

MY HIDDEN 1061

Chapter 1061: The Test

Gu Weiwei switched off her phone after she boarded the plane. The moment she got off the plane, she rushed to the film studio to make arrangements for the shoot tomorrow. It was already six in the evening when she returned to the hotel.

Jolin came to her room anxiously. "Did you see the news about Boss?"

Gu Weiwei took the glass of water from Lei Ning and asked in astonishment, "News?"

Fu Hanzheng was always on the financial news and she had never paid much attention to him.

Jolin passed the newspaper to her. "Boss had a scandal with a man last night."

Gu Weiwei was just drinking water when she choked at the sight of the picture.

"..."

What was going on?

She had not been photographed meeting him so many times before, but when she met him for the first time last night, the media caught it and reported it.

"This news is obviously fake, yet it is all over the internet, saying that this mysterious man is Boss' boyfriend," Jolin said furiously.

If he had not known about her relationship with Boss, he would have believed such news.

After all, Boss had never had a girlfriend or gotten married all these years. Everyone had been suspecting his sexual orientation, but now that the news was out, it was undoubtedly true.

Gu Weiwei touched her nose guiltily. She had not expected that she and Fu Hanzheng would end up in this position in the headlines.

"Well... you can stop worrying about it, I will ask him."

If she explained this matter to Jolin, it would also be related to why she and Fu Hanzheng got a divorce.

"There is a gathering in one hour, don't forget to leave on time," Jolin said and left the room.

Gu Weiwei did not call Fu Hanzheng until he left.

"What is going on with the news?"

"The media was searching for a rich second-generation heir and a model at the banquet, and they accidentally filmed us," Fu Hanzheng said calmly.

Gu Weiwei sighed helplessly. "Then what should we do now? If we don't clarify the matter, there will be a huge misunderstanding."

"Don't worry. We don't need to do anything," Fu Hanzheng said.

“But everyone will suspect your sexual orientation...” Gu Weiwei whispered.

This kind of misunderstanding was very hurtful for men.

“As long as you don’t suspect anything.” Fu Hanzheng was not affected by the news.

“But...” Gu Weiwei frowned and suddenly realized something. “You did it on purpose?”

Fu Hanzheng said, “Did what?”

“Without your permission, such news would not have appeared,” Gu Weiwei said. With his influence in the capital, if the media caught onto such a thing, they would not dare to release it without informing him, unless they wanted to die.

Fu Hanzheng chuckled. “I will deal with it, don’t worry, I will call you later.”

“Alright.” Gu Weiwei sighed and hung up.

If this was a report approved by Fu Hanzheng, she could only guess that he was trying to test the reactions of Fu Shengying and the Old Lady at the old mansion.

Fu Hanzheng answered Mrs. Fu’s call after coming off the phone call with Gu Weiwei.

“Hanzheng, your father and grandma asked you to come home. We saw the news today.”

“Got it.” Fu Hanzheng agreed and hung up.

Fu Shiqin received a call too. He put down his work and went over to him.

“Brother, the newspaper that took the pictures has been dealt with.”

His brother was trying to test his father and the Old Lady’s reaction through this matter, to see if they would rather accept him and the man or him and his sister-in-law.

Chapter 1062: With That Man?

“Yes,” Fu Hanzheng answered briefly and left with Fu Shiqin.

When they returned to the old mansion, Fu Shiyi had already arrived.

Fu Shengying stared at the two people who came in with a dark face and pointed at the newspaper on the table before they sat down.

“What is going on?”

Fu Hanzheng glanced at the newspaper and sat down calmly.

Fu Shengying sighed and looked at Fu Shiqin, knowing that he would not be able to get anything out of him.

“Didn’t you go to the banquet with him yesterday? What happened?”

Fu Shiqin shrank his neck under his father’s glare and said honestly as he sat down, “The paparazzi was filming a scandal between a rich second-generation heir and a famous supermodel, and they

accidentally filmed our brother. When our brother saw the news this afternoon, he asked someone to silence the newspapers...”

