

# MY HIDDEN 1051

## Chapter 1051: Love You

After two bites, Gu Weiwei took a picture and texted Fu Hanzheng.

[I got the cookies and coffee, love you!]

After this sentence, she sent a series of love hearts.

Fu Hanzheng soon replied with one simple word.

[Good.]

Fu Shiyi reached out for a cookie, when Gu Weiwei slapped his hand.

“It is not for you.”

“Not even one?! I brought them here for you.” Fu Shiyi glanced at the cookies in her arms.

Oh, his brother made those love cookies himself. One bite and he would die without regrets.

If he had not seen it with his own eyes the night before, he would not have believed that his brother would do such a thing.

“Not even one bite.” Gu Weiwei closed the box and squinted at him. “Honestly, are you sure you didn’t already eat any on the way?”

“How dare you!” Fu Shiyi snorted.

“You’re right, I don’t think you have the guts.” Gu Weiwei closed the box and decided to save some for later.

After all, this was the first time that Uncle Fu had baked cookies for her and they were in such a lovely shape.

Fu Shiyi leafed through the magazine and said casually, “I heard that you will get another award.”

Anyway, she would definitely get the Best Actress Award or the Best Director Award.

“Isn’t that normal?” Gu Weiwei took a sip of the coffee Fu Hanzheng asked him to bring to her.

“By the way, Fu Shiqin said that Qin Man went to my brother and asked him to choose a young and pretty girl to marry, so her nephew Qin Lv can have a chance with you,” Fu Shiyi whispered to her.

“Oh,” Gu Weiwei answered calmly. She knew that Fu Hanzheng would turn her down.

She would believe that even if the earth became a square, Fu Hanzheng would not betray her.

“Oh? Just this?” Fu Shiyi glanced at her in disbelief.

“Your brother did not approve of it, what else can I do?” Gu Weiwei said.

Fu Shiyi pursed his lips. Alright, they understood each other very well.

“How is Grandma Fu?” Gu Weiwei asked with the coffee in hand.

“She is resting at home, so she is feeling a bit energetic these days.” Fu Shiyi looked at her in astonishment and asked, “Don’t you hate grandma and dad?”

If they had not objected strongly, she would not have divorced his brother.

“It is human nature, what is there to hate?” Gu Weiwei said calmly.

The Old Lady used to be the one who loved her the most apart from Fu Hanzheng. It must have broken her heart when she knew her real identity.

Fu Shiyi pursed his lips. He seemed to gradually understand why his brother could not let her go. He knew that she had grown up in the Gu Family, but he still wanted to be with her.

Gu Weiwei was much more open-minded than other women.

Most importantly, she truly loved his brother deeply.

“Don’t worry, apart from my father and grandma, everyone else is on your side.”

Gu Weiwei chuckled. “Thanks.”

Actually, before she told Fu Hanzheng, she was not only worried that Fu Hanzheng would not accept her, but also that everyone in the Fu Family would not be able to accept the truth.

Although Fu Shengying and the Old Lady objected to it in the end, she had not expected that Fu Shiyi, Fu Shiqin and Mrs. Fu would side with them.

### **Chapter 1052: My Brother Loves You so Much**

Fu Shiyi sighed as he leafed through the magazine and said, “My brother loves you so much.”

He had never seen his brother love a woman so deeply. He believed that apart from her, his brother would never love another woman so deeply.

If they really separated, he did not know how much pain she would experience, but his brother would definitely be the one suffering the most.

He and Second Brother normally talked back to his brother and tried to set him up, but they also wanted his brother to be happy more than anyone else.

So when his brother knew that she was Gu Weiwei, he still chose to marry her.

Without thinking much, he and Fu Shiqin sided with his brother.

Gu Weiwei took a sip of the warm coffee and said with a smile, “Third Master, I didn’t expect you to be so reliable.”

“Since when am I unreliable?” Fu Shiyi countered.

They talked for a long while and then took a nap. When they arrived in New York, they went into their own cars and went to the hotel.

