

Marriage To The Mafia Boss

Chapter 113 - Wen Liang Resign

"What did you say!" Vito is staring to his assistant after hearing about the problem with the rice for the refugees.

"Someone is swapping our truck full of all the ingredient for the soul kitchen in the affected area with the mouldy rice. We do not have enough rice in the warehouse." Ai Jia is informing his boss.

"By all mean, get the refugee the food even you have to get the already made food for them. Get the fund from my private account. You are not making them eat the mouldy rice," Vito is telling his assistant sternly. He can't believe someone bold enough to challenge him.

He is going to play with this person who dare to attack him. Vito never attacks someone without getting provoked.

"Yes, sir. I will work on it," AI Jia is excusing himself and walk out from his boss office.

Vito is contacting EXO to track this GPS on the truck. He also told Max to get into the bottom of it. He will not let him to slip out his hand.

They have to bring the culprit who dares to provokes and steal from him.

Emma is coming out from the loungeroom and walking into the office of Vito. She can see him in deep trace with both his hand under his chin.

She never seen him in this serious facial expression. It means

something big happened in his company or family.

Emma is walking closer to her husband and hold his shoulder to give him support when Vito pulls her into his lap.

"What are you thinking until you frown?" Emma is massaging his forehead.

"The refugees food. Someone dares to tamper it with the mouldy rice. They dare to play with the innocent life and make you tired out. I will hunt them with my own hand," Vito is telling his wife for his opinion.

"How they dare to provoke you? Are they your business competitor?" Emma is putting her arm on his neck.

"I really do not have any clue regarding the culprit. However, they dare to make you work hard then I have to seek justice on the behalf of my wife," Vito is informing her about his revenge later on.

"You are too much. This is my duty to help and provide duty of care as doctor. You can't always make the culprit to pay if I got tired. How can you did not get tired when you are doing the operation?" Emma is resting her head into the valley of his neck.

Out of sudden, Wen Liang is bursting inside Vito's office with a letter on his hand. He smashed the letter into the table.

"I quit!" Wen Liang is fuming angry. He still used his scrub and white coat when he rushed into his cousin office.

"Are you sure?" Vito is staring at his little cousin.

"What is the problem brother wen?" Emma tries to stand up and console the angry cousin in-law.

"I am signing up the job as surgeon and hospital director, but I work like a slave under his management. I will work only as senior doctor

and have enough money and not as slave," Wen Liang is folding his hand in front of his chest.

"Fine. I will ask Ai Jia to process all the salary for this month. Because you are surrendering your position with this resignation letter, you have to responsible to pay for the contract penalty. Wait a second let me call Ai Jia," Vito is telling him with his hand when he calls his assistant.

Emma is going to the table and opening the food that bought by Ai Jia. Vito is opening a bottle of water for her and approaching her in the lounge sofa.

Ai Jia is coming with the copy of Wen Liang contract. He is handing it to his boss and stand with his I Pad on his hand to write and record important things.

"Look at this contract who already take effect. You are liable for paying around one hundred million if during the period of this contract you are going to resign from Man private hospital," Vito is throwing the copy of his cousin work contract on the table.

"How much? One hundred million!" Wen Liang is getting choke with the amount of money owe from his own cousin.

"I have given you generous remuneration. You are signing a twenty-five-working contract with all your crazy inhuman request for everything. I did fulfil everything, and I spend a lot of money to pay you." Vito is explaining to his cousin.

"I am signing work contract with a devil. He is exchanging all my wealth and facility with my life," Wen Liang is kneeling on the ground after reading his work contract.

"Ahh... leave your house key, penthouse, and car when you are leaving the hospital after handling over your job to Chu Xi," Vito is telling him.

"No, I am not going resign. I have deal with devil and sold my life," Wen Liang is looking at his cousin.

"Make up your mind! Are you going to resign or not?" Vito is telling him with a stern voice.

"No!" Wen Liang is standing up and get his white resignation letter from his cousin. He is stomping his feet out from Vito's office before Emma offers him some food.

"How many time this year?" Vito is looking at Ai Jia.

"So far, this is his fifth time," Ai Jia is informing his boss.

"He always does like this. How old is he?" Emma is eating her dumpling with amusement to see Wen Liang's childish behaviour.

"Get used to it. He will march to my office as soon as he got too much patient. Sometimes I am wondering about his resignation letter. Is there anything inside or only the envelope?" Vito is getting one of the sandwiches and he eats his share of food.

Apparently, Wen Liang is coming back to his office. He is sitting on the chair next to the sofa. He gets the chopstick and start to eat the dumpling.

"Hey!" Vito is complaining about his cousin manner.

"I want a raise!" Wen Liang is pointing his chopstick toward his cousin.

"No! give me your resignation letter and we are going to our separate way," Vito is ignoring his request.

"Why? Are you being impartial between me your brother and abandon me?" Wen Liang is pointing his chopstick toward his uncle after putting a soup dumpling inside his mouth.

"I am businessman and your boss. Who dare to ask me a raise on pay except you who do not have any shamed?" Vito is explaining to his cousin about the whole condition.

"when is the raise?" Wen Liang is stopped eating and waiting for his boss to answer.

"It is only last months when you are threatening me with your life. I am approving all of your request and now, You want to talk business with me," Vito is crossing his feet and look at his stupid cousin.

"Enough both of you! Can we eat in peace?" Emma is asking them who is exchanging stare.

Emma is getting a sudden headache to see their childish behaviour. She is eating his food and share it with the two guys.

"How about we go shopping?" Emma is trying to break the ice.

"I am busy with patient. You can go with him," Wen Liang is keeping his firm decision to his cousin.

Ai Jia is having headache when they are fighting each other. He is retreating himself to arrange for the soul kitchen for the refugees.

He is managed to send another truck with the good quality rice by purchasing it for the government for the refugees.

In the meantime, the catering company is providing the food for temporarily and feeding the refugees.

The person paid by Sun An' assistant try to stir the commotion by informing them about the mouldy rice but it did not successful,

However, Man Corporation staff already turn the truck back to their warehouse. EXO is going to do analyse into the truck GPS to find out the source of the mouldy rice.

Meanwhile, Jones is going to Bronx and cleaning up the organization and burning out the factory for the synthetic drug.

He is making it as the cartel war, so the law enforcement is not suspicious for their internal underworld activity.

Jones is gathering his intel for this bogeyman and every evidence on the table points toward Asian guy in the C city.

Jones is cleaning up as instructed by the big boss and everyone in the Mancuso organization is really in awe with their boss efficient work. they just complaining not long ago in their meeting, and he already send someone to clean up.

Jones is buying a ticket to C city to chase the bogeyman in the underworld. This time, he will not leave him alone.. Jones will make sure about bogeyman pay the price for creating such a chaos.