What he meant was that this report was not made by them but by someone else. They had already shut down the newspapers out of anger.

“I didn’t ask you how they got the pictures. I asked you about your brother and that man!” Fu Shengying slapped the newspaper on the table and stressed his point.

Fu Shiqin glanced at his brother discreetly and then at his father as he said cowardly, “Dad, I don’t dare to say it.”

Fu Shengying glanced at Fu Hanzheng and said to Fu Shiqin, “Tell me! What can he do to you?”

Fu Shiqin threw a helpless look at his brother and said, “We were supposed to attend a banquet, but our brother drank too much and...”

“He is hugging a man after drinking too much. Is that something your brother is capable of?” Fu Shengying said furiously.

“Well... that man looks a bit like sister-in-law. Our brother got drunk and mistook him as sister-in-law and kissed him,” Fu Shiqin said as he stole a look at Fu Shengying and the Old Lady. “But our brother did not see her, he just... mistook this man for her...”

Fu Shiyi watched Fu Shiqin’s performance with great interest. He was almost as good as him.

Then he cooperated with him exaggeratedly.

“He did and he even kissed him, right?”

Fu Shiqin sighed helplessly and whispered, “He truly misses my sister-in-law.”

Fu Shengying got so nervous that he turned to Fu Hanzheng who had been silent.

“Is what he said true?”

“It is,” Fu Hanzheng said coldly.

Fu Shengying did not fully believe him. He looked at him and then at Fu Shiqin.

“The media took pictures of you and dared to report it without informing you?”

It was not clear whether it was an accident or a deliberate one.

“What are you talking about? It is just a small news agency. They even sold some pictures and made a fortune.”

Fu Shiqin got so annoyed that he struck the table. The news agency had made the arrangements, so of course he could not let anyone know that his brother had instigated them.

“Look at you, how will people look at you and the Fu Family?” Fu Shengying looked at Fu Hanzheng angrily.

Now the whole Hua Land was saying that he liked men.

“You asked our brother to get a divorce, but you did not allow him to see sister-in-law. Our brother drank too much and when he saw someone who looked like sister-in-law, he could not help but feel helpless. Can’t you at least understand?” Fu Shiqin spoke up for his brother.

Fu Shengying glared at Fu Shiqin and snapped at Fu Hanzheng.

“Were you really with that man last night?”

Chapter 1063: My Brother Met That Man Again

Fu Hanzheng looked calm.

“Yes.”

“You... you...”

Fu Shengying pointed at him and was so annoyed that he did not know what to say.

Fu Hanzheng stood up coldly. “It is enough that I don’t see her. Don’t worry about what I do with anyone else.”

“Of all people, why did you have to mess around with a man? You are so shameless!” Fu Shengying said furiously.

“I don’t care,” Fu Hanzheng said.

.

“Even if you don’t care, we still want to maintain your dignity!” Fu Shengying bellowed.

“I told you that I have already done what you asked me to do. Don’t ask me to do anything else.”

Having said these words, Fu Hanzheng stood up and left.

Fu Shengying leaned against the sofa, losing all the previous energy he had to lecture him.

Mrs. Fu asked someone to bring over the medicine and urged him to take it.

“Why can’t we talk nicely? Why must we argue?”

Fu Shengying took the medicine and felt better.

“Of course I must say something, he is with a man...”

Seeing the pictures in the newspaper, Fu Shengying felt his head aching even more.

Old Lady, who had been silent, sat in the wheelchair and asked someone to fetch the newspaper. She said to Fu Shiqin after reading it for a while, “You mean this person... resembles Gu Weiwei?”

“Yes, they look alike.” Fu Shiqin nodded.

Old Lady asked again, “Where is Gu Weiwei?”

“The filming of the new movie is starting, and she is making a movie at the Film Town in the South,” Fu Shiyi answered instantly.

When Fu Shiqin said that she looked like sister-in-law, they would definitely suspect that it was her.