However, they were in the same hotel on the same floor.

But in order to avoid suspicion, they just greeted each other politely and returned to their own rooms.

She and Lei Ning had just put away their luggage when there was a knock at the door.

Lei Ning went to open the door and found that it was Song Yu and Qiu Ling.

“Director Mu, long time no see.”

“When did you arrive?” Gu Weiwei asked with a smile.

Since they were all nominated for Sleepless, they only informed them that they were coming to the film festival but did not note when they were coming.

“I finished filming yesterday and came here on the plane. It has only been two hours,” Song Yu said and suggested, “My agent has booked a nice restaurant, let’s go together?”

Gu Weiwei thought for a while and agreed.

“Third Master is here too, should we ask him to join us?”

“I will call him.” Lei Ning went out and knocked at Fu Shiyi’s room under her suggestion.

After the promotion of Sleepless, they barely met. Since they were at the film festival, they ate together.

“I think that I should toast Best Actor Song and Director Mu in advance. You are going to get an award tomorrow,” Qiu Ling raised her glass and said.

“Stop talking about me. Didn’t you accept Director Mu’s new movie? The trophy is already waving at you,” Song Yu said.

Qiu Ling blinked at Gu Weiwei cheekily. “I will need Director Mu’s help.”

Gu Weiwei clinked glasses with them. “Good luck tomorrow.”

Although there were many actresses who looked better than Qiu Ling, after careful consideration, she decided to let Qiu Ling play the female lead role.

After all, with the foundation of the collaboration of Sleepless, Qiu Ling was an actress who was good at studying, so there was no reason for them to not work together.

The male lead was a C or D-list actor who was very good at performing, but he was never popular.

They ate together and spent half an hour outside before returning to the hotel to rest.

The moment Gu Weiwei returned to the room, Jolin called.

“Put on a face mask, you have not been sleeping well these days and your skin is terrible.”

“Got it.” Gu Weiwei took out the mask and was about to wash her face to put on a fresh face mask.

“The makeup artist and the gown have been arranged and they will be at the hotel tomorrow afternoon. You are the main event tomorrow and you must look very beautiful on the red carpet,” Jolin said seriously.

With the award at the Lugano Film Festival and her nomination for the New York Film Festival, she had undoubtedly become the most popular Asian female star.

### **Chapter 1053: Too Bad I Am Not a Man**

Gu Weiwei followed Jolin’s request, washed herself up, put on a face mask and went to bed early.

The following afternoon, the makeup artist came to the hotel room with the gown Jolin had prepared.

Gu Weiwei felt her forehead when she saw the red satin gown.

Whether it was for the film festival or the promotional event, her gown was always of a light color. It was the first time for her to wear such a bright color.

But Jolin was not here and he was arranging the preparations for the movie, so she could not ask for anything else.

So she forced herself to let the makeup artist put on her makeup and then put on the red satin gown.

At the opening hour of the film festival, Fu Shiyi knocked at the door.

Because he knew that his brother would not be happy to see his sister-in-law and Song Yu entering the venue together, he came to be her partner.

Lei Ning and the makeup artist opened the door and Gu Weiwei stepped out in the long gown.

Fu Shiyi had seen how pretty she was, but he was still amazed when he saw her coming out of the room.

Her gown used to be a plain color that made her look elegant and noble, but today’s red satin gown made her fair skin look as smooth as white jade. Her carefully-made makeup made her look charming.

Luckily, his brother did not see her, otherwise he would not have allowed her to walk the red carpet and let others see her beauty.

Unexpectedly, Gu Weiwei became the shining star on the red carpet of the New York Film Festival tonight.

After the ceremony started, they became the biggest winner of the day.

Gu Weiwei did not get the Best Actress Award, but the Best Director Award.

Song Yu, the male lead, had won Best Actor, Qiu Ling had won the first trophy since she entered the industry and Fu Shiyi had won the Best Supporting Role.

They had won several important awards with just Sleepless.

