

Marriage To The Mafia Boss -

Chapter 55 - The Doomed

In C city, Suzy moves into her new apartment arranged by Tian Ming under his son's name. She actually regretted become the mistress of Tian Ming. In the reality, she has to go through hell when he looks like a small child with Suzy. He wants to try everything with Suzy as a small child to know new play toys. This is making Suzy want to cry to look at his behaviour.

He will take her to the adult store and get all the toys in the store. In the end, he will try it toward her body as an experiment. Suzy is really angry to feel humiliated by him. The Alban crown prince even did not dare to do something weird with her.

Tian Ming is coming back to the apartment after his morning work. It is a normal schedule to spend the afternoon with her and he will go back to the office before getting home to his first wife. However, Suzy will sleep the whole night regardless of the condition of her being alone in the apartment. She is already exhausted with all his experiments and demanding all her focus to serve him on the bed as his mistress.

Tian Ming only let her go out if he is in a good mood or he takes her out. Otherwise, she has to stay in the apartment with the strict surveillance of his subordinate. She feels like a prisoner, and she can't retaliate against Vito Mancuso at this rate.

This time, she has the whole day alone when Tian Ming has to go back to the Sun family house. He will be there until late at night and the next two days. Suzy has three days to breathe out and recovery from all his torture. He left two guards on the front door.

Suzy finds out from all her surveillance if the guards in front of her door are always the same person. So, she has to send one of them away and lure one of them to her bed. She will need the upper hand to blackmail him to do all her dirty work.

On the second day, she is making a cake with the help of an aphrodisiac from Tian Ming drugs collection. She is almost finished and wearing a sexy dress to lure them when out of sudden, Tian Ming is coming through the door which makes her startled.

'What are you doing with that dress?' Tian Ming got his lecherous eyes light up. Suzy is wearing the nightgown which showing her naked body underneath with lace sexy panties.

‘I did not do anything. I just too lazy to change and I bake some cake,’ Suzy is presenting the cake in front of this fat old guy. She looks so flustered to find out all her plan crushed down in front of her eyes.

‘How do you know the fruit cake is my favourite cake? Cut me a big slice and sit with me,’ Tian Ming is taking off his jacket and sit down on the sofa.

‘Why have you come back so quickly? You mention you just going to come back the day after tomorrow,’ Suzy is cutting the cake and put it into the plate before hold it tight with her hand. She is putting a high dose of aphrodisiac into the cake and is scared to hand it to him.

‘I have a sudden problem in the company. Give me the cake!’ Tian Ming is holding the plate tries to get the cake from her hand.

‘How about I make you some snacks and keep the cake for later? It will be not good for your health if you eat this sugary cake. I make this cake with full sugar for myself,’ she lied her butt off to this fatty guy. She can’t tell him about the purpose of this cake or else her life will be in hell straight away. But it will be the same when he eats this cake.

Apparently, Tian Ming is managing to snatch the cake in her hand and eat it quickly. Suzy is swallowing her saliva to see him finishing the cake in

the blink of an eye. She falls on the floor to see him already took off his top shirt.

He can't wait any longer and drag her to their bedroom when Suzy screams her lungs off to vent all his torture on the bed.

It is actually Vito's plan after seeing the surveillance in Suzy's apartment. The two guards are belonging to Vito and got sneak into Tian Ming's. they are sending back all the information to the big boss and Vito can read easily her plan.

He makes a little move last night in his grand uncle company to creates havoc and make him come back to watch over her. The only person who can restrain and keep her busy only his lecherous grand uncle Tian Ming. He always likes to play outside his house when in his household, his wife takes charge of everything.

Vito opens his eyes to find his wife still sleeping on the bed. He kisses her forehead when she moves to make herself comfortable. Vito is walking to the bathroom and get ready for the day. Today, he is waking up a little bit late. He uses casual pants with a white shirt with two plead from the famous French designer house.

He is walking out to the dining table when the butler already makes breakfast ready for the big boss. Andrea is already at the dining table to enjoy his brunch with Aunt Santi. Emma's Grandmother is in her bedroom to rest after her breakfast and medication.

'Vito, my older brother and his family want to come here to visit grandmother. Are they allowed to come here?' Aunt Santi is asking some permission politely from her nephew-in-law.

'Yes, aunty. Do you need anything? Emma still sleeps in her bed after the sickness yesterday, but she will come down a bit later to accompany you. I will ask the butler to prepare some barbeque on the pool area,' Vito is telling his aunt with some idea for impressed her family. He witnesses in the lobby area last night when they were talked together.

Vito sharp analysing of the surrounding area make his management and leadership in the underworld and business become more successful compared with the support of this ability. He was analysing the unhappy expression and body language of Aunt Santi.

'It is really fine?' Aunt Santi looks excited with his idea to flaunt the money in front of her brother who looks down into her and her parent.

‘Yes. Do not worry about anything and enjoy your life. Let me take care of you and Grandmother as my filial duty as Emma’s husband,’ Vito is reassuring his wife’s aunt really sweetly. Andrea almost chokes on his cereal to hear his sweet voice.

‘Is something wrong with you this morning? [in the Italian language]’ Andrea is asking his boss about his sweet demeanour this morning which surprises him. Vito is the person with the lowest EQ in this world and he really can make someone elevate in joy with his small gesture become an advanced move.

‘I am fine. Just finishes up your food and we will have a meeting with my grandfather,’ Vito told him with pointing one of his fingers to his food on the table. His expression is really cold and immerses a killing aura.

‘Fine... I am going to be quiet and eat my food peacefully,’ Andrea is smiling and looking at his food on the table. His boss changes his character like a light switch.

Vito as expected from his word instructs the butler to make luxury barbeque on the side of the pool. They need to decorate it with a light and flower also the fresh produce needs to fly into the country. Andrea got speechless with all the effort of Vito for his wife family.

As soon as he finished getting the final menu from the butler as expected from the Mancuso household, He works meticulously and do everything in a perfect manner.

They are going to the study to start working for the day. His maternal grandfather wants to have a video call with him. It must be something that happen in the family that his grandfather needs something from the Mancuso family.

Ai Jia is setting the projector and starts to make a video call to the Sun Mansion in the C capital city. He is using his laptop connected to the wall projector with the camera in the laptop and the mic.

‘You! Brat! Where are you now? How dare you get married and you are not even inviting your own grandfather!’ Vito’s grandfather, Sun Yee Hon, is screaming on the camera toward his grandson. Vito is looking sharply toward Andrea on the side who is busy putting his face down to his phone and avoiding the sharp gaze from his boss.. The yelling can make someone scare with the old man aura to kill.
