

My Wife Is A Secret Assassin

Chapter 3: Another Cheesy Guy

"Please come in"

The woman didn't say a word and started cleaning her already clean room and after few minutes the cleaning woman left.

Samantha walked to her bed and lifted the comforter where she found all the necessary equipment.

A small gun and a big rifle with silencers and a sharp knife.

There was also some information on Mario's room number, he was living on the same floor as her.

After going through all the information, she went downstairs to have breakfast, she chose a corner table for herself and was waiting for Mario.

After few minutes he came to the restaurant too and she observed his mannerisms and confirmed he is indeed the target she came here for.

After some time, she went to the small bar at the restaurant as she was informed Mario is a heavy drinker and there are high chances of him visiting the bar.

She planned to meet him as a tourist and then trap him with her beauty and once he falls for her trap, she would kill him.

Right now, she was wearing a green long dress with a high slit till her thigh, with her hair left open, she was looking like a seductress every man would be attracted towards.

While she was waiting at the bar for Mario, someone approached her.

"May I join you for a drink?"

Samantha turned to her right and looked at the extremely handsome man, who was wearing a t-shirt paired with jeans and a black coat over it, he was over six feet tall and was qualified enough to be a Hollywood actor.

It was a common thing for Samantha to get hit on by men so she rejected him, "I am waiting for someone"

"Maybe I am that someone you have always been waiting for" The man flashed a bright smile at her.

'Another cheesy guy' she thought.

"Believe me, you are not"

He placed his hand on his chest, "Ouch, I am heartbroken"

Samantha ignored him and ordered a drink for herself, nevertheless the handsome guy still joined her and sat next to her and ordered himself a drink.

It was a public place so Samantha had no right to ask him to leave, she could only ignore him and wait for Mario to arrive.

"It seems the person you are waiting for has stood you up" The handsome man commented after observing how anxiously she was searching for someone.

"None of your business"

"It is indeed none of my business but I would love to make it my business"

"Aren't you tired of coming up with such cheesy lines to hit on women?"

"Well, if someone is as beautiful as you, then I would never get tired"

Samantha rolled her eyes and wondered why Mario has not yet come to the bar, she decided to go and lookout for him.

Seeing her about to leave, then handsome man said, "I am sorry if I annoyed you, please don't leave because of me"

Samantha was a bit surprised as the guy who was flirting with her till now, suddenly apologized to her, "I am in Hawaii, I don't intend to stay at one place, I am not leaving because of you."

Saying this she was about to leave when there was a sudden uproar at the resort, they were living in.

Samantha wondered what happened and there some people were whispering that a

man named Mario just died in his hotel room.

Samantha was shocked as she was in the bar and didn't make her move yet and her target was already dead.
