## Madam Winters's Fight For Her Children Chapter 1155

"Ms. Sutton, please have a seat for a moment. Mr. Craig and Ms. Winters will come out very soon," Zayn said. Lana turned back and started stammering again when she saw Zayn. "M-Mr. Barnes! Thank you! I-I'll have a seat!"

Zayn was the best agent around. Even normal celebrities were not qualified to interact with him, let alone a junior assistant like her. Lana almost thought that she was so lucky that she could win the lottery. She happily sat in the chair at the side and started waiting

After Zayn nodded slightly, he looked back at the lounge's closed door. Under his gold-framed glasses, his almond eyes were filled with surprise and deep thoughts.

Mr. Craig's condition seemed pretty good just now. It appeared that he did not need medication to suppress and treat himself now.

It was great news. To the Craig family, it was like another ray of light. He pondered deeply for a while before he took out his phone and opened Mr. Craig's WhatsApp. He explained the incident and sent the message.

The person on the other side replied very quickly.

(Look after him. Don't treat this lightly. I'll go back and check on him after I finish my work.)

When Zayn read the message, he slowly began to look serious.

Not long after, the lounge door was opened again. Ninian walked out, and her face was a little red.

When Lana saw her, she immediately went forward. “Ninian! Are you alright?”

She looked so nervous like a mother who was worried that her daughter had been kidnapped.

Zayn gently coughed as a reminder.

Before Lana could say anything, Everett walked out. He glanced at her with his cold, profound eyes, and his gaze was meaningful.

Lana became speechless and felt a tingling in her head.

“I’m okay. I just took a nap,” Ninian said. When she recalled how Everett combed her hair after she woke up, she blushed, but she felt happy and bashful.

Why did she feel like she had just gotten married to Everett?

“The... Everett! Mr. Barnes!” Lana pointed to the side and spoke incoherently. “We–We... will... leave first. Thank – Thank you!”

After she spoke, she dragged Ninian along, and they left together.

Zayn looked at their departing backs, and a glint of joy crossed his eyes under those glasses. Everett, on the contrary, frowned a little. “Do you have a suitable candidate to fill in an assistant position?”

Zayn was stunned but he immediately responded, “All assistants are selected by the Craig family, and they’ll only be placed next to you after a period of refinement. Mr. Craig, which assistant are you dissatisfied with?” “None of mine, but Ninian’s.” Everett frowned and said, “Her assistant doesn’t seem intelligent. She even stammered, and that’s very unprofessional.”

Everett thought about it and spoke seriously.

After being taken aback momentarily, Zayn could not help but chuckle.

“Mr. Craig, if Ms. Winters hears what you’ve just said, she’ll defend her assistant.”

“Why?” Everett frowned in confusion.

Zayn’s eyes lit up even further.

At that moment, Mr. Craig finally resembled a young man. He was no longer too mature and antisocial.

Nevertheless, he was still too straightforward.

Zayn pretended to clear his throat and said, “Anyway, Ms. Winters’ assistant is not abnormal. Ms. Winters doesn’t plan on changing assistants either. Besides, that assistant is very protective of Ms. Winters. That’s also a good thing.”

“Is that so?” Everett’s frown relaxed a little. “It’s fine as long as she can protect her.”

After he said that, he also walked toward the filming set.

Behind him, Zayn and his other team members looked surprised.

It was his first time convincing Mr. Craig, and it was so easy.

Meanwhile, just as Ninian returned to her filming set, everyone surrounded her.