After all, apart from her, his brother had never been so close to anyone else.

But his brother would not let them find out that it was his sister-in-law.

Hearing the Old Lady’s words, Fu Shengying came back to himself and made a call to check the person in the picture.

However, a few minutes later, Xu Qian called.

“Second Master, Boss asked me to pick someone up.”

“Just pick him up, what are you telling me for?” Fu Shiqin glanced at his father and said, “I have something to do, I am hanging up now.”

“Boss asked me to pick that man up.” Xu Qian repeated.

“Who?” Fu Shiqin asked.

“It is... the man in the picture,” Xu Qian said anxiously.

Fu Shiqin threw a look at his father and turned on the speaker.

“The man in the picture, did my brother ask you to pick him up?”

“Yes, Boss is waiting for me to meet him.” Xu Qian sounded anxious and panicked as he mumbled, “The news today has caused the company’s shares to drop by a few points. Boss is meeting that person again too, if anyone knows about it...”

“He still wants to meet him?” Fu Shiqin felt his forehead and mumbled, “Is my brother crazy?”

“Then... should I do it or not?” Xu Qian asked.

“You... go pick him up first, I will go there now too,” Fu Shiqin said, hung up and went out.

“Shiqin, you must persuade your brother...” Mrs. Fu saw Fu Shiqin off and sighed as she returned to the living room. “What happened?”

“What do you mean what happened? You made my brother get divorced, and now he is not taking it well.” Fu Shiyi glanced at the family elders in the room and mumbled, “After being provoked, it shouldn’t be a surprise when people do something abnormal.”

“What do you mean abnormal? He has become like this with a man.” Fu Shengying struck the table.

What was he up to, by asking Xu Qian to pick him up today?

Chapter 1064: My Brother

Fu Shiyi was not affected by the anxiety of the others at home. Instead, he tried to persuade them calmly.

“So be it. It is not Gu Weiwei, what is there to be angry about?”

“Shut up!” Fu Shengying glared at him angrily.

“Honestly, when my brother liked women, you forced him to divorce and now my brother has found someone he likes and you are not satisfied. What do you want my brother to do?” Fu Shiyi sighed deeply.

“No matter what, he can’t... fall for a man,” Fu Shengying said angrily.

“So what if he is a man? There are many men who love each other in this world.” Fu Shiyi blinked at his father and snorted. “Anyway, if my brother is gay, you are the ones who forced him to become gay. If he didn’t divorce sister-in-law, none of this would have happened.”

“Fu Shiyi!” Mrs. Fu interrupted him and bellowed. “Can’t you think of something better?”

“I don’t care, as long as my brother likes him.” Fu Shiyi shrugged and said calmly, “I don’t mind if my brother brings a male sister-in-law home.”

“Alright, stop arguing.” Old Lady coughed a few times in the wheelchair and weakly said, “Get someone to see what is going on.”

If it was really Gu Weiwei in disguise, that would be fine.

If it was not her, it would truly have been another man...

The family was not in the mood for dinner, so Fu Shiyi was the only one eating.

He had just eaten his fill when his father received a picture and video sent by Lei Meng.

Xu Qian drove the man to Landscape Villa and Fu Hanzheng came out to pick him up. The man even brought him something.

Fu Hanzheng opened it and was very happy.

They talked as they walked into the villa side by side, followed by Fu Shiqin and Xu Qian.

Having read the message, Fu Shengying called Lei Meng.

“They are still at the villa?”

“Still inside, we have been discovered, we can’t go in.” Lei Meng replied.

“Did you find out Mu Weiwei’s schedule?” Fu Shengying asked.

He had to make sure that Gu Weiwei was not in the capital, so he could find out if she was pretending to be that man.

“Miss. Mu has been busy with the filming of the new movie. She flew to the film studio in the South this morning and is no longer in the capital.” Lei Meng confessed.

Fu Shengying turned pale and hung up without saying a word.

