

# MY HIDDEN 1221

## Chapter 1221: Bad Mom

Even with Fu Hanzheng's help, Gu Weiwei was still very tired from taking care of the two children overnight.

Early in the morning, she fed the two children and gave them to the nursery teacher, whilst she and Fu Hanzheng ate breakfast at the table, feeling drowsy.

Because of the children, she did not dare to sleep too deeply.

And she had woken up so many times in one night that she felt dizzy.

Seeing the serious dark circles under her eyes, Fu Hanzheng felt both concerned and helpless.

"Eat and sleep."

He could not even stand the two of them arguing throughout the entire night, let alone her recovery.

Gu Weiwei nodded. "I'll eat a bowl of porridge, drink a cup of water and go back to sleep."

She had overestimated her own physical ability. It had only been one night and she had been defeated by them. How was she going to take care of them in the future?

Fu Hanzheng saw her back to the room, covered her with the blanket and kissed her forehead.

"Get some rest, I will be back early in the afternoon."

"...Yes," Gu Weiwei answered drowsily.

Fu Hanzheng left the master bedroom and went to find the two nursery teachers.

"If you have nothing to do at lunch, don't disturb Madam's rest."

Luckily, the two children were not very reliant on breast milk, so when they were hungry, they could feed them with milk powder instead of sending them to her.

"Got it, Mr. Fu." They agreed.

Fu Hanzheng did not leave for work until everything was settled.

It was almost noon when Gu Weiwei woke up. She hurried to the nursery when she saw the time.

The two children happened to be awake and were drinking the milk powder.

She took the younger daughter Tiantian into her arms and fed her the milk bottle with one hand. Then she lowered her head and kissed the child's forehead.

"Baby, I am sorry. I am so terrible at taking care of you."

If it had not been for Fu Hanzheng's help, she would have been very busy last night.

“Madam is not fully recovered, so it is more difficult for her to take care of the children at night than for us,” the nurse said with a smile.

They were responsible for taking care of the children and there were four nursery teachers, two for each one. Even so, there were times when they could not stand it.

Not to mention that she was still in her confinement period.

Gu Weiwei smiled. She used to be able to make it through a few nights of filming.

But now, she could not even last one night. She was too weak.

“What about Mrs. Fu following Mr. Fu’s wishes and taking care of the child after you are fully well?” The nurse tried to persuade her. “You are too tired now, so you will not be able to recover well and you may not have enough breast milk. The two children will be very pitiful.”

“Is it that serious?” Gu Weiwei was not convinced.

She had been very tired the night before and she did not feel much better after taking a nap.

“A woman suffers a great deal after giving birth to a child. She will suffer a great deal if she doesn’t rest well.” The nurse tried to persuade her.

Gu Weiwei stayed silent, wondering if she should be obedient and not take care of the two children.

She definitely could not bear to give up.

But if she did not give up, she was afraid that she would not be able to keep him and the two children company in health.

Of course, she also knew that Fu Hanzheng was most likely the one who told her these things.

If it was before, she would not have cared.

But after taking care of the two children last night, her body could not take it anymore. Only now did she seriously think about what he had said.

### **Chapter 1222: Father and Others Missing Grandson**

Fu Hanzheng came home early in the afternoon. He asked the servant if Gu Weiwei was staying with the two children in the nursery and went straight to her.

“How long did you sleep for?”

“Three hours.” Gu Weiwei confessed.

But even so, she was still tired throughout the entire afternoon. She could not fall asleep, but she felt tired too.

Fu Hanzheng sat down next to her and took hold of her shoulders.

“Then do you still insist on taking care of them at night?”

Gu Weiwei thought for a while and sighed.

“Let’s take care of them during the day and follow your suggestion.”

She had believed that she could take care of them.

However, it turned out that she was not physically able to take care of the two of them in one night.

Fu Hanzheng kissed her forehead. “Okay.”

That was exactly what he wanted. Seeing her waking up again and again last night made his heart ache terribly.

But he had tried so hard to persuade her to not take care of the child herself.

Now she knew how tiring it was to take care of the two children overnight.

“But when I recover, I will still take care of them myself,” Gu Weiwei said confidently.

She had to get well now, otherwise she would not be able to take care of them in the future.

Although she could not take care of them at night, she had enough time to keep them company during the day.

“Okay.” Fu Hanzheng agreed.

As long as she was willing to recuperate well, she could keep the children by her side in the future. The children would be a bit older by that time, so it should be easier to raise them.

