

# Marriage To The Mafia Boss

## Chapter 107 - Vito's Change Of Plan

"Are you angry? Let it be and do not think anymore for that stupid woman," Emma is holding tight to her husband arm. She is acting to be coquettish to her husband.

"I am spoiling you and no one can touch you. Andrea and Ai Jia, I do not want to see his company by the end of today. I want it to be flat out and demolish!" Vito is instructing his right hand and assistant.

"I would know you will say like that. the process has been starting and you will hear everything tomorrow morning," Andrea is telling his boss.

"Are you really going to make his big company bankrupt? Can you do it?" Emma is looking at him inside his arm on the way to their car.

"Why can't I do it?" Vito is looking at her with his amusement look at her wife reaction.

"How do you do it? it is not easy for you to do all of that stuff. Why do you have to waste energy for them?" Emma is complaining to her husband.

"I am not wasting my energy at all. they dare to touch strain of your hair and I will make sure they do not have any future," Vito is caressing her hand.

"How about if I make some mistake and harass someone else as they did to me? Are you going to punish me also?" Emma is trying to argue with him. It is in her nature to be soft-hearted when in the previous life, Lin Yan likes to trample into her.

"You can do it to anyone. I do not care, and I will help you to vent your anger. Who dares to make you angry? You just need to tell me, and I will make them go to the afterlife," Vito is looking at her with a serious expression.

"Are you crazy? It will be the same regardless of the outcome. They are going to die in your hand," Emma is pouting her lips.

"I love you and I treasure you so much. No one can really hurt you," Vito is caressing her hand.

Emma is putting her head to rest on his shoulder. She is falling in love with this man who sits next to her.

They are going back to the hotel where Vito is carrying her with bridal style and kissing her. He really did not spare her inside their room. He arouses her and entangles her body until she exhausted all her energy.

Vito is getting ready after cleaning her body and tucking her inside the bed. She is snuggling under the bed to find her comfortable position. Meanwhile, Vito is using his sleek black Italian designer house tuxedo. This time, he is wearing his ring as a symbol of the supreme power in the underworld. He is putting his cold air on everyone as soon as he steps out of their hotel room.

Andrea and AI Jia are amused to see Vito being able to endure the small deluxe room in this hotel. He is becoming an earth habitant after getting married to their lady boss.

They are escorting their boss to go to the banquet in downtown Harlem. They are arriving at one building which is famous for its conference room. Max and his subordinate are opening the entrance for their boss. He is looking aloof with his expression and really cold stare to everyone who dares to approach him. Vito is giving out his

unapproachable aura to everyone in the room. He is getting escorted to his special seat.

Many of the family clans in this country want to get closer to their boss. However, Vito just shut them out with his glare. He is really not in a good mood to spend time with these all people rather than with his wife.

They are presenting themselves to Vito and kissing his ring to prove their allegiance and loyalty to his throne.

Little Jake is having his eyes set on Lin Yan. Ren Hao is meeting with his old friend which is under the same organization. He is taking Lin Yan to this place to mingle with all the people to prove as his business acquaintance. Vito is approving his plan when Little Jake really has set his target to bed, Lin Yan. He will do everything to have her.

Lin Yan is wearing a long dress with spaghetti detail on her shoulder. Her pale white skin illuminates under the soft warm light. She is putting her long hair wavy fall down in her back. She looks like a femme fatale with her red lipstick. Ren Hao is really proud to have her in his hand. She is already tamed by his charm.

Lin Yan is looking at her sister husband who sits on the throne where everyone is bowing and kissing his hand. It seems his handsome face look really unapproachable. He is looking majestic with his aloof facial expression and all his expensive outfit. He is Lin Yan main aim before she met Ren Hao. She is actually jealous of her sister who always has the best in her life. Lin Yan is always having the same things as Emma wants. No one really cares to ask Lin Yan wishes or preferences.

They are enjoying the drink in the bar. Little Jack is really considerate with her to get some champagne while Ren Hao is trying to build his business network. Little Jack is staying with Lin Yan who stand alone in the bar.

Vito is looking in Lin Yan's direction who is occupied with Little Jack. Vito is calling AI Jia to ask him about little Jack.

"He is only a small bodyguard of Mr Russo because his father, old Jack, saves Mr Russo life's and exchange it with himself," Ai Jia is explaining to his boss.

"Call him to meet me in the private room! I want to speak with him and Ren Hao," Vito is telling his assistant. He has another wicked plan to avoid her to keep her eyes on her brother-in-law.

Ai Jia is approaching them in the bar and escorting them to meet Vito in the private room. Vito is walking there elegantly with the escort from Max.

"Don, May I know if we actually offend you in any way?" Little Jack is kneeling on the ground when he knows Vito's powerful hand.

"Nothing. Ren Hao, do you have enough with her? this time, I want her to get married to Little jack. Are you fine with it?" Vito is giving a sharp look toward him.

"What do you mean, Don? She is the only girlfriend on a play, and I do not have any feelings for her," Ren Hao is getting all goosebumps to get interrogated by the lord of the underworld.

"It seems your body is protecting her from Little Jack here. I want you to hand her to Little Jack hand and I will arrange for her to wed by Little Jack tonight. Your job is drugging her and getting Ai Jia her passport. Are you having any objection?" Vito is giving his instruction.

"But, I do not have money to give food to another mouth. My salaries from Mr Russo are only enough to feed me and my family. She is looking like really high maintenance," Little Jack is complaining to Vito who is giving a sharp glare for his little weaning.

"She is really high maintenance. Do you think I am able to keep up with her if Don Mancuso did not help me?" Ren Hao is making his point.

"I will ask you to marry her. DO you agree or not?" Vito is giving

him a choice for his life. Little Jack knows Don Mancuso reputation, and no one can't refute his word, or his wrath will be cast upon you.

"I will follow your arrangement, Don as long as you will keep me out from calamity," Little Jack is surrendering to his fate.

Max is giving out a small vial of the bottle with a transparent liquid to Ren Hao. Vito is telling them to leave the room and do his instruction. They are walking outside and look at each other in confusion.

"Are you sure, boss? To make little Jack as your brother-in-law," Ai Jia is giving out his concern when he just hand-picked his brother-in-law.

"He is a good boy. Lin Yan does not have an equal footing with his good character. I do know Little Jack have his eyes set on Lin Yan, but he is acting gentlemanly to keep his wishes to bed Lin Yan. However, She is keeping his eyes set on me. I do not like someone lecherous like her to come closer to me," Vito is making comment to his assistant. Ai Jia is checking into a background from Little Jack and found no fault in his background check.. However, His boss bestows the marriage to them, so he has to carry out the plan and process their marriage certificate.
