

Marriage To The Mafia Boss -

. Chapter 76 - The Aftermath

Vito is telling Andrea to check and report back to him in the hospital. He is going back to be with his wife who is sleeping in the suite room.

Li Na is checking into her condition and make sure to write down in the patient chart. She is making the whole chart in meticulously manner.

Vito is entering his office and check the patient chart from Li Na before he goes into his suite. Li Na already put the IV line into her arm and flush her body with the saline water. She is also putting some hospital gown in her body.

‘Is anyone coming to my office?’ Vito is asking Li Na about everything.

‘No one, boss. I will not let anyone to breach your office,’ Li Na is reporting to his boss.

Vito is going to spend the time with his wife. He is going into his suite and close the door. Li Na and Max are sitting in his office to guard the safety of their boss.

===

In the emergency room, Bai Yu is going into the emergency operation for his hand amputation. Vito is amputated both of his hand just bellow his hand blood artery.

The doctor in Man hospital is doing the repair to close the wound and not attaching his hand. Vito is already told his instruction and leaves Bai Yu to be crippled for the rest of his life.

Sun Tian Ming is still in the police station with his lawyer. However, their accusation is baseless and without any concrete evidence. His lawyer manages to turn the table and release him from the jail.

He is going back to his apartment with Suzy who is thinking about his absence. She wants to sneak out from the apartment. All her plan to meet up with mercenary scatter to see the angry Tian Ming in his apartment.

‘I want to kill Vito. How dare he make my only son crippled! I have to make him crippled or kill him!’ Tian Ming is speaking while pouring himself a scotch to drink.

‘Babe, did you say the name of Vito? The Don Vito?’ Suzy is asking naively to him.

‘Yes. DO you know him?’ Tian Ming is getting her into his lap on the sofa. Her petite body is making Tian Ming really tempted to enjoy it.

‘He kills my parent. How can I do forget about him?’ Suzy is adding fuel to the fire.

‘Do not worry babe. I will make him to pay for my son and your parent,’ Tian Ming is whispering on her ear before he rips off her clothes and take her to their bed. She needs to satisfy him.

Meanwhile, Sun Min is really mad with his son who dare to bail off the meeting. He already put his effort to drop his name as one of the candidates and put in the name of Yi Yue into the family name. He did not know about Vito punishes his nephew by chopping his hand.

He just stepping into the villa in the outskirts of C city when his assistant is calling. In the whole country, there is an online streaming of a hot video of Sun Feng and Yi Yue last night. As expected, Sun Min is getting called back to the mansion. Grandfather Sun wants him to explain about his son's behaviour to smear the Sun family name.

Han Zheng is really angry and goes back to his secret mansion after the confrontation yesterday with Vito. He can't accept his lover to be married with Vito.

Lu Xi already gets all worked up and a little heated when she can't wear any clothes in her body. She has to sit on the floor with her hand on her lap. She can't put her face and look directly at Han Zheng. If she did not become submissive as the punishment, she will get thrown into the wolf den. She did not want it to happen, so she does as instructed.

Lu Xi is not speaking while waiting for Han Zheng after finishing his meal. As Lu Xi's appearance and face are a little similar with Emma, Han Zheng will take her to the bed and have sexual intercourse. He is making her as his sex slave to take out his satisfaction.

Lu Xi feels her life getting worse day by day. She will need to crawl with her knee to come and serve Han Zheng sexual urge when needed without any complaint or feeling. He also treats her as prostitute.

He will make sure to make her really tired with their sexual intercourse and then deprive her from sleep. She is going to sleep only for two hour a day when she needs to serve him on bed for twenty-two hours.

This is another way of punishment for Lu XI because of curiosity. One time, Han Zheng is working in his study when Lu Xi is managed to slip out with her thin clothes. As soon as the alarm ring because of her act to run away. Han Zheng is making her punishment to be crazier. She has to sleep only when he is in the study room.

Lu Xi is breaking down with her stupid decision to stepping the bottom line of the demon. She is regretting everything and break down in tears. Han Zheng really did not spare her at all and making her to pay for challenging him.

Vito is catching his sleep on the side of his wife until the sun finished his duty. The moon is shining warmly to the window into their suite. Emma is opening her eyes to feel pain all over her body. She is looking at the

perfectly sculpture face next to her. She uses her finger to trace his face freely before she pecks kiss into his lips.

‘How are you feeling?’ Vito is asking her with his hoarse voice. He even did not bother to open his eyes.

‘What did you do to me? My body feel like a truck just hit me,’ Emma is asking him to find out about everything.

She is realising about her arm with the new IV line when the last time, someone is attacking her room, and everything become dark.

‘It means you dead already if the truck is hitting you. Anyway, you dare to rape me until I overslept and can’t work. How dare you to talk about your body feel like a wreck!’ Vito is opening his eyes and turning his body to face his wife. He is shifting the blame into his naïve wife.

‘What did you say? You tell me that I dare to rape you. I think something is wrong here,’ Emma is looking at Vito to find the answer.

‘I am sorry if you are getting hurt as my wife. My life is really complicated, and I promise to keep you safe. I will not let it happen again in the future,’ Vito is caressing her cheek.

‘No one know about the future hold and do not blame yourself if something happens to me. But you still need to protect me, understand!’ Emma is giggling to see her worried husband.

‘I will as long as there is breathe in my body. I will make sure no one dare to touch strain of your hair. I already make sure whoever attacking you and kidnaping you already receives their punishment,’ Vito is hugging her closer into his broad chest.

‘You find them already? So quick. What are you doing to them? Are you going to hand them to the police?’ Emma is asking her husband with full curiosity.

‘I do not know. I just let AI Jia and Andrea to deal with the scumbag,’ Vito is kissing the top of her hair. He can’t let her know about his way of punishment. Vito can’t tell her about his action to shoot point blank the person who kidnap her. He also chops the hand from the person who make her name smear in the hospital.

‘I glad to marry you. I think God save you for the last,’ Emma is hugging her husband really tight and kiss him deeply.

Vito can’t refuse his wife kiss and expression of love toward him. This is the first time for him to get a love confession from a woman.

‘Do you love me?’ Vito is stopping her kiss and asking her to get convince with her confession.

‘How about you? I love you so much,’ Emma did not restrain herself to tell her husband about her feeling.

‘I love you so much. Do not dare to leave me. We did unprotected love last night. You might be pregnant, or do you want to drink the morning after pill,’ Vito is asking her the option for her life. He did not want to burden her dream with a child.

‘I am not in my ovulation cycle, so you do not worry about the pregnancy.. You are a professor, right? How can you do not understand simple human autonomy?’ Emma is complaining about her husband naïve thinking.
