

Marriage To The Mafia Boss -

Chapter 79 - Ren Hao

Lin Yan is trying to get more information from brother Han Zheng. She is waiting to get more information from his private investigation regarding the young master Man.

The rumour obviously misleading and her sister gets the best person as usual after Luo Han Zheng. However, Lin Yan will not let that happen.

‘Is you supposedly marrying into the Man family? What happen?’ Luo Han Zheng is asking her with curiosity. In his mind, his marriage with Emma falls off because of this sister of Emma.

‘I was going to go to the marriage bureau when sister is missing. What should I do to deal with everything back then?’ Lin Yan is playing up her naïve girl card in front of Luo Han Zheng.

‘What made her run away? What did provoke her to run away in the first place?’ Han Zheng is trying to find out the whole story behind his failed marriage back then.

‘I really did not know. I remembered to knock on my sister door in the morning to wake her up. she acknowledges my word but out of a sudden run away from her room. It is still a mystery her reason or the trigger of her runaway,’ Lin Yan is making an act in front of him. this time her skill in acting really help her to gain some insight into brother Han Zheng.

‘Well. We will need to find out sooner or later. Lin Yan, I still have some stuff to deal with in my work. If you don’t mind, we can talk and catch up over dinner sometime later. Thank you for the cake and visit,’ Luo Han Zheng is telling her coldly while standing up from his seat. Lin Yan feels dejected and wants to release her anger. However, she needs to hold and swallow it inside her heart so she can get her plan to reality. Luo Han Zheng can be smug, but he will kneel down in front of her charm later on.

Lin Yan is leaving the Luo Mansion with her sports car to the area in the downtown city. It is already dark when she arrives in the area. She is going to her company underground car park and put her disguise.

She uses a wig and masks with her bold make-up. she takes off her long sleeves blouse to expose her black tank top. Lin Yan is using her black leather jacket and short before she sneaks out and use the taxi to her usual bar.

She did not have to be wary of her grandmother as no one was at the home. She will use the work excuse to stay out.

The private investigator hires by Lin Yan already get briefed by Max. No one can defy the king ordered in his line of work. He will be followed by the big boss and not this little missy client.

He is waiting in her VIP room just before she walks into the room. He is giving her the folder with all the good traits Vito Mancuso have as a person including his wealth in C Country. This folder was passed by Max to entice and lure Lin Yan into Vito traps.

Lin Yan is giving his payment to the disposable bank card. As soon as he takes the card, He is going out of the room without anyone noticing it.

Vito is arranging for one of the escort males to get closer to Lin Yan. He is exactly the mirror of Luo Han Zheng. If they did not know, he can be a doppelganger of Luo Han Zheng.

Vito is looking at his tablet for the stream online of the VIP room of Lin Yan when Emma is walking into his office. Vito is trying to hide his tablet, but it is too late.

‘What are you looking at?’ Emma is taking his tablet without any warning from his hand, and she can see Lin Yan.

‘Are you watching my adopted sister? why?’ Emma gets irritated by the image of her wicked sister on her husband tablet. She would not like the same fate to happen in this life.

‘I am sending someone to be her new toyboy and make her hooked so you can get your way to get back at your sister. I am opening your pathway for your revenge, my love,’ Vito is pulling her into his lap before they watch the video feeds together.

‘Are you not falling into her charm? You are not going to leave me, right?’ Emma is turning her head to face her husband.

‘She is not my type. My type is someone sitting in front of me and looking at me with her round glasses,’ Vito is caressing my right cheek and pull me into his lips who is opening my lips for exploring. I stop his kiss after a while and looking back at the video feeds.

‘Is he Luo Han Zheng? No, wait for a second, he is more handsome than Luo Han Zheng,’ Emma is murmuring after looking at the feeds and ignoring her sulking husband.

‘Did you say someone else handsome in front of your husband? Are you joking me?’ Vito is complaining to his wife.

‘Hey, window shopping is allowed as long as I do not buy the stuff,’
Emma is making her own theory about looking at another man as a married woman.

‘Am I not handsome enough or good enough?’ Vito is complaining about his wife who is looking so seriously at the male escort.

‘You are handsome enough, but I still need to look something good in front of me or I will waste God ability to create a handsome human being,’
Emma is answering while her eyes glued to the tablet. Vito is speechless to understand her way of thinking.

In the VIP room where Lin Yan finds the handsome male escort pose as a rich businessman new in town. He is using his expensive business suit and opens the wrong door.

‘I am sorry. I kind of lost in this maze.’ Ren Hao is smiling and realising his mistake in front of Lin Yan.

‘It’s fine. Do we meet before?’ Lin Yan gets hooked straight away with his face which has a similar structure as Luo Han Zheng.

‘Not that I am aware of. I just arrive in town for my business deal when they ask me to join them in this place. I manage to run away from them and get lost,’ Ren Hao is scratching his short, neat hair.

‘Do you want to drink with me for one glass and I can take you out from this maze?’ Lin Yan is extending her hand to invite this stranger into her VIP room. But this handsome man in front of her cannot be missed.

‘One glass. Fine by me. Anyway, do you not care if I am having some bad intentions to you. After all, I am a stranger,’ Ren Hao is walking into the room and sitting not far from Lin Yan.

‘I do not care if you want to kill me. If you are going to do something bad to me then you are going to sit closer to me and not quite far from me,’ Lin Yan is telling him about her theory.

‘Let me introduce myself, my name is Ren Hao, and I have come from Bin Jiang City. What is your name?’ He introduces himself while exerting his hand to Lin Yan.

‘My name is Lin Yan. Nice to meet you,’ She is reaching his soft but sturdy hand. He is smiling and not giving any hope to hear her name as if he did not know her work as an artist.

‘What do you have on the table ? Should I call the waitress for bringing me some glass ?’ Ren Hao is asking politely to charm her into his palm.

‘If you do not mind it. I only drink some light cocktail and we need to order your drink,’ Lin Yan is offering him. He is picking up the special phone on the wall and order some drinks for himself and Lin Yan.

As Vito instructed, they are putting drugs into Lin Yan drink and deliver them to the room with any other expensive platter for their snack. The Management is sealing her door so they can have their utmost private time together like the instruction from the Don.

They are clinging to the drink and as promising, Lin Yan is drinking her cocktail quite fast. Ren Hao is looking at his phone and standing up.

‘We have to go. The police are going to check into this place, so I do not keen to call my lawyer tonight to bail me off from the police station,’ Ren Hao is getting her leather jacket and standing up with his hand out. Lin Yan is finishing her whole cocktail before she stands up and reaching his hand to walk outside.. Ren Hao is settling up her room bill in the cashier with his credit card and escort her into his new Mercedes Benz in the nick of time before the police are coming into the facility.
