

# Marriage To The Mafia Boss

## Chapter 109 - The Elder's Marriage

They are going to the old mansion of Lin from the airport. The Mancuso bodyguards are standing hand by hand with the Sun family guards. Max as the head of bodyguard from the Mancuso family are overseeing the whole security detail for their master.

Vito is helping his wife to get out from the car. she looks having a jetlag from the time difference. She is walking in his hand with a sleepy eye. It has been a long time for her not to go back to visit her grandmother.

She is really not filial to her grandmother at all. this is her second life and apparently, she has been neglected her grandmother as her last life.

"Why are you not looking happy to visit your old house? We can go back home if you do not want to be here," Vito is looking softly to his wife.

"Can I stay few days in here? I kind of missing my grandmother and my old house. Anyway, I never have been back to my old house since we get marry. You supposedly accompany me to go back and stay in my maiden house," Emma is complaining to her husband who looks at her so gently. Andrea is going back to the office so Vito is going to the Yin mansion with Ai Jia and Little Jack.

"Do we have to stay here? This is your grandmother house, and we have to restrain ourselves," Vito is looking at her and complaining without hesitation.

"?" she looks at him with her pouted mouth and a big question for his ashamedly.

"Okay. We can stay here tonight. you have to restrain yourself tonight!" Vito is pinching her cheek to remind her.

"Do I have to restrain myself or you have to restrain yourself?" Emma is complaining to her husband before entering the Yin mansion.

"Do they always like this?" Little Jack is really amazed to see the different side of the devil called Don Mancuso.

"You will see later on. It will get worse. This is your in-law house, and you are so lucky to get picked as the Don Mancuso's brother in-law," Ai Jia is explaining to his new recruit friend from Bronx.

They are following the boss into the lady boss house. Little Jack is swallowing his saliva to see this huge house. He never been getting into one of this kind houses. He is looking around like a donkey.

"walk closer to me. You can tour the house a bit later," Ai Jia is pulling him to get closer with him.

"Is this house od Don Mancuso?" Little Jack is asking curiously to Ai Jia.

"This is Madame Mancuso maiden house and your wife's is madame adopted sister. Mancuso Mansion is in the hill and four time of this house. You will go there later on and see it with yourself," Ai Jia is keeping his pace to his boss.

They are arriving at the family hall where the old Madame Yin already sit in the lounge there with an older man.

Vito and Emma are coming and sitting in the empty sofa. Vito is

looking at his own grandfather who is busy to make tea for Madame Lin. Vito is getting closer to his grandfather to make a cup of tea for his wife.

"When are you getting married? Are you planning to give me little uncle?" Vito is talking to his grandfather who is trembling after hearing his grandson comment.

"You brat! Are you trying to kill your grandfather!" Grandfather Sun is embroiling with some snap comment make by his grandson.

"Do not use too much Viagra then!" Vito keeps teasing his grandfather who is looking at his sharply and left him alone with the milk tea in his hand. He is handling the tea to his girlfriend.

"How was your trip, grandmother?" Emma is getting closer to her grandmother and resting her head to her grandmother's shoulder.

"I am good. I heard about your trip, and I am sorry to drag you like this. But you two girls are always married in secret without informing me. I always find out later or from the third party. Are you both thinking that I already under the ground?" Grandmother Lin is telling her with a little anger.

"I am apologizing for my mistake. What should I do to make up my mistake? Husband, You should come here and propose me with your parent. After that we are going to arrange for wedding ceremony. This is all you fault to make grandmother sad," Emma is looking angry toward her husband.

"I am sorry, grandmother. How about I propose to your now and I already bring my elder to discuss the auspicious date for our wedding ceremony?" Vito is opening his mouth to make his wife happy.

"A Man, no need. Now we are not talking about your wedding," Grandmother Lin is scolding Vito.

"Then I am here on behalf of my grandfather to propose your hand to be marry him," Vito is telling her who make his grandfather to

stand up and hit his head.

"Hua do not take my grandson joke to seriously. As you say, we will take it slowly," Grandfather Sun is convincing his girlfriend.

"Ai Jia, can you pass their marriage certificate? I take my presumptuous to register your married and family name in today," Vito is telling them which making everyone get shocked to learn about their elder's marriage.

"How can you get our picture and consent when we are in the home?" Grandmother Lin is asking with amusement.

=====

I am sorry due to my sickness. Today chapter is shorter than usual. I will fix this full chapter tomorrow. I would like to promote my other book also below, Holding to you

Yeon Joo fly to the seventh heaven to hear that she got chosen by Jong Suk into his team. Everyone looked at her with envy without knowingly her job will not be as easy as other residents. "oppa SooBong, did I hear that I got to be in Dr Jong Suk team?" Yeon Joo asked Soo Bong with her childish face. Soo Bong slapped her head straight away and brought her back to the staff room. "Why you slapped me, oppa?" Yeon Joo rubs her back head. "We have to address him, Professor Lee. And I will hand over some of my jobs to you. You are the main person who is going to decide the case in ER would be present to him. The first rule, Prioritize kids and elderly. Second rules, prioritise the poor. you don't have time to slack off. if you don't have any patient memorize the book anatomy or another medical book, as he wants his team to be know all general knowledge about the human body. For example, yesterday morning, he tested us on the cardiothoracic disease. the person who is on his bad side for the day will assist him on his free clinic for the day," Soo Bong explained to her. "How we know the hint to read? we couldn't read his mind." Yeon Joo said to him. "He will let us know the area. Today, it will be obstetrics and gynaecology. I couldn't wait another day off," Soo Bong said to Yeon Joo. "Do we have rounds with him today?" Yeon Joo asked him. "Hey, You new lady. I know

Jong Suk already choose you but doesn't mean that you are not respecting me!" Dr Moon screamed to Yeon Joo. "I am sorry, Dr Moon," Yeon Joo said while bowed to him. "Now, three lucky new residents will come with me to do induction and tour around the hospital. So you will not be lost in the hospital ground," Dr Moon said to them. Dr Moon assistant Dr Yang hand out a thick folder to them. "Please read it and let's go follow Dr Moon," Dr Yang said to them.

Soo Bong took Yeon Joo to change room. he handed her hospital scrubs outfit. "We have to always wear this when we are in the hospital," Soo Bong explained to her. They wear the ocean blue scrub with the rubber sandal. when they finished changing their clothes, he took her to the Emergency room nurse station. "Yeon Joo, let me introduce you. She is the wise Nurse Min, She is the precious scrub nurse for Professor Lee. Nurse Song, Nurse Han, and doctor Park. they are the permanent resident of the Emergency Room. she is a new resident from Professor Lee team, Kim Yeon Joo." Soo Bong said to them. "Welcome. Don't scare her on her first day." Nurse Min said to everybody. "Good morning, My name is Kim Yeon Joo. Nice to meet you all and I do need a lot of guidance from all of you senior," Yeon Joo said to them while bowed her body ninety-degree position. "Don't worry. Welcome to the war zone. You are so pretty. do you have a boyfriend?" Dr Park said to her. "Ah, I am sorry.. No, I don't have a boyfriend," She stuttered to answer Dr Park question.
