Madam Winters's Fight For Her Children Chapter 1156

□ □ □

Chapter 1156

“Ninian, what’s going on between you and ‘the Everett’? Are you in a relationship?”

“Ninian, you’re not a good friend. I asked you last time, but you said there was nothing between you and him!”

“Since you’re connected with ‘the Everett,’ you can dominate the entertainment industry now! When you become rich, don’t forget me, Sis!”

A group of people surrounded her while they rambled on and on and gossiped. Their expressions were filled with visible envy and jealousy.

Ninian felt a little uncomfortable, and Lana tried her best to protect Ninian so that she could avoid those women’s attacks.

“Excuse me, please move away! Ninian is about to start filming. I’m sorry, everyone. Please move away and let her get styled.”

“Pfft! What’s the big deal? Just because she’s acquainted with him, her status is different now?” a woman could not help but

mock and tease.

Many people's expressions also changed.

The entertainment industry was a big abyss, so it was extremely important to know how to get on in this world.

Ninian's status had shot up, and everyone was envious of her. But if someone instigated and led them on, their teasing envy

would become malicious and hostile.

Lana's expression changed slightly. Before could say anything, Ninian pressed her.

Ninian looked at the actress with a calm and firm gaze.

Ms. Henna Lloyd, may I know which eye of yours saw me seducing

Everett? Which eye of yours saw me acting like a poser?"

“(

Ninian looked like an exquisite princess in a castle, and she usually appeared soft and harmless. However, once her expression

darkened, her superior dignity and imposing manner, which could only be cultivated among the noble, were hard for people to

resist.

Her bright and clear eyes, in particular, could see through all disguises into one's innermost filth.

Henna, who had been pointed out by Ninian, was

instantly startled by her imposing manner. She dared not even look at Ninian.

Everyone registered what was going on as well.

Yes, ever since Ninian joined the crew, she had been filming seriously. She had never taken the initiative to go to Everett, let

alone seduce him on purpose.

Besides, her assistant had also spoken the truth. She would start filming soon, so she needed to be styled in advance.

All of them were actors, so they could understand this. If something was not explained clearly, they would be easily misled, and they would subconsciously doubt the person.

However, once something was laid out in the open, everyone would realize that there was nothing to hide. Since Ninian had faced their questioning and refuted them, those who had initially been jealous and resentful of her, dropped their thoughts. They just could not help but envy her great looks and luck.

“Since you have nothing to add, I hope that you can be careful of what you say and do. Don’t make nonsense up. We’re all girls, so don’t be so malicious toward each other.” After Ninian said this to Henna, whose face was pale, she looked away.

She smiled faintly at the others, seeming tender and polite. “Thank you for your concern, but I’m sorry, I’ve really run out of time.

Afternoon tea will be my treat today. Please forgive me.”

As she said that, she raised her hands in an apologetic gesture. She even blinked mischievously and adorably. The others chuckled and made way for her.

“Go ahead. Our little sister is also a grown-up. We respect your freedom to love!”

“Hey! Don’t spout nonsense. She didn’t admit to or announce anything!” Someone winked and said, “Keep it on the low, or else, our little girl will be torn into pieces by Everett’s fans.”