“What did he say?” Mrs. Fu and the Old Lady asked him anxiously, after seeing him sitting there silently.

Fu Shengying sighed with a heavy expression. "He is really meeting that man. He even brought him to Landscape Villa."

"What?" Mrs. Fu was very anxious.

Old Lady asked, "What about Gu Weiwei? Isn't it Gu Weiwei?"

"She went to the film studio in the South and is not even in the capital anymore," Fu Shengying said and sighed deeply.

He had thought that it was Gu Weiwei in disguise, so he was not troubled.

But it was not her, which made him panic.

"It really is not her?" Old Lady did not believe him and asked again.

"No, Lei Meng has already asked someone to take a look at the film studio. She is indeed there and not in the capital." Fu Shengying sighed helplessly and said in confusion, "He was not like that before."

Before he met Gu Weiwei, he did not like women, but neither did he say that he had any preferences towards men.

He had a relationship with Gu Weiwei, which meant that he liked women, not men.

What was going on? Why was he suddenly interested in men after getting divorced?

Chapter 1065: Gu Weiwei

Fu Shiyi was eating fruit after the meal as he looked at the elders who were very concerned about his brother.

When they heard Fu Shiqin saying that the man looked like sister-in-law, they had thought that it was Gu Weiwei in disguise.

Therefore, they thought that his brother did not truly like men.

"It was not the case before, but now he has fallen for a man, what can we do?"

"He and that woman got married. He likes women, but now..." Fu Shengying said and sighed heavily.

Fu Shiqin sat down with a plate of fruits and analyzed while he ate.

"There are bisexual people in this world who like women and also men. My brother probably has this type of orientation."

It seemed that compared to his brother being gay, they were more accepting of him liking women, even if that woman was Gu Weiwei. They could not accept a man.

Old Lady sighed. "The problem lies with that woman."

"You don't want our brother to be with Gu Weiwei, and my brother has divorced her and hasn't seen her. It is not a relationship that can be forgotten just because you want it to be. Now that he has met a man who looks like her, what do you still want, no matter how displeased you are?" Fu Shiyi said.

Fu Shengying and the Old Lady exchanged a look and sighed at the same time.

He and Gu Weiwei made them uncomfortable, and they were even more displeased when he was with a man.

When he was with Gu Weiwei, his family was unhappy. If something like this happened to him with a man, not only would they be displeased, the company would also be affected.

Mrs. Fu glared at Fu Shiyi who was making sarcastic comments. "Eat, eat, eat! Don't you two know how to persuade your brother?"

"Can we stop him?" Fu Shiyi said innocently.

Now that she knew that her son was gay, she must be anxious.

Mrs. Fu was so anxious that she almost burst into tears.

"Is he really going to have a relationship with that man? What will happen in the future?"

If she had known that after his divorce this was going to happen, she would have let Gu Weiwei stay.

Old Lady got a headache just thinking about it. "Why did he choose a man who looks like Gu Weiwei? He just can't let go of that woman."

"That is why my brother can't forget about his old relationship and neither can he see sister-in-law. Now that he has met someone who looks like sister-in-law, we should understand why he is acting differently." Fu Shiyi tried to persuade the elders.

"Stop adding fuel to the fire. I asked you to come home to think of a solution, not to talk nonsense." Fu Shengying glared at Fu Shiyi.

"What can we do? Just let him be. My brother likes a man, and it is better than him being entangled with Gu Weiwei, right? Be open-minded," Fu Shiyi said.

"You..." Fu Shengying was already very angry, but after hearing his words, he became even angrier. "Get out of my sight."

"Alright, alright, I will leave." Fu Shiyi went to the side with the plate of fruits and chuckled inwardly at their anxiety.

"What time is it now to be arguing? Think of something." Mrs. Fu urged.

Old Lady and Fu Shengying exchanged a look and said to Mrs. Fu after a long consideration, "Go to the film studio in the South and meet Gu Weiwei, ask her to... persuade him."

