‘We are here to talk about them and our future. Two mountains can be passed with this method,’ Old Sun still tries to tease her old best friend without any restraint on his word. He only can lower his guard around her presence.

‘Haiyaaaaahhh, old Sun. You never ever change with your word and your character. How did your late wife put up with your character like this?’ Grandmother Lin is talking back to her best friend.

The waitress is coming and serving them the food. Old Sun is ordering various dishes on the table and ask the executive chef to make special dishes as requested by the old Sun. He has remembered all her favourite dishes.

She is looking at half of the table filled with her favourite dishes that can't be eaten again due to the time difference. She feels so happy to see all her favourite dishes on the table.

‘How can you find these all dishes when no one knows? How can they make these traditional dishes?’ Grandma Lin is asking him about all the effort for this meal.

‘Aiyooo, no need to be too polite with me. I am so content to see my grandson marry your granddaughter. You know his character is not good and he is so lucky to have your granddaughter,’ Old Sun is putting some of the food on her bowl.

‘Thank you. My granddaughter also has a lot to learn. I hope you can help her also in the Sun family,’ Grandmother Lin is eating her food.

They are talking together and planning to make their grandchildren have a big celebration wedding. They are reminiscing their time together in the restaurant until late and bid goodbye to each other after exchanging the phone number.

Grandmother Lin is going inside her room after checking into her granddaughter room. She is looking at her sleeping on her bed and proceeds to her own bedroom to sleep.

Lin Yan knows her grandmother schedule around the clock, and she knows her grandmother already sleeping on her bed. She sneaks out of the house and catches a taxi to her usual club.

She uses her disguise to enter the club from the VIP entrance where there is no camera in there. no one can use VIP entrance unless they purchase the VIP membership and spend a certain amount in the club.

She is entering her usual VIP room where they prepare all her usual drinks in the bottle and a male escort who is always with Lin Yan. It has been a month for her to come and use this room after the scandal.

She turns to his arm and pours herself some drink to release her tense nerve system and stress. She is enjoying herself and locks the room from people to enter it. she is really enjoying her time with this toyboy until in the dawn before she sneaks back to the house and sleep.

She is having her time last night and satisfying her urges into the male escort. It has been a while for her to release her lust into someone. She has to become a good girl for her image to reach all her plan.

She does not have any schedule for the day and sleeps into the daylight until her phone is ringing. It is from the private detective about Ru Ya schedule and daily activities. He got all the results she wants her to do.

She is going to meet him in the five-stars hotel in the room to meet up with him. she needs to be discreet for everything as she plans to separate her brother Han Zheng from Meng Ru Ya. This is the only way to make her life become the madame of the Luo family. She also can crush her sister with

her brother Han power, and use the Luo family to snatch all the Lin family wealth.

She will make Emma Lin pay for every bit of her suffering. She will make sure about all her faith to be inside her hand, and she will torture her adopted sister bit by bit.

She is getting ready and get out with her car before park it in her company and catch a taxi in disguise. She is going straight to the room to meet with the private investigator.

He gives her the folder of all the information about Meng Ru Ya. Lin Yan is reading the content in front of him before she gives him the card contains the money. He leaves earlier than Lin Yan to avoid all suspicious from the hall camera.

In her hand, it states all the people around Meng Ru Ya and all of her schedule. She got the result of her fake pregnancy in her hand. At the moment, she is resting in the Luo family compound after her parent-in-law finds out about her pregnancy.

The private investigator finds out about her fake pregnancy due to results mixed up. the hospital already finds out about the mistake and take care of

the real pregnant woman. They also inform Meng Ru Ya about her fake pregnancy, but she decides to keep it to herself.

Lin Yan is smiling to see the report for this stupid girl. She will make her plan to be true but not with brother Han Zheng seeds. She will be pregnant with other man seeds and show to brother Han Zheng about her infidelity. It just Lin Yan does not know yet about the presence of Lu Xi who already stole Luo Han Zheng from her plan.

She is going back to the company to pick up her car and go back to her house to think of the best plan for her to get brother Han Zheng back.

In the nearby hotel, Lu Xi is demanding Luo Han Zheng come and meet her. he has not contacted her for a week after the whole ordeal in her hotel room. At this stage, the abandoned Lu Xi needs to hug this thick thigh in front of her.

‘tell me! What do you want from me?’ Luo Han Zheng is sitting down in front of her in this hotel room after opening his jacket button to sit down.

‘Wait a second. Why do you look so angry with me when I just want to know about your condition?’ Lu Xi tries to get on his good side. she knows about this successful young person who gets her virginity after she browses through the whole news. Luo Han Zheng comes from a prominent family and is a successful businessman in C city.

‘I am sorry. I have problems with my family and in the company. I suppose do not vent this to you. What can I help?’ Luo Han Zheng is massaging his temple of head to ease the tension. Lu Xi is looking at the man opposite of her. she is walking to make him some coffee and put it in front of him. she is standing behind him and starts massaging his shoulder and her neck acupoint.

Luo Han Zheng is resting his head on the top of the lounge when her tiny hand moves to massage his temple of the head. She is pressing it strong enough to make him relax. Luo Han Zheng can see this beautiful face has the same similarity as Emma. The way her massages remind him so much of her. he misses her so much.

Luo Han Zheng is pulling her toward his lap and kissed her so passionately. Lu Xi is returning his kiss which leads to their intimate activity in this hotel room.

‘Brother Luo, are you going to meet me again?’ Lu Xi is asking him while laying down on his arm. She really looks like Emma when she did not use any make-up on her face. the only difference in their facial feature is the small mole on the corner of her lips.

‘I will arrange some apartment in the city where I can meet up with you. I hope you will not mind this arrangement for now since I have a wife at home. I can’t promise you a status except for my financial support and my

present time to time. Are you willing to accept my arrangement?’ Luo Han Zheng is telling her with his hoarse voice.

‘Can I ask you a question?’ Lu Xi is asking him with a timid voice.

‘Yes....’

‘Who is Emma? Is she your wife?’ Lu Xi is looking at him with her puzzled face. He has screamed and called her with those names in their intimacy session. At least, she has a little explanation to be someone else substitute. Luo Han Zheng repeatedly said her name and keep mention about longing for her in his life. it makes Lu Xi envy her so much.

‘She was my ex-fiancée. I still love her, and I want to get her back from someone hand. I am sorry if I have to talk like this to you,’ Luo Han Zheng tells her about Emma.. It just flows out of his mouth without any difficulties.
