

MY HIDDEN 1351

Chapter 1351: Long Life?

Gu Weiwei laughed dryly and said helplessly, "Qianqian is very career-minded and she has no intention of getting married."

It was not as if they had never met before. If they were really fated, they would not have needed anyone to try to set them up. They would have already been together for a long time.

Luo Qianqian had no feelings for Fu Shiqin and Fu Shiqin had no feelings for her either. If they were forced to be together, they would both be embarrassed.

"Sigh, what a pity. That child looks quite nice." Old Lady sighed.

Fu Shiqin let out a sigh of relief and looked at his sister-in-law gratefully.

However, his father's words shook him again.

"What about dating Qin Man?"

Fu Shiqin almost choked on the soup. "Dad, do you think that your son has lived too long?"

He could not control a woman like Qin Man.

He knew that his father had always regretted that Qin Man had failed to become his sister-in-law and not joined the Fu Family.

But he could not let him marry her just because his brother did not want to.

There were two people he feared most in his life, one was his brother and the other was Qin Man.

There was already one person he was afraid of at home and if he was asked to marry the other one, it would not be a surprise if he died.

"Qin Man is so talented, it would be a pity if she doesn't marry into the Fu Family," Fu Shengying said.

"Why should I marry her instead of my brother?" Fu Shiqin put down his chopsticks and seriously expressed his rejection. "Let's stop here. If you mention anything more about me and Qin Man, I will kill you!"

Qin Man was such a bully and their families were just friends. He was almost always mistreated by her and yet, would he still dare to marry her?

"Alright, let's stop talking. Qin Man has a good family background, but she is too sharp and not suitable for Shiqin," Mrs. Fu said something fair and helped him out.

Hanzheng might be able to control a woman like Qin Man, but Shiqin was not able to.

But Hanzheng had someone else in his heart, so the marriage between the Qin Family and the Fu Family was doomed.

“Then he can find someone by himself.” Fu Shengying snorted.

Hanzheng already had two children, so they would not force him to get married.

Shiyi seemed to have found a girl he wanted to court, but Shiqin had not courted a girl for years.

“Didn’t we agree not to interfere with their relationship? What are you doing now?” Mrs. Fu reminded him gently.

They had agreed with the Old Lady that they would not interfere too much with the children’s relationship, as long as they liked someone they found themselves.

Gu Weiwei was involved with the Gu Family, which was why they strongly objected to her and Hanzheng remaining married.

As for Shiqin and Shiyi, as long as they found someone they liked, they would be happy to see it.

“Yes, but look at how calm he is!” Fu Shengying sighed.

The entire family was talking about Fu Shiqin’s marriage, but Fu Hanzheng and Gu Weiwei stayed out of it. They ate their food in silence and occasionally glanced at the two children brought in by the nursery teacher.

Gu Weiwei was full and put down the bowl and chopsticks.

“I am done, take your time.”

Having said these words, she got up to carry the children and asked the nursery teacher to pack up the things she had brought with her.

When the two children’s things were packed and the Fu Family had finished their food, they were not in a good mood when they saw her leaving with the two children.

Old Lady urged Fu Hanzheng. “Hanzheng, she can’t take care of the two children alone, drive them home.”

“Okay..” Fu Hanzheng agreed.

Chapter 1352: Mom

No matter how unwilling Fu Shengying and the others were, they still watched Gu Weiwei carry the two children into the car.

Mrs. Fu even packed the new clothes and toys for the children and stuffed them into the trunk. “They liked these toys this afternoon, let them play with them.”

In order to let them happily stay at home for a few hours, they bought almost all the toys that a one-year-old child could play with.

“Thanks.”

Gu Weiwei thanked them politely and placed the two children into their car seats. Then she sat down next to them, so that she could take care of them.

Seeing them all seated, Mrs. Fu said to Fu Hanzheng, “The children are in the car, so be careful and stay safe.”

“Yes,” Fu Hanzheng answered briefly, put on his seat belt and drove away.

Fu Shengying watched their car leaving and sighed when they were out of sight.

“I don’t know when they will return next time.”

“Since you want your grandchildren back so badly, don’t be so stubborn.” Old Lady glanced at him and said, “What is wrong with letting Hanzheng win her back? Won’t you be able to meet your grandchildren righteously that way?”