Gu Weiwei looked at Fu Hanzheng’s bloodshot eyes and sighed.

“You must have been very tired last night too, right?”

She had only woken up a few times in one night and Fu Hanzheng was the one who did most of the work.

Although she had woken up a few times, the most she had done was to feed the child. But changing the diaper and mixing the milk powder... Fu Hanzheng was doing all of these things.

She had slept for a few hours at noon, but he went to work early in the morning.

Her stubbornness had made herself and him suffer.

Fu Hanzheng looked at the two children and said with a smile, “No, it is quite fun.”

He was a bit tired, but seeing their cute faces, he felt that everything was worth it.

They were just talking happily, when Fu Hanzheng’s phone rang. Fu Hanzheng sounded displeased when he saw the caller.

“What is it?”

“Brother, when are you and sister-in-law coming home?” Fu Shiqin asked pitifully.

Fu Hanzheng said, “Not sure.”

“When are you going to tell our father about the children?” Fu Shiqin asked.

Fu Hanzheng stayed silent for a moment. "Watch your mouth, I will make the arrangements."

"Then tell us when you are going to arrange it," Fu Shiqin asked persistently.

Oh, he wanted to see his nephew and niece, and he did not want his family to focus their matchmaking attention so much on him.

Hearing his words, Fu Hanzheng said straightforwardly, "What on earth do you want?"

"Our parents miss their grandchildren so much. They think that you are going to die alone, so they are going to do something to Third Brother. They want us to bring our girlfriends home for the New Year! How can we bring them home?" Fu Shiqin complained.

His father and his family must have been stimulated by someone else's grandchildren, so they were in a hurry to have grandchildren.

If his brother came home and gave them the twins, his father and his family would not care if he and Third Brother got married or not. They would be enraptured by the two little buns.

### **Chapter 1223: Responsibility**

Hearing his words, Fu Hanzheng said coldly, "Now is not the time. You can solve your own problems."

The children were too young and Weiwei needed time to rest, not to return home.

Also, he planned to let his family know about their existence when the children were older.

"What do you mean by it's our own problem? We were the ones who were implicated by you!" Fu Shiqin said unhappily.

If his family had not thought that he would not get married and have children, they would not have thought about him and Third Brother.

But now, his brother, the culprit, was telling him that they could solve their own problems.

"So?" Fu Hanzheng sounded cold.

"So you must be responsible for us." Fu Shiqin expressed.

During the past few days, he had been receiving calls from home urging him to bring his girlfriend home. He was almost forced to the rooftop.

"Responsible?" Fu Hanzheng snorted.

"Yes, as long as you and sister-in-law come back to save us as soon as possible, we'll take it as you being responsible," Fu Shiqin said.

He and Third Brother were ruined because the elders wanted to have a grandson as soon as possible.

He and Third Brother did not have the grandchildren they wanted, but his brother did.

"You are the only one who needs saving, right?" Fu Hanzheng said.

With Fu Shiyi's personality, he could bring a whole train of girlfriends home.

But Fu Shiqin had been single for years and he could not bring someone home.

“...” Fu Shiqin was speechless.

Yes, Fu Shiyi told him that he was taking Ding Dongdong home.

But New Year’s Eve was next week, where was he going to find a girlfriend?

“Good luck.”

Fu Hanzheng said two words and rang off ruthlessly.

When he was making the call, his son Youyou had already woken up.

Gu Weiwei picked up the child, changed his diaper and asked, when Fu Hanzheng rang off, “Your brother?”

“The family is urging him and Fu Shiyi to bring their girlfriends home, it seems that they want them to get married.” Fu Hanzheng confessed.

But that was almost impossible.

Fu Shiyi was a playboy in love and he would not give up an entire forest for a single tree.

Fu Shiqin had been single for years and he would never bring his girlfriend home to get married.

“They are getting married?” Gu Weiwei chuckled. She had never expected that to happen.

“They said that they want grandchildren, but it hasn’t worked with me. They are desperate,” Fu Hanzheng said.

Startled, Gu Weiwei stayed silent with the child in her arms and said, “Then... when are we going to tell your family about Youyou and Tiantian?”

“Wait until the children grow up, but don’t tell them. Let them find out for themselves,” Fu Hanzheng said mysteriously.

“Find out for themselves?”

Gu Weiwei could not guess what he was up to.

