‘I will tell you a bit later to deal with her. Go back with your work!’ Vito is closing his eyes on the bed with his wife sleeping on his chest. Andrea wants to vomit blood to hear Vito’s request to hide everything from his wife.

Andrea’s latest project is to suppress Luo corporation with the new shell company creates only to trap Luo Han Zheng to spend more and higher

bidding into every project. Vito already gives out his plan and direction for Andrea to execute.

It is making Han Zheng really busy in the company, and he has to pull all nightery. The butler is calling about Lu Xi. She did not move out from the room and refuse to go out to get her food. She is answering as exact word from Han Zheng.

Lu XI is carried out every schedule arrange by Han Zheng when he had trained her to become submissive. She is following everything as scheduled. She is indulging herself with all the sexual play alone as schedule on her timetable.

The butler is worrying about her mental health if the young master is not coming and managed her. This is something unnecessary to be involve during this hard period. Emma still not awakes from the operation and his company is in the mess due to competition of the project.

Luo Han Zheng is looking at his wristwatch and decide to go and visit Lu Xi at his mansion before the next meeting. As soon as Lu XI is hearing the car pull into the garage from inside her room. she is coming down naked and kneel down on the floor waits for her master to come inside the mansion.

Han Zheng is walking inside the mansion and caressing her head to acknowledge her submissive behaviour. He is walking to his study when she is following him from behind.

Lu Xi is pushing the cart of drink to the study from one of the maids and lock the door close. She is preparing the special drink for her master and put it on the table before waiting obediently on the floor.

‘Do you miss me?’ Han Zheng is asking her from his work chair.

‘Yes, master. Do You want me to do something for you?’ Lu Xi is asking back without even put her face up.

‘I hear you have been diligent with your practice while I am not in this place. Can you show me about your work?’ Han Zheng is telling her about something who already picked his interest. He was so ruthless to make the doctor to perform sterilisation into this insane woman in front of her. She will not be able to bear any child in the future.

Lu Xi is going to the special room connected to his study and opening the special drawer. She is set up the camera in the special room and put it on the live feeds to stream into Han Zheng phone. She is making herself as in the porn video stream. Lu Xi is doing masturbating with all the toys prepare in

the room. She is playing with all the toys in the room as if it is a normal thing for her.

Luo Han Zheng is feeling contempt with all her effort to make herself happy and satisfied with all the toys. She even does like a professional porn star. It will be a good thing for her to work as porn star.

Lou Han Zheng is leaving the mansion not long after seeing her into the play and left for his next meeting. In the car with his assistant, Han Zheng is telling his assistant to sell Lu Xi as a porn star. As he already gets his lover back, so he needs to get rid this one threat in their relationship. Emma will be terrified to see Lu XI in his mansion acts like insane person.

In the evening, Vito is taking his coffee in the corridor and checking into the progress of Andrea attack. He is not going anywhere but he gets used to do meeting in the hospital hall in front of his wife door.

‘So EXO is sending you this video live stream to Han Zheng phone. Is he really into this kind of kinky stuff?’ Andrea is showing the live feeds of Lu Xi masturbating on the live stream.

‘How do I know! Sent it to the police and make sure to locate where this video been stream. Exo also need to blast this video online. Make it trend everywhere so this girl can make a comeback as a porn star. She will make

sure to pull down Han Zheng name as his mistress,' Vito is predicted with his eyes shut.

'How about Yi Yue? What should we do with her?' Andrea is asking him before he execute everything. All of this needs to get approval from Vito as the head of family.

'Kidnap her and sell her to the International black brothel cruise. You just need to tell Madame Mu that I send her a special present,' Vito is telling Andrea and his assistant. Max is closing his eyes to see the word Vito is sending a special present means Madame Mu needs to make sure about the profit made by this special present.

'You are sure ruthless. No one can escape on the hand of Madame Mu. I will execute everything while you can have your loving wife inside your arm. I am leaving, boss,' Andrea is leaving the hospital to execute the whole plan.

He is going to the Sun mansion outskirts of the capital where Yi Yue has been hiding. She is going out from the house for meeting her acquaintances. All of the message was made and generate by EXO.

Yi Yue did not have any difficulties to call the online taxi who is kidnaping her and transport her into the international brothel. This is the

worse living hell for women who got trafficking to this ship or sold into Madame Mu.

Yi Yue is carried to inside the ship into Madame Mu's office. Her staff is splashing the bucket of water into her head. Vito's subordinates already left the ship after relaying the Don's messages into Madame Mu.

Madame Mu is smiling to see her new stuff on the floor. One of Madame Mu staffs is approaching Yi Yue and opening her feet. Apparently, Yi Yue is kicking her off until the security needs to restrain her. The lady is cutting off her underwear and shoved her body with her three finger to check something while pressing her lower abdomen.

'Madame, she is not virgin. We can not include her into the virgin pool. However, she is having a beautiful face and slender body. We need to make her chest bigger and her buttock bigger also or we can't make money from her,' Jiang Mu is advising Madame Mu.

'get doctor John to do the reconstructive surgery on her body. Write down all her debt for the reconstruction surgery and we can make sure to make money with this new girl.' Madame Mu is making her instruction when one of the tattoos artist comes to her office.

He is making a quick tattoo into her wrist with the designated barcode and put the barcode into the system. After the painful tattoos is done then she

got to drag and transfer into the medical facility where a doctor with his filthy breath come and getting closer to her.

‘What do you want me to do?’ John is asking Jiang Mu about their visit with his presumably new recruit. She got escorted by two strong burly men. Jiang Mu is whispering to the doctor ear regarding her status. It means he has to make her into some commercial prostitute body. In doctor John opinion, her body at the moment really is not tempting the buyer. Yi Yue breast is too flat as a woman, so the doctor need to give a big bust to her breast.

Apparently, Vito is sending a present mean that this girl has offended the big boss in the underworld, and he sold her to this ship with no way out. Yi Yue can devote her life forever as a prostitute and forget about her revenge to the big boss or she can live her living hell in this ship.

They all are looking pity with this girl regarding her status to become in the bad side of the Don Mancuso.. No one ever like to be in his bad side or offend him.