“They are two different things,” Fu Shengying said with a serious expression.

“Alright, alright, just continue being stubborn. I am already old and I don’t know how much longer I can live for. If I don’t see Youyou and Tiantian returning to the Fu Family in this lifetime, I will not die in peace and I will blame you, even if I become a ghost,” Old Lady said fiercely.

She had gotten over Gu Weiwei being related to the Gu Family. As long as Hanzheng got Gu Weiwei back, the four of them could live a peaceful life and they could often see Youyou and Tiantian, so she had nothing else to ask for.

But this stubborn old man refused to let go. He wanted Youyou and Tiantian to come home, but he refused to accept the child’s mother coming home too.

“You are still healthy, what are you talking about?” Fu Shengying returned back inside with his hands behind his back.

“Let me tell you, you can abandon this daughter-in-law, but the two children can’t abandon their mother.” Old Lady followed him into the room and said seriously behind his back, “Think about this as soon as possible.”

If he kept this mentality, she would never be able to wait for the two children to return to the Fu Family.

However, no matter what they said, Fu Shengying did not relent.

Fu Hanzheng drove Gu Weiwei and the two children back to villa seven. After parking the car, he helped her carry the two children out of the car.

Fu Shiqin was driving behind them. Seeing them stopping the car, he stopped too.

Also, he ran over to help Gu Weiwei carry the children the moment he got out of the car.

“Come, Tiantian, let Second Uncle carry you.”

Having said these words, he took the child from Gu Weiwei and mumbled to Tiantian as he entered the room.

However, the moment he entered the apartment, he saw Fu Shiyi who was lying on the sofa helplessly.

“What, got dumped by Ding Dongdong again?”

Fu Shiyi looked up at them lazily and said with a bitter face, “I tried so hard to please her, but she did not even look at me. It is too much!”

“What happened?” Fu Shiqin asked curiously.

“I brought her flowers and proposed taking her out for dinner,” Fu Shiyi said.

Fu Shiqin chuckled.. “That is such an old-fashioned way of dealing with matters.”

Chapter 1353: Loving Someone

“Then why don’t you help me?” Fu Shiyi asked provocatively.

He bought flowers out of kindness, booked a restaurant and went to pick her up from work.

In the end, she even asked several colleagues to watch the show.

He went after her again and invited her to eat out with him, but she said to him, “You don’t think that we are in a serious relationship just because we slept together for one night, do you?”

If sleeping with him for one night was not the problem, then what was?

“Didn’t you say that you know women best? Why are you asking me everything?” Fu Shiqin did not conceal the sneer on his face.

“Are you going to tell me or not?” Fu Shiyi asked impatiently. He was totally annoyed by Ding Dongdong.

“You used to flirt with girls, but never sent them flowers?” Fu Shiqin snorted.

Gu Weiwei interrupted them.

“Is she in need of flowers or a meal from you?”

He had not put in enough effort.

“Then what should I do? It is just a trick I used before and it worked on other girls.” Fu Shiyi sighed helplessly.

When he gave flowers to girls before, they would happily accept them.

“Damn you, you deserve to be dumped.” Fu Shiqin complained.

Fu Shiyi took Tiantian from Fu Shiqin’s arms and the cute girl instantly made him feel better.

“Haven’t you heard of this saying? True feelings can never be exposed, only tricks can win the heart.”

“Then take your time,” Fu Shiqin said. Ding Dongdong would be a fool to accept him when he approached her with such a lack of integrity.

Gu Weiwei sat down opposite Fu Shiyi with Youyou in her arms and tried to persuade him.

“You and Ding Dongdong better take it slow. There is no hurry. Also, have you truly understood what kind of person you like?”

Fu Shiyi kept saying that he liked Ding Dongdong, but he did not really understand what Ding Dongdong was thinking.

Compared to his current love that could not be obtained, Ding Dongdong was probably not in a better mood than him when she rejected him, even though she could not truly let go of him in her heart.

“Take our time?! How long will it take?” Fu Shiyi asked anxiously.

Gu Weiwei shrugged helplessly. “I don’t know about that. Relationships are unpredictable. When the time comes, everything will be fine.”

She was not Ding Dongdong, so she did not know what she was really thinking.