“When the time is right, tell them that the children are with you, but don’t let them know that we are together in secret.” Fu Hanzheng looked at her and then at Youyou in her arms and said, “They want grandchildren now, and they will try their best to get the children back from you, don’t give them to them.”

They could not be able to take the children from her, so if they wanted to be grandparents and great-grandparents, they had to let them remarry.

But the two children were still too young to be of use in this plan.

#### **Chapter 1224: The Process is Not That Important as Long as the Purpose is Achieved**

Gu Weiwei felt helpless after hearing his words.

“Must you do this?”

Although she had known that she was going to put on a terrible show for the elders of the Fu Family, she was afraid that she would not be able to play the role.

“If we tell them the truth, they will not accept it so easily. Instead, they will be angry because we have been together behind their backs,” Fu Hanzheng said.

Therefore, they must not let the family know that they had been together and that they were living in Dubai together.

As long as these things were hidden, when they knew about the existence of the two children, they would definitely do everything they could to bring the children back to the Fu Family.

As long as she insisted on not giving them to them, they would definitely compromise and let them remarry for the sake of the two children.

“That sounds reasonable.”

“As long as the goal is achieved, the process is not that important,” Fu Hanzheng said with a smile as he held her in his arms.

They were just talking when Tiantian woke up too.

Fu Hanzheng went to pick up the child, checked the diaper skillfully and said after he found that everything was fine, “She must be hungry.”

Gu Weiwei left Youyou in his arms and went to breastfeed her little daughter.

With his son in his arms, Fu Hanzheng looked at the mother and daughter next to him, looking very gentle.

Before they had children, he had thought that with children, she would focus more on the children and he would become increasingly jealous.

However, when these two little ones really arrived, he was not feeling that way at all.

Seeing her giving birth to two children, he wanted to take good care of their children.

...

At the Gu Family’s mansion in A Land.

Unlike Fu Hanzheng and Gu Weiwei’s family, who lived in secret in Dubai, the Gu Family had always been quiet and even a bit sinister.

Ling Yan’s death did not affect Gu Siting at all. He was still busy with work, but when he returned to the Gu Family’s mansion, he often lingered in the room where Gu Weiwei used to live.

Sometimes, he would talk to himself in the empty room.

Mrs. Gu came in with Grandpa Gu in the wheelchair and went straight to Gu Siting’s room.

They looked calm and serious. “You went to meet Will Dorrans?”

Gu Siting came back to himself and looked up at the two people at the door.

He did not admit or deny their question.

Although the meeting was very secretive, they still knew about it.

“Grandpa, I am in charge of everything in the Gu Family. I hope that if anything happens, you will not come and interrogate me.”

“You made the decision because you colluded with the traitor of the Dorrans Family?” Mrs. Fu asked furiously.

“The Gu Family can’t be controlled by Cayman Dorrans forever,” Gu Siting said.

He had been threatening him with their lives. If he went to Weiwei again, he would kill his mother and grandfather.

But he did not want to give up because of his threat.

As long as he was alive, he would object to him seeking out Weiwei.

Therefore, in order to meet her again, the first obstacle he had to get rid of was Cayman Dorrans.

He knew that he and the Gu Family were not strong enough to fight against him.

But there were so many people who wanted his life, and as long as he helped, he could get what he wanted.

He could stop being threatened by Cayman Dorrans and others could get what they wanted.

### **Chapter 1225: You Are Not What She Likes**

Hearing his words, Grandpa Gu, who was not feeling well, got so annoyed that he coughed violently and almost could not catch his breath.

“You still haven’t given up on Weiwei.”

Cayman Dorrans had threatened him, but if he did not look for Weiwei, everything would be fine.

But he refused to give up. Even if he had to work with Will and Anderson, he had to get rid of Cayman Dorrans.

“Do you want me to see the person I have been looking forward to so much, helping Fu Hanzheng?” Gu Siting countered.

He made an exchange with Gu Yun Che and she had really returned, which meant that he had gained everything he had suggested.

But when he got her back, she ended up being with Fu Hanzheng. How could he accept that?

“Are you going to ruin the Gu Family because of her?” Grandpa Gu slammed the arm of the wheelchair and asked furiously.

Whether it was Gu Weiwei or Mu Weiwei, they were no longer related to the Gu Family.

But Gu Siting refused to give up. He still wanted her to return to the Gu Family.

He even wanted to work with someone to get rid of Cayman Dorrans.

