

Marriage To The Mafia Boss - Chapter 19

.

. Chapter 19 - Vito's Cousin

Vito reaches the nearby bathrobe to cover her body while his hair is still dripping wet from the shower. It gives out the masculine aura toward Emma which drool inside her heart to see her newlywed husband. her heart stomps and beats really fast while she swallows her own saliva due to the view in front of her.

He is taking the phone from her hand and put it in his ear.

‘Vito speaking...‘ He speaks eloquently with his cold no expression tone. As expected from the demon underworld king.

‘Did you finally lose your chastity brother? Do you need me to prescribe you some tonic for your kidney?’ Li Wen Liang is blabbering to his cousin from his mother side.

‘Do you want to start to do the operation for the elephant in Sahara, or for the pirate in Somalia?’ Vito just needs to convey his mind without even flinch his eyes. Emma is pushing him to the chair when he keeps listening to his cousin answer as his wife help him to dry his wet hair. The warm feeling keeps flowing into his body when she touches his head with the towel.

‘No, No, my dear powerful cousin and bosses... please bestow mercy as you already kill me today. why do you divert all the accident patients from Qing university to us? We do already have our shares of patients and yet, you are adding more to us.’ Li Wen Liang is complaining like a child toward his cousin. He is a genius in his age to become a professor at a young age, but he knows his cousin surpass everyone IQ and a little EQ.

‘We need more income from the insurance for our profit... you have been slacked off lately as your KPI really far from the target,’ Vito is covering his main reason to divert all the victims to the other hospital. Li Wen Liang wants to spit out blood to hear such a fake reason behind his cousin. He knows his cousin well enough to do something for a reason.

Wen Liang is closing his phone to his cousin with such an angry expression. He has to make sure to stab his cousin voodoo doll to make him can’t perform well with his little brother and cursing him.

‘Who is calling?’ Emma is asking him while she is massaging gently to his head.

‘My cousin. he is such an insolent brat...‘ Vito is telling her and stopping her hand. He needs to go back to the shower to be able to control himself. His little brother already betrays him, and he can’t show it toward his new wife. Vito did not have any choice rather than take another cold shower to suppress himself from her temptation.

This time, Emma phone is ringing with Lin Yan name on the screen. Emma presses the button to answer her call.

‘Yes... what can I help you ?‘ Emma is answering the phone.

‘Emma... can you come here and explain this story with your sister ?‘ grandmother Lin is asking from the phone of this little sister.

‘What happens, grandmother ? I just wake up and I am going to the hospital. What should I explain to my sister ?‘ Emma is trying to find out from the phone.

‘Can you come to the hospital now ? VIP room 3 in the Qing university hospital,‘ Her grandmother speaks with her stern voice. She has the moral responsibility to preserve the family name and Lin Yan actually do something really bad to keep their moral standard.

Worst of all, Grandmother Lin finds out from the television news in the morning about the scandal of her granddaughter. She is spitting out her tea and almost choke on the short video on the television. She is finding out her position and see Luo Han Zheng with her granddaughter in the room.. She is so startled when she asks the driver to the hospital until she forgets about her own phone and bag.