The only thing she was sure of was that Ding Dongdong still liked Fu Shiyi, but she had no idea how much longer this love would last.

“Also, learn from when our brother courted sister-in-law.” Fu Shiqin reminded him.

“Learn from our brother?” Fu Shiyi glanced at his brother who had a cold expression not too far away. He truly did not think that his brother was worth learning from.

“Stop flirting and start intentionally courting her, can you do that?” Fu Shiqin asked.

His brother had never had eyes for anyone else apart from his sister-in-law and he truly only had eyes for her.

But Fu Shiyi’s love history was too colorful, so it was inevitable that Ding Dongdong would be worried about his past love history. It would depend on whether he could solve this problem or not.

“I am very devoted right now,” Fu Shiyi said confidently.

After courting her, he had not interacted with any girls online or in reality.

“You think so, but you are not truly devoted to her. Take your time.” Gu Weiwei sighed.

Fu Shiyi was lazy and self-centered, and it was indeed difficult for him to love someone wholeheartedly.

Chapter 1354: You Take Advancement

Fu Shiyi pulled his hair in frustration. He had thought that women were easy to please, but Ding Dongdong was not.

“I have never seen such a difficult woman.”

“Then do you like her or want to court her because she turned you down?” Gu Weiwei asked fiercely.

She was afraid that Fu Shiyi was courting her because of Ding Dongdong’s rejection.

It was not because he liked her, but because he enjoyed the pleasure of being conquered.

“Both.” Fu Shiyi confessed.

Ding Dongdong happened to be his type, but this woman had turned him down time and time again, which made him look forward to getting her.

“Then you better pray for yourself,” Fu Shiqin said sympathetically.

Although Fu Shiyi was in a lot of relationships, he was not as skilled as his brother.

Gu Weiwei smiled helplessly and consoled him.

“Find a chance to talk with her about what you really think.”

It would be a good thing if Ding Dongdong could make Fu Shiyi happy.

“She did not even give me a chance, isn’t that infuriating?” Fu Shiyi sighed gloomily.

With his hands over his brother’s shoulders, Fu Shiqin mumbled, “What is there to be angry about? You speak as if you have suffered a great deal because she slept with you. You were the one who took advantage of her.”

“Second Brother, you are just jealous,” Fu Shiyi squinted and said with a smile.

His brother had a sister-in-law and children, and he was courting Ding Dongdong. Second Brother, on the other hand, had no one to marry and no woman to flirt with.

“As long as you are happy.” Fu Shiqin did not want to argue with him, so he took Tiantian from his arms. “Let’s go, Tiantian, let’s stay away from your stupid Third Uncle.”

“Second Brother, who are you talking about?” Fu Shiyi countered instantly.

They were just discussing Fu Shiyi’s relationship when the doorbell rang.

The servant went to open the door but did not let them in. Instead, she said with a serious expression, “Sir, Madam, we have guests.”

“Guests?” Gu Weiwei and Fu Shiyi exchanged a look.

Apart from He Chi, everyone they knew was here, so there were no guests they had invited outside.

The servant sized up Fu Hanzheng’s expression and whispered, “It is Miss Qin Man and Young Master Qin Lv.”

“I am not free, so I will not see them.” Fu Hanzheng turned them down before they could say anything.

They must have heard that they had returned home.

However, just as he finished speaking, Qin Man, who had been waiting impatiently outside, rushed in and asked, “Then what are you free for?”

Qin Lv followed her in and sized up the two children in the room, looking dissatisfied and sad.

“Fu Hanzheng, you are so good at hiding people, and you even had children in secret?” Qin Man sized up the two little ones and was sure that they were their children.

Over the past year, she had asked people to find out about Mu Weiwei, but she had never expected that she would be with Fu Hanzheng and give birth to his children behind their backs.

It was a pity, because if that was the case, Lui would just have to accept it.

From the beginning to the end, Qin Lv did not speak a word after he entered the room. He sized up Gu Weiwei and the child in her arms.

So she and Fu Hanzheng had children together..

Chapter 1355: Unparalleled

Fu Shiyi had been feeling depressed because of the breakup.

Now Qin Man and her nephew were here trying to steal his sister-in-law, he was even more agitated than his brother.

“Sister Qin Man, have you and your nephew still not given up on my sister-in-law? What are you going to do? My brother already has two children. Tiantian, come and say hello to Brother Lui and Aunt Qin Man.”