After the awards were given, they became the focus of the media interviews.

After the media interviews, Gu Weiwei returned to the hotel, got changed and removed her makeup. Then she packed up her luggage and got ready to catch the early morning flight to London for the upcoming International Youth Forum meeting.

Qin Man's men received her and Lei Ning at the airport, arranged accommodation for them and told her about the meeting process and the main topic for the next three days.

Although she had never participated in such a political event, she was more experienced and knowledgeable than her.

She completed the speech calmly in front of the journalists and the meeting.

Qin Man paid attention to the live-stream of the meeting and was full of admiration when she saw the young and beautiful girl calmly explaining her points.

She was so outstanding at the film festival and she was able to deal with such a situation calmly and wisely. How could Fu Hanzheng find such an outstanding girl?

But what made her angry was that her nephew was so disappointing. He had failed to win her heart after so long.

She wished that she was a man so that she could marry such a girl and bring her back to the Qin Family.

But it was strange. She and Fu Hanzheng were divorced and they did not seem to be in contact anymore... but no matter whether it was the Swedish Prince or their Xiao Lui, she was unmoved.

It could be said that she had not forgotten about the old relationship and she had not gotten over Fu Hanzheng. But maybe she had forgotten about it and just refused to start a new relationship with anyone else.

#### **Chapter 1054: I Miss You**

The movie *Sleepless* was greatly awarded at the New York Film Festival and was soon put in the spotlight at the International Youth Forum.

Mu Weiwei soon became the hot topic of Hua Land.

She was on the entertainment news and she was in the top three of the hot search list.

Gu Weiwei had just finished the three-day meeting at the International Youth Forum and the moment she returned home, she took advantage of the popularity of herself and Qiu Ling and called for the opening ceremony of *Life Reboot*.

Due to her high popularity, the opening ceremony of the movie attracted a great deal of attention.

It was already very late when they returned to the studio after the press conference.

"You can take a day off tomorrow and meet me at the site the day after tomorrow," Gu Weiwei said.

The opening ceremony was done and the day after tomorrow, they were going to the film studio in the south.

Jolin let out a sigh of relief and said, "I have contacted all the artists who are involved. We will film the female lead and the supporting role the day after tomorrow. The male lead has one more movie to finish this week, so he will be late."

"Got it, thanks." Gu Weiwei thanked him sincerely.

Jolin checked the time and said, "I am leaving now, call me if you need anything."

After Jolin and the rest of the staff left, Gu Weiwei stretched languidly, packed up her things and intended to return to Yijing Pavilion.

She was a bit tired after a week of traveling, so she looked out of the window lazily.

"Lei Ning, take a detour from Beihai Road."

"Okay." Lei Ning changed direction at the intersection.

Beihai Road was where the headquarters of Fu's Enterprise was located. It seemed that she wanted to visit Boss.

Sure enough, Gu Weiwei said as they approached Fu's Enterprise, "Let's find a place to rest."

Lei Ning stopped at the open parking lot opposite Fu's Enterprise and looked at the person behind her through the rear-view mirror.

"I am going downstairs to get something to drink," said Lei Ning.

"Okay."

Gu Weiwei rolled down the window and looked at the headquarters of Fu's Enterprise. Sure enough, the lights were still on.

She made a call to Fu Hanzheng and stared at the floor of his office through the window.

The phone rang twice and then Fu Hanzheng picked it up.

"Finished?"

"Are you still at the company?" Gu Weiwei asked.

Fu Hanzheng knew that when she called at this hour, she was usually urging him to get off work.

"I am going home."

Gu Weiwei looked at the headquarters of Fu's Enterprise gloomily. "I miss you."

"..." Fu Hanzheng stayed silent for a moment and said, "I will meet you at the studio."

"Let's wait a while more. There are too many journalists following me these days." Gu Weiwei sighed. They were leaving the capital the day after tomorrow for the filming.

When they got busy with work, she wondered when they would be able to meet each other.

Two months might not be a long time, but when she thought about it now, it felt very long.

