Madam Winters's Fight For Her Children Chapter 1183

□ □ □

Chapter 1183

“Hi, are you Ms. Ninian Winters? These flowers are for you. Please sign here.” A florist took out a card and handed it to her. His

eyes lit up as if he had seen a big client.

“Um...” Ninian felt her temple throbbing as she asked, “May I ask who’s the sender?”

((

“The sender said that if you’re wondering who he is, he’s your guardian angel!”

Ninian was dumbstruck. She then said, “What if I refuse to sign?”

‘It’s too conspicuous. I need to keep a low profile. With such a huge gesture, the crew members around the crew set are already

starting to gossip about this. This is simply a social death for me.

‘Many people are taking pictures and ready to post them on the Internet. My family will definitely find out!

‘Most importantly, Everett is still filming on the set. He has always been a covetous person. He’s going to get mad if he knows about this!’

“Please return these flowers. It’s causing inconvenience to us and affecting our job.”

“I’m sorry, Ms. Winters. The sender said that you must accept it! You can just leave it here. The janitors will clean them up later in the evening. He’s willing to pay them double the salary!”

Ninian was speechless.

She greeted her teeth and thought to herself, ‘If I ever learn who that idiot is, I’ll beat him to a pulp!’

Many people were amazed as they started discussing it.

“Oh my gosh! This is so romantic. Look at all these roses. It must’ve been costly!”

“Well, who cares how much it is? Look at that lady. She’s as pretty as a fairy. I bet she’s not impressed by mere flowers like this!”

“She’s pretty and rich men are courting her. If he reveals himself and turns out to be a handsome man, I’m sure they’ll be a perfect match!”

When Ninian noticed how outrageous those people were, she hurriedly said, “How about this, I’ll give you double, no, triple the

cost if you return these flowers. What do you think?”

The florist was tempted, but he felt awkward at the same time. “But what if the sender...‘ >>

“He won’t do anything. He didn’t even reveal himself,” Ninian hurriedly said. She just wanted the florist to get rid of those flowers.

“You’ve already delivered to the address the sender sent you. It’s better to let you return the flowers than to let the janitors get rid of them, right?” The florist looked hesitant.

Just as Ninian was about to speak again, someone from the back said, “I’ll pay you ten times more if you get rid of all of them.”

The cold voice was deep and magnetic, attracting everyone’s attention.

Chills ran down Ninian’s spine when she heard the familiar voice.

She felt embarrassed when she turned and met Everett’s dark gaze.

“Everett! It’s Everett!”

“It’s The Everett! Ahhh! I didn’t know he was filming at a crew set beside mine!”

“He’s so charming! He said he’ll pay him ten times more if he gets rid of all of them! Oh my gosh! I’ll remember this forever! What a romantic boyfriend!”

“Hey, hey, hey! Stop talking nonsense! He just didn’t want the flowers to affect his filming process. What boyfriend? This is just an actor’s basic sense of ethics and integrity! There’s absolutely nothing between him and that lady!”

The rest of the crew were gossiping, while the cast in “In The Bloom” sat and watched them talk.

Others might be in the dark, but they knew it all.

The Everett and Ninian’s relationship was anything but ordinary.

‘Is... he jealous?’

They were all smiling excitedly.