...

With Tiantian in his arms, Fu Shiqin said speechlessly, “Damn you! Why are you telling her to say hello when she is only six-months old?”

“Can’t you two get out of my way?” Qin Man was in a very bad mood because her niece-in-law had been stolen.

Fu Shiyi stood in front of Qin Man and Qin Lv.

“No, bite me!”

Qin Man gritted her teeth and stepped on Fu Shiyi’s feet, he was only wearing slippers. Fu Shiyi’s face twisted in pain.

“What about now?”

Fu Shiyi staggered to the sofa and sat down. “Qin Man, you are so fierce, you deserve to be left on the shelf.”¹

Without Fu Shiyi stopping her, Qin Man could finally talk with Fu Hanzheng and Mu Weiwei.

“Damn you, Fu Hanzheng, you look like you are divorced on the surface, but you are actually hiding Mu Weiwei inside your house, not giving anyone a chance.”

If he had not hidden her so well, she would have helped Xiao Lui court her.

At least it would not have been this situation, where they had two children and they knew nothing.

“Why should I give you a chance?” Fu Hanzheng sounded cold.

From the moment he decided to be with her, he would not give anyone the chance to covet her.

“You were divorced!” Qin Man said.

That was why Xiao Lui, who had planned to give up, had hope again.

They had been searching for her for more than a year and yet they had not received the news that she and Fu Hanzheng had children.

She had no idea, but recently, she heard that Fu Shengying was showing off his cute grandchildren.

Fu Shiyi and Fu Shiqin were not married, and they were not that close to any girls either. She thought that it might be Fu Hanzheng, so she asked someone to keep an eye on the Fu Family’s mansion and saw them both appearing together

“Sister Qin Man, we did get a divorce, but we did not break up,” Gu Weiwei said with a smile.

Qin Man looked at Gu Weiwei helplessly. “Weiwei, why are you so stubborn? Why do you like such a boring old piece of meat like Fu Hanzheng?”

“Old meat.” Fu Shiqin burst into laughter but stopped when he saw his brother.

“You know that he is older than you by so many years and maybe you don’t think it is a big deal now... but in a decade or two, you will be in your prime and he will be an old man...” Qin Man said, ignoring Fu Hanzheng’s increasingly cold and dark expression.

Standing next to Fu Hanzheng, Gu Weiwei took hold of his arm and said sweetly, “It is okay, men get more and more attractive as they get older.”

“I...” Qin Man was speechless.

She had known Fu Hanzheng for so many years and she had never noticed anything good about him. Why was she so obsessed with this old man?

“Qin Man, I know you mean well, but I am not suitable for your nephew and I am already the mother of two children.” Gu Weiwei stood next to Fu Hanzheng and moved her hand down his arm to his hand.

Without saying a word, Qin Lv looked at Fu Hanzheng and Gu Weiwei, feeling very disappointed.

He had thought that even if he was not as good as Fu Hanzheng, he was still a match for her.

But when he saw them holding hands, he realized that he had been wrong.

They did not seem to be the right age, but when they stood together, they looked very compatible. One could only think of the word – unparalleled.

Apart from him, no one else was a good match for her.

Apart from her, no one else should be standing next to Fu Hanzheng.

He was not convinced, but he had to accept it. No matter how hard he tried, he could not become the person in her heart.

Chapter 1356: True Love

Gu Weiwei had thought that with her level of intelligence and the fact that she already had two children, Qin Man would give up.

However, Qin Man sat down on the sofa and said with her legs crossed, "It is okay, I don't mind raising two more children."

Weren't they just two children?

If she was willing to be with Lui, raising two children would be nothing.

"We mind," Fu Shiyi and Fu Shiqin said at the same time.

She was trying to steal their cute nephew and niece! They could not stand it!

"Sorry, I think this family is already complete." Gu Weiwei turned down Qin Man's proposal with a serious face.

Qin Man looked at her in silence and then at her silent nephew.

"If you two were not really getting a divorce, you should have told us earlier. We have waited so long for nothing."

If she had known that they were divorced but not really separated, she would not have brought Lui with her.

"I can't explain everything to you." Gu Weiwei took hold of Fu Hanzheng's arm and said with a smile, "If you really want to find a girlfriend for your nephew, why don't we help you find him one?"

