

## Marriage To The Mafia Boss -

### Chapter 85 - He Caught Her Lies

Bai Yu is really making his wife become his new toy. He has been so bored staying afloat with his new life of living when he can't go out of the house due to his condition. His mother is not allowing him to go out of the house and protected him with everything. She will do everything to make him happy inside their house.

His assistant always comes and bring home all his office work and his father takes care of half of the workload. Bai Yu is really bored with his life before he gets married to her. Now, he has her to keep his mind occupied.

He is becoming so happy to play around with his new wife who is following to all his wishes. By the end of the third day, she becomes submissive to him after all the intimate roleplay and the humiliation to go around the room without anything on her body except all the toys.

The maid and butlers are closing their eyes and mouth to witness such behaviour from their master. Ru Shu is breaking down mentally for her marriage life.

Ru Shu is having lost into the realms of hopeless for her new marriage life. She learns the hard way for the new life behind the pretence of becoming the young madame of Sun.

By the end of week after their marriage, Madame Sun is arranging a small dinner banquet to officially adding Ru Shu's name into the Sun family book.

She is making the banquet in the old mansion of Sun where it is belonged to the ancestor and head of family of Sun. She is also inviting some of her in-law family from the village. Madame Sun is making sure to plan a grand banquet to show off her family prestige even though her son become crippled man.

Luo Han Zheng is keep coming into hospital to see her unconscious from outside of the ICCU. He has been busy in the company due to the competition with unknown new company in the capital. He is coming to pass her favourite flower on the ICCU and leaves when he feels satisfy to see her condition.

He is hearing the report of her condition from Professor Lim time to time and get a satisfying answer. They are hoping her to regain her consciousness soon or miracle happen in the life.

Vito is keeping a tight eye into his amnesiac wife. He is moving his work into her ward so all of her movement under his surveillance.

Emma is getting into her last nerves to get him to be in her every move. Vito is leaving his job to be with her even inside the bathroom. He is not sparing her anytime alone and following her everywhere.

‘Can you stop and go to work in your office? I will be here with Li Na,’ Emma is telling him to go out from her ward. She has enough of her presence on her daily life.

‘Are you trying to kick me out? In your dream my love.’ Vito is drinking his coffee while he is informing her about his presence in her life.

‘Yes, this is my room and I have a full say in my own private place. If you are not moving then I will call Luo Han Zheng!’ Emma is threatening Vito with Han Zheng name. She is well aware about his ability to fill this whole room full of vinegar.

‘Try it and I will make sure his company become bankrupt overnight. Do you want a battle fight in this hospital ground?’ Vito is looking sharply into her.

‘Fine. Do as you wish!’ Emma is sleeping again and turning her back into Vito. She is playing her phone until she is almost sleeping when The OB/GYN comes and make her round for the uterus size.

‘Doctor, I am hurting in my head and not on my lower area unless my so-called husband tries to rape me,’ Emma is asking to the doctor which make Andrea giggles from her comment.

‘you are getting miscarriage. We manage to clean up your womb so you can get pregnant again. Next time you need to be extra careful with your pregnancy,’ the doctor is telling her the news.

‘I was pregnant. I did not aware about it. however, the father did not want the baby, so God punished me by taking the baby away. Is it possible to take off my womb so I can’t get pregnant again? No one want to be responsible for my baby and they got send back to the creator as soon as it places into my womb,’ Emma is getting sad after hearing the news regarding her loss pregnancy.

‘You are not amnesia anymore. I know my technique was flawless and now you are opening your own lies,’ Vito is standing up and get closer to his wife. He is getting excited because of she survives from everything.

However, Emma is getting upset to lose her second babies. She can't keep her tears to come down from her eyes.

'Do not worry. You can get pregnant anytime soon. It is not your fault as you were in the big accident. I will make sure the President to take care of you by himself,' The doctor is assuring her about the whole ordeal.

Emma did not answer or acknowledge the doctor's advice for the whole condition. Vito is bowing his head on behalf of his wife to acknowledge of the doctor effort. The OB/GYN is understand about her sadness regarding losing a baby and it is something natural.

The doctor has prescribed her with some hormonal medication to elevate her mood swing. It is safe to combine with her other prescription for her brain. The doctor is leaving the ward after making some adjustment into the patient chart and gives some instruction after checking her vagina condition.

Vito is kissing her forehead and comforting her on the bed. He is embracing her into his body.

'Do not be sad. I promise you to have another baby as much as you want as long as you stay with me,' Vito is telling to make her better. He was opposing her for the idea of having baby, but he is realising about his fault.

It is better to have a baby rather than losing her forever. He was tormented and living like a death without her in his side. He did not want to feel the same ever again.

‘You promise me to give me another baby,’ Emma is looking at him with her puppy eyes.

‘Do you want me to start now? the doctor is already giving you a green light to get pregnant,’ Vito is Putting her on the bottom of his body.

‘Babe, do you know about my head injuries? Are you not going to pity me?’ Emma is asking toward Vito regarding her injuries. He can’t let him to have intimate moment now as she will regret her own decision with Vito’s ability.

‘I know. Promise me not going to let go my hand and your position as my wife,’ Vito is embracing her tightly into his arm.

Ai Jia is walking to the room and seeing his boss on the bed together with his wife. He is embracing his wife inside his arm and having a good time.

‘Andrea, do you not feel weird to stay here with them like that?’ Ai Jia is asking Andrea who is busy with his laptop on his lap.

‘I am not really care about my surrounding when our boss gives me tonne of work to do. Max is having harder time when he has to see the surrounding with his eyes and do nothing,’ Andrea is telling his work colleague.

‘Do you think that I become deaf of all your talk behind my back. Why are you here?’ Vito is telling his assistant while holding his wife.

‘Sorry, Boss. Madame Sun is making a big banquet to welcome her new daughter in-law in the ancestral mansion. You are getting invited to the banquet as the head of the family,’ Ai Jia is informing his boss for the party.

‘When is it?’ Vito is asking with his cold voice uninterested with the whole idea to meet up with a greedy people.

‘Tomorrow night. Are you going to take Madame with you?’ Ai Jia is asking his boss regarding for their madame boss first appearance into the Sun family.

‘is grandfather still in his trip? I am content with her improvement, and I am thinking to take her home tomorrow. Get my wife the best stylist and the latest gown for tomorrow night. She must be the most beautiful girl in the banquet,’ Vito is instructing his assistant for his wife appearance tomorrow. Ai Jia wanted to vomit blood to hear his boss instruction about his wife

appearance when she is not the bride.. As courtesy when someone attend the wedding, they have to become less attractive rather than the bride.