“Then I will visit after the filming starts?” Fu Hanzheng asked.

“Okay,” Gu Weiwei answered gloomily.

Fu Hanzheng could tell that something was wrong with her voice, so he stayed silent for a few seconds and said, “Are you home yet?”

“Not yet, I’m on the way.” Gu Weiwei stared at the headquarters of Fu’s Enterprise through the window, she felt like running to meet him.

But rationality kept suppressing her impulse.

“Go home and rest early,” Fu Hanzheng said with a gentle voice.

“Okay, you can leave work early too.” Gu Weiwei unwillingly ended the call with him.

After the call, Fu Hanzheng asked Xu Qian to come in and asked about the schedule for the following day. He planned to meet her after work tomorrow.

He had been seeing her on TV these past two days and seeing her on the news made him want to see her even more in real life.

#### **Chapter 1055: Date with Your Man**

Gu Weiwei hung up and looked at the lights in Fu’s Enterprise.

She knew that she would not be able to meet him here, but she still could not help but want to stay close to him.

Lei Ning bought some drinks and gave her a bottle.

“Should we go home now?”

Gu Weiwei closed the window. “Let’s go.”

It was already very late when they returned to Yijing Pavilion.

She had been travelling abroad for one week and then she had the opening ceremony of the movie. Gu Weiwei ate something at home and slept all the way through the night until the following day.

Then she packed her luggage and smiled when she saw the cookies.

She put down what she was doing and sat down on the sofa with the box of cookies. She smiled in satisfaction after tasting one cookie.

Yuan Meng came over and saw her giggling as she ate a box of cookies. Out of curiosity, she reached out for the cookies.

However, before she could reach for the cookies, Gu Weiwei pushed her hand away and covered the cookie box.

“This is not for you.”

Seeing the childish heart-shaped cookies in her hands, Yuan Meng said, "Don't tell me that Fu Hanzheng made these for you?"

Although she had known that they were together, she had never expected that an iceberg like Fu Hanzheng would do such a thing.

"Of course he did," Gu Weiwei said proudly.

Yuan Meng thought of how Fu Hanzheng was making cookies in the kitchen with an apron and shook her head.

"Oh yes, Yuan Shuo is not going to be in the capital these next two days. I have to wait until he comes home to look after Yuan Bao, before I can go to the set with you."

"Got it, Lei Ning is with me, you can come anytime you want," Gu Weiwei said. She was startled to see Yuan Meng in men's clothes. Suddenly, she thought of something and said with shining eyes, "Do me a favor."

"What?" Yuan Meng blinked.

Gu Weiwei pointed at the suit she was wearing and said, "Lend me your clothes and dress me up as a man."

Why was she so stupid? It was not convenient for her to meet Fu Hanzheng, but she could dress up as someone else.

Especially when Yuan Meng was an expert at disguising.

As long as she disguised herself as a man and went to meet Fu Hanzheng, the media and fans would not notice it, and neither would the Fu Family.

"You are going to meet Fu Hanzheng?" Yuan Meng had immediately hit the nail on the head.

Gu Weiwei nodded. "Please, I am leaving tomorrow, let me meet him."

"Follow me," Yuan Meng said and led her to her own room. She pushed open the walk-in closet and inside were all kinds of men's wigs, clothes and cosmetics for disguise.

"Where did you learn all of this?" Gu Weiwei had never known that there were so many things hidden in her room.

"I used to do special makeup when I was free. I can even dress you up as an alien, let alone a man," Yuan Meng said as she pressed her down onto the chair in front of the mirror.

Then she rolled up her sleeves, tied up her hair and put on a dark brown wig.

Gu Weiwei looked at herself in the mirror and frowned. "I still look a bit feminine."

"I haven't done anything yet, what are you in such a hurry for?" Yuan Meng said as she put on some foundation to cover her fair skin and painted her eyebrows, making her look more manly.

After the makeup was done, she went to pick out clothes and shoes for her.

“Get changed.”