"No need!" Qin Lv turned her down.

"Sister-in-law, let's forget about it." Fu Shiyi tried to persuade her.

He liked you, but now that you are with our brother, you don't give him any hope and even want to introduce him to someone? That is too frustrating.

Gu Weiwei was just saying that to make him give up completely. If he was not willing, she would not force him.

Fu Hanzheng glanced at Qin Man and her nephew. "If there is nothing else, can you leave now?"

Although he knew that she had no interest in Qin Lv, he did not like Qin Lv's greedy eyes.

"No, it is not easy for us to meet each other, so please let us stay for dinner." Qin Man had no intention of leaving.

"We just ate," Fu Hanzheng said straightforwardly.

Qin Man gritted her teeth. "You don't welcome us?"

"Why should we welcome you?" Fu Shiyi massaged his feet and countered.

Qin Man stayed silent for a while, glanced at her nephew's expression and said to Gu Weiwei, "Weiwei, since you and Fu Hanzheng already have children, I won't force you to be the daughter-in-law of the Qin Family. But I just want to help Lui understand one thing."

"What is it?" Gu Weiwei asked.

"We read all the love letters you wrote to Lui and you transferred to his school because of him. Why did everything change?" Qin Man asked.

At that time, Xiao Lui often received her confession letters and she and her family had seen them more than once. The words in the letters were sincere and it was obvious that she truly liked Xiao Lui.

But soon after she went to the Fu Family, she seemed to have become a totally different person.

Gu Weiwei threw a look at Fu Hanzheng and frowned.

Why did she change so easily?

Because Mu Weiwei wrote the love letters and after she became Gu Weiwei at the Fu Family, she would no longer like Qin Lv.

But how was she going to tell them everything and make them believe her?

"Because she found that I am more worthy of her love, that is all," Fu Hanzheng answered for her.

Qin Man was not satisfied with this answer. "Fu Hanzheng, don't interrupt. We are asking Weiwei, not you."

"Everyone has been young and ignorant before. It is so easy to run into someone else and find out that you have found your true love." Gu Weiwei did not explain the real reason, because even if she did, they might not believe her.

Also, not many people should know that she was Gu Weiwei.

Therefore, she had never told Luo Qianqian or Ji Cheng anything.

"I see." Qin Lv chuckled, seemingly believing her.

Qin Man did not believe this explanation. "Why do I feel that..."

"Aunt, forget it." Qin Lv interrupted Qin Man.

He used to care about the real answer.

No matter if what she and Fu Hanzheng said was true or false, nothing would change.

She and Fu Hanzheng were already together, and she would never become the beautiful girl, who only had eyes for him, again.

Chapter 1357: Better

Qin Man refused to leave, but Qin Lv was in a hurry to leave this suffocating place.

This was a place that belonged to them and their children. There was no place for them here.

For more than a year, he had been trying his best to rise in the business field and catch up with Fu Hanzheng.

He had thought that if she had left Fu Hanzheng, she would now choose him.

However, everything he had done was a one-sided joke.

She did not break up with Fu Hanzheng. Fu Hanzheng was the only person in her heart and no one else.

“Aunt, let’s go.”

Unconvinced, Qin Man stood up and said helplessly, when she saw her nephew begging her, “Since there is no food, we are leaving now.”

Having said these words, she left villa seven with Qin Lv.

Qin Lv got into the car and could not help but shake as he sobbed in heartache.

Sitting in front of him, Qin Man sighed helplessly, not knowing how to comfort him.

When Fu Hanzheng wanted to marry Mu Weiwei, he had given up.

But after they got divorced, he seemed to have seen hope again and wanted to get Mu Weiwei back.

However, the person he wanted to get back had never given him any hope.

After a while, Qin Man gave him a tissue.

“Alright, you are a man, don’t cry so hard. Fu Hanzheng is with her, and so I will find you a better girl.”

“Aunt, no one is better than her.” Qin Lv sighed.

Qin Man sighed helplessly. It was indeed very difficult to find someone better than Mu Weiwei.

But now that she was taken, he could not possibly cling to her forever.

“Men have to be able to let go. Since you are not fated, live your own life.”

“Okay,” Qin Lv answered distractedly.

