

My Villainous Wife

Chapter 57 - How Do You Know That?

WARNING...

Prepare a glass of water for you to drink and holy water to wash your eyes.

...

Yan Xiaoran froze.

His fingers slowly and teasingly climbing up and down on her bared legs, making feel the rush of need in her guts.

She was wearing only his shirt that he gave to her earlier, the hem only stopped at her mid-thigh and that gave him the opening to touch her.

Alexander lifted her legs and put it on top of his thighs, he sat dangerously between her legs. She blushed and tried to push him away, but he didn't even budge when she pushed him.

"I don't think that's a wise choice of food to eat, Alexander." She said breathlessly.

"What do you mean?"

"It's not healthy and tasty."

"And how do you know that?"

Yan Xiaoran squeezed her eyes tight. She didn't want to answer him for the sake of saving her dignity.

Feeling his breath fanning the side of her face and neck, she heard him say, "Xiaoran, tell me. How do you know that?"

"Have you--"

"No!" Yan Xiaoran interrupted him from saying it. She glared at him for making her feel embarrassed about the actions she did in the past.

He started to nibble her ear and down to her delicate neck while squeezing her soft breasts. Her moans and gasps were the only sounds that could be heard inside the room.

Seeing that she was enjoying what he was doing to her, his fingers traced down her inner thigh...

"Spread your legs more and raise your butt a little bit higher."

"Alexander... I..."

"Shhh... Love, I know. I'm restraining myself from making you mine entirely. But at least, let me make you feel good." He gently said, soothing her worries.

He already gave his word that he wouldn't force her to have sex with him but that doesn't mean he wouldn't let their bodies feel good. There are many ways to satisfy them without having complete sex anyway.

"Fine."

Once he put her pants aside, Alexander lifted her thigh and made himself comfortable between her legs. Her musky scent made him close his eyes, his hot rod started twitching uncontrollably as it protested to be let out.

Not yet... He thought to himself.

He touched her core, sliding down to feel the softness and wetness of her slit.

"You're wet over here."

"Do you really have to say that out loud?" She complained at his boldness. Hissing when the tip of his finger started playing with her aching slit.

"Ah!"

She whimpered and flinched, closing her eyes to the intense pleasure she was feeling between her legs.

"So sensitive... How many times have you touched yourself down here, love?" He

continued to use his thumb to play with her core, sending electricity at the tip of her toes, "Don't be shy. It's only natural to satisfy yourself when you feel horny."

"Shut up... I didn't do that."

"You're not being honest, love." He continued to circle around her core, "You're so drenched down here, it's inviting my tongue to taste it."

Yan Xiaoran fluttered her eyes open and a loud whimper escaped her mouth when he suddenly dove his face forward and started eating her. He licked her slit over and suckèd her hard, tasting her sweet juices.

"You're crazy..." she cursed at him and tried to get up but he didn't let her go. He held her hips in place and brought her closer to his face. Licking and suckìng her hard over and over again.

Alexander pulled his face away and chuckled, "You say that but look at how wet and swollen you are. You're literally overflowing down here. Don't worry I'll drink it all."

"You're impossible!" Tried to squirm in hope that she could get away from his hold.

She felt so weak under his magic and sensual touches, sending her over the edge of a cliff. The way he shamelessly said those perverted words were making her hornier than before.

The waves of plèàsurè were overwhelming but he didn't stop suckìng her hard. Penetrating her folds with his tongue before using the tip of it to circle around his sensitìvè core.

With his masterful techniques, she couldn't help but arch her back for more. She grabbed his hair and pulled him close, raising her hips to meet his tongue. The sound of her juices being licked and suckèd by this man was intoxicating.

Suddenly, she felt something invading her folds. His finger slowly and gently entered her tightness.

"Nghh... Alexander!" She gasped his name out loud, she grabbed him tighter while her other hand clawed the couch.

Alexander felt him twitch more, threatening to come any moment just by hearing his name leave her mouth while she was overcome with plèàsurè. He thrust his finger inside her, building her climax inside as he pushed and pulled fast while lickìng and suckìng her hard.

She continued to moan and whimper at his mercy. White spots started to fly around her vision and tears flowed down her eyes.

"Alexander... Alexander!" She breathlessly called out his name as she shuddered and stiffened when she reached her climax.

He didn't stop rubbing his finger inside her until he was finished swallowing her release and feel her relax her body.

Yan Xiaoran panted and looked up at the ceiling. She couldn't believe that she just went and done that with him.

What's more... Alexander really did ate her.

That's right... What happened to him? She thought and looked down to see him squeezing his eyes tight.

"Alexander, are you alright?" She worriedly touched his shoulder.

"Hm."

"Really?" She raised her eyebrow when she saw how erect and hard he was even through his pants, "Do you need a helping hand?"

"No."

"Are you sure? You look like you're in pain?"

"Because I am."