With the clothes in her arms, Gu Weiwei put on a thick singlet, a suit and leather shoes, so as to not look too thin. Then she walked out, looking like a young elite.

Yuan Meng walked around her twice and put on a pair of black-framed glasses to cover her overly pretty eyes. Then she was satisfied.

“Done, you can go on a date with your man now.”

### **Chapter 1056: The Love in Her Eyes**

Gu Weiwei looked at herself in the mirror and looked at herself in satisfaction.

Then she happily returned to her room and made a call to Fu Hanzheng.

“Fu Hanzheng, where are you?”

“I have a banquet with Yuhai Enterprise and I’m now on the way,” Fu Hanzheng said.

“Got it, go ahead.”

Gu Weiwei happily hung up when she found out about the schedule. She checked the place where the banquet was held at Yuhai Enterprise and went out in excitement.

In order not to attract suspicion, she did not drive her own car there but asked Lei Ning to drive her to the downtown area and then she took a taxi there.

When she arrived at the banquet, she tried her best to sneak in.

Sure enough, the moment she entered the venue, she saw Fu Hanzheng talking with several top managers.

He walked around the venue with a glass of champagne and even chatted with the female guests.

But she kept glancing at Fu Hanzheng.

She was excited about meeting him, but she also wanted to tease him.

He had not seen through Yuan Meng when she was dressed up as a man, but now she was in this state, would he recognize her?

Fu Hanzheng sensed that someone was looking at him, so he glanced over and saw a thin young man talking with two female guests.

For some reason, that man looked a bit familiar.

But they were too far away to see who it was.

Fu Shiqin came in from outside and gave him the car keys.

“I found someone to buy the new car, you can deal with the rest yourself.”

He had suddenly thought of meeting his sister-in-law today.

So he spent a great deal of effort to buy a new car and put it under someone else's name so that he could use it to meet his sister-in-law.

Fu Hanzheng took the keys, stuffed them into his pocket and checked the time. He could not wait to leave.

"It has only been half an hour and you are leaving already? Please give them some face." Fu Shiqin reminded him with a small voice when he saw him leaving.

Fu Hanzheng restrained his anxiety and continued to deal with the people at the banquet.

Judging from her voice last night, she seemed to be in a bad mood. She had just ended the call for no reason and when he called her again, her phone was switched off.

He asked Lei Ning and she said that she hadn't been with her.

Having talked with the staff of Yuhai Enterprise, he made another call to Gu Weiwei, only to find that her phone was off.

Lei Ning did not bring her with her when she went out alone. Where was she going?

He was just thinking when a clear voice arose behind him.

"President Fu, who are you calling in such a hurry?"

Fu Hanzheng turned around and was startled when he saw the handsome young man in front of him. Then he realized what was going on when he saw the man's smiling eyes.

"What are you doing here?"

Gu Weiwei blinked and continued to play dumb.

"President Fu... knows me?"

He did not even recognize Yuan Meng as a man, so how did he see through her disguise so easily?

Fu Hanzheng approached her and whispered, "Of course, we are very close."

It was obvious that Yuan Meng did it.

To be fair, she was very good at pretending.

But the love in her eyes could not be concealed.

Gu Weiwei sighed. "I was just teasing you, but I was recognized at one glance. How boring."

Fu Hanzheng resisted the urge to hold her in his arms and said as he glanced around, "Wait for me in the garden outside, I will be out in one minute."

### **Chapter 1057: Because I Miss You**

Gu Weiwei did not want to waste time talking with him in front of everyone, so she put down the glass and went to the garden outside.

The banquet was held in a club and since it was getting cold, the guests were indoors and there was no one in the garden outside.

Standing under a remote tree, she was full of joy at finally seeing him.

Two minutes after she went outside, Fu Hanzheng came over to her.

The moment he approached her, he pulled her into his arms and kissed her lips deeply.

After a long while, he released her lips unwillingly.

“What are you doing here?”

He had planned to meet her after the banquet.