Whether he could succeed or not, if he targeted Cayman Dorrans, the Fu Family would take advantage of the situation. Didn't he think about the difficulty the Gu Family would have?

And all of this was for a woman who would never return to his side.

Gu Siting stayed silent. At this point, he would not hesitate to make a bet with the Gu Family or even with the devil.

"Siting, no matter what you do, Weiwei will never come home." Mrs. Gu tried to persuade him.

She had not paid too much attention to Weiwei's movements in Hua Land, but she knew that she and Fu Hanzheng were almost getting married.

And she would not have married Fu Hanzheng, if she had not truly liked him.

Since he was the person she truly liked, no matter what Siting did, she would never leave Fu Hanzheng and return to the Gu Family, which had once killed her.

"I don't believe that it is impossible," Gu Siting said resolutely.

Of course he knew that he was gambling with the fate of the entire Gu Family.

Logically, he should give up and let her be with Fu Hanzheng.

But he could not help himself.

When he found out that she was still alive, he could not sleep a wink.

She was right within his reach but he could not get close to her. That was such a torment.

Grandpa Gu said furiously, "Tomorrow... I will hold a board meeting and remove you from your position at Gu's Enterprise."

Gu Siting looked at the elderly Grandpa Gu and said ruthlessly, "Grandpa, the Gu's Enterprise is no longer something you can control."

He had taken over the Gu's Enterprise for years and most of the people in the Enterprise were his trusted aides. It was impossible to drive him out of the position, even if he was his grandfather.

"You..." Grandpa Gu looked at Gu Siting and got so annoyed that he could not breathe.

Mrs. Gu put on the oxygenating equipment and looked at her stubborn and scary son in disappointment.

"You want her back so badly, but look at yourself, you don't look like someone she would like."

## **Chapter 1226: You Are Not What She Likes 2**

"..."

Gu Siting looked at his mother in astonishment, feeling his heart aching.

Mrs. Gu gritted her teeth and countered.

“You can’t let her go and you want her back so badly, but are you the person she likes? If you are not, why must she come back?”

...

Weiwei wanted to be with someone warm and sunny, but this sinister-looking Siting was not someone she would like.

Facing Mrs. Gu’s question, Gu Siting stayed silent for a long time.

“She liked me.”

“So many things have happened, and everything has changed. She has changed, so have you. You are no longer the person she liked, and she is no longer the Weiwei she used to be.” Mrs. Gu looked at her son who was obsessed with the past, feeling both annoyed and concerned.

Everyone had come out from the past, except for him who had trapped himself in the past and wanted everything to return to how it was before.

But Weiwei was no longer the original Weiwei and she no longer had him in her heart.

“Even if everything has changed, the Fu Family is not a place she should stay. They will not accept her relationship with the Gu Family,” Gu Siting said.

Fu Hanzheng and she were divorced and the elders of the Fu Family did not allow them to be together any more.

Maybe she did not want to come home yet, but one day, she would.

Mrs. Gu threw a look at Grandpa Gu and did not want to talk with Gu Siting any more.

“You were not like this before. You are a crazy person now. No one will like a crazy person.”

Having said these words, she left with Grandpa Gu.

Seeing them off, Gu Siting stood still for a long time.

Yes, he was crazy.

He had gone crazy the moment he found out that she was still in this world, overjoyed, and ready to marry Fu Hanzheng.

But only she could cure his craziness.

He looked around the room she used to live in and suddenly realized that he had never left.

After her wedding with Fu Hanzheng, he had not had a chance to see her again.

He could only find out about her through the news.

Because after Cayman Dorrans took away her body, he not only threatened him not to meet her but also removed the person that he had arranged to track her.

After she showed up at the promotional events of the movie, Life Reboot, she had completely disappeared.

He searched all the entertainment news in Hua Land and even the international board every day and found no news of her. And all the people he arranged to track her down did not have time to gain anything before they were discovered by Cayman Dorrans.

He had no idea where she was or who she was with or what she was doing.

This feeling almost made him collapse.

That was why he wanted to get rid of Cayman Dorrans, so that he could approach her again.

Although he knew that such a decision was very risky, that was the only way he could get news of her and see her again.

But he was also worried that Fu Hanzheng would deal with him while he dealt with Cayman Dorrans.

Also, because of Weiwei, Fu Hanzheng and Cayman Dorrans might work together.

Even if it was not on the surface, they would still take care of each other in secret, which made their plan even more difficult.

