

MY HIDDEN 1391

Chapter 1391: Fake Charity

Luckily, the host stopped gossiping about her disappearance.

Instead, she brought the topic back to Collis and asked with a smile, "How did Miss Collis get so involved with charity?"

"Just by chance, how about Miss Mu?" Collis answered and changed the topic to Gu Weiwei. "Why are you focusing on charity?"

"My mother used to focus on the charity industry, so I must have been influenced by her," Gu Weiwei said with a smile.

"Then... what did Miss Mu bid for tonight?" Collis asked with a teasing smile.

Gu Weiwei smiled regretfully. "I haven't bid for anything yet."

"There are still some good items later on, Miss Mu should be able to get whatever you want," Collis said with a smile.

More than half of the items at auction had passed and only a few items were left.

The further along the auction went, the higher the price.

She estimated that it would cost at least tens of millions.

She had now trapped Mu Weiwei, and if she did not spend tens of millions of yuan to make a bid to support the charity, she would become a hot topic.

Either way, her money or fame would always be affected.

Gu Weiwei smiled awkwardly and said with embarrassment, "Actually, I have no intention of bidding for anything today."

Startled, Collis smiled.

"No way, I remember that Miss Mu has always been very concerned about charity, so it is not right for you to not be generous."

Her joking tone was flawless.

But Gu Weiwei was totally embarrassed.

She had already said so much. If she did not bid for anything at the charity banquet today, people would think that she was just pretending to be generous for charity without actually doing anything.

Fu Shigin got very annoyed and said with his teeth clenched, "Brother, Collis is trying to embarrass sister-in-law."

Sister-in-law had just said that she had paid attention to charity because of her mother, but when Collis pointed out that she had not done anything at the charity banquet today, she would be accused of faking her generosity if she did not spend a large sum of money.

But Fu Hanzheng looked calm as he looked at his elegant wife on the stage.

It seemed that he was not worried about her situation at all.

“Brother, if this continues, sister-in-law will have to bid on something worth tens of millions.” Fu Shigin reminded him.

Fu Shiyi glanced at him. “Second Brother, what are you in a hurry for? What is wrong with tens of millions? Our brother can afford it.”

Fu Shigin shut up. His brother and everything he owned belonged to his sister-in-law, so what if she spent tens of millions?

However, Gu Weiwei said with a smile as she stood on the stage, “The items for tonight’s auction are too expensive, so I won’t bid for them. I’ll just donate some money.”

Collis asked with a smile, “How much are you donating, Miss, Mu?”

At this moment, she was forced into a situation where she had to donate money and she did not look good.

Gu Weiwei smiled. “I have already donated.”

“How much did you donate?” Collis asked jokingly.

But inwardly, she thought that if she had donated the money but did not use any money to bid, she currently doesn’t have that much money.

Gu Weiwei smiled without saying a word. The host next to her soon received a cheque from the assistant.

“So Movie Queen Mu donated 20 million yuan without bidding after she entered the show.”

Having said these words, the host clapped and the audience burst into applause.

Collis’ expression changed and she looked at the host in disbelief.

“Twenty million yuan?”

Chapter 1392: Superiority?

The host studied the cheque in amusement and said with a smile, “I looked and found that it truly is 20 million yuan.”

Collis’ smile stiffened for a moment, and she clapped too.

“Miss, Mu is so generous.”

She had thought that maybe she would donate money without bidding, but at most it would be one or two million yuan, but she had already donated 20 million yuan.

The host gave the cheque to the assistant and asked with a smile, "Miss. Collis, Miss. Mu has already been so generous, do you want to be more generous too?"

She had donated 20 million yuan the moment she had arrived, but Collis had only spent eight million yuan on an oil painting. What arrogance was this?

Collis laughed dryly. "I will support you next time."

She had spent eight million yuan on the auction just to make herself look better.

But it would be stupid of her to spend twenty million yuan on charity. She was not that generous.

Instead of being embarrassed, the host changed the topic to Gu Weiwei.

"As far as I know, Weiwei supported charities with her family before she entered the industry, and she has been doing charity work even after releasing movies. She has built eleven primary schools and three rural hospitals."

"Actually, Chang'an has always wanted you to be the spokesperson, but you have been too mysterious this past year to be contacted, and your agent turned the offer down. Therefore, I would like to ask if you have the honor of becoming the spokesperson of Chang'an, Hua Land."

"Of course, I will do it for free," Gu Weiwei replied with a smile.