But before he reached her, she appeared in front of him.

The moment he recognized her, he was overjoyed.

“I miss you,” Gu Weiwei said with a smile.

When she saw Yuan Meng dressed in men’s clothes, she thought of disguising herself as a man, so that she would not be suspicious.

Fu Hanzheng chuckled. No wonder she had called him for no reason. She was here for him.

“We are going to the film studio tomorrow, and I haven’t seen you for a long time, so I want to see you today no matter what,” Gu Weiwei said as she leaned her face against his chest and whispered.

Fu Hanzheng removed the glasses from her face. “I was actually going to meet you this evening.”

If she had not arrived in time, he would have left already.

“But I beat you to it.” Gu Weiwei smiled naughtily.

No wonder he had been checking his watch and seemed to be in a hurry to leave. So he was going to meet her.

“Yes, you did.” Fu Hanzheng caressed her face, looking gentle.

Just as he was thinking about her, she appeared in front of him in surprise.

“I will meet you in the future, it is too troublesome for you to come to me all the time. Anyway, because Yuan Meng is around, it is very easy for me to dress up as someone else.”

With her arms around his waist, Gu Weiwei told him her plan.

She was actually slow-witted. Why had she not thought of Yuan Meng’s skill earlier? If she had, it would not have been so troublesome to meet him in the past!

“Okay.”

Seeing the girl’s shining eyes, Fu Hanzheng could not help but kiss her lips.

Gu Weiwei thought for a while and said excitedly, "Also, when I am done with the movie, I can apply to be your assistant. Then I can go with you anywhere you want."

But she had to find Yuan Meng and learn how to create this disguise herself, as soon as possible, so that it would be easier for her in the future.

"No need, you don't have to do that, Weiwei," Fu Hanzheng said guiltily.

Gu Weiwei looked up at the man's gentle eyes. "But I want to see you every day, only then can I see you every day..."

Before she finished her words, Fu Hanzheng took hold of her face and kissed her gently.

Startled, Gu Weiwei looked up and passionately responded to the man's kiss, spilling out their love and longing.

Fu Shiqin came out to answer a call and heard his brother's voice. He went over to him.

Didn't his brother leave to meet his sister-in-law? Why was he here?

Then he saw a man who looked familiar from behind the tree, kissing another young and handsome man passionately.

One of the figures looked very familiar, and when he got closer and saw the two of them, he was totally confused.

"Brother!"

### **Chapter 1058: Sister-in-law?**

Hearing the voice, Fu Hanzheng released her lips and put on the glasses for her.

Then he turned to Fu Shiqin.

"What is it?"

"..."

Fu Shiqin was still on the verge of breaking down inwardly. Wasn't this the time to ask him if he was okay?

Shouldn't he ask him if he was fine?

"You can go in now." Fu Hanzheng urged coldly.

Fu Shiqin threw a look at his brother and then at the young man in his brother's arms.

"Brother, what... are you doing? Aren't you going to see sister-in-law? Why are you meeting a man here? Are you letting sister-in-law down?"

...

Although his brother did not like women before his sister-in-law, he had never liked men either.

Why was he suddenly gay?

Fu Hanzheng frowned impatiently. "Shut up and go in."

He did not want to waste their rare meeting time.

"I am not going in." Fu Shiqin looked at the young man in his brother's arms and almost burst into tears. "Brother, even if you can't be with sister-in-law, you can't mess around with a man..."

Damn, he had failed his sister-in-law and his brother.

He was not careful and his brother had become gay.

"..."

Hearing Fu Shiqin's words, Gu Weiwei laughed so hard that she was shaking.

She suddenly felt very playful, and so she cleared her throat and said to Fu Shiqin in a low voice "President Fu and I truly love each other, it doesn't mean anything to you!"

"You... shut up, my brother and sister-in-law are in true love!" Fu Shiqin bellowed.

Oh man, what should he do? His brother was gay and dumb, what about his sister-in-law?

"President Fu just said that he only loves me," Gu Weiwei imitated a man's voice and continued to tease Fu Shiqin.

