### Chapter 42 Remind Mrs. Lu

"You can go out now. Close the door when you leave." Charles didn't ask Yvonne to make a decision immediately. Yvonne trembled with anger when she walked out of the office.

Yvonne didn't lose her senses. As angry as she was, she had the least intention to displease Charles.

Yvonne was in a bad mood because Charles refused her requirement. As soon as she left the lift, she wanted to call Autumn and scold her. All of a sudden, a voice reached her ear, "Excuse me."

Yvonne looked at the woman in front of her, and asked, "Who are you?" Soon she remembered that she was the same woman she had seen in Charles's office a few minutes ago.

"I'm Mr. Lu's client." Paula cast a glimpse of Yvonne, and asked smilingly, "May I know your relationship with Mr. Lu?"

Hearing this, Yvonne suddenly became alert. She gave her a dissatisfied glance, and replied impatiently, "That's none of your business."

Although Paula didn't like Yvonne, she still pretended to be warm. She explained with a smile on her face, "I bear you no ill will. When I left the Mr. Lu's office, I heard you call him brother-in-law. So you must be... Mrs. Lu's sister, right?"

Yvonne snorted with a cold laugh, "Mrs. Lu." 'If I hadn't made a mistake, today I would be Mrs. Lu.' She thought to herself. "I am. Why have you come to me?"

"How about we find a cafe and have a drink together? Then we can sit down and have a talk." Paula grabbed Yvonne by the hand warmly and suggested, "I know a cafe nearby and their dessert is delicious. Should we go there?"

After hesitating for a while, Yvonne agreed.

Mr. Lu wouldn't have been willing to marry her so easily. Recently, a woman in our company has tried all means to seduce Mr. Lu on the excuse of work. Now, Mr. Lu is obsessed with her. As we are women, to seduce C... my brother-in-law?" Upon hearing this, Yvonne's
