Chapter 1185 “Honey, if you keep ignoring me, I’ll have to sit on your lap,” Ninian said with a smile. Everett stopped typing for a moment as his hands tensed up.

She was amused when she saw him still pretending to be calm. She blinked and snuggled up to him regardless. His body instantly tensed up. She stretched out her hands and hooked them around his neck and said, “You’re still ignoring me, huh? I guess I’ll have to kiss you.”

He pursed his lips and stayed still. He gulped, as his Adam’s apple moved up and down.

Ninian’s eyes lit up when her keen eyes and hearing caught this.

“Ha!” She narrowed her eyes, as if she had discovered some secret. “Did you ignore me on purpose, just so I’ll sit on your lap and kiss you? Hmph! Dream on!”

She acted as if she was about to stand up as she said this.

Everett hooked his arms around her waist, not wanting her to leave.

She finally exposed his true intention. She looked at him

and said with a smile, "I knew it, you were doing that on: purpose!"

He could not hold himself back anymore. He lowered his head and stared into her beautiful bright eyes. There was a hint of helplessness in his gaze.

Initially, he was genuinely angry.

But after she coaxed him, he gave in.

'How can I stay angry when I'm with her? Even if I am, when I look at her smile and listen to her gentle voice, my anger will fade away.'

He hugged her tightly and muffled, "Kiss me."

'I am genuinely angry. My honey was being coveted by someone. I can't control my anger.

'Luckily, she's with me. I was able to suppress my emotions before they went out of control.'

"Good boy." She held his face and gave him a peck."

Don't be mad, okay?"

"No," he said. "Not enough kisses."

Ninian gave him another kiss.

"Still not enough."

“Not enough.” She kissed him each time he said “not enough”.

By the end, Everett continued to ask for kisses, but Ninian became speechless. She pursed her lips, and said aggrievedly, “I’m being way too compliant, am I not? Why do I have to coax you for so long? Is it not enough?” He could not help but chuckle at how pitiful she looked.

When she noticed him cheering up, she let out a sigh of relief. She stood up and went to lie on a couch. “Ugh, it takes so much effort to coax my hubby. The old saying is right. They said

men are the most difficult to coax!”

Everett frowned, “Oh, really? Did they really say that?!”

“Yes!” Ninian swore, “I should change my name to Old Saying. I’ll write down all these words and make them a sacred heirloom.

It’ll become a classic famous saying a thousand years later.”

Everett laughed helplessly as he shook his head. He looked at her affectionately. “Such a silly girl.”

Ninian chuckled and shifted her gaze to the computer to see what he was looking at. She could not hold back her curiosity

anymore as she said, “What are you searching

for?”

His expression turned cold.

“I’m trying to find which reckless bastard tried to covet my honey.