They all knew what Hanzheng was like.

No matter how much they tried to persuade him, he would not listen.

He had only ever listened to her in the past and she was the cause of everything. It would be useful for her to persuade him.

Chapter 1066: The Fu Family's Retreat

“You want her to persuade him?” Fu Shengying looked at the Old Lady, doubting his own ears. “Are you agreeing to reigniting their old flame?”

He had forced them to divorce and now he was contacting Gu Weiwei to persuade Hanzheng. Wasn't he agreeing to their relationship?

“I did not agree to that. Let's solve the problem now and stop Hanzheng from being involved with that man.”

Old Lady stressed that she was trying to cut off Fu Hanzheng from that man.

With his temper, no matter how much they tried to persuade him, he would not listen.

But he had approached that man only because that man resembled Gu Weiwei.

If Gu Weiwei tried to persuade him, he should stop his ridiculous behavior and clarify the matter.

She knew very well that none of their words were as effective as Gu Weiwei's.

Although they were divorced, they could only ask her to change his stance.

Otherwise with Fu Hanzheng's stubbornness, not only would he not clarify the rumor, but he would also have more dealings with that man. By that time, he would not be able to clear his name.

“If they contact each other again, will they be able to break up in the future?” Fu Shengying said worriedly.

If they let go and allowed them to contact each other, they would never be able to reconcile.

“They are divorced now, what else can happen?”

Now they were divorced, but Hanzheng was also so close to another man.

“If we ask her to persuade him now, shall we just let them continue staying in contact afterwards?” Fu Shengying said.

“That is better than nothing. Right now he is in contact with a man!” Old Lady said.

As long as he did not marry her, they could keep in touch. They would turn a blind eye to it and pretend that they did not know anything.

Seeing the Old Lady relenting, Mrs. Fu also tried to persuade Fu Shengying.

“Didn't you see how many directors have called this afternoon? If we don't clarify this matter, it will be very difficult to explain.”

Actually, she suspected that they had done it on purpose.

But it was a good thing that the Old Lady was willing to relent.

Fu Shiyi showed the stock market page to his father. “Another drop.”

Fu Shengying glared at him and still could not come up with another idea. He felt that if he let go, he would not be able to talk with that woman again.

“If we don’t clarify this matter, there will be rumors about my brother coming out of the closet online.” Fu Shiyi reminded his father as he played with his phone.

His brother was really daring to use such a thing to test his father and grandma.

Also, it had reached the point where everyone knew about it.

Fu Shengying felt his forehead and waved his hands.

“Alright, as you wish, Old Lady.”

Mrs. Fu let out a sigh of relief and said to Fu Shiyi, “Shiyi, call her and ask her if she can talk with your brother about this.”

Now that the matter was getting out of hand, if she did not stop Hanzheng from clarifying the matter, it would be too late to rectify.

Fu Shiyi texted Fu Shiqin and his brother and made a call to Gu Weiwei after hearing what his mother said.

But it was Jolin who answered the call.

“What is it? We are busy.”

“Jolin, ask my sister-in-law to answer the call.” Fu Shiyi urged under the expectant gaze of the family.

“She is telling the actors about the scene and she has no time. We can talk about it after this scene,” Jolin said and hung up.

Chapter 1067: The Fu Family’s Retreat 2

Fu Shiyi said to Mrs. Fu angrily as he held the phone, “She is talking with the actors and has no time to answer the phone.”

“Still busy at this hour?” Mrs. Fu frowned.

“It is a night scene, Jolin said that he will call you after the shoot finishes,” Fu Shiyi said.

The family sat together and waited anxiously. An hour later, Gu Weiwei called back.

“What is it? Tell me, we have one more scene to shoot.”

Fu Shiyi cleared his throat and asked, “Did you see the rumor about my brother? Also, my brother met that man again tonight, so can you talk him out of it?”

Hearing his words, Gu Weiwei stayed silent for a moment.

