

# Marriage To The Mafia Boss -

## . Chapter 134 - Sun An Drug

Sun An is taking his time to enjoy Sophia body inch by inch. He is torturing her with the new drug intend for Emma. He is trying it to Sophia and sow the effect straight away.

Sun An is really happy with the effect of the drug. He did not think that it will give a tremendous effect on the body. She is longing for his touch and react to every touch on her skin.

It seems his body as the opium for Sophia and her body got withdraw closer to him. She changes her demeanour from cursing his name to calling Sun An's name erotically.

It makes Sun An crazy with all the imagination inside his dirty mind. He can't wait to inject this drug into Emma's body.

She will react cutely in this bed, and she will become his precious collection in his toy room. He will be happy to get her as his precious trophy.

Sun An is imagining her sexual body lay down naked on the bed and begging with her sensual voice. It makes Sun An getting hard and crazy to get her sooner.

Sophia voice brings him back to reality. She is already getting her withdrawal effect from him and begged him coquettishly on the bed.

Sun An gives into her erotic moaning and begging. He is satisfying her crave for sexual desire and he can't control himself.

He does it so many times with Sophia until the dawn come upon them. They are sleeping together in the bed and hugging each other.

===

Jones is getting the feed of the new development drug from one of pharmaceutical company in the C city. He is getting really bad feeling about this drug.

He is paying the head of researcher to give him the whole batch and delay the process. The head researcher is giving out the effect and the whole recipe of the drug.

Jones picks up everything and bring it back to the penthouse. He is waiting for his boss to wake up before he discusses about this drug.

Apparently, Sun An already get one of the samples and bring it with him to get tested to human being. This drug is combining his gene with the rape drug.

The head of R & D in the pharmaceutical company get coerced to create this kind of unethical medication with the safety of his family.

Jones is making sure that his family saved than he will be disappeared and take an annual leave. However, Jones instructs him to stay put and do as usual. They did not want to alert Sun An to change his plan.

The head manager is finding out about this poison made for his target. He wants her whole heartly and beg him to be with Sun An.

Jones got choked straight away for Sun An target. The only one on his eyes set for Madame Boss. He can't let him to get his wish.

Ai Jia and Andrea are already in the dining room. All of them are living in the hotel just below the penthouse of Vito.

Jones is joining them to have breakfast. Butler Alfred is managing the maid to prepare breakfast buffet for everyone on the house.

Jones is ordering a black coffee and getting himself a big breakfast. He is eating the food on his plate.

‘Where did you go early in the morning?’ Andrea is asking Jones regarding his whereabouts.

‘I am investigating something regarding Sun An. He has set his eyes to lady boss,’ Jones is telling them while chewing his egg inside his mouth.

‘He is really crazy. Did something burn the fuse inside his head when he was a baby?’ Ai Jia is asking him. he has been following his boss through underworld and this is the first time for him to meet with a crazy person like Sun An.

‘Maybe the doctor makes him fall down when he just come to this world and hit his head. I wonder what make him to do something like that to their parent!’ Andrea is putting his two cents into the discussion.

‘What did I miss?’ EXO is arriving and leave his backpack on the intended seat on the table. He is ordering his cappuccino and serving himself a plate of breakfast.

‘A Lot! Did you already finish tracing the intended target of Vito? He wants it today!’ Ai Jia is reminding his work colleague.

‘I am already pinpoint and trace it. It is in boss email already. If he can empty it then he will stop everything and make a clean break,’ EXO is telling Ai Jia about the task assign from their boss.

‘Max, can you make my usual coffee?’ Li Na is walking out from the dining area to the master bedroom.

‘Is she crazy?’ Ai Jia is asking Max regarding his wife decision to knock the main bedroom.

‘No, the lady boss asks her to knock because they have to do some of treatment in the saloon,’ Max is helping out his wife.

Emma is already waking up from her sleep. She is looking at her handsome husband and snuggle more closely on his sturdy chest.

She can see some of the bullet wound scar and sword scar on his chest and body. She is touching it and play her finger on the scar.

‘Are you trying to provoke me, Madame Mancuso?’ Vito hoarse voice come out before he presses his body on top of his wife. He kisses her with a passionate desire in the morning when they can hear the knock.

It is Li Na to remind them about the treatment for Emma. The spa already booked for her hair treatment from the last operation.

It is already grown but the area near the cranial opening and suture is not growing up. they are going to implant some of hair into the area.

‘I have to go. The sooner the treatment done then I can spend time for lunch with you,’ Emma is rolling out and opening the door for Li Na after wearing her sleeping robe.

Li Na is checking her vital in the wardrobe and withdraw a little blood to check about her glucose. Li Na is writing it down on the special book for only Emma.

They are getting happy with her condition which make Li Na let her to go to the bathroom to take shower.

It just Vito is following her into the bathroom and release the desire inside his body under the shower.

Emma could not do anything and melting into the fire of desire of Vito. They are taking an hour shower in the end.

Emma manages to walk out to the dining room. She is wearing a turtleneck blouse with a jeans. It is happening because of all the biting mark left by Vito.

‘You look so refreshing boss,’ Compliment Andrea for his boss.

‘someone give me a good morning gift. So I have to unboxing it,’ Vito is having his coffee which make him more energise in the morning.

They all understand about the source of their boss energy as there is an obvious mark on his neck. Everyone only can look down on their food and it is obviously making EXO really jealous.

He left the dining room to the study room with his coffee. He is separating himself rather than looking at their lovey dove activities in the morning.

‘Boss, I need to talk to you about something. Urgent!’ Jones is asking his boss to step aside after getting the message on his phone.

Vito is following his loyal left hand to the study when he is listening to all the information come from Jones regarding the new drug creates by Sun An. His target is the lady boss, and it can infuriate their boss.

‘What do you want me to do?’ Jones is asking the obvious question to his boss. He wants just to shoot Sun AN head and finish everything.

The main problem is Sun An. If he kills and eliminates Sun An then everything will be fine.

‘What do you mean by that?’ Vito is getting darker on his expression to hear about Sun An plan to his wife.

This is the indication of Vito to cancel his wife trip with Li Na. He will not allow her to go out of this penthouse without him.

‘He is making a special rape drug for your wife, and she will need him to suppress the drug in her body. There is not any cure to the poison, and he is already using it for Sophia. What do you want me to do?’ Jones is asking his boss for his opinion.

It is related to the first lady of the house that why Jones needs to proceed with it with precaution. He can't decide only on his side.

'Swap it with the normal aphrodisiac. All the ampul so he is not suspicious..  
No one can touch my wife,' Vito is telling Jones who is nodding to his boss instruction.