Fu Shiqin raised his hand and pointed at the man who was seducing his brother with a trembling finger. Then he pointed at his brother in disappointment.

"I was so... wrong about you. I don't have a brother like you."

Fu Hanzheng looked down at the girl in his arms and said helplessly, "Still not done?"

Seeing that Fu Shiqin was truly frightened, Gu Weiwei greeted him with her normal voice.

"Hello, Second Master, long time no see."

Hearing his sister-in-law's voice, Fu Shiqin got startled and stuttered.

"Who on earth are you?"

"Are you blind? Will your brother kiss anyone else apart from me?" Gu Weiwei said.

But she was glad that he was defending her and Fu Hanzheng.

"Sister-in-law?!" Fu Shiqin suddenly realized something.

"Got it, can you leave now?" Gu Weiwei urged with a smile.

She did not want to waste time explaining these things to him.

Fu Shiqin patted his frightened heart. "Then continue, I will leave now."

So it was his sister-in-law! She had frightened him. He had thought that his brother was really with a man.

He knew that his brother would never be interested in anyone else apart from his sister-in-law.

But how could he still kiss his sister-in-law when she was dressed like a man?

He took a few steps and thought of something. He turned around and reminded them.

“You better go somewhere else. It is not safe here. If anyone sees you, we will be in big trouble.”

He knew that she was his sister-in-law, but no one else knew.

If they accidentally made the headlines, his brother would be rumored to be gay and the matter would be very serious.

### **Chapter 1059: Fu Hanzheng’s Gossip**

Fu Hanzheng and Gu Weiwei exchanged a look and decided to listen to Fu Shiqin’s advice. They left the banquet and went to Jinxiu Compound.

Although she had not lived here for a long time, everything was neat and tidy.

Their relationship started in this apartment, so it was inevitable that they would feel something when they returned to their home.

Fu Hanzheng removed the glasses, removed the wig and asked as he adjusted her hair.

“Leaving tomorrow?”

“Yes, the actors will be on set tomorrow, so I have to be there to direct them,” Gu Weiwei said as she wrapped her arms around his waist.

Fu Hanzheng caressed her soft hair and asked, “Have you eaten dinner?”

Gu Weiwei shook her head and pursed her lips. “I was in a hurry to meet you, so I forgot.”

Yuan Meng had spent a few hours disguising her, and because she could not wait to meet him, she did not eat dinner.

Fu Hanzheng removed her hands from around his waist, opened the fridge and found some food, he cooked it and they ate together.

Then they each made a cup of black tea and talked on the sofa in the living room, neither of them willing to sleep.

Gu Weiwei was nestled in his arms lazily. The familiar arms and scent surrounded her, making her feel very relieved and happy.

“How did you recognize me?”

She could not believe that it was her when she looked at herself in the mirror. However, he recognized her at one glance.

“It doesn’t matter what you become, I will always know it’s you,” Fu Hanzheng said.

Even if she could disguise herself as someone else, he was too familiar with her.

Every move, every look and smile was enough for him to recognize her.

Especially when he saw the joyful and cunning look in her eyes, he was very familiar with it.

Gu Weiwei sighed in defeat. She had not told him that she was coming to find him, just to tease him.

But he saw through her before she did anything, so she had to make fun of Fu Shiqin instead.

She could not help but laugh when she thought of how Shiqin became hopping mad.

She leaned against him and said, "If your family forbids us from being together, I will dress up as a man and be with you."

Fu Hanzheng kissed the top of her head and mumbled, "It won't come to that."

The two of them stayed in Jinxiu Compound for the entire night. There was no lingering across skin, but they watched the sky turn from night to day.

At seven in the morning, Gu Weiwei checked the time and said gloomily, "I need to leave for the airport."

Fu Hanzheng made a call and asked Lei Ning to pick her up.

Then he helped her put on the wig and said with a gentle voice, "No matter how busy the filming is, you must take a good rest. Don't let me find out that you are overworked."