Wasn’t she the one on the news? Didn’t this man already know about it? What was he talking about?

“It is none of your business if we break up, but if you don’t, my brother will really become gay...” Fu Shiyi said exaggeratedly.

Gu Weiwei could tell that he was on the phone, while the elders of the Fu Family listened in.

What he said meant that the Fu Family must not have seen through her disguise.

Now they all thought that Fu Hanzheng was in a very intimate relationship with a man, so they asked Fu Shiyi to make this call so she could persuade Fu Hanzheng.

She was just worried that when the news was out, the elders of the Fu Family would find out about her meeting with Fu Hanzheng.

So she told Yuan Meng that she should dress up as she did the day before to meet Fu Hanzheng and deliver the things she left for Fu Hanzheng.

It was probably because of this that they believed that Fu Hanzheng was meeting a man, not her.

So she said to Fu Shiyi, "Third Master, your brother and I are divorced. His matter has nothing to do with me and so I can't help very much."

Fu Shiyi must have turned on the speaker, so she had to cooperate with him.

She could not agree so quickly, otherwise she would be suspicious.

"Why is it none of your business? That man looks so much like you, are you really going to watch my brother be with that man?" Fu Shiyi asked anxiously.

Gu Weiwei stayed silent for a moment, feeling helpless. If she had not pretended to be that man, she would have believed his words.

"Third Master, I really can't help you with this matter, I still have a scene to do..."

"Sister-in-law, sister-in-law, you are the only one who can save my brother, otherwise if he has anything to do with that man, he will become gay." Fu Shiyi begged her.

Hearing him calling his brother gay, Gu Weiwei got so annoyed.

"That is his own choice, I have no right to interfere."

Fu Shiyi threw a helpless look at Fu Shengying and the Old Lady, looking helpless.

Mrs. Fu felt a bit anxious and said as she took over Fu Shiyi's phone, "Weiwei, this is a very important matter. If Hanzheng does not clarify anything to the public, it will affect the company and the Fu Family. We tried to persuade him but he did not listen. Can you talk with him? He has always been obedient to you..."

Gu Weiwei stayed silent for a few seconds and said, "Mrs. Fu, I promised not to talk with him any more. I really can't help you with this matter."

"Weiwei, this is not what I mean, but what the Old Lady and Hanzheng's father request," Mrs. Fu said quickly.

She just could not figure out if they had done it on purpose or if it truly was an accident.

Hearing Mrs. Fu's words, Gu Weiwei was startled. Did that mean that... the Old Lady had given in and asked her to contact Fu Hanzheng to clarify the matter?

Chapter 1068: Fu Hanzheng Won

Mrs. Fu did not hear her speak for a long while and said again, "Weiwei, he won't listen to us. If you don't have time to meet him, you can call him and persuade him not to talk with that man anymore."

"I... I will call him when I finish the work here." Gu Weiwei agreed.

She had only disguised herself as a man to meet him, but she had not expected that this would happen.

She knew that if they were photographed, he could press down the matter with just one word, but he had to make it onto the headlines so that everyone would misunderstand his sexual orientation.

However, this situation had made the Old Lady and Fu Shengying stop objecting to their relationship. That was something she had not expected.

But she still felt a bit guilty when she and the three brothers worked together to trick the elders.

"Okay, don't forget." Mrs. Fu stressed again.

Seeing her hanging up, Fu Shengying sighed and said, "Will it work?"

"If it is useless, then we can only accept our brother being gay," Fu Shiyi shrugged and said helplessly.

The Old Lady had just recovered and his brother could not help but play tricks on them.

Fu Shengying glared at him. "Are you trying to cause trouble?"

"No, no." Fu Shiyi shrank his neck, although that was exactly what he was thinking.

Old Lady sighed tiredly and said to the nurse, "Take me back to my room, I am tired."

After the Old Lady left, Fu Shengying looked at Mrs. Fu and said, "You better go to the Film City in the South and make it clear to her that just because she is in contact with Hanzheng doesn't mean that we will approve of their relationship."

