‘are you going to the company, sir?’ Max is asking him for the plan.

‘Go to the hospital... do we have any hotel closer to the hospital?’ Vito is asking them about his business portfolio.

‘yes, boss. We do have the six-star hotel, Mido hotel. Do you want to visit them?’ Ai Jia is asking his boss about his idea.

‘Yes, open the presidential suite for me...’ He is looking at the scenery while playing with his wedding ring.

Ai Jia is reserving the presidential suite for their big boss. He even texts the director of hospitality and tourism in Man Corporation to let him know about the visit from the chairman of the company. The director directly makes an official email to all the General managers and employees and cc it to AI Jia.

Vito arrives at the hospital and parks in front of the lobby area. He makes a call to his wife who did not take a long time to arrive in the lobby. There is a faint black line under her eyes.

Vito opens the car door as a gentleman and helps his wife to enter the car. She is smiling at her husband for his service and gentlemanly acts.

‘How are you this morning?’ Vito is opening the conversation as soon as he enters the car and sits down next to his wife. He can see that she is tired from her body language.

‘My body is not getting used to the whole routine. I think I need few more days to get used to the whole ordeal...’ Emma is telling her husband about her condition.

‘rest... we are going somewhere closer so you can rest better,’ Vito is telling her with a comforting tone.

‘But I am hungry...’ Emma is asking him intimately.

‘Close your eyes and I will ask them to prepare some food for you in the room...’ Vito is caressing her head to put her to rest. Emma is resting her head in the car headrest when Vito gets her to his shoulder.

‘you hear about Madame request! Get it done!’ he texted Ai Jia in the front seat. Ai Jia directly texted the hotel General Manager to prepare a scrumptious meal for the big boss.

The car is driving to Mido Hotel which takes only five minutes to drive from the hospital. Vito is indulging himself in the bliss moment when he can smell her body scent which dominated by the smell of disinfectant mix with her usual smell of shampoo.

It won't take long for them to arrive in the hotel lobby. Vito is moving his body swiftly when Emma opens her eyes slowly.

'where are we?' she asked him after she opens her heavy eyes.

'We are in Mido hotel... we are going to stay in this place because it will be too far for travelling to our mansion' Vito is telling her with his cold domineering tone.

'Mido is one of the most luxurious hotels in this country. I am not dressing up for this occasion...' Emma is complaining to her husband. She is only wearing a floral dress from yesterday with her hair up on a messy bun without any makeup on her face. The only accessories on her body only her wedding ring on her left ring finger.

'You look beautiful... come on, your breakfast will get cold...' Vito is giving out his hand to help her out from the car. She is reaching out his hand and get out of the car. Vito is holding her hand to his arm and support her to walk inside the hotel where she spots her adopted sister meet up with a young girl in the lobby.