That was the last thing he wanted to see, but he had to be on guard.

### **Chapter 1227: Single Men**

Soon, it was Chinese New Year.

Fu Shengying kept reminding Fu Shiyi and Fu Shiqin to bring their girlfriends home, and he was very worried about the New Year.

Mrs. Fu was not in a hurry. She was mentally prepared that none of them would be able to bring a girlfriend home.

Therefore, she was happily preparing the reunion dinner with the servants.

Fu Shengying and the Old Lady were drinking tea in the living room and could not sit still.

“No, I need to call them.”

Having said these words, Fu Shengying put down the newspaper, got up and made a call to Fu Shiyi.

“Where are you? How much longer before you return?”

“I’m on the way to pick up my girlfriend,” Fu Shiyi said.

“Really?” Fu Shengying was not convinced.

Fu Shiyi countered. “Didn’t you want me to bring my girlfriend home?”

“Okay, okay, you pick her up, be careful.”

Hearing that he was really going to bring someone back, Fu Shengying felt very consoled.

After the conversation with Fu Shiyi, he made a call to Fu Shiqin.

“Shiyi is picking up his girlfriend, how much longer do you have?”

“I don’t have a girlfriend, where can I find one?” Fu Shiqin asked.

Forget it, he better stay at the company for the New Year.

“I don’t care where you find her. You must bring someone home today, or you will suffer!” Fu Shengying threatened.

Fu Shengying sighed. “Alright, alright, I will come back, I will bring someone back too.”

With his brother away from home, he and Third Brother were having a very difficult time.

Fu Shiqin rang off and called Fu Shiyi curiously.

“Where the hell did you get a girlfriend?”

“Dongdong is my future girlfriend,” Fu Shiyi said proudly.

He had spent a great deal of effort to persuade Ding Dongdong to come home with him for the New Year’s Eve dinner.

“We agreed to be single, but you found a girlfriend in secret. What happened to being united as brothers?”

Fu Shiqin was furious. They had both gone home empty-handed a few days ago and he was not sure how he was doing.

“Dongdong did not promise me a few days ago, but now she has promised me. Of course it is different.” Fu Shiyi sounded very proud as he said, “You are single, don’t drag me into it.”

“Damn you!” Fu Shiqin rang off furiously.

If neither of them brought a girlfriend home, they would be battered together.

Damn, Fu Shiyi had lured Ding Dongdong here, so he was the only one suffering against the firepower of his father and grandmother.

After thinking for a while, he made a call.

“Let’s eat at my place later.”

The man agreed instantly. “Sure, come and pick me up.”

Fu Shiqin agreed unwillingly, finished the work and went downstairs to pick him up.

One hour later, the sky turned dark.

In the capital city, which had always been a bustling place, there were very few cars and Fu Shiyi drove Ding Dongdong back to the Fu Family’s mansion.

He had just parked the car and was about to enter the house with Ding Dongdong, when he heard the sound of a car. He turned around and saw that it was Fu Shiqin’s car.

“Hang on, hang on, I want to see who Second Brother has brought home.”

Fu Shiqin’s car pulled over behind him and saw Fu Shiyi and Ding Dongdong.

“Traitor!”

“You are just jealous!” Fu Shiyi put his hands over Ding Dongdong’s shoulders and said gloatingly, “If you dare to come home alone, our father will punish you!”

“Who said that I came home alone?” Fu Shiqin said as he knocked on the window. “Why are you still inside?”

Fu Shiyi looked at the opened car door and got startled when he saw the man coming out of the car.

### **Chapter 1228: Second Brother**

Fu Shiqin did not bring home a girlfriend... but He Chi.

He Chi got out of the car and glanced at Fu Shiyi who was looking at him weirdly.

“What are you looking at me for? Is this your first day knowing me?”

“When did you and Second Brother come out?” Fu Shiyi looked at them with a flirty smile.

“Out of the closet? You just came out!” He Chi snapped.

Fu Shiyi said with his arms crossed, “Our family asked us to bring our girlfriends home today, but Second Brother brought you home and yet you say that you are not out of the closet?”

Although he knew that it was impossible, he would definitely make fun of them when he had the chance.

“Damn, Fu Shiqin, when did you have a crush on me?” He Chi turned to Fu Shiqin and asked.

“Get lost, I don’t have a crush on you, you stupid man! What are you still doing standing here?”

Fu Shiqin could not stand the two clowns and entered the house himself.

