

## Marriage To The Mafia Boss - Chapter 42

### . Chapter 42 - The Retaliation

Luo Han Zheng is going to the bathroom to get ready after their wild night. He is trying to eat up and digest everything from last night. He is ending up with a girl who he did not know anything about sleeping on the bed.

‘Are you going to leave now?’ Lu Xi is sitting on the bed while holding the blanket to cover her naked body.

‘Who send you?’ Luo Han Zheng is using his clothes after drying himself.

‘You ask me about it now. mister, you are barking into my room and actually forces yourself into me. You take away my virginity and spill yourself inside my womb. No protection has been used. and you tell me that I intend to serve you on bed,’ Lu Xi is acting up to be sad.

‘I am sorry, but I was under influence just now and I am not in my right mind. Please take morning after pill for your protection. This is my

business card, and my assistant will reimburse you with good remuneration,' Luo Han Zheng is taking out his business card holder and give one to her on the bed.

Lu Xi is accepting the name card, but she is not happy to hear his word. It means he also cast her away. She needs to make amend and cling into this young CEO of Luo Corporation. However, she needs to hold back and make plan to get him into her side.

---

In the Alban country, the crown prince is sitting and get beating up by his father for allowing the weapon into the middle east. The king got off from the meeting with Andrea who inform about his son involvement in the war at the moment.

The King is disciplining his stupid son for not understand the severity of the situation of his son decision to help the stupid extremist group and make the Mancuso family to be in alert. As a small country, he did not want to retaliate with Mancuso clan.

He is taking his son stupidity into his hand and if he manages to kill his son and save the whole nation then he will do it.

---

In the Mancuso family, Mancuso aunt is getting the misleading information from Suzy. She is getting into rage and wants to kill Vito because of her husband death. Francesca is hating her husband for his abusing husband act but she does not want him to die in vain, especially after hearing about the real reason for his death.

Suzy is taking her to the corner and ask really serious about her willingness to revenge her husband toward her nephew when Francesca is in anger nod toward Suzy in agreement.

They are going to leave the Mancuso clan and goes to the middle east to arrange some plan for avenging her pain. Suzy is brainwashing Francesca for betraying the Mancuso clan due to his nephew idea to kill his husband with his cold

Suzy Saif is coming from middle east family who her family get killed on the war with the Mancuso family support. She is dedicating herself to pay her family revenge toward the Don Mancuso for the lost of her whole family.

She is joining into the extremist group and got planted into the Mancuso family when she actually takes advantages of his aunty who suffer from PTSD. Vito was not aware for her aunty condition and the extremist already targeted his organization support the western allied.

They are actually going to attack the Mancuso Family head quarter and give the ultimatum toward him not to become arrogant. The middle east problem is really in dire state when the weapon sends by the Alban crown prince enough for them to last a year.

They also ask Francesca to get some funds retrieve for their next plan to give warning for Vito Mancuso. Francesca is selling her share of blue diamond on the underworld market. Suzy is talking her into joining financially and mental support to attack the head quarter.

They decide to attack the day after tomorrow after getting all their preparation intact. Francesca gets carried away and brainwash to hate her nephew when he actually saves her life from the hand of her abusive husband.

The butler of Mancuso Mansion in Malta sends someone to tail Madame Francesca position in middle east. He also gets notified that Francesca Mancuso is opening her safe deposit and put up a job to sell the rare diamond in underworld. Vito will be angry to find the Mancuso diamond sell in the underworld like no value.

Andrea is getting the warning from the Mancuso family butler to find the whole set of Blue Diamond which can make chaos and Vito ultimate power become a joke. As soon as the sales up in the server, Andrea is asking the company to stop the bid.

Andrea is posing as one of the buyers and pay the sum toward Francesca when Suzy is taking the whole lot to be used as payment of the bomb and weapon for the cause. Francesca does not refute or complain with the treatment from them.

Vito is going back to the hotel and reach their presidential suite. He is going to the bathroom straight away and take shower. The humid weather makes his body sticky and smell the charcoal from the street vendor.

Emma sees her husband takes off his clothes and jump into shower when she decides to join him into the shower.

She is rubbing her body to tease her husband under the warm water. Vito did not move but look sharply to his wife

‘you only need to say it.’ Vito is telling her about her teasing.

Emma keeps ignoring his word when Vito is pulling her into his embrace from the back and exploring her abdomen area and trace it down to her inner area of the thigh. His finger is arousing her and make her melt into his embrace. Emma plan to arouse and tease Vito backlash and she is in disadvantage at the moment under the palm of her husband.

She is supporting her body on the glass wall of the shower when Vito is entering her body. The love warm temperature fills up the whole bathroom area when the only sound come out is moaning and panting with the water fall sound. Vito really seizes up the opportunity to enjoy his wife body before cleaning her body and carry her to their bed.

He is using his pyjamas and closing the bedroom door before going to the working desk when AI Jia, Max and Andrea are coming for working with him. Max is reporting about the situation in middle east that getting worse, and they just purchase some explosion ingredients.

Vito is taping his finger into the arm rest and taping his finger into the arm rest. He is in deep thinking mode when Andrea report about the blue diamond. It is already under their possession. Vito then realises someone plant an eye inside their organization.

‘Go to stealth mode for the whole organisation. I want Jing Li to go over and protect the whole important document and push forward the project of server warehouse. Wipe off the name of aunty Francesca from the system so she can’t get anything from our clan. We need to limit the staff whose get access toward the system,’ Vito is instructing them.

‘Boss, the extremist is targeting the Mancuso organisation and going to launch attack on the day after tomorrow,’ Max is reporting toward Vito after closing the connection on the phone.

‘Which one? Is my aunty become so stupid to betray her own blood and help outsider?’ Vito is asking with unbelieve expression on his face.

‘I do not know. Maybe in Malta or maybe in the C country. What do you want me to do?’ Max is looking at him.

‘Stealth mode. Empty the Malta mansion and do it in secrecy for all the painting and the furniture. I want the house in Malta empty while I want the same in the C city. I do not want any innocent victims on our side. is our stealth bomber plane ready? How about our intel for their location?’ Vito is looking at Max and Andrea.

‘Are you going to launch our new prototype bomber plane? It is our ultimate game to earn more sales,’ Andrea is asking him for confirmation of his action.

‘Yes, we can try their ability also and make a mark for improvement,’ Vito is looking at them sharply and coldly as if he wants to kill someone at the moment.

‘Who is going to clean up the mess?’ Andrea is asking him because if he is already in killing spree mode then it will be massive. Don Vito Mancuso is a hard person to deal with, and he is the type of person with cold blood.. He will not give mercy to anyone who dares to confront him first.
