‘Is all the preparation already done?’ Andrea is drinking his espresso in his takeaway cup.

‘Hundred per cent. We just need to execute it. Did you hear Jones?’ Ai Jia is asking Andrea about their subordinate. Jones has liked a grim reaper release by demon king to annihilate the whole human race on top of the earth.

‘I just got his report this morning. Please pity me who has to sleep uncomfortable inside the car with the porn live streaming as the entertainment. Anyway, Jones already does the cleanup and kill the head of our rival mafia family. He is taking charge of our territory and moving down like a ghost. Jones is a mirror of our boss. If I am a girl, I will marry him,’ Ai Jia is telling Andrea about his adoration toward Jones.

‘You can try it with him. I hear the rumour about him being gay. You do not need to be a girl to marry him,’ Andrea is teasing naïve Ai Jia who got his facial expression to become grim on the word. ‘You can do that boss. If you need someone to break his bone, I will do it happily for you,’ Li Na is telling her for her answer.

‘You don’t love him any longer? Are you sure that you are not feeling sad if I kill your lover?’ Vito is convincing about her own feeling.

‘Boss, is madame still sleeping? I will stay in this room and a little bit later to check her vital and condition. Is that okay? Is your number still the same?’ Li Na is changing the topic from Vito interrogation about her feeling toward Max.

Vito is nodding agreeing with all her idea. ‘You are not allowed to leave her. There is no access to the suite so there is only one entrance for access. The weapon is in the same place. She is your priority,’ Vito is giving her the last command before they left for the Sun family meeting.