Hearing her agreement, the host shouted at Fu Shigin, "Second Master, as the President of the Chang'an Foundation, do you agree?"

"Of course," Fu Shigin stood up and said loudly.

"Okay, it is a deal then. Weiwei, you will be the spokesperson of Chang'an in Hua Land from today onwards. You will be our spokesperson for free, for life. Everyone heard it today," the host said with a smile.

Gu Weiwei nodded helplessly. "I am honored."

The applause went on for a long time.

Standing next to her, Collis looked very embarrassed as she held the oil painting.

But she had to force a smile in front of so many people and cameras.

She had wanted to embarrass Mu Weiwei, but she ended up being the one who was embarrassed.

She had planned to use the oil painting that cost her eight million yuan to gain her a good reputation, by using it for self promotion.

She had brought up Mu Weiwei's lack of bidding because she wanted to embarrass the other party and make herself stand out.

But because Mu Weiwei donated twenty million yuan to charity without bidding and became the spokesperson of Chang'an, Hua Land, no one would care about her eight million yuan.

The host was focusing upon Mu Weiwei, and it would be awkward if she stayed on the stage.

Below the stage, Fu Shigin was gloating.

“sister-in-law is too generous.”

If it had not been for Collis, it wouldn't have been known that she had donated 20 million yuan.

Most stars would donate hundreds of thousands or a few million, just to publicize that they had done it for charity.

But she had spent twenty million yuan without saying a word.

“sister-in-law did not plan to show off, but you drove her to it one question after another.” Fu Shiyi snorted.

She had only come to attend the charity banquet because of his brother's invitation and then secretly donated some money. She had no intention of publicizing it.

But with such a fuss from Collis, everyone now knew..

Chapter 1393: Not Alone

Finally, the host asked Gu Weiwei and Collis to leave the stage and the charity auction continued.

Gu Weiwei sighed deeply after she sat down.

“Great, I can't go out these coming days.”

Originally, she had only wanted to attend the event discreetly before returning.

Of course, someone else would be in the limelight today, so the media would not notice her.

But now, she had posted pictures online a few days ago and today, she was in the limelight at the Chang'an Charity Banquet in Hua Land. Recently, it seemed she hadn't been trying her best to stay hidden.

From now on she would not dare to leave home with the children.

Otherwise, she would be targeted and the children would be discovered.

“Sister-in-law, think about it, we gave Collis a taste of her own medicine and stepped on her,” Fu Shiyi said to her with a small voice.

Collis wanted to embarrass his sister-in-law, but she ended up embarrassing herself instead.

That was exactly what she should deserve.

“I don't care,” Gu Weiwei said.

But this Collis was really hiding a blade behind her smile.

If she had not donated 20 million yuan the moment she arrived, she would have been embarrassed.

Every sentence sounded like a joke, but if she had not dealt with it well, she would be in an awkward situation.

She had donated 20 million yuan to avoid attracting attention, but now everyone knew about it.

Fu Hanzheng sat there with a straight face and glanced at her from the corner of his eyes, but he did not say a word to her.

‘There were so many journalists present and all of them were staring at them. If they did anything, it would cause suspicion.

Luckily, the event was over within the hour and they could meet at home.

On the stage, the last item being auctioned was a painting of the Spring and Autumn Mountain.

‘There were two paintings and they were a set. One was a scene of spring and the other was a scene of autumn. When put together, it was called the Spring and Autumn Picture of Ming Mountain. It was the most expensive auction item tonight and the starting price was as high as five million yuan.

After a fierce bidding, the deal was given to an elderly entrepreneur at 23 million yuan.

The host announced the deal.

“The Spring and Autumn Picture of Ming Mountain is the most valuable item tonight and also the most expensive one. On behalf of the Chang’an Foundation, I would like to express my sincere gratitude to Elder Sun.”

“Now, we would like to invite Mr. Fu Hanzheng, the President of Fu’s Enterprise and Miss Mu Weiwei, the new spokesperson of the Chang’an Foundation of Hua Land, to present this painting to Mr. Sun!”

oe

After the host finished the announcement, Gu Weiwei was startled. Seeing Fu Hanzheng walking towards the stage, she stood up too.

The two of them walked one after another, as if they really did not know each other well.

‘When they came to the staircase, Fu Hanzheng stopped in a very gentlemanly way and helped her onto the stage.

After they were on the stage, Fu Hanzheng thanked the guests for their generous offer.

