Chapter 1160

“Ninian, who are you calling?” Lana curiously asked. When Lana thought of Ninian's family background, she slowly became curious. There were stars in her eyes, and she asked,

“Are you calling your extremely handsome brother?” Since Lana met George last time, she had not been able to forget the handsome man! Whenever she talked about him, she would look like a fangirl.

“No.” Ninian smiled and stuck out her tongue. What a joke! She did not stand up against Paul just now because she was afraid that if her photos were really exposed, George would find out that she had returned and joined the entertainment industry.

That would be really terrible.

Paul's threat was nothing.

“Okay...” Lana was slightly disappointed. She instantly lowered her head and became dispirited.

“You don't like my brother, do you?” Ninian said in shock, “I already have a sister-in-law!”

“Sister-in-law?” Lana’s eyes lit up again. “Did the First Love Couple get back together again? They don’t have a sad ending, do they? It’s amazing! I’m so happy for them!”

Ninian said, “Okay.” She had overthought it. Lana merely liked to see handsome guys.

Her tricks of admiring her brother did not exist!

“I’m calling my second eldest brother,” Ninian said. “I want him to get rid of these troubles for me.”

“Your second eldest brother?” Lana blinked. “Is that the one who looks really handsome but doesn’t really look reliable? Ninian,

are you sure he can help you solve this problem, not create problems?”

When Ninian heard that, she could not help but chuckle.

“He’s not that unreliable. When it’s a serious matter, he is still very serious.” Ninian’s eyes crinkled in a smile and said, “He is just unrestrained and doesn’t like to be restricted, so he lives in a more dashing and comfortable way compared to others.”

Lana pouted. “Really? I can’t tell.”

That Mr. Winters was handsome, but he was just too unrestrained.

When Lana saw that Ninian kept calling again and again, but her calls were not answered, she shrugged and said, "Your brother is reliable, huh?"

Ninian coughed. "Ahem." It seemed that she had to take

((

back her words.

Where did Harold hang out again? Why was he not answering her calls?

She could not ask Alden to secretly operate and destroy those photos in Paul's hand. If Alden knew it, it would be the same as if

George knew it. She would be doomed.

At this time, she started missing her gentle and reliable sister.

Unfortunately, Melody was talented in music, and she did not know much about hacking.

While Ninian felt troubled, some footsteps were heard from the back.

When she turned back, she saw Everett walk toward them.

"Sorry for keeping you waiting. The director said I had to rush the progress, so I filmed more scenes," Everett explained, and he

put an insulated mug in Ninian's hands. "Drink some warm water. I'll take you for dinner."

Lana widened her eyes. When she saw the logo on the pink insulated mug, she was secretly shocked.

Oh, my goodness! If she was not mistaken, the price of this mug ranged between a few dozen thousand dollars to more than

\$100,000.

Everett was really impressive!

“Ms. Sutton, your mug.” Zayn handed a mug of the same

brand in another color to Lana and said, “Sorry for the long wait. Mr. Craig purposely asked us to prepare this for you.”

Lana held the mug as if she was holding shining gold.
