Chapter 1173

“You do have some additional scenes to shoot.” Everett did not elaborate any further as he continued, “I’m going to fetch you

now. You’ll know once we reach the set.”

“Oh, okay.” Ninian did not ask much. She just nodded obediently.

She looked confused after she hung up.

“You got additional scenes to shoot?!” Lana was overjoyed when she heard this. “Many people love your character. If you get

more screen time, you’ll gain more fans!”

Nerola nodded. “If you get additional scenes, this means that someone recommended you. Did The Everett do that?”

Ninian shook her head and said certainly, “He would’ve talked to me about it first before doing anything.”

At the back of her mind, she knew that things were not as simple as they seemed. It might have something to do with Paul’s disappearance.

‘Or new plots are added to replace Paul’s character, meaning his character and mine will be merged into one.’

Ninian’s eyes twitch all of a sudden. She picked up her phone and gave Harold a call.

The call finally got connected after a long time.

She could hear people talking at the back. He seemed to be in a busy place. Only after a while, Harold spoke, “Oh, Grapie! I was just about to find you, and you called! Tell me honestly, when did you slip back to Cairnstan? You’ve made me miserable!”

When she heard his wailing, her face turned red, feeling extremely guilty.

‘Oops, I’ve forgotten about this.

‘I’ve fooled Hal before, so he didn’t know I returned to Cairnstan.’

“Huh? Haha, today’s weather is pretty good, isn’t it?”

She laughed awkwardly before saying, “Hal, are you busy? It sounds pretty

noisy at your side. The signal over there isn’t very good. I can’t hear you clearly. Let’s talk later, bye!”

“Hello? Wait! Don’t hang...”

Ninian quickly hung up. She noticed Lana and Nerola both looking shocked. She laughed embarrassingly.

“Haha, sorry about

that. I must've looked silly.”

The two of them looked at each other, feeling confused.

LIR

“Ninian, did you lie to Hal again?” Nerola, who had been friends with her and knew her past, knew something was up. She

smiled and asked curiously, “Why did you do that? Come on, tell me!”

Lana looked at Ninian in shock. “Ninian, you're a liar?!”

Ninian covered her face with her hand. She did not dare to look Lana in the eye.

‘Oh, no. My reputation as a good girl is ruined.’

She simply explained how she lobbied to woo Melody and fool Harold just so she could stay with Everett in Cairnstan. Not to

mention, she also threatened Paul, but he sold her out to Harold.

Lana blinked in shock.

“I didn't know Harold was such a responsible guy. He's pretty quick in resolving Paul's matter within a few minutes.”

“Well, you haven't seen her eldest and third brothers. They move at the speed of light, as fast as 5G!”

“Ninian, do you need a sister-in-law? You can consider me, you know.” Lana hugged her arm and said coquettishly, “If I'm not

suitable, you can consider Nerola, too! I'm sure she's a good match!"

Nerola was speechless, feeling confused about why Lana included her all of a sudden.

As Ninian was laughing with them, her phone rang once

again.

When she took a glance at it, her expression became solemn.
