition. Li Na is opening her bag and taking out cream to put into the corner of her lips. Vito is waiting in the back with the others. This time, his expression is turning darker and looking sharper to the woman who dare to slander and hit his wife.

It won't take a long time for an older man with a business suit and thin blonde hair comes toward her.

"What happens? Why can you wait in the venue, and I will come there? this is a public place, and you are making a ruckus in here," Ron is making a complaint toward his fourth wife. She is becoming more ridiculous day by day. Ron already has a headache thinking about his company and she is adding more things in his head.

"She is spilling coffee into my limited number of Hermes dresses. On top of that, she is pushing me on the floor. You know about my plan to get IVF for our baby. How about if I get a miscarriage," Megan is holding to his arm and acting coquettish in front of her husband.

"She just needs to apologize to you. It did not have to be big like this," Ron is telling her when he keeps his eye on the event room for the important person to come out.

"My Madame already said some apologies and yet your kind wife to your bodyguard to take her and give her lesson. My madame is the apple of my master. If there is any strand of hair falls off from her hair, there will be doom in this world," Li Na is talking back to the old guy who is realising the emblem on the bodyguard suit.

"I am sorry for my wife harsh and childish behaviour. I would like to apologize on the behalf of my wife," Ron is offering his sincere apology to Emma after looking at the Mancuso emblem on the bodyguard jacket.

"It's fine. I will make her happy by getting her the amount of cheque for her dress. You can take it to the hotel later

on or my assistant can take your address to deliver the cheque," Emma is telling him with her sincere apologies.

"I do not want your cheque. I can buy this dress a hundred times. I want her to get beaten up, so she knows her place," Megan is cursing Emma back. She still can't accept the humiliation on her.

"Thank you so much for your consideration. I will not need to waste my money," Emma is turning her back to walk toward Vito who does not look happy.

Megan is launching herself toward Emma which get blocked by the bodyguard. She is screaming really loudly and make everyone in the library. The library security guards are coming up with the manager of the public library. Ron is pulling Megan off to calm her down as this situation escalates into this chaos because of her. Ron tries to hold his anger toward this spoiled woman. This time, she is already out of her mind.

"You must be staying in the low-class hotel when you are trying to act rich and mighty. I know you are here to take a peek at my husband or any other rich men!" Megan starts her accusation without thinking about everyone else in the public library.

"I am not going to tolerate you anymore! If you can't hold your mouth then I will leave you and my lawyer can tend to you," Ron is pulling her away. He really can't hold his anger any longer.

"You! How dare you to divorce me and side with that wench!" Megan is complaining to her husband and going back to his side. She can't afford to get a divorce from him when her

high-class maintenance regime needs a donator.

"Madame, I sincerely apologize for the rude treatment from my wife. Please relay a good word to your husband," Ron is telling Emma to get into her good grace.

"May I know your company name?" Li Na is asking from the back of the bodyguard wall. Vito, Ai Jia, and Andrea are listening to his answer.

"Do you know about Forde Palace and tower? It has belonged to my company," Ron is giving out his business card. Li Na is accepting his business card as the chairman and CEO of the company.

Li Na is walking back with her madame and give out Ron's business card to her master. Emma is going to the arm of her husband. as soon as Vito is receiving his business card, he is crushing it to a pulp. No one dares to oppose his action.

"Are you angry? Let it be and do not think anymore for that stupid woman," Emma is holding tight to her husband arm. . She is acting to be coquettish to her husband.