Fu Shengying and family were waiting for them at home, when they saw Fu Shiqin coming in alone.

“Where is your girlfriend?”

“Behind you,” Fu Shiqin said.

When he called him, he only said that he was bringing someone home, not specifically a man or a woman.

Having said these words, Fu Shiyi pushed He Chi into the house and said, “This is Second Brother’s girlfriend.”

Fu Shengying and the others looked at He Chi weirdly.

“Uncle, Aunt, Grandma Fu, I am just here for food. If you don’t welcome me, I... I will go home,” He Chi said angrily.

His parents were long gone and he used to come to the Fu Family for food. It was not the first time for him to come to their home for dinner.

So when Fu Shiqin asked him to join them for dinner, he followed him.

Unexpectedly, his family asked him to bring his girlfriend home for dinner.

“Forget it, you are already here,” Mrs. Fu came back to herself and said.

He Chi did not stand on ceremony and stayed after hearing what Mrs. Fu said.

Fu Shiyi introduced the woman he had brought home and said, “Here, this is Ding Dongdong who I told you about.”

Ding Dongdong cooperatively said, “Hello, Uncle Fu, Aunt Fu and Grandma Fu, I am Ding Dongdong.”

Fu Shengying sized her up and nodded in consolation.

The girl looked pretty and elegant, and it would be nice if he could get what he wanted... a grandson.

“What does Miss. Ding do?”

“I’m a racer and I also work as a model.” Ding Dongdong confessed.

“Racer?”

Fu Shengying sized up the tall and slender girl in astonishment. There were many men in the racing field and very few active female drivers.

“Yes, I heard that you have collected many antique cars, Uncle Fu, I am very interested,” Ding Dongdong said.

Fu Shiyi laughed dryly. If it had not been for this, she would not have come with him.

“I did keep some. If you are interested, you can take a look at them later,” Fu Shengying said generously.

“Really? Thank you, Uncle Fu,” Ding Dongdong said happily.

Due to Ding Dongdong’s arrival, Fu Shengying had forgotten to deal with Fu Shiqin, so the atmosphere at the dinner table was quite harmonious.

They were talking when Ding Dongdong asked, “Oh yes, President Fu and Weiwei are not coming home for the New Year’s Eve dinner?”

Hearing this, everyone fell silent.

Fu Shengying coughed and said, “They are divorced. Hanzheng has a job in Dubai and he is not coming home this year.”

“Divorced?”

Ding Dongdong looked at them in astonishment. Although the wedding had been cancelled, Mu Weiwei and Fu Hanzheng should not have ended up getting a divorce.

**Chapter 1229: I Am a Straight Man**

Seeing his father and the Old Lady looking displeased, Fu Shiyi elbowed Ding Dongdong's arm and threw a look at her.

Ding Dongdong had wanted to ask why they were divorced, but seeing Fu Shiyi's expression, she gave up.

They looked so compatible. It would be a pity if they were divorced.

"Alright, eat now, don't let the food get cold."

Mrs. Fu broke the awkward atmosphere and urged everyone to eat.

After dinner, Fu Shengying was about to show Ding Dongdong his car collection when the Old Lady stopped him.

"What is there to talk about with an old man like you?"

Fu Shengying understood what the Old Lady meant and smiled.

"Shiyi, I am a bit tired, please take Miss Ding there."

Fu Shiyi threw a very grateful look at his father and took Ding Dongdong to the underground parking lot.

The moment they left, Fu Shengying threw a look at Fu Shiqin and He Chi, who were playing with their phones.

"What is going on with you two?"

"Both of us?" He Chi blinked. What was wrong with them?

Fu Shengying sized them up and said, "You two are really in that kind of relationship?"

"What kind of relationship?" Fu Shiqin looked confused.

Fu Shengying stared at them and said, "You two don't have a girlfriend and have never been in a relationship, but you are always together. Are you sure you are not in that kind of relationship?"

Startled, He Chi raised his hand and said, "Uncle Fu, I am just here for a meal, don't think too much about it. Second Brother and I are very pure. I like women and he likes women too, don't think too much about us."

He came for a meal, why would people think that he and Second Brother were gay?

He was such a straight man, how could he be gay?

"Alright, what are you thinking?" Mrs. Fu interrupted Fu Shengying's ridiculous conjecture and said, "Let's call Hanzheng and ask him how he is doing."

However, no one answered the call the first time, and it took a long time for the second time.

