

Marriage To The Mafia Boss - Chapter 30

. Chapter 30 - I Love You

Vito can see the red colour on their white bed sheet show for her pride and dignity. He is kissing her to express his gratitude toward Emma. He is carrying her to their bathroom to put her into the bathtub while he is making a phone call to change her bedsheet. He is closing the bathroom door and join her inside the warm bath to ease the pain on her lower body.

However, her body seems tempting him more and more. He actually gets the taste again of her body on the bathroom and bed until the morning is arrives early. Emma has underestimated the power of her husband when in the end, she cursed him over and over before she went to sleep. Vito is joining his wife to sleep.

In his deep sleep, he has the inner peaceful and realise about his growing love for his new wife. He is screaming out of his lung about his love confession, and she gives her whole body only for him. no one ever treat him like her. no one ever give their precious thing in their live for Vito without anything in return. However, this time she gives it without thinking about the consequences. He will hold her hand tight and not let her go. He will protect her with his whole life, and no one can touch a train

on her hair without Vito permission. She is the madame of Mancuso family. He loves her so much for making him at his inner satisfaction in his life.

As instructed, Ai Jia is cancelling all the appointment for his boss which trigger the alarming rumour from his closest ring to see Vito, the emperor of hell takes a day off. The most straight and punctual person in the company is taking a day off. Andrea was going to delay his arrival into the C country book his plane ticket straight away from Italy. He can't wait to meet with the girl who manage to subdue the demon itself.

Ai Jia also applied the day off for Dr Emma Lin. The Human resources department did not question her reason for absent because of Vito. They are well aware for the order come from the owner itself. No one dare to ask for the reason and mark her absent due to family problem. The Human resources manager will treat Dr Emma with his top care compare to another employee die to her relationship with the chairman of the hospital.

However, in the hospital ICU corridor, there is couple run havoc and start attacking the doctor and nurse on call when they are updating them about their family members condition.

They are getting agitated to see their family member not waking up. the patient comes due to motorcycle accident yesterday afternoon. She was in bad condition with wound inside her cranial bone on her head which send pressure to the brain.

She is undergoing an emergency surgery to release the pressure on her brain. The doctor on-call was Professor Xian and Emma is assisting the surgeries with the resident in the neurosurgeon. Emma already doing a handover to the attending on-duty in the night, Xun Li.

The family is getting angry toward the attending as they only get update by them and not the professor. Professor Xian is one of the doctors who did not like to interact with people. His nature for bootlicking is really famous in the hospital. No one can compete with him to suck into the line of the director in this hospital. There is a rumour for his future marriage, he is looking into rich widow to inherit their money.

He left in the middle of the operation for Emma to finish up and do the closing. She did exactly as the textbook procedure and after she settled her into the ICU. She went to meet and explain to the family. She is making sure to do proper hand over with the next attending on duty before she left for the day. She always doubles check her patient and record everything on the patient chart.

The family of the patient got surprised to be update by different doctor and they are not from the well-off family. In the night, someone is brainwashing them in the family waiting room.

Last night, Lin Yan is paying someone to creates havoc under the name of Emma Lin. The patient was someone who is willing to sacrifice herself to pay the debt of their family. Meanwhile, her father is a gambler with a lot of

debt into the shark loan. Lin Yan is one of the person affiliates with the shark loan arranges her to get her father debt settled as long as she can creates trouble for Emma.

The patient did not have choice rather than she got sold to the brothel. It is better to sacrifice her own body to be in the hospital to pay her filial duty to her parent. She vows to herself if she manages to live after this sacrifice. She will leave her father as she pays all his debt to the shark loan. Her mother did not help her at all and always blame her to be as a girl, not a son.

The family is attacking the attending doctor and nurse in the morning. The security gets called and restrains them. In the process of restraining them, the mother got hit until pass out. The situation is going out of control. At the same time, there is a reporter visited their family member. Everything manages to come into the open and get to the public headline. Lin Yan scandal changes to the malpractice done in the Qing university hospital by Dr Emma. The problem arises when in the medical report, Emma is doing medical negligence toward the patient and the record leak to the media. All the television and newspaper in the C country make it their headline.. the hospital is in chaos in their management while Dr Emma is missing in action due to her family problem.