When she devoted herself to work, she would work too hard.

"Got it." Gu Weiwei took hold of him and said unwillingly, "Don't leave work so late."

Fu Hanzheng saw her off and she went over to where Lei Ning was waiting. Seeing her leaving in Lei Ning's car, he returned to the apartment to wash up and get changed.

Then he rushed to the company for work.

After the morning meeting, Xu Qian rushed to his office nervously.

"President Fu, a media company caught you behaving intimately with a man last night."

Didn't Boss only love the Lady Boss?

How could he possibly behave intimately with a man?

Fu Hanzheng thought for a moment and said, "Don't worry about it."

"Don't worry, if they report it...?"

Xu Qian looked at his boss in disbelief. The news would cause a sensation and the stock prices would drop.

"Get them to report it," Fu Hanzheng said.

## **Chapter 1060: Fu Hanzheng's Gossip 2**

Xu Qian did not understand what he intended, but he did not suppress the news.

So while Gu Weiwei boarded the plane and rushed to the Film Town in the South, the news spread like wildfire.

Fu Shiyi had just finished his work and returned to the capital from abroad. His agent said in fright, "Third Master, Boss has been caught in a scandal."

"Gossip?" Fu Shiyi was startled. Had his brother and sister-in-law been photographed meeting in secret?

The agent gave him the phone. "Some media outlets filmed Boss behaving intimately with a young man last night. This is all over the news."

"With a man?" Fu Shiyi grabbed the phone and mumbled, "Impossible, my brother is..."

Before he finished the words, he saw the attached picture of two men hugging each other.

Also, was one of them really his brother?

What was going on? He had only been gone for a few days and his brother had become gay?

He went through several news reports and found that not only were they hugging each other, but there were also pictures of them leaving hand in hand. Some reports even speculated that they had spent the night together.

Everyone online was speculating about his brother's sexual orientation. Also, his brother had never had any scandals with women, so even when he was with sister-in-law, only a small portion of people knew about it.

Therefore, when such a report was published, everyone online believed that his brother liked men.

That was why he had never gotten married or had a girlfriend. It turned out that he had a boyfriend in secret.

He made a call to Fu Shiqin. "Second Brother, what is going on with our brother's news? Is our brother really in a relationship with that man?"

Fu Shiqin said, "Yes, and they kissed too. What about it?"

"What about it? Everyone thinks that our brother is gay, what do you think is wrong?" Fu Shiyi bellowed.

"But he did hug someone, and the reports are all true." Compared to Fu Shiyi who was furious, Fu Shiqin was very calm.

If his brother had not approved of it, such a report would not have been published.

This report was not for anyone else but his parents.

"I..." Fu Shiyi was furious and asked, "What about sister-in-law? He is in such a mess with a man, then sister-in-law... No, Second Brother, you are hiding something from me."

He had not thought of it before, but now he realized that something was wrong. Something was very wrong.

Fu Shiqin was way too calm for such a big matter.

“No way!” Fu Shiqin was trying very hard not to tell him.

“Who is the man in the picture?” Fu Shiyi asked.

“I don’t know, I am still investigating,” Fu Shiqin said calmly.

That person was Sister-in-law in disguise, but it was impossible to find out now.

Hearing Fu Shiqin’s tone, Fu Shiyi said straightforwardly, “That man must be sister-in-law.”

Fu Shiqin sighed. “How did you know?”

He had not even recognized that it was his sister-in-law, and he had only seen the picture on the news. How could he be so sure that it was his sister-in-law?

Fu Shiyi snorted. “Our brother can’t do anything with anyone else apart from her!”

Although he was a bit frightened when he saw the photos, it was not hard to figure out who that man was.

Normally, even he and Fu Shiqin would be kicked away, let alone men.

If that man was not his sister-in-law, his brother would not have been able to do that.

Also, Yuan Meng, who was next to his sister-in-law, was an expert in dressing up as a man. She had even tricked him when they were at the wedding.