Qin Man mumbled as she drove away, “My instinct is that the Fu Family is hiding something about Mu Weiwei.”

The wedding was going well, but because of Gu Siting, Fu Hanzheng divorced her.

Although she knew that the Gu Family and the Fu Family had a grudge against each other, it was very strange that Gu Siting would cause them to get a divorce.

There was only one reason why Mu Weiwei and Gu Siting had such a secretive relationship.

For example, she was a spy arranged by Gu Siting to infiltrate the Fu Family.

But Fu Hanzheng was smart enough to notice that.

Even if he had not noticed it before, Gu Siting should not have exposed it.

But if he found out about it, shouldn't he divorce her and never talk with her? Why did he have two children with her in secret?

Qin Lv stayed silent for a while.

"You mean... Gu Siting?"

"Forget it, it has nothing to do with us." Qin Man was too lazy to say anything more. The Gu Family was the Fu Family's worst enemy. If they were too curious, they would irritate Fu Hanzheng sooner or later.

Qin Lv looked at the luxurious night scenery outside the window in silence, looking lost and miserable.

"Where are you going, home or your own apartment?" Qin Man asked as she drove.

"Back to the apartment, I want to be alone." Qin Lv sighed.

Qin Man glanced at the man in the rear-view mirror and drove him back to his apartment without asking anything more.

"Come home this weekend, don't let your mother worry."

If he went home like this, his family would definitely ask him questions.

So she asked him to get himself sorted out before going home.

"Got it." Qin Lv got out of the car and returned to the apartment he had moved into.

However, the moment he entered the apartment and poured himself a glass of wine, the doorbell rang.

He had thought that his aunt Qin Man had returned for something, so he opened the door.

But there was a strange man standing outside the door.

"Who are you looking for?"

The man bowed to him and gave him his business card.

"Hello, Master Qin, my name is Kuroda Shio."

Chapter 1358: Gu Siting and Qin Lv

Qin Lv sized him up and looked down at the business card, startled.

"The Gu Family?"

The man's business card said that he was the assistant to the President of Gu's Enterprise. Although the Qin Family did not pay as much attention to the Gu Family as the Fu Family, they had heard that Gu Siting had a capable assistant who was Japanese.

He thought that it must be this Kuroda Shio in front of him.

“Mr. Gu has a favour to ask Master Qin.” Kuroda Shio went straight to the point and revealed his purpose.

Qin Lv gave back the business card. “Sorry, I can’t help you.”

No matter how ignorant he was, he knew that the Gu Family was the Fu Family’s worst enemy.

The Qin Family and the Fu Family had been friends for years, and if he kept in touch with Gu Siting, he would offend the entire Fu Family.

Seeing that he was about to close the door, Kuroda Shio said, “Don’t you want Mu Weiwei to return to you, Master Qin?”

Qin Lv’s hand that was closing the door hesitated. This condition seemed to be very tempting to him.

“What do you mean?”

“What I mean is that as long as Master Qin cooperates with us, you will get what you want in the future,” Kuroda Shio said sincerely.

However, Kuroda Shio also understood that this was just bait to get him to join them.

President Gu would never allow Miss Weiwei to be with him. He wanted to use the Qin Family’s influence in Hua Land to deal with Fu Hanzheng, so that he could bring Miss Weiwei back to his side.

As for Qin Lv, he was just one step away from achieving his goal.

Qin Lv looked hesitant, but he did not agree.

“Why?”

“As long as Fu Hanzheng passes away and you appear by her side to take care of her, you will definitely be able to win her heart.” Kuroda Shio chuckled.

Fu Hanzheng was too guarded against the Gu Family and he knew everything about them.

Therefore, after much consideration, President Gu set his eyes upon the Qin Family, which had been friends with the Fu Family for years.

For more than a year, he had found that this Young Master Qin had been paying attention to Miss Weiwei, so he knew about the inside story.

What Qin Lv could not forget was Mu Weiwei, not Miss Weiwei.

But as long as the purpose was achieved, it did not matter who he loved as long as it could be used by them.

“Is Gu Siting out of tricks?” Qin Lv snorted and sneered. “He wants to find the Qin Family to deal with his enemy.”

