

Marriage To The Mafia Boss -

Chapter 120 - They Are Joining Hand

Vito is calling Andrea, Ai Jia, Jones, Max, and Jack to his grandmother study to have a meeting for Sun An after dinner. Lina is watching over Emma with Han Zheng with grandfather Sun.

‘Jack, I make you as my brother-in-law to be able to restrain your wife. If you are not able to restrain your wife then I am going to remove you!’ Vito is reprimanding Jack for his performance during dinner. He is sitting on the work table and looking at Jack really coldly without any restraint at all with his anger.

‘I am sorry, boss. I will make sure to hold my wife tongue quiet and I am not going to disappoint you anymore,’ Jack is reassuring his boss because if he makes the lord of underworld angry then it will be fatal for them.

Jack is well versed with the temperament of the dark lord. He will not dare to offend him if he still wants to live in this world.

He is holding the power in the whole world in his hand and choose which one he lets happen.

For example, all the powerful figures stand still in this room with him. they are the most powerful commander in the underworld. Even Jack's old boss did not have the luxury to meet with them.

'I hold your word and you know the consequences for offending my word. You can sit down and listen to our meeting,' Vito is pointing to one of the seats in the study room.

'Boss, sorry, I have been held and I am coming late for the meeting,' EXO is barging inside the study room.

'sit down and do you bring the file that I ask you ?' Vito is telling him with his cold shilling voice.

'Of course, boss,' EXO is putting his laptop to connect to the tv. It is shown the picture of a woman in the fifty. Jack finds out about the picture on the screen.

'Boss, is that the crazy lawyer Su Jin who always opposed the mafia work or everything relate to the Mancuso clan? What is she doing in this

country?' Jack is getting worked up with his limited information regarding the whole situation.

It is not long after Jack word come out then the door to the study is opening. Luo Han Zheng is coming inside the study with his assistant Long Jin.

'What are you doing in here? I am trying to work after all your attack toward me,' Vito is signalling EXO to put down the information.

'I am giving out my hand only for this time. He is targeting Emma and it is my duty to protect her. I will not allow her to get touch by that maniac,' Han Zheng is telling his assistant to put all the information on the screen.

'I am more than capable to protect my wife. Thank you,' Vito is not backing up for his wife problem.

'Please let me help you only this time because it makes my hand itch to find out about his move to poison Emma today,' Han Zheng is informing Vito regarding the food allergy for Emma.

'how do you know it? I was thinking it was another Lin Yan scheming,' Vito is testing his knowledge.

‘I know madame Yue and I grow up in this house. I might be blind with all Lin Yan schemes before, but I will make sure that Lin Yan will pay for all Emma’s suffering in the past. This picture of the ambulance finds out not far from the mansion and the arrival of his assistant and the new CEO of Sunan Corporation,’ Han Zheng is showing the picture on the screen.

‘Their corporation is Sun Tong and why it is changing to Sunan?’ Vito is asking curiosity.

‘Can I sit down and join hands with you?’ Han Zheng is asking him straightforwardly while taking a seat next to Vito.

‘I do not think you need permission for joining this meeting. you can just talk about the information,’ Vito is letting him talk about his side of the information.

‘He is getting his revenge on his father who makes him stay inside a mental hospital. Don’t you know about your cousin crazy behaviour! He is making his own father suffer the consequences and he is literary making him human vegetative in the hospital,’ Han Zheng is giving out the information regarding his father.

‘I am new to my maternal grandmother family. We have to do the same training as others, and I do have a fragment remembering him to be the last

survivor of the forest training. I never know about his life after my childhood when I have to get my training in Italy,' Vito is analysing the whole situation.

'Su Jin is joining hand as the Sunan new CEO after Sun An assistant failed to manage the whole company on behalf of his boss. Apparently, he is having a group of women be caged and treated as animals inside the Sun mansion,' Han Zheng is telling him about the whole situation.

'He is really crazy. I never see a man as crazy as him. He literary strip the women and put them inside the cage-like animals. they are going around as cat or dog inside the house,' Andrea is making comments for the whole charade that happens inside his house.

'Someone is making a trip inside their house,' Vito is asking his right hand regarding his comment.

'I need to know my enemy before I make a move. He is really sick inside out. Now, the crazy witch is joining hands with him. they are becoming a perfect duo,' Andrea is replying back for witnessing the whole scene inside his mansion.

'Boss, do you want to retrieve the body tonight?' Long Jin is asking him regarding the plan.

‘What body? You are asking to join hand, but it seems you already make your move,’ Vito is making his comment to him.

‘I will tell you now. I am thinking to move and making Mr Sun Quan be better and helping to restrain his own son. I do know about his bold move to burn your warehouse which is not my problem. But he starts to put an eye into the apple of my heart. I do need room in Man private hospital, and it has to be discreet about his presence in the hospital,’ Han Zheng is telling them.

‘Max, can you arrange it with his assistant, and I do need some manpower to protect the room. Tell Wen Liang about the whole situation, and he can make sure to arrange the best doctor to recuperate,’ Vito is telling his head of security about the whole plan.

‘I will continue to attack all his assets, and do you want me to lurk behind stupid Su Jin?’ Jones is having his personal vendetta toward Su Jin.

‘can you put up again the information about the crazy duo? Who is this Su Jin?’ Han Zheng is asking them curiously.

EXO is putting up again all the information about Su Jin including all her bad deeds in the past inside the screen after getting a nod from Vito.

‘Boss, she is making a ruckus to apply for your permit into the university ownership to the government. She is making evidence as to your main business as mafia family and use the university as your money laundering project,’ Ai Jia is reporting to everyone when he receives the report in his phone.

‘I will deal with her. she is worthy of the top of my overgrowth nail on the court. I always beat her, and she will cheat after all the beating up happen inside the court. I want to know her game this time,’ Andrea is sitting back in his seat.

‘Su Jin is a lawyer who wants to beat you and drag you down. Why?’ Han Zheng is asking him regarding the whole situation of the hatred relation.

‘Boss, I think Sun An is the main culprit for stirring problems into the Mafia world in New York. He is lurking into every family and stir problems everywhere. My colleague under Mr Russo already gets warned to stay away from the poisonous man. He is famous as a bogeyman,’ Jack is explaining to him.

‘She is getting her only love to get shot by the gang member during the drug transaction. And the best part is her illusion to think about my company as the mafia family. She is getting chucklehead inside her brain,’ Ai Jia is explaining on behalf of his boss.

‘The crazy duo. They are the perfect couple and no wonder; they can work together. I will gather more information regarding her and help you to attack her. you just need to tell me about your plan,’ Han Zheng is asking Vito with his cunning smile.

‘Are you serious about this? I am able to annihilate your whole family,’ Vito is making sure of his sincerity to protect his wife together.
