

## My Billionaire Ex-Wife by H. D. Cynthia Chapter 14

### Chapter 14

“Miss Hall, may I ask why you chose the Puth Corporation? After all, we are not yet as qualified and *recognized* as the Borka Group in real estate industry.” said Brian Larson, CEO of the Puth Corporation. He felt quite flattered,

When Brian knew that the Hall Group intended to work with the Puth Corporation, he even rushed back to LOS Angeles from California to meet with Jessica.

“Mr. Larson, are you saying that you don’t have faith in your own company?” Jessica raised her eyebrows and asked.

Brian froze for a few seconds before he burst out laughing. He then said, “I believe we’ll have a pleasant cooperation, Miss Hall.”

After Brian left, Jessica was in a very good mood. Megan and Watson tried to make things difficult for Jessica, yet they forgot that Jessica was no pushover.

Shortly afterward, Megan learned that Jessica had replaced the Borka Group, so he called Jessica at once.

“We have been working with the Borka Group for many years. How could you change that?”

“I think the Puth Corporation is qualified enough. Besides, Mr. Larson’s offer is 30% lower than Borka’s.”

"Since the Thomas family doesn't know how to  
teach Olivia well, I took the liberty to do the job." Jessica wiped her slender fingers with  
a tissue before she threw it away. She then headed to the door.

When Jessica reached the door, Lucas, with a sullen face, suddenly grabbed Jessica.  
"Apologize to Olivia!"

"Mr. Thomas, are you sure you want me to apologize?" Jessica's  
lips curled up slightly as she looked up at Lucas with her eyes full of indifference. She  
was no longer affectionate toward Lucas. Jessica continued, "I don't think the Thomas  
family could afford the price of my apology."

"I don't want her apology. She drugged me. I want the police to arrest her!" Olivia  
pointed at Jessica and screamed.

"Sure. I'll call the police for Miss Thomas." Jessica  
took out her phone and dialed 911. However, before she pressed the Dial button, she  
glanced at Olivia and added, "By the way, I'll ask them to look into what happened to  
me last night. Someone kidnapped me on my way home.

With that, Olivia suddenly tugged Lucas. She was less assertive, afraid that what she  
had done might be exposed.

Thus, Olivia said to Lucas, "Lucas, I'm not feeling well. I want to go to the hospital."

At first, Olivia was just giving an excuse to avoid the police. Yet after she had said

Lucas saw Olivia's sweat trickling down, so he hurried to take her to the hospital.

Jessica pouted and said regretfully, "I should have come earlier. I should have had her thrown onto the street once the drug took effect."