“Young Master Qin, what the Gu Family wants is for the Fu Family to close down and what you want is just a woman. If you help us, you will be helping yourself too.” Kuroda Shio tried to persuade him.

Based on their investigation, he should have known that Miss Weiwei and Fu Hanzheng were still together and had two children.

But he did not seem that convinced.

“The Qin Family and the Fu Family have been friends for years and our businesses have always been in contact with each other. I am not that stupid to help you deal with the Fu Family just to bring down the Qin Family in the end.” Qin Lv snorted.

Their conditions were indeed tempting, but he knew about the relationship between the Qin Family and the Fu Family. He could not do such a rebellious thing, nor did he have the guts to do it.

“The Gu Family only wants the Fu Family, not the Qin Family.” Kuroda Shio smiled and tried to persuade him. “If Master Qin cooperates with us, everything of the Fu Family will become the Qin Family’s.”

“Gu Siting is willing to suffer such a loss?” Qin Lv sneered.

Something was wrong.

“The Gu Family and the Fu Family have a bloody grudge, and only one of them is destined to exist.” Kuroda Shio smiled deeply and said in a friendly tone, “Our goal is to get rid of the Fu Family and Fu Hanzheng, and as long as you help us, the Qin Family can share the Fu Family’s properties in Hua Land and... that girl will become yours.”

“Stop it, I can’t help you.” Qin Lv turned him down coldly and slammed the door.

Kuroda Shio stood outside the door and said persistently, “I have told Master Qin what needs to be said.. If you change your mind, you can contact us anytime.”

Chapter 1359: Gu Siting and Qin Lv 2

Without saying a word, Qin Lv heard the man leaving.

Back in the living room, he tossed the business card onto the table and took a sip of wine.

After finishing the glass of wine, he picked up the business card and looked at it for a long time, as if he were making an extremely difficult decision.

Without Fu Hanzheng...

Kuroda Shio, who had left Qin Lv’s place, called Gu Siting who was far away in A Land, after he got into the car.

“President Gu, I have met with Qin Lv.”

“Okay, stay in Hua Land for the time being and don’t be discovered by the Fu Family,” Gu Siting whispered.

Kuroda Shio stayed silent for a few seconds and said, “Qin Lv... turned us down.”

“He will come to you.” Gu Siting was very sure.

Kuroda Shio was not that optimistic. "The Qin Family and the Fu Family have been friends for years, I am afraid that... he is not willing to help us deal with Fu Hanzheng."

The Fu Family was very guarded against the Gu Family, so it was very difficult for the Gu Family to reach into Hua Land.

It was just that there was a lot of competition with Fu's Enterprise overseas.

But only if Fu's Enterprise was touched in Hua Land would the foundation of the Fu Family be affected.

It was very difficult for the Gu Family to do this, but if it was the Qin Family, who had been friends with the Fu Family for years, it would be very easy to do it.

Gu Siting smiled coldly. "In the business world, this so-called friendship is just an exchange of benefits. If we overthrow the Fu Family, the Qin Family can get considerable benefits and he can get them easily. He will not object."

"He has not agreed yet, but if Qin Lv agrees, he will not be Fu Hanzheng's match," Kuroda Shio said worriedly.

When it came to business, no one in Hua Land was better than Fu Hanzheng, otherwise the Fu Family would not have stayed in Hua Land for so many years and become so powerful.

"That is why I need you to stay in Hua Land and help him," Gu Siting said seriously.

There were too many eyes upon him from the Fu Family and he could not do many things in person, so he had to rely on Kuroda Shio to do them for him.

"Yes." Kuroda Shio agreed and asked, "President Gu, Will Dorrans seems to be in a very dangerous situation, should we interfere?"

Due to Cayman Dorrans' order, Will Dorrans, who had betrayed his family, had been attacked by many forces of the Dorrans Family. Everyone wanted to get rid of him and take over Cayman Dorrans' position.

Now Will Dorrans was cornered.

"He contacted you?" Gu Siting asked.

"His trusted aide came to me and asked me to give him a safe place to live," Kuroda Shio said honestly.

After a long silence, Gu Siting said, "Arrange a place for him to meet me."

When he formed an alliance with them, his ultimate goal was Fu Hanzheng.

As for Will Dorrans and the Anderson Family, they were just trying to distract Cayman Dorrans. He wanted Cayman Dorrans to have no time to care about him, so that he could deal with Fu Hanzheng.