‘Then he and Gu Weiwei picked up the two paintings and gave them to Grandpa Sun.

On the way back down the stage, he took great care in helping Gu Weiwei, who was wearing a long gown and high-heels.

However, the two of them had no idea that such a simple scene had made the netizens watching the banquet explode.

[Am I seeing things? Why do I feel that Master Fu looks at Weiwei so sweetly with the intention to spoil her?]

[You are not alone.]

[Really, the moment he looked at Mu Weiwei, he looked so gentle.]

[That is not the point, the point is that they look so beautiful when they are walking together.]

[My ship for this rumoured couple has sailed! There is no going back..]

Chapter 1394: You Are Not Blind

Of course, Gu Weiwei and Fu Hanzheng had no idea about it.

Also, in order not to look too familiar with each other in front of others, Fu Hanzheng released her arm after they had walked down the stairs, and they returned to their own seats.

After the charity auction, the banquet started.

This was always the time for the guests to talk with each other and expand their social network.

Gu Weiwei sat down for half an hour before then getting up; she was about to go home.

Yang An, on the other hand, greeted the invited politicians and businessmen all over the venue. Then he turned to Fu Hanzheng.

However, before they approached, Xu Qian stopped them.

“Director Yang, President Fu has an important call and it is not convenient for him to see you.”

A few steps away, Fu Hanzheng was making a call by the window... and the caller was Gu Weiwei, who had arrived at the parking lot.

“Wait ten minutes, let’s go home together.”

“I am already being watched by the journalists, if you come any closer, I will be in trouble.” Gu Weiwei got very annoyed seeing the journalists coming after her.

Fu Hanzheng frowned. “Wait in the car, I will get someone to deal with it.”

Without asking anything more, he hung up and asked Xu Qian to come over.

“Weiwei is being blocked by journalists in the parking lot, get someone to deal with it.”

Xu Qian went to inform the chief of security and asked his men to drive away the journalists, so that Jolin’s car could drive out safely.

Fu Hanzheng was still at the venue when he received a text ten minutes later.

[I have left safely, see you at home.]

Fu Hanzheng replied simply with one word: [Okay.]

However, he continued interacting with the guests with a calm expression.

Seeing him talking with someone from afar, Yang An brought Collis over and was about to greet him.

But before they reached Fu Hanzheng, Xu Qian stopped them.

“Director Yang, it is not convenient for President Fu to see you.”

Yang An looked at Xu Qian and felt a bit annoyed, but he had to tolerate it.

Even if he was just a secretary, he was still Fu Hanzheng’s secretary and he could not afford to offend him.

Having failed to meet him twice, Yang An thought about it and went to find Qin Lv.

He might not be able to meet Fu Hanzheng, but Qin Lv and the Fu Family were very close. If he was the one who was leading, he would definitely meet him.

However, by the time he found Qin Lv and persuaded him to bring them to Fu Hanzheng, they failed to find Fu Hanzheng.

The three of them searched around and only met Fu Shiyi and Fu Shiqin.

“Second Uncle, where is Uncle Fu?”

“My brother has left,” Fu Shiqin said straightforwardly.

Wasn’t it obvious what Qin Lv was up to with these two people?

His brother was in a hurry to go home to spend time with his wife and children, so he did not have the time to stay here and socialize. He only greeted a few important figures and could not wait to go home.

“He left so early?”

Yang An sighed helplessly. He had tried so hard to get into this charity banquet but failed to meet Fu Hanzheng.

“Something important came up.” Fu Shiyi smiled mysteriously.

In his brother’s eyes, the charity banquet was not as important as keeping his wife and children company.

The dishes at the banquet were not to his sister-in-law’s liking. She had just sat there and not eaten a single bite. Wasn’t his brother going to go home and eat dinner with his sister-in-law rather than stay here with them?

“Something important?” Yang An mumbled.

But he just could not figure out what was so important that Fu Hanzheng had to leave the banquet ahead of time..

Chapter 1395: Reliable Boss

Fu Shiyi and Fu Shiqin exchanged a look and smiled mysteriously, not answering Yang An’s question.

“Yes, something very important.”

“That is such a pity. I have always admired President Fu and I had hoped to meet him today.” Yang Anxin felt regretful, but he was a big shot after all, so he had to give up on meeting him.

Fu Shigin took a sip of wine and complained. “Don’t, it is very scary for a man to admire my brother.”

