Chapter 1158

“Be with you? Who are you? Why are you so shameless? You're really so good at bragging. You're totally shameless!”

When Lana walked over from the side, she heard what Paul said, and she instantly became enraged. She wrapped her arms around her chest and started mocking him as if she was looking at a freak.

“Well, you look like a human, and I heard that your family isn't bad, right? Your parents are from a reputable family, but why didn't they give you a brain when they gave birth to you? Do you think you're good enough to be on par with 'the Everett'? How dare a piece of sh\*t like you pursue Ninian?! How hilarious! Are you even good enough to be a man?”

Ninian had initially been quite angry, but Lana's words made her chuckle out of amusement.

Lana was really mean! Her words were so harsh, but Ninian liked it.

Ninian kept laughing, while Paul's face turned pale from anger!

Others had always pampered him, but a junior assistant dared to mock him now. Most importantly, she even humiliated him in front of Ninian!

Paul was so angry that he wanted to go forward and hit Lana, but luckily, he was still rational. He suppressed his anger and irritation before speaking with a gloomy gaze. "Ninian, I won't hold this against her because of you. We are people of high quality, so we should talk in a civilized way.

"I can totally understand that you want to become more successful, and I can help you too. That's the benefit you won't get from Everett," Paul said. "You still don't know, right? The crew's investor and I are friends. I can use my connection to promote you from a supporting role to the second female lead. If you be with me, your future will definitely be bright and smooth!"

"You..."

Lana still wanted to insult him, but she was stopped by Ninian.

Ninian was not angry at this time. Instead, she looked at him like he was a clown. She curiously asked, "Paul, I'm very puzzled

why your attitude would suddenly change. You were a gentleman, and I nearly treated you as a friend. What made you instantly

take off your disguise and even think I'm that kind of person who seeks connections with powerful people?"

"Are you not?" Speaking of this, Paul's expression became agitated again. His voice was angry, and he looked vaguely agitated.

He initially also thought that she was a noble person in the entertainment industry, and she was that kind of innocent girl who

made him feel that life was quiet, good, and worthy.

But he did not expect that Ninian would be acquainted with Everett in the shortest time!

Besides, she applied for leaves a few days ago. She clearly went on vacation with Everett!

That person sent a pile of sneak shots to him, and one of them was showing that she intimately hugged Everett in the airport!

Not only that, but Everett was not the only person whom Ninian was acquainted with!

Before she was acquainted with Everett, she had also gotten involved with other men. A photo showed her getting into a

luxurious car in front of the set, and there was a rich man in the car who definitely looked like he was from a rich family.

She even got involved with the man in the downstairs apartment that their agency had arranged for her!

When the photos were sent to Paul, he almost went crazy!

He liked her and planned to put in effort to pursue her.

How could she be so shameless in private?

He was absent from the filming in the afternoon because

he could not even look at her.

But after he struggled for a long time, he was still reluctant to let her go.

Ninian was really too gorgeous and dazzling. Even Everett would fall for her, not to mention himself. He was unable to let her go when he saw her for the first time.

Since Ninian was the same as those women who would use all means to become successful in the entertainment industry, why could he not use the benefit to steal her?

Anyway, it was impossible for Everett to accept a girl with status like her. So why could he not play with her?

Paul's expression became distorted. He sneered and said, "Are you puzzled about how I managed to see through your disguise?"

Sure, I can show you!"

As he spoke, he just forwarded the photo file on his phone to Ninian.

When Ninian opened her WhatsApp and tapped on the file, her gaze instantly became cold and dark.
