Everyone in the shooting studio is praising Lin Yan for her new boyfriend. He is caring, handsome and considerate. He is treating everyone for the lunch box in the afternoon.

‘Cut! Good job everyone! We can wrap up for today and continue tomorrow,’ The director is telling everyone for their hard work in the movie.

‘How about I treat you all for dinner in the Miramar Hotel for keeping my sweetheart safe and sound? It is just a small token from me after all your

hard work,' Ren Hao is standing up and closing his laptop. He is packing up all his work belonging into his bag pack and walking up to Lin Yan.

He is playing the role of the perfect boyfriend for Lin Yan as instructed and he is do everything in his hand to make it happen.

The crew and staffs are really happy with the arrangement from Lin Yan's boyfriend. They are packing up and going together to the venue.

'Are you sure about all this arrangement? You are spending a lot of money for me?' Lin Yan is resting her head on his shoulder.

'Nothing is too extravagant if it regarding you. I am sorry to tease you last night,' Ren Hao is telling her and caressing her face.

'I want to spend time with you. When are you going back home?' Lin Yan is looking at him.

'Tomorrow. I have to fly to the US for my business. I hope to take you, but it seems you still have a lot of scenes to take,' Ren Hao is holding her hand as the new couple in their honeymoon phase.

‘How long for you to be in the US? I might come to you,’ Lin Yan is telling him.

‘I do not know at this stage. I will text you to arrange it if I am still in there when you are finishing your shooting,’ Ren Hao is getting out from the car and escorting Lin Yan to their special VIP room.

‘How about we spent the night together in here? We can just go there to show our face then we can elope to our suite room and spend time together,’ Lin Yan is whispering her idea to Ren Hao.

‘Is it possible? I do not want to become insincere toward your fellow staff in the shooting studio,’ Ren Hao is asking her with his utmost worried about her reputation. He has to build his disguise as the best boyfriend in the whole world.

‘It will be fine. As long as you pay for their expense then it will be fine for them. Please....’ Lin Yan is acting cute in front of him. She is walking while holding tightly to his arms.

‘I will follow all your wishes,’ Ren Hao is telling her about her idea. They are together walking into the restaurant on the fourth floor. There is a group of girls who get a glimpse of Ren Hao. She is running to catch them and leaving all her friends behind to see clearly the man face.

‘Xiao Hao! Is that you? I almost did not recognise you at all,’ Zhao Yu is screaming and coming closer to Ren Hao and Lin Yan. She is trying to catch them and is satisfied to confirm his appearance belongs to her boyfriend.

‘Who is she? Your ex?’ Lin Yan is looking sharply at the girl who wears cheap clothes.

‘No one. I even did not recognise her. Miss, I think you have the wrong person,’ Ren Hao is giving his poker face to Zhao Yu.

‘I know you. We are growing up together and we sleep together. Do you want to deceive me after all the things we have been through?’ Zhao Yu is stepping closer to Ren Hao. He can’t have his cover blown up by this Zhao Yu or his life will be on the line.

‘What are you talking about? I really did not know you, miss. I grow up in my family mansion in the S city and I went to study abroad. How can I have time to grow up with you? This is really absurd,’ Ren Hao is trying to release his arm from her body.

‘Miss, my fiancé is already telling you about his background. Are you trying to get closer with him? you look somehow in need of money,’ Lin Yan is telling her about the motive to snatch her boyfriend.

‘You are taking my boyfriend and not the other way around. I am not going to talk anything with you, girl. I am more than enough to get money by myself. He was living munching into my money,’ Zhao Yu is giving out the fact about their life.

‘You are talking rubbish. Lin Yan let’s go to the room. We are going to be late,’ Ren Hao is telling her to go and ignore Zhao Yu.

‘Hey, you are not going anywhere. We have to go back, and our aunty is looking for you. Come on!’ Zhao Yu is dragging her by his arm. Lin Yan could not hold them any longer and slapped Zhao Yu cheek really hard until the blood come out from the corner of her lips.

‘You!’ Zhao Yu is falling to the floor and holds her swollen red cheek. Lin Yan is looking fierce and different from the usual Lin Yan.

‘Enough. Yan, you are a public figure, and you have to take care of your hand and reputation. Go to the VIP room and let me deal with her. okay!’ Ren Hao is holding her and signal her assistant to take her away.

Ren Hao is getting her up and bringing her out of the hotel. He is handing her a bank card.

‘Do not show anywhere near me! Lord Mancuso wrath will come down upon us. I am in his special task, remember that!’ Ren Hao is facing her with his back facing the hotel entrance. He is well aware of Lin Yan who is looking and them at this stage.

‘Your woman is looking at you,’ Zhao Yu is telling him.

‘Act it out as you are not happy. We can’t afford to fail this assessment,’ Ren Hao is telling him about this whole situation. Zhao Yu also know about Lord Mancuso. No one in their line of work dares to oppose his instruction or command.

‘I am sorry, Hao. I did not know anything. Push my body to make her believe about our relationship,’ Zhao Yu is holding both of his arms to look like he is begging for his reconcile.

Ren Hao is pushing her until she falls down on the ground before he throws some money into her body. He is leaving her alone on the ground after giving her an ultimatum about their relationship.

He is walking back to the hotel lobby and acts surprised to see Lin Yan is standing there with her assistant. He is grasping her body into him and escorted her back to the restaurant.

‘Why do you have to involve yourself with that kind of scum?’ Ren Hao is a little bit angry with her idea of meddling with people like that.

‘I do not want to lose you. I got my blood boil as soon as I hear about you share the bed with her,’ Lin Yan is answering him after the whole confirmation of the act.

‘Promise me to not act recklessly again. I do not want to see you get hurt and torment with all useless act like this,’ Ren Hao is getting her into the elevator.

‘I promise with one condition,’ Lin Yan is looking at him.

‘What it is? I will try my best to fulfil it,’ Ren Hao is asking her. Lin Yan is trying to negotiate with him.

‘You are not involved with any other woman,’ Lin Yan is pouting her lips in front of him.

‘How about man? Can I fool around with them?’ Ren Hao is trying to tease her with the whole situation for her statement.

‘Are you trying to confess about your sexual preference? Are you trying to become bisexual or homosexual?’ Lin Yan is stopping her step in the corridor to turn her body to look at him. out of contextual, he is choosing his sexual preference after getting intimate with her.

‘I am not. I just asking back about your statement. You are telling me not to get involved with women. Sure, I will do it. How about men when I have to play basket with them and most of my staff are male? It will be torture for me to work alone and no one to talk with.’ Ren Hao is telling her about her statement regarding his daily involvement.. Lin Yan is looking at him with an uneasy expression.
