

My Babies, My Love Chapter 7

Chapter 7 Mr. Handsome, Do You Know Tricia?

After a while, she recovered.

“This is... that vile spawn? She’s grown up so much now?”

Since Sylvie was usually an energetic child, she replied cheerfully to Adeline after thinking she was Patricia’s friend.

“Yeah, I’m five years old, and I have two older brothers who are also five years old. We are triplets!”

In a fit of panic, Patricia quickly covered Sylvie’s mouth. She didn’t want Adeline to know this.

Unfortunately, Sylvie was a loquacious child and couldn’t keep secrets.

“Triplets?” Adeline was more shocked. “You sure are amazing. No, it should be that the old

man is amazing. It’s no wonder you wear such tacky clothes. It’s not easy to raise three

children, am I right?”

She couldn’t help but let thoughts run through her mind as she spoke. So what’s the big deal

that Patricia is still alive? She’s nothing but the mud in the ground now, while I will soon be

the young mistress of the Arnolds. That’s an existence that she will never be able to claim ties

with! Once she thought of this, she didn’t hide the triumphant look on her face.

Sylvie first looked at her facial expression. Then, she looked at Patricia's facial expression. At that moment, she felt that Adeline didn't seem to be Patricia's friend. Slightly angered, Sylvie pursed her lips and rolled those beautiful big eyes a little. Then, at once, a mischievous idea came across her mind. So, she slid off the chair and grabbed Adeline's white dress with her oily little hands. "Your dress is so pretty!" How dare you criticize Tricia for being tacky! You're the oldfashioned one! Take that! I'll stain your dress! Adeline screamed when she saw her ruined dress, "What are you doing?! Do you know how expensive this dress is?!" With that, she raised her hand and wanted to slap Sylvie. Nevertheless, Patricia grabbed her wrist and stopped her. An enraged Adeline scolded, "Patricia! This b*stard is as annoying as you!" As soon as she finished speaking, Patricia slapped her in the face. "Adeline, watch out for your words! You're the b*stard!" In the meantime, Adeline was a little stunned after getting slapped. When she came back to her senses, she was instantly angered. How dare this b*tch slap me! Thus, she went mad and tried to pull Patricia's hair savagely. Nonetheless, Patricia pushed her away forcefully, which resulted in Adeline staggering backward as she fell. Not only that, she even slammed into the server's tray, and the soup spilled all over her. At that moment, Adeline felt utterly terrible. When she turned around, her eyes were full of hatred. Therefore, she charged at Patricia as she lost herself in her anger. "Bring it on, Patricia!"

Patricia dodged her, making her throw herself on Liam. The force pushed Liam to retreat several steps and he almost bumped into Isaac.

“President Arnold, did I knock into you?” he asked, looking nervous. Then, he scolded, “Where does this crazy woman come from? Can’t she see what kind of place we’re at? She almost ran into President Arnold!”

When Adeline heard this, she looked up with her hair in a messy state. Then, her eyes slightly propped up, and she quickly took a few steps back. Shortly after, she pointed to Patricia, who wasn’t far away.

“Ise, she bullied me.”

After hearing that, Isaac looked over and saw a woman. The woman was wearing an off-white sweater and a pair of skinny blue jeans today. Although she was dressed casually, she looked gorgeous today compared to the helter-skelter appearance in the hospital that day.

At that moment, he found the woman mesmerizing, especially that pair of big round eyes that were as bright as the stars in the night sky.

He was stunned, and when he looked into her eyes, he felt a sense of familiarity. It was like they had known each other for a very long time.

When Adeline saw he didn’t speak and seemed stunned, she approached him. “Ise, you’re my fiancé. So, you have to help me to vent my grievances.”

Isaac glanced at her lightly when he heard her demands.

“Miss Aniston, you’re quite fast in getting into your role.”

For a moment, Adeline was a little flustered. She was afraid that he would tell everyone that their relationship was fake. If that happened, the pretense that she put up in front of Patricia would be blown.

Sylvie was disappointed when she saw the handsome Isaac, who resembled her brother, being acquainted with Adeline. Hence, her dramatic side instantly surfaced and she trotted to Adeline's side.

"I'm sorry, Granny. I didn't mean to stain your dress. Don't hit me, and don't hit my mommy, okay?"
