

## Marriage To The Mafia Boss -

### . Chapter 52 - Celine Fate

Celine pushed Benny against the wall before removing his suit and trying to crush his lips. Benny felt there was something different with a kiss from Celine that was a little bold compared to Linda's shy kiss.

Benny would rather face a shy, submissive woman like Linda than a brave girl like Celine. He somewhat lost his lust to see Celine become like a cheap woman trying to undress Benny and kiss parts of his body.

'Celine, I want to ask you first about something? I hope you're not offended,' Benny pushed Celine's body away and saw her drunken-looking face.

'What?' Celine replied very calmly, and a slightly hoarse voice and stuck in her throat as a result of passionate passion.

‘Have you ever done this with anyone else?  
Or was I the first to do it?’ Benny clutched her  
shoulder to ensure the condition of Celine’s virginity.

‘You were the first person to have sex with me. I keep  
it only for my future husband,’ Celine said to her with a loving  
look to give Benny something very precious.

‘And...’ Before Benny finished speaking, Celine had  
already attacked his lips and crushed her with such  
passion that Benny couldn’t speak. In the end, Benny ripped the  
dress off Celine so that her sexy body was clearly emblazoned  
before Benny’s eyes which immediately couldn’t wait to feel it.

Benny starts flipping Celine’s body over the mattress and plays her  
breasts and the nipple that has hardened. Celine creamed  
and groaned in despair as the passion within her body began  
to burn her.

Benny escorted his finger down to her feminine area and began  
touching the wet area inside her lacy mini-panties. Apparently,  
Celine was already preparing to serve  
him tonight with all the clothes she had worn.

Celine becomes increasingly crazy made by a finger game from Benny inside her feminine area, which makes her get a storm of pleasure that it cannot describe with words.

Benny took out his finger and just marginalized Celine panties that were still attached to his body. Not to forget, this time, Benny uses safety to protect himself so as not to get Celine pregnant by his seed.

Benny had dropped his choice to Linda. He would marry her the next morning and tell their families to take care of their wedding. Moreover, Linda already has an apartment to share, or they can sell the apartment and buy a house for both of them.

Benny entered the hole from Celine, who was still very dense and began to penetrate her without caring about Celine's pain. The position of Celine's body that got bent with the support of both hands made her feel very painful when it entered by Benny. Celine tightly clutched the blanket on the bed to vent the pain she felt; moreover, Benny looked possessed and continued to peddle it without stopping.

Celine felt a liquid that melted out in the inner thigh area. Celine saw an area of her thigh that saw blood come out the inside side of her thigh.

‘Ben, there’s blood. Ahhhhhhh.’ Moan Celine, who felt a wave of pleasure, began to take over the pain within her body.

Benny ignored the pain and continued to stagger violently inside Celine’s body, who couldn’t say anything except a sigh from her mouth.

Benny seemed to be in a hurry after hearing the sensual sigh from the woman who was bending in front of him.

Benny felt superior doing that with Celine.

Celine could no longer withstand all the turmoil of feeling in her body, so her body rolled backwards to vent the feeling that was rising inside her body. The vaginal wall that wraps around benny’s male apparatus feels a twitch that makes him wince.

This makes Benny can no longer resist the feeling of wanting to penetrate Celine’s body with movements that can no longer be said to be very smooth and loving. Benny is like a person who treats the body of Celine roughly until finally, he releases himself in the body of Celine that has been protected by condoms.

Benny drops himself onto Celine’s body before removing himself and going

into the bathroom to clean himself up. Celine, who felt no energy at all, fell lying on the bed.

Benny checked the 'Happy Pill', which still remained two pieces immediately gave it to Celine along with mineral water. Unmitigated, Benny gave the two pills to Celine's hands.

'What is this, baby? Why are you wearing your clothes?' Ask Celine, who is still on her stomach in bed.

He received the pill and took it with a thought in mind, and there was no way her loved ones were harming her.

'It's a pill to make you felt the way you feel,' Benny spoke to her and confirmed she had taken the pill. Benny helps Celine by carrying her into the bathroom and turning on the warm water in the bathtub.

Benny put her soak in warm water with bath bubble soap before pouring the wine into a glass to Celine.

'Where are you going, baby?' Ask Celine with a slight feeling that hovers and is filled back by the passion of lovemaking. Her libido seems to be starting to take over his body and make her body become sensitive.

'I'll have to patronize a little bit of work for a while, and then I'll catch up with you in bed. Remember drinking the wine and waiting for me in bed,' Benny told him before he left the bathroom.

Benny immediately came out of the bedroom and gave the keys to Ary, who was waiting for him in the hotel lobby. As promised by Ary, it seems that the business problems in Benny's company have been resolved and get a way out without having Benny rack his brain.

Ary shakes Benny's hand before receiving the keys to the room where the Sexy woman is located.

Ari can't wait to immediately feel the body of the Woman's like the gift from her big Boss.

Ari traveled to the room occupied by Celine. As ordered by Benny, Celine obediently walked towards her bed after she dried her body and downed the wine in the glass.

His head was a little light, and the room inside the room darkened. Maybe Benny felt a little embarrassed after what they had done in the beginning. Celine climbed onto the bed with her naked body. She threw her bathrobe towards the chair and climbed under a thick blanket while lying on the bed.

Before long, Celine could listen to the sound of the door opening quietly and felt impatient because of the rising feeling inside her body. The friction of the blanket over the skin of her body made him aroused, and the nipple was hardened further by the delicate blanket.

Ary didn't waste the opportunity with his keen eyes seeing the girl under the blanket. After Ari took off all the clothes on top of his body, then he pounced on the body of Celine.

Celine, who realized that the man who punched her was not her lover, immediately rebelled and kicking Ari's body. But the energy from Celine doesn't match the energy of the great Ary.

Ari slaps Celine's face to relieve his anger. It seems that the combination of wine and pills makes Celine be obedient under the effect of lust. Ary wildly enters Celine's body and enjoys it all night as his big boss ordered.

Celine was devastated to feel her body being mastered by a fat old man. Although she felt pleasure and a loud moan come out under the body of the fat man. In her heart, Celine cried out, feeling all these injustice things.

Benny, who had been sitting on the hotel lobby sofa immediately went up to Linda's room. Benny pressed the bell of Linda's suite before seeing the beautiful woman with her innocent face open the door. Linda was wearing a hotel robe over her petite body.

'Can I go inside?' Benny asked politely before Linda invited Benny to enter the room.

'Where's Celine? It's not that she's waiting for you!' Ask Linda, who walks with her bare feet into the sitting room area.

'I want to take responsibility for all the treatment I have done to you. Tomorrow we're going to get married at the civil bureau and my family is going to your parents' house to propose to you,' Benny told a shocked Linda in front of him.

'Benny, Celine is my best friend, and she's waiting for a proposal from you. What should I explain to Celine about this? We're even roommates who keep meeting every day,' Linda asked anxiously. Linda was thrilled when Benny was willing to take responsibility for her, but it seems she had taken him away from her best friend.

‘We got married first, and then I’ll accompany you to apologize to Celine. We were doing unprotected sex. You could have been pregnant with my child, Linda,’ Benny said, kneeling in front of Linda, who was sitting on the sofa.

‘Alright, I’m tired. I want to sleep and wake up in this nightmare.. How could I snatch a lover from my best friend? ‘ Answer Linda before she stood up and walked into her bedroom.