"Dad, the river has not been crossed over yet, and you want to tear down the bridge already?" Fu Shiyi snorted.

Weiwei had just agreed to help his brother and now he was trying to warn her not to have any improper thoughts about his brother.

Mrs. Fu agreed.

"Let's wait and see if Hanzheng changes."

"My mother is indeed wise." Fu Shiyi answered instantly and said, "She managed to persuade my brother but if she is displeased... She can still easily stimulate our brother once again."

Fu Shengying squinted at him. "Do you think that your brother is so brainless?"

"He's now interested in men. Who's smarter, him or me?" Fu Shiyi countered and ran away.

So far, his brother has won this round.

If the Old Lady and his father were willing to relent now, then there was a possibility that they could be convinced if they continued to be together.

On the other side, Gu Weiwei did not call Fu Hanzheng until she finished the work and went back to the hotel to rest.

"I don't need to tell you anything, I am sure you already know about it. Your family asked me to call you and tell you not to hang out with that man in the pictures."

She did not need to tell him anything, because Fu Shiyi must have told him about it already.

Fu Hanzheng chuckled. "I am afraid that it is impossible for us not to meet. We will be in contact for the rest of our lives."

"What should we do now?" Gu Weiwei asked.

It was rumored online that he had never been involved with any women because he liked men.

She had been worried that her relationship with him would be on the headlines, but she had never expected that the first time she was in a scandal with him, it would be this crazy.

"I will ask someone to clarify the matter tomorrow, don't worry," Fu Hanzheng said with a gentle voice.

Now that the Old Lady and his father had given in, even if they were in contact in the future, as long as it was not too frequent on the surface, they would not object too much.

Chapter 1069: Embarrassment

"I am not worried, what do I have to be worried about?" Gu Weiwei chuckled. After all, the man he met was herself.

He was not really in a relationship with a man, so she did not need to worry.

Fu Hanzheng thought of what Fu Shiyi had told him, saying that Mrs. Fu might visit her, so he added.

"If my mother comes to you, no matter what, you can't tell her the truth."

If they found out that they were testing them on purpose and that she had pretended to be a man to meet him in secret, the conflict would become even deeper.

Therefore, apart from them, no one at home could know about it.

"I know, but..." Gu Weiwei sighed and asked, "Is it really okay for us to work together to trick your family?"

"I was the one who started it, not you," Fu Hanzheng said.

She was just here to meet him and truthfully even though the journalists took a picture of them, he could totally press them down.

But he wanted to use this opportunity to test the Old Lady and his father's attitude, so he deliberately let the news be exposed.

Luckily, something unexpected happened.

"I am just an accomplice then, right?" Gu Weiwei asked in amusement when she saw the newspaper on the table. "How dare you ask someone to report such a thing? You are so shameless."

Although this matter could be clarified to the public, not everyone would believe it.

“The results are more important than saving my dignity,” Fu Hanzheng said.

This concerned their future, and it was much more important than his pride.

Also, he felt that it was worth sacrificing some pride to obtain the final desired result.

Gu Weiwei chuckled. Of course she knew that he was trying to get their family’s approval, so they could be together.

“Grandma Fu has just gotten better, don’t make her too angry.”

“I will be careful.” Hearing that she was still worried about him, Fu Hanzheng said, “Are you very busy these days?”

“The filming is not going well, so I am quite busy,” Gu Weiwei said.

“Then I can’t visit you in the coming days?” Fu Hanzheng asked.

Gu Weiwei thought for a while and said, “Let’s wait a while longer. I will be free when the filming starts going smoothly.”

After all, being a director was not like being an actress.

The actors had their own specific scenes, so they could take a rest, but the director could not.

Fu Hanzheng sighed. “Alright, take care of yourself. I will visit you when you are free.”

“It is late, rest early.” Seeing that it was getting late, Gu Weiwei was about to end the call with him.

