

Marriage To The Mafia Boss -

.

. Chapter 88 - The Truth

They are going to his table to toast the wine with them. Vito is covering his wife for drinking the wine. Emma is giving out their red envelope for their present. Emma is taking out the small black velvet box which contains a set of earring for Ru Shu.

Ru Shu is really envied Emma with Vito's handsome face and care toward her. She is accepting Emma presence with an open hand. Bai Yu is getting impatient and do not want to be in front of Vito any longer.

'My dear cousin, do not let me find out about your next scheme or I promise you that I will make you beg for your death!' Vito is purposely hugging him to congratulate him and gives his warning.

Bai Yu is stutters to hear the warning and step back from Vito who is laughing cunningly. He is sitting back and busy with his wife at the table. Bai Yu and his wife are leaving them alone and moving to another table.

Bai Yu is having his nervous breakdown and getting his father about their failed plan to assassinate his wife. Apparently, Vito is finding it out regarding their plan and sooner or later, they are going to get his wrath.

‘Go abroad in the pretence of your honeymoon. I will ask your assistant to take care of everything,’ Tian Ming is telling his son to go away before Vito’s wrath is bestowed upon them.

‘I will dad. Can you tell my assistant to book the ticket tonight? I will ask my maid to pack our clothes,’ Bai Yu is telling his father.

‘DO not worry. You need to save yourself first and I will take care of everything,’ Tian Ming is tapping his son’s shoulder to comfort him. He was getting this person’s contact from Suzy who is taking care of the job.

He was doing the right job today for punishing her incompetence. He was ferociously punishing her sexually and physically which resulted in her sleeping until tomorrow morning. He must check into her pregnancy soon as Tian Ming expected to get another child from his mistress.

He needs to make her pregnant soon so he can have another child when he lost this one. Someone has to continue his family tree. He also gets scared to hear about the assassination of his cousin in the old mansion. His cousin got shot in cold blood and he is scared his time will come soon.

They are going to finish the whole party sooner when one of Ru Shu's cousins come closer to Vito. She is bumping a wine accidentally when Max is come and subdue her to the floor.

Emma is getting up and helping her husband to clean up with the cloth on the table. However, the stain from the wine looks really visible and it is not nice.

'Do you want to go back home or change your clothes?' Emma is asking his husband.

'Let's go home. The party is getting bored, and you need to rest. How about I take you to have a little holiday?' Vito is caressing her face when Emma is nodding to his idea. She is getting sleepy and wants to sleep.

They are standing up and ready to leave the party. They are leaving grandly as they enter. Their convoy of bodyguards is opening their path as if they are president from one country.

They are going back to their penthouse in the city centre. Emma is going to the bathroom to take off all her hair wig and remove her face make-up. Vito is assisting his wife to change her clothes and makeup.

She is shaving all her hair evenly because of the cranial surgery. Vito is buying her a special tonic to regrowth her hair. He is putting it in an area that is not covered by the bandage.

Vito also get the trolley with all the medical needs from clean gauze and bandage closer to change her bandage and put it with the new one.

‘Thank you. I am lucky to get the privilege to become your patient without even needing to queue and get you to nurse me,’ Emma is praising her husband for all his care.

Vito is finishing all her treatment when he is carrying her into their bed and tucking her into the bed. Vito is throwing his stained shirt and getting a quick shower to clean up the wine essence in his body before he gets his sleeping pyjamas.

Vito is joining her in their sleeping chamber to rest up. It has been a long time since he can hug his wife to sleep.

====

Bai Yu is taking his wife to the airport, and they are going to Italy for their honeymoon. That is the only destination with the red eyes flight tonight.

Ru Shu is really happy when this is her first time boarding a plane abroad. She is still with her wedding gown and the love bead.

This is such a handsomely reward to wrap up the night for her wedding. Even though his husband is treating her as his toy, but he always showers her with rewards nicely.

They are going to rush into the gate after all the immigration and customs clearance. They are going to go into the plane straight away when they are sitting in the business suite.

Ru Shu is holding her husband arms tightly as she got nervous to fly away from inside the plane and Bai Yu is explaining everything to his wife.

Vito's phone is ringing from Andrea regarding the interrogation for the broker inside their network. Andrea and Max are working together to eliminate the whole leaking inside their organization.

'tell me,' Vito is looking at his sleeping wife on his side. He is getting up from the bed and walking out from their bedroom to his study.

‘He already confesses some name inside the network. The best part is about the confession for your wife hit job,’ Andrea is telling him regarding the whole story.

‘Tell me who is it? Bai Yu?’ Vito is asking his right hand regarding the whole scenario which he can read straight away.

‘How do you know it? It is indeed Bai Yu and Tian Ming. They are getting hooked by Suzy. Apparently, she is becoming your uncle mistress,’ Andrea is reporting to his boss.

‘It is so easy to guess by their stupid mind. Where are they at the moment?’ Vito is asking his right hand regarding their position.

‘Tian Ming is still in the capital while Bai Yu is on his honeymoon trip to Italy,’ Andrea is laughing to hear their destination of honeymoon.

‘Pack up and we are going to Italy in the morning. I want to make Sun Tian Ming business flat out,’ Vito is telling him.

‘We are back home. Are you going to bring your wife? What will Greta reaction about your wife?’ Andrea is asking his boss.

‘Get all your job ready and I will meet you on the plane tomorrow morning,’ Vito is closing his phone and sitting back in his working chair. Sooner or later, he needs to bring his wife back home.

He is making a brief call to Italy for the preparation of his mansion in Malta. He is also making a phone call to Ai Jia for preparing for their trip back home to Italy in the morning.

After a while, He is walking back to his bedroom to snuggle inside the bed with his wife until in the morning.

In the Luo Corporation, Luo Han Zheng is really angry and thrashing his office desk to find out the truth. Emma is in the hand of Vito Mancuso and the body in ICCU is not Emma.

The hospital did not know anything when the switch happens. As apologized, the hospital is refunding all the money back to Luo Han Zheng. They can not disclose any information regarding the patient.

He is really angry to get con by the hospital and his love rival under his own nose. He has been busy with his company work until he neglected the whole situation regarding Emma. Han Zheng even did not check properly regarding her inside the ICCU.

The worst part is the video of Lu Xi spread on the internet and streaming online to the whole world. Many porn video platforms are contacting him for her contract. The main problem is the IP address used originally from his office. He is really mad, and the IT department can't handle such an easy problem.

Luo Han Zheng is instructing them to suppress the video and fix his laptop where all this problem originated. He never used his own laptop for her streaming, but his laptop gets the malware. The malware is mirroring into all the programs and get all his detail of card and email.

The IT department is checking and fixing his computer for the problem.. Today, it seems not his lucky day after all.
