After the morning meeting, his phone suddenly ringing with a familiar number on the screen. It is from Lin Yan.

‘Brother Han Zheng... someone framed me, and my life is ruined now...’  
Lin Yan is sobbing with tears in her hotel room. She asks everyone to leave the room where is going to call Luo Han Zheng.

‘What happens? Where are you?’ Han Zheng is asking in concern. He can’t brush her off after all Lin Yan has done in the past for him. They were a couple.

‘I am in the hotel room in Mido hotel... I am sorry if I have any sin toward you... I will see you in my next life..’ Lin Yan is closing the connection with Han Zheng. She is using her sleeping gown and goes inside the bathtub with cold water. Lin Yan is calculating the time from Luo Corporation to the hotel will be around fifteen minutes with the traffic. She is cutting a shallow cut into her wrist and positioning her arm higher than her heart on the side of the bathtub. She has to hold a little if she wants the help to recover her images.

Luo Han Zheng is getting out from his office toward the Mido Hotel in hurry. He can’t believe the little girl is thinking to kill herself. In the car, he is calling to his assistant to find out about the reason for Lin Yan to end her life.

‘Mr Luo, there is a headline in the entertainment section about Miss Lin Yan sex scandal this morning. They even have the short video on her and the assistant director inside the bathroom cubicle. The police are investigating the whole ordeal at the moment,’ Han Zheng’s assistant is reporting the whole story to his boss.

‘Block all the story to go out... pay them or blackmail them... get the PR to clarify and legal to represent Lin Yan to the police. Get someone else with

the same face with Lin Yan to take the blame... by all mean, protect Lin Yan,' Han Zheng is instructing his assistant to do all the counter measurement for Lin Yan.

Han Zheng is arriving in Mido Hotel and call the ambulance straight away. He is running to the front desk to get into Lin Yan room at the same time with the paramedic. The duty manager is taking them toward Lin Yan room. They found her unconscious in the bathroom with the water flow outside the bathtub. The blood come out from her wrist when paramedic straight away apply pressure to her wound.

They are checking her life sign before transferring her to the ambulance. They bring her to the Qing university hospital nearby. She is going into the emergency room to get treatment while Han Zheng is taking care of all her paperwork. Everyone in the emergency room is gasping to see the beautiful petit artist lay down on the stretcher. The doctor is closing the curtain to give her some privacy.

Han Zheng is transferring her to be in VIP ward. At least, she can rest up nicely without thinking about all the gossip. He is asking his assistant to cancel all his meeting and stay in the hospital with her until she is conscious.

In the hotel room, Emma is sleeping in the room with her husband. He is hugging her tightly in his arm until her phone is ringing. She is reaching the phone to answer it without opening her eyes.

‘Emma, how can you dare to frame your own sister?’ Han Zheng is reprimanding her on the phone. Lin Yan is already waking up hysterical and tell him all the sorry to shift the blame to Emma.

‘What happen? May I know more detail about your accusation, Mr Luo?’ Emma is opening her eyes straight away. Even she was the brain of all the scandal happen into Lin Yan, but she can’t admit about it.

‘Your sister is depressed and hysterical while you put something into her drink until she is getting \*\*\*\*\* by her assistant director... You are really changing...’ Han Zheng is telling her on the phone. He is getting a headache to deal with his ex-fiancée.

‘Are you sure to believe her? you were my ex-fiancée and yet, you believe my sister word rather than me... thankfully, I do not have to marry you,’ Emma is giving back the word toward Luo Han Zheng.

‘Who is on the phone? Stop wasting your time and rest up before I am going to eat you again,’ Vito is talking loudly with his hoarse voice. Emma wants to cry to hear his voice. He is actually adding fuel to the fire.

‘Emma, are you sleeping with man?’ Han Zheng gets hesitate on the voice. He can’t believe his ex-fiancée move on really quickly.

‘Why has it become your problem, Mr Luo? I am a free woman, and I can sleep with anyone,’ Emma is getting annoyed with his word and ends the phone connection.

As soon as, Emma closes the phone connection with him. Han Zhou is getting really annoyed until he smashed his phone to the floor.

Vito is putting his body on top of Emma and look straight into her face.

‘You are belonging to me... I do not like you to speak with other man,’ Vito is holding her hand on top of her head.

‘Luo Han Zheng is calling me, and I was not aware about it... you can’t blame it to me.’ Emma is looking back to her handsome husband face. his thick eyelashes and brown symmetric eyebrows make his facial expression become really tempting.

Vito is pushing his lips out of sudden toward her thin pink lips and exploring inside her mouth. His tongue is tasting her sweet taste. Their hot kisses get interrupted from the call.. Emma is pushing his body and answer her phone from hospital.
