

Marriage To The Mafia Boss -

Chapter 58 - The Ex-fiancée

‘ouw,’ Lu Xi got a slap on her face to hear such an answer from him. she will never think to hear the truth come out of his mouth. However, he mentions about the ex-status means that she is gone from his life. Han Zheng wakes up from the bed and leaves her alone to wash up in the bathroom. It won’t take long before someone knock on the hotel room door to deliver his new outfit.

‘Where is she?’ Lu Xi tries to get more information from him. she is turning her body to be on her stomach and see this fit masculine body man walks to the bathroom.

‘She still in here. You do not need to know and if you dare to provoke her then I will assure you that this hand will deal with you,’ Luo Han Zheng reminds her about his warning regarding Emma. No one can bully her woman, especially Emma Lin. she belongs to him and he will get her back from Vito Mancuso’s hand.

‘Why should I approach your ex-fiancée? I have you with me and it already makes my heart content,’ Lu Xi tries to convince him about her knowledge of his ex-fiancée.

‘Good. I like someone that listens to me. I am leaving first to finish up my work. My assistant will come here and hand your apartment key and car,’ Luo Han Zheng is telling her before he walks outside the door.

Lu Xi is still on the bed and enjoying her good life. She just can not believe in her luck to find such a handsome donor in her life. He is so generous for keeping her as mistress without even thinks about her reputation in society. She will make the person who humiliates her on the plane pay for everything.

She is getting her phone and call to the private investigation to find out about all the information regarding the person on the business class on the day. She wants to know her information and the whole person include in the ordeal.

As promised by Han Zheng, his assistant is coming to the hotel room and deliver the key to the most exclusive apartment in downtown C City with the newest Mercedes sedan for her.

She is getting ready to check her new house which is already furnished with all the designs chosen by Emma. This apartment is located not far from

the Luo Corporation and Han Zheng bought it because Emma always complaint about him working overtime. The distance to the hospital is also quite close to this apartment.

This apartment location and decoration are chosen by Emma, and their marriage falls off the grid. Han Zheng uses this apartment for Lu Xi. However, the deeds are still under the name of Emma Yin as the rightful owner of the apartment.

She is so happy to see her new residence occupy half of the building floor with all the exclusive amenities and the newest furniture inside the apartment. She is so happy to see the young master Luo really considerate of her needs. It will be good if she can be pregnant with the baby of young master Luo.

In Surabaya, Celine wakes up in the morning when she can hear all the noise outside of the room. Yesterday, she got locked inside her bedroom as punishment. She tries to call and contact Benny to save her from her parent, but it did not succeed. The phone is off for the whole day.

This time, she already finished her shower when she can hear her room door get unlocked. Her mother is coming inside and ask her to get ready to go to

the bridal salon. Celine can't refute her mother wish and follow her outside the room.

She kinds of remembering today are the day of her sister marriage. This time, she will need to follow and be obedient to her parent for once until she can meet up with Benny and proof about all about this mistake. It is impossible for Benny to let the fat guy come inside their room.

She is going to follow her mother to the bridal salon where she is going inside the same room with her sister. Anita is almost finished with her makeup and getting her hair done. The make-up lady is starting to do Celine face before making her hair.

As soon as she finished and was ready to changes her gown. She just realises her makeup is identical to a bride to be.

'Wait a second. I am not getting married today and you must be making mistake. The bride today is my sister,' Celine tries to explain to the bridal salon staff.

'You are Celine, right?' she asked her after getting her bridal gown.

'Yes,' Celine is refusing to take out her gown.

‘This is your gown pick up by your mother. Please change the dress as everyone is waiting for you,’ The staff shove the dress to her assistant and told them to help her to change into her bridal gown. She tries to refuse, but her mother comes inside the changing room and tries to reprimand her.

She is in shock to hear about her parent’s decision to marry her today or they are going to disown her as their daughter. This is the first time to hear such a harsh word from her mother mouth.

‘Listen, if you make mother and father angry again today then I am going to break your feet. They are making your dowry by emptied their retirement saving and selling our own shop and you dare to refuse this matrimony. Your action two nights ago smears the family reputation, and everyone talks about you as a hooker. The fat Ari is telling his wife that you offered your body in place of payment of the service. Is our parent deserving something like this from you? Remember, you already spend their fortune two years ago and their saving. And now, they do the same again for you!’ Anita is reprimanding her when she realises her fate. Her parent already does a lot for her sake, and she has to responsible now for her life.

She did not refute her sister word and change the bridal gown obediently. She has lived in a delusion world based on the word of her sister. she can see her mother cries on the sofa in the corner. She finished dress up on her bridal gown and come to her mother before begging for forgiveness.

Emma is waking up in the arm of Vito as usual with a backache. He has tortured her the whole night for all their intimate session on whole night. Vito needs to be in the C city for the Sun family meeting as he promises to his grandfather. This time, the meeting will talk about a successor in the family.

‘Honey, we need to be back tomorrow. I have a really important meeting in my maternal family home to take care of. Can you break this news to your aunt?’ Vito is whispering to his wife in his arms.

‘Can they still stay in this house?’ Emma is asking him with her eyes close.

‘This house is yours, my love. You can do whatever to this house,’ Vito is kissing the head of his lovely wife who still snuggling in her sleep.

There is knocked on their bedroom. It is the butler to inform them about the presence of the make-up team for today. They are going to do the whole make up for Aunt Santi and Emma as usual. They also are going to fix grandmother hairdo and a little makeup for the whole day.

Vito is sitting up and waking her up to get ready. He is sitting up to help her to the bathroom. Emma lazily takes shower with all the ache in her body. However, Emma is sitting in the bathtub with the warm water to think

about their intimate moment. Vito never forgets to use protection during their loving intercourse moment.

The only time, he did not use any protection was when they did it the first time. Emma notices it lately for his reason to use protection with her. they are legally married and if she got pregnant, it will be more than fine. The others reason, Vito is having the reason to ditch her and only using her body as his release.

It is not clear for Emma to understand his reason to restrain himself from using the protection. It is not like Emma body get soiled like the other women. Emma got a headache thinking about his reason for using protection.

‘Em, are you okay? You take too long inside the bathtub,’ Vito is asking her outside the bathroom door. He is getting worried about his wife condition when he can’t hear anything from inside the bathroom. This is not something usual for her to take a long bath like this.. Her occupation as a surgeon makes her be practical when taking shower.
