

## Marriage To The Mafia Boss - Chapter 24

### . Chapter 24 - Vito New Project

Vito catches the glimpse of all the executives on the corner of his eyes. he is signed AI Jia to take care of it. he does not want his wife to know about his ownership to the hospital. AI Jia is putting down his food tray and run to the team of senior executive doctor on their business suit.

AI Jia is running and escorting them to their office to brief them about his boss request. Meanwhile, Max is taking over AI Jia places to assist his boss with their food tray.

‘grandmother, I get you some food simple food tray of the day... if you want something else let me know then I can order it,’ Emma is telling her grandmother about the food in front of her. she is handing over the chopstick and spoon for her grandmother. She is also pouring her some hot water on her cup.

‘It’s fine... I am not a big eater lately’ Grandmother Lin is telling her to sit down. Vito is coming to place the food tray in front of his wife.

Vito actually is not happy with the array of the food menu on the café. It is only sausages, vegetable stir fry, egg drop soup and some milk. This is not up the standard for his wife, so he will arrange the best food nutritionist and chef to cater his wife.

‘A Man, you look not happy at all... is something wrong?’ Grandmother Lin is asking her grandson in-law expression.

‘No, Ah Mah... I just think about my work thing... I am happy to eat together with you,’ Vito is adjusting his expression in front of her.

‘You are married already... now, you just need to think about getting me a great grandchild and nothing else... I am getting older and my life will not be any longer’ Grandmother Lin is putting down her chopstick to make her word to be serious.

‘Grandma... you are still young, and you are not allowed to leave us...’ Emma is telling her while hugging her arms.

‘All right... stop it, you silly girl... A Man, I really need your help to manage the Lin Corporation later on as you already join to our family... I want you to handle the company for your wife’s sake... I am in the proses to hand over her shares for the whole company and I do not think she will be interested to inherit her father business...’ Grandmother Lin is informing him.

‘Do not worry as I am already asking my lawyer, Andrea to come and deal with the Lin Corporation after he wrap up some of our business abroad. Meanwhile, Ai Jia is going to help you to take care, grandmother. I will make sure that the company is still belong to Emma,’ Vito is only touching a little of the food. the taste of frozen food and vegetable on this hospital is worse than the sole of his shoe. He has to fix the food on this hospital and get his nephew to view about this hospital management.

Vito can see his wife mouth mutter the word thank you. He is looking into the outdate building of this hospital and all the interior of the hospital. This is really a point zero one from Man hospital under his nephew management. He might be reckless and a youngster, but he is one of the top three professor in the country with his skill. Vito needs to pour in some capital to make this hospital into Man Corporation standard.. This is going to be his number one project on top of his list.