She had to get up and start work early tomorrow morning, so she needed to rest.

“Good night.”

Fu Hanzheng said goodnight to her and unwillingly hung up.

After he finished the call, Fu Shiqin craned his neck and asked, “How do we clarify the matter now?”

“Get Xu Qian to prepare a statement,” Fu Hanzheng said calmly.

“A statement?” Fu Shiyi laughed and said, “Do you think that if you make a statement saying that you don’t like men, people will believe you?”

That was not the way to clarify the gossip, alright?

“What else can I do?” Fu Hanzheng asked.

Fu Shiyi, who had been in the entertainment industry for a long time, gave a very sincere suggestion.

“Isn’t this a picture of you being intimate with a man? You have to show a picture of you being more intimate than this with a woman, so that others will believe you. Words are useless.”

Chapter 1070: Clearing the Scandal

Fu Shiqin rolled his eyes at him and said, "Then are we releasing our brother's wedding pictures?"

Only the pictures of his brother and his sister-in-law showed such intimate behavior.

Fu Shiyi thought for a while and pulled out a picture from his phone. It was a picture of them taking a walk in Slovakia.

"Release this one. Sister-in-law did not show her face and the background only contains grass, so we can't tell where it was taken. Also, this one shows the gentleness in our brother's eyes, so we can totally clear up the gossip using this picture."

Although now the other leading role in the rumor would still be his sister-in-law.

Fu Hanzheng took a look at it and nodded in satisfaction.

Fu Shiqin contacted the public relations department and arranged for the media to report the matter.

The following morning, several authoritative media outlets published their reports one after another.

However, when Fu Shengying saw the picture in the newspaper and recognized that it was a picture of Fu Hanzheng and Gu Weiwei in Slovakia, he was displeased.

"He used this one?"

Having said these words, he made a call to Fu Shiqin.

"What are you doing? We told your brother to clarify the situation and yet he used such a picture?"

Hearing his father's displeased tone, Fu Shiqin explained.

"This is a good way to clarify the matter. Didn't you see the stocks rising the moment the report was published?"

"How is this a good way? Who asked you to log their pictures?" Fu Shengying was a bit annoyed.

Fu Shiqin glanced at his brother who was busy with work and continued to talk with his father.

"Do you expect that just by making a statement, the public will believe it? Of course it would be more convincing to show our brother with a woman."

"..." Fu Shengying was speechless.

"Also, you know that apart from taking pictures with her, my brother has never taken pictures with any other woman."

Fu Shiqin's argument made his father speechless.

"Alright, alright, that is all."

Fu Shengying hung up impatiently. The newspaper had already been published, what else could he do?

There was nothing wrong with this matter, but he felt that something was wrong.

"Alright, as long as the matter is clarified, what are you not satisfied with?" Mrs. Fu glanced at her husband who had a serious expression.

“No, I feel that these brats are hiding something from us,” Fu Shengying mumbled.

Mrs. Fu gave him some food and urged him.

“What are you thinking about? Eat your food.”

Little did he know he was right, his three sons did not tell the truth, they were just hiding the fact that Hanzheng and Gu Weiwei were in a relationship.

Since the Old Lady was willing to agree, it meant that they were going to be together and the Old Lady might approve of them in the future.

Anyway, apart from Gu Weiwei, Hanzheng would never fall for any other girl, so he just let them be.

After all, although Hanzheng had always been mature and understanding, he was a very indifferent person when it came to relationships. It might be a rare opportunity for him to meet Gu Weiwei.

“Go to the film studio in the South as soon as possible and tell her everything,” Fu Shengying said.

“If I go in a week or two, she will burn bridges after helping you. You can do it, but I can’t,” Mrs. Fu said.

Fu Shengying glanced at her. Although he was a bit displeased, he had nothing to say.

Although she had to warn Gu Weiwei that just because they asked her for help now, they would agree to let her be with Hanzheng.

But firstly, she had to see how Hanzheng was doing before going to her.
