Madam Winters's Fight For Her Children Chapter 1174

□ □ □

Chapter 1174 It was her sister, Melody.

Ever since Melody returned, she rarely took the initiative to call Ninian. They had been keeping in touch through WhatsApp

‘It’s bright as day, and Melody is calling shortly after Harold found out about me returning to Cairnstan. Is the cat out of the bag already?’

Ninian picked up the call guiltily.

“Hello, Melody...”

“Ninian Winters! Is your network connection better now?” On the other end, a male voice said as he gritted his teeth. Even so, his voice remained pleasant to the ear.

This voice is so familiar.’

It was her dearest second brother, Harold.

She was surprised, at first. Her expression gradually turned bitter. “You’re so cruel, Hal. You’ve even gone to Ufrya!”

‘If Hal can get hold of Melody’s phone, this only means that he was with her now.

‘What’s more, he made Mel feel so guilty that she gave him her phone! This is horrifying!’

Ninian took in a sharp breath.

“What a sororal sisterhood you two have.” Harold gritted his teeth. He was speaking so coldly that it gave Ninian goosebumps .

“How dare you lie to your brothers , steal my robot, change its program, and bring it to Ufrya?! You two scared my laboratory staff

to death and almost exposed my secret to George!

Ninian, you think you’re all grown up now, huh?! You can just make my life as

miserable as you wish it to be. Do you know how close you are to exposing me?”

Ninian lowered her chin, letting Harold , who suddenly became really domineering, lecture her. Suddenly, confusion set in on her.

‘What robot? Since when did I scare his laboratory staff to death? Exposing what to George? ‘Why am I not understanding what

he’s saying?’

She raised her hand and asked weakly, “Hal... I think you’re scolding the wrong person. I don’t know any of those things.”

“Do you think I’ll believe you?! I’m not as dumb as you think I am. I know what you’re plotting!” Harold grunted coldly. “You told

George about it just so I won't find out that you've returned to Cairnstan, right? That's why you tried to get me into trouble?!

"Earlier, George called Mel. He even specifically said that

he wants to get connected to you. If my robot hadn't impersonated you, he would've caught you long ago!"

Harold said, feeling

even more enraged as he rolled up his sleeves, "Where did you even learn to do that? We've underestimated you!" –

Ninian suddenly understood something and quickly responded.

'Is it Everett?

'Did he know that this would happen, and he saved me secretly?'

Though she felt surprised, she suppressed it and smiled as she spoke to Harold coquettishly, "Hal, I know, you're the best. You'll help me later, right?"

"You... better stop it. I'm still angry!" He was in a tough position. He tried to sound firm and looked arrogant.

"Okay, then. If you're not helping me, I'm sure you'll help Mel, right? She's in the same situation as I am, too."

Harold was speechless.

“Hal, you won’t be getting away with this anyway. We’re in the same boat. As long as you forgive me, I’ll...” She drawled and did not finish her sentence.

“You’ll what?” Harold was still maintaining his arrogance. However, he could not help but be curious. Nerola and Lana were also extremely curious. They wanted to know the answer, enjoying the show.

“I’ll...” Ninian’s eyes then lit up. She had a cunning look in her gaze as she smiled sinisterly. “I’ll introduce you to my cute Lana!

What do you think?!”