"What is it?" Fu Hanzheng sounded as cold as ever.

"It is New Year's Eve at home today, how is it going?" Mrs. Fu asked.

"Very good," Fu Hanzheng said simply.

He had been helping Weiwei to bathe the two children but had to stop and went upstairs to answer the call.

“Didn’t you say that you would be gone for one year? Then you should be able to return in half a year, right?” Mrs. Fu asked.

They were not used to him being gone for so long.

“Not necessarily,” Fu Hanzheng said.

If he planned to go home when the children were older, he would have to stay here for some time.

Mrs. Fu sighed in disappointment.

“Want to talk with your father and grandma?”

“No need, just take care of yourselves,” Fu Hanzheng said.

Mrs. Fu pursed her lips and said, “No matter how busy you are, don’t forget to take good care of yourself.”

“Okay.”

Having said these words, Fu Hanzheng rang off.

Mrs. Fu hung up and sighed.

“He might not be able to return in half a year.”

After all, he would rather stay abroad because of the divorce.

“Is he planning to never return to this home?” Fu Shengying asked with a dark expression.

“You asked our brother to get a divorce. Even if he comes back from Dubai, he can still go somewhere else and never come home.” Fu Shiqin snorted.

Recently, the old man seemed to have regretted making his brother divorce.

Now the success rate of his brother’s remarriage plan would be even higher.

### **Chapter 1230: Fu Hanzheng**

Fu Shengying was already in a bad mood because he did not bring his girlfriend home and had brought He Chi with him instead. Now that he was interrupted, he was even more speechless.

“Shut up.”

“I was wrong. Just you wait and see. Even if my brother is back, he will leave soon. Hua Land is a sad place that can’t be stayed in, any longer,” Fu Shiqin said and sighed pitifully.

Startled, He Chi followed Fu Shiqin’s words.

“Yes, he even asked me to prescribe him antidepressants before he left.”

Damn.

Fu Hanzheng was in the arms of his lovely wife in Dubai and his children were by his side. He was living a much sweeter life than them, but they were playing the role of him being alone and miserable.

“Antidepressants?” Mrs. Fu’s face changed.

“Yes, the wedding was ruined and he has already gotten the divorce certificate and now he has left. How depressing.” He Chi sighed.

Fu Shengying and the Old Lady looked displeased too. They knew that they had put him in a difficult position.

She had thought that since he had always been calm and rational, the divorce would be over soon.

Unexpectedly, he was forced into this situation.

If they did not get a divorce, they would feel very uncomfortable seeing Gu Weiwei entering the house. But now he had got a divorce, they were feeling even more uncomfortable seeing him in this state.

“Is it really that serious?” Fu Shengying asked He Chi.

Fu Shiqin blinked at He Chi, indicating that he should play the role well.

He Chi sighed and said slowly, “You all know how he used to be. His only feelings were entrusted to this person, and now that he has to be separated, he has lost his feelings. He will definitely be depressed.”

He was having a wonderful time in Dubai, but they were helping him to fool the elders of the Fu Family. That was enough.

Fu Shengying thought that it made sense. Hanzheng did like Gu Weiwei a lot.

He would find it very difficult to accept that she had been divorced and cut off from him. No wonder he did not want to stay in the country and went to Dubai.

Seeing his father’s serious expression, Fu Shiqin knew that they had convinced them.

After his brother got a divorce, he had not been showing up at home.

When his father and the rest had become concerned enough, his brother and sister-in-law would come home with the children. With some more planning, the remarriage would be successful.

Mrs. Fu sighed and said, “Speaking of which, Gu Weiwei rarely appears after her last movie was released.”

“I heard that she is studying abroad and preparing for a new movie,” Fu Shiqin said without changing his expression.

“Apart from that, she is actually an excellent child in every aspect.” Mrs. Fu sighed.

That child was so innocent.

She had suffered so much at the Gu Family and now she was suffering so much at their hands.

“They are divorced, what are you talking about? Do you want them to remarry?” Fu Shengying snorted.

“What remarriage? There are so many people courting her now, including the prince of Sweden and the eldest grandson of the Qin Family. They are all fighting to marry her, why should she remarry our brother?” Fu Shiqin said.

“If she remarries just like this, she is not a devoted person.” Fu Shengying snorted.

Fu Shiqin threw a look at his father and said, “You don’t allow her to be with our brother and yet you don’t allow her to marry anyone. You are so strict.”
