

## Marriage To The Mafia Boss - Chapter 48

### . Chapter 48 - The Headache

Vito and Ai Jia are taking grandmother and Aunt Santi to the Apartment building which is attached to a big shopping mall. This is the biggest shopping mall in the west Surabaya near Grandmother house. In this mall, there is a big Chinese restaurant for the event and public from the famous name. The apartment building is a service apartment that sells as a hotel to the public. Vito bought the whole building because he like the penthouse in this services apartment.

Ai Jia is escorting them to the special elevator into the highest floor of the building. The Apartment is having two floors with a special elevator inside the building to the second floor. There is five room with bathroom inside the second floor.

On the first floor, there is a family room, dining room, kitchen, gym, and outdoor area with an infinity pool on this floor. The interior design gives the vibe of luxury beyond expectation.

The staff supply by the hotel staff on this building work for this penthouse also. The whole entity and this whole company is under Emma's name. Andrea needs to come and get the document to be sign by the legal owner. Andrea really is getting heart attack to receive the email and message from Vito this afternoon.

He manages to access the private fund of Vito which make Andrea gobsmacked to see the amount of wealth accumulated on his personal account. The amount of the money is almost equal into the Man Corporation total wealth portfolio.

They are going to move into the penthouse from the hotel and use this penthouse as their base in Indonesia. It is not clear whether the Man Corporation will get their branch in Indonesia. This whole company will under Man Corporation in Singapore.

Aunt Santi is getting shocked to see the luxury of the penthouse. She is not getting used to all the luxurious environments.

'Aunt, welcome to our house in Surabaya. This is your home while I renovate the whole house,' Vito can see her expression in confusion to see the whole apartment.

'This is your house?' Aunt Santi is asking them seriously.

‘Yes, this is the house I bought for Emma in this city. So, you can stay in here until the house renovate. Grandmother room already fitted with special automated bed for her. your room will be next to grandmother.

‘But this is a huge house. Who is going to clean up this whole house?’ Aunt Santi is asking in despair to see the whole big house in front of her.

‘There is maid and chef coming to this house and we do have butler who is going to coordinate the whole house,’ Vito is explaining her aunt in-law about the whole condition of the house.

‘Who is going to pay for all of this? Aunt can’t afford to pay all of this. The electricity, the water and the maid,’ Aunt Santi is getting shocked to think about the monthly expense on this house.

‘Aunt, this is our house. You are my guest and you do not think about the expense when I am inviting you to stay with us,’ Emma is holding her arm to calm her down.

Ai Jia is helping the nurse to settle Grandmother in her room. Ai Jia is going to explain the nurse about her stay arrangement. As Grandmother needs twenty-four hours accompaniment, she is going to sleep with grandmother with different bed. AI Jia is going to offer an excellent remuneration with US dollar for her. the nurse only needs to take care of

grandmother and vouch for certain test to get competent to take care  
Grandmother.

The nurse is happy to hear her new employer really respect and offer her a good salary in replace to take care of this kind grandmother. She is happy to be her twenty-four-hour carer without hesitation. Ai Jia is asking her to sign the work contract to make her employment official.

The butler is arriving with a team of people. He is going to our room for all of our luggage's and Andrea come follow the team who still standing in the lobby.

'Who are they?' Emma is asking her husband who check the file handed by Andrea. Aunt Santi is enjoying the nice leather sofa in the family room with a big television showing the show.

'They are the make up artiste for you and aunty for the party. Honey, I need to settle something for my work,' Vito is asking her permission.

'What? How are you arranging everything for the party?' Emma gets speechless from her husband thought.

'Everything for you, my love,' Vito caresses her face to comfort her.

Emma smiles while holding his hand before letting him go to the study with Andrea. Ai Jia is showing Aunt Santi and Emma for the room. The make up artiste is following us to our master room and set up their working station in the walk-in closet.

They are already preparing the expensive gown for three of us. My aunty is getting her turn to get make-up when I got sudden on-set of headaches. It is making me need to lay down. This is something that I feel when I got first reborn.

It seems my soul tries to get out from my current body, and I feel really pain in my head. I can see Vito is rushing to my side on the bed to ask my condition in worry.

‘Get my pain killer please in my bag,’ Emma is asking from her husband. AI Jia is scramble to get the pain killer while Andrea is getting her the bottle of water. Aunt Santi is standing gobsmacked to see her niece’s husband attention. She is happy to see his love to take care her condition.

Emma is getting the pill and water to drink it. it is the hardcore painkiller to ease her headache pain. Vito is kneeling on her side bed to check on her condition.

‘DO you want me to cancel our attendance to the event? I will ask Ai Jia and Andrea to send some present in place of us,’ Vito is asking her in his soft voice. He is really worried and rushes to his wife side after Ai Jia told him about her condition.

This is the first time for him to witness her in sickness. It is making his heart drop to the floor to think about missing her in his life. He rushes in lightning speed to their room and seeing her on the bed holding her hair with a pale face.

‘No, the pain is already going away. I might need to rest up a little bit before get my make up done,’ Emma insisted to go to her cousin events. The pain killer makes her feeling better. She needs to do whole check up as soon as she gets back to the C city.

‘Are you sure? Do you want to go hospital to check into the source of pain?’ Vito still worried about her condition.

‘I am hundred percent sure about it. but can you stay her with me?’ the feeling of loneliness creep inside of her body once again. She feels cold on her feet as if the death lurking in the corner of the door.

At least, if she died again in this short time of her second life, it will be worth to die inside arm of the person that she loves. Vito nodded to agree

with her request. She is moving in the middle of the bed to let Vito sit inside their bed.

Emma is hugging her husband to feel the warmth of his body when she closes her eyes to get a little nap. The feeling of security and safe inside of his arm make Emma drift to sleep.

‘Max, check all the stuff in this penthouse to make my wife get sick! Her condition can’t get down like this without any trigger,’ Vito still hugging her wife on his chest to protect her. he is a little bit relieve to find out that she falls to sleep.

‘Ai Jia, find out about the venue of my wife cousin event. Make sure they delay the event until she can wake up and get ready,’ Vito is instructing his assistant who gets a pale face to hear his boss request.

‘Boss, this is lady boss cousin event and not our event. If you all come late to the party, I do not think it will be a huge problem,’ Andrea is trying to make sense of his boss savage request for his wife.

‘I know about it. But if we are coming late and her cousin talk behind her back. It will make her upset. I want to avoid the problem by delaying from their side,’ Vito is explaining in his cold and murderous tone toward them.

‘Boss, you are the role model of a henpecked husband,’ Andrea is showing his thumb up for his overthinking of his wife feeling.. Ai Jia is nodding before he left the room to do all his bosses request for delaying the event.