Ever since he ran into them in Paris and found out that they even had a child, he was even more eager to finish everything.

He had thought that by helping them, Will Dorrans and the Anderson Family would be able to get rid of Cayman, but they had not succeeded completely and only injured Cayman.

It was even uncertain if the wound was light or serious.

“Yes.” Kuroda Shio did not ask anything more.

“Make sure no one else knows about it.” Gu Siting stressed.

Kuroda Shio was startled, as if he had thought of something.

“President Gu, are you...”

“I still have a score to settle with him. Since he is useless now, it is time to settle the score.” Gu Siting sounded cold and lethal.

Kuroda Shio knew what he was planning, but he did not stop him.

He had been with the Gu Family for so many years and he knew this man too well. No one could change his mind when he decided on something.

Ever since Miss Weiwei left the Gu Family, President Gu had always been lethal when it came to matters surrounding her.

Chapter 1360: For Gu Weiwei?

Kuroda Shio drove away from Qin Lv’s apartment and returned to his temporary home in Hua Land.

Then he called Will Dorrans and arranged a safe place for both him and his assistant.

The following day, he did not call Gu Siting until he confirmed that they were staying at the arranged place.

“President Gu, they have moved into the arranged place.”

“Got it,” Gu Siting answered and hung up the call.

After work, he went to Shengxi Town.

In a deserted villa, he met Will Dorrans, who had fled to A Land.

Due to the recent escape, Will Dorrans looked very distressed and dispirited. He had not shaved for many days and his hair had not been cut for a long time. He asked Gu Siting when he saw him, while holding a bottle of brandy, “President Gu, would you like a glass too?”

“Sure.” Gu Siting sat down on the sofa in the living room and his bodyguards followed behind him.

Will Dorrans brought over two glasses, poured some into both and raised one.

“President Gu, are you here to welcome me?”

Gu Siting raised the glass and swirled the contents, but did not take a sip.

“President Gu, I need you to get someone to escort me to Anderson so we can discuss our next step.” Will Dorrans took a sip of wine and said confidently, “We still have a chance to get rid of Cayman.”

“We still have a chance, but... you don’t.” Gu Siting lowered his eyes, looking lethal.

Will Dorrans looked angry. “What do you mean?”

“Cayman Dorrans has said that whoever kills you can take his place. What chance do you have?” Gu Siting snorted.

“His seat?” Will Dorrans snorted and took a sip of brandy. “Even if Cayman dies, he will not let anyone else take his seat.”

He had been by Cayman’s side all these years and he knew that he wanted to groom him to take over the Dorrans Family.

He had seen him kill his father with his own eyes, but all these years, he had been following him like a dog and doing everything devotedly, just so he could take over his position in the future.

However, in order to restrain him, he wanted the Gu Family to get involved with the Dorrans Family.

“No matter who takes over the Dorrans Family, it will not be you,” Gu Siting said.

“Not necessarily.” Will Dorrans looked at Gu Siting and asked seriously, “Send me to meet Anderson as soon as possible.”

Gu Siting swirled the glass in his hand and said calmly, “I will send you away, but not to Anderson.”

No matter how slow Will Dorrans was, he could hear the killing intent in the man’s voice. He reached out for the gun at his waist.

“President Gu, what do you mean? Are you trying to kill me?”

The moment he pulled out the gun, the bodyguards behind Gu Siting also pulled out their guns and pointed them at Will Dorrans. The atmosphere instantly became very tense and lethal.

Gu Siting took a sip of the brandy slowly and sounded cold.

“You tried so hard to kill Weiwei, so you have to pay her back with your life.”

If he had not been useful and had previously known that he was the mastermind behind Ling Yan, he would have killed him.

But he was useless now and he did not need to keep his life.

Will Dorrans snorted in amusement.

“I was wondering why. So it is because of Cayman’s daughter, the daughter of the Gu Family, who is not your sister. Is that really necessary?”

He had heard that he was not close to Gu Weiwei, so he did not need to kill him for a dead person.

“Really necessary?” Gu Siting looked at him coldly.

If it had not been for him, she would still be living well in the Gu Family.

Even if there was a barrier between them, she would still live within his reach and not have become Fu Hanzheng's woman..
