‘I think someone is outside at your office. Do you want to check it out?’  
Emma is telling him to go out and check his office.

‘No, I do not care. I want to spend time with you. You are the most important person in my heart and life. I can deal with everything else later,’  
Vito is putting one hand on his head while the other is trying to caress her body. Emma did not want him to get his way, so she smacked his hand to stop it.

‘Go outside and deal with your work. I need to go and check grandmother condition,’ Emma is sitting up and walk to the bathroom. Emma opened the bathroom and take off her clothes to find out about Vito’s love bites in the area of her breast near the nipple. She is blushing to see his way to express his territory.

Vito is coming inside the bathroom to see his wife naked body under the mist of a hot shower. He takes off his clothes and joins her in the shower cubicle. Emma is surprised to get pinned to the wall and get aroused by him.

'Who dare you to touch my wife?' Vito is raising his voice in front of the same girl who hugs him last night.

'Your wife or just a seducer who want to climb the social status. You have been hypnotising with her charm and forget your duty as the heir of the Sun family. I am your fiancée, and it has been written upon the family book,' Yi Yue is taking out her ace card on pulling rank. Vito ignores Yi Yue presence complete and gets the bathrobe to cover Emma body.

Ai Jia is coming with Max after all the ruckus created by Yi Yue in the office. Yi Yue's assistant is standing in the corner of the bathroom to find out about Vito's wrath inside the room.

'What did you say?' Vito said after he finished making sure Emma's body was wrapped up and her hair was dry.

'I am your fiancée based on the Sun family book, and you are the heir of the Sun family,' Yi Yue is taking a step back after witnessing Vito's angry expression. This is the first time in her life to witness his murderous aura.

'Who is behind your action this time? I have been really patient to listen up all your words and now you dare to overstep your boundaries!' Vito is grabbing her tiny neck and bringing it up. Yi Yue's face turns red to get her oxygen stopped by Vito's action.

'I...,' Yi Yue stutters to answer his question and witness his wrath.

'I will make it clear on your face. I am not the heir of the Sun family, and I am the head of the Mancuso family. You and your stupid backer of yours decide to wage a war with me! I will crush you one by one and make you beg to get killed rather than crossing my bottom line,' Vito keeps her in his arms where her tiny hand is trying to get him to release her tiny neck.

‘Vito, stop it. calm down. Look at her!’ Emma steps forward to pacify the angry devil. She did not want him to kill someone. In his statement about her position in front of this woman already answer Emma question in her mind. His husband only wants her in his life.

‘Vito, honey. Let her go,’ Emma tries to pacify her husband on the matter before someone lost her life. Yi Yue was already on her last string of line to grasp for air before she passed out and her neck broke from the strained pressure from his muscular arm.

Vito listens to her and lets go of her neck which sends her body to the ground straight away. Emma comes closer to hold Vito’s arms and let Ai Jia check her condition. Emma takes Vito away from the bathroom and makes him sit down to calm him down when he buries his face into her stomach and hold her closer to his body.

‘I am sorry to scare you. I am a monster in your eyes. Please do not leave me,’ Vito is letting his mind out in front of his wife. In the background, Yi Yue get carries out by Ai Jia and Max. Yi Yue’s assistant sees Vito got tamed by the girl, which means her boss did not have a slight chance to get him back.

‘Are you telling me your feeling? Do you love me?’ Emma is caressing his short hair. The soft strain of hazelnut colour hair on her finger.

‘Don’t you know about it by now! I always love you and you are the only one in my heart,’ Vito is looking at her with his puppy eyes. She can’t hold her laugh to see his cute expression. She can’t believe her husband reaction from murderous behaviour to a small cute submissive person.

‘I have a question. Why do you always use protection when we have sexual intercourse?’ Emma is taking this advantage to interrogate him.

‘I am not ready to share you with anyone else. I do not want a child for now when you are still busy with your schedule,’ Vito is looking at her with his caring gaze.

‘You do not want any heir to continue your bloodline?’ Emma was amused with his determination to sacrifice his family name for his egoistic wish.

‘I do not care if the Mancuso family does not have any heir. I just want to spend my life with you,’ Vito is holding her tighter. Emma got her to answer really clear and this time, her heart does not fail her this time. She made the right choice to be with this guy in front of her.

‘Promise me that you will not let my hand go and hurt my heart,’ Emma is asking her husband for his determination to be with her.

‘I promise to take care of you until the last breath in my body. Please do not let my hand go or I will search for you in the afterlife,’ Vito is looking at her with his cute expression.

Apparently, Luo Han Zheng is sending Emma some breakfast in the Man hospital. He even treats all the nurses in the ICU with a scrumptious meal to give gratitude to take care of madame Lin. Ai Jia is not letting Han Zheng assistant deliver the food to Emma.

Ai Jia is well aware that his boss is spending time with the madame. He will not let this assistant disturb their quality time. Ai Jia is getting the meal and promise him to deliver it to the madame.

He is proceeding with caution to the office to bring the food and prepare it on the table. all the food is Emma’s favourite dishes and comes from her favourite restaurant.

‘Who sends this meal?’ Vito is asking his assistant after he changes his wet clothes.