Yang An laughed dryly and said to Fu Shiyi and Fu Shiqin, “Please take care of our Collis from now on.”

“No way, we need you and your Bruce to take care of us!” Fu Shiyi blinked at Yang An flirtatiously.

Sleeping with someone in the industry was a very common thing, but no one mentioned it out loud in public.

Hearing Fu Shiyi’s words, Yang An and Collis’ expressions changed.

“What Bruce? Master Three is joking.”

Bruce had taken a liking to Collis, but apart from them, only the people from Bruce’s side should know about it. The Fu Family’s information was indeed very accurate.

“If Hollywood has good resources in the future, think of me too,” Fu Shiyi said sinisterly, not understanding how embarrassed Yang An and Collis were.

Yang An smiled. He did not want to stay here talking about Collis’ sugar daddy anymore, so he asked Collis to leave him and greet someone else.

The charity banquet was still going on, but Gu Weiwei was already on her way home.

Jolin was driving to Zhujiang and he looked at the rear-view mirror when they stopped at the traffic light, looking serious.

“I think we are being watched.”

Gu Weiwei turned around and asked, “By whom?”

“There are two cars following us around, they might be paparazzi,” Jolin said.

Gu Weiwei threw a look at the magnificent sight of the Zhujiang and said with her teeth clenched, “Let’s go around for a while and get rid of them first.”

If she entered Zhujiang, her new address would be exposed.

“Okay.” Jolin drove past the entrance of Zhujiang when the traffic light turned green. “Let’s go to the stylist’s studio and get you changed out of your gown. Your gown is very eye-catching.”

“Okay, let’s go there first.” Gu Weiwei did not object.

With the paparazzi following her closely, even if Jolin found a place for her to get out, her long gown would be too eye-catching.

Jolin drove her to the stylist’s studio and helped her to get changed and remove her makeup.

The two of them got back into the car and as they were leaving the studio, the two cars who were following them caught up with them.

Jolin was just discussing with her where to drop her off, when Fu Hanzheng called.

“Why are you not home yet?”

He left later than her and he was already at home, but she was not there yet.

“The paparazzi are following us, we have not got rid of them yet,” Gu Weiwei said helplessly.

She had been too secretive this past year and so she was targeted the moment she showed up in public.

Fu Hanzheng stayed silent for a few seconds after he entered the house, but he then turned around and went back into the car.

“Where are you now?”

Gu Weiwei looked around and told him where she was.

Fu Hanzheng thought for a moment and said, “In half an hour’s time, I will be at the 8th parking spot of floor B1 in the shopping center on Spring and Autumn Road; ask Jolin to take you there.”

“Okay.” Gu Weiwei agreed, rang off and told Jolin about Fu Hanzheng’s arrangements.

Jolin let out a sigh of relief.

“Boss is indeed reliable.”

Chapter 1396: Where Kuroda Shio Was

Instead of driving too fast, Jolin drove slowly and paid attention to the cars following behind him.

Half an hour later, he drove the car to the underground parking lot of the shopping center at Fu Hanzheng’s request.

After he drove in, he went straight to the 8th parking spot on floor B1.

‘The moment the car stopped, Gu Weiwei saw Fu Hanzheng’s car and got into it.

Jolin drove to floor B2 as if nothing had happened and parked for a long time before driving out.

The moment his car went out, the paparazzi waiting at the exit of the parking lot followed his car.

After making sure that both cars were following him, he called Gu Weiwei.

“They are leaving with me, you and Boss can go home now.”

“Be careful,” Gu Weiwei said and then said to Fu Hanzheng next to her, “They are gone, let’s go home.”

Fu Hanzheng said as he drove away from the parking lot, “Maybe I shouldn’t have let you go to the charity event today.”

Because she had shown up today, the media would think up all kinds of methods to find her whereabouts.

“You wanted me to warn Collis, but the journalists will be looking for me for a while now. I am just going to stay at home with the children and that way they won’t be able to find me. I will be fine after a while,” Gu Weiwei said with a relaxed tone.

Starlight Culture had been demeaning her to flatter Collis.

If she did not show up, Collis would soon make a Hollywood blockbuster and her popularity would definitely exceed hers.

She was just warning her not to mess with her. After all, he had invited her because he wanted to defend her.

As for the paparazzi following her, even if they did not show up today, such a thing would still happen.

‘When they returned to villa seven, Fu Shiyi and Fu Shiqin had just arrived from the charity banquet.

“What took you so long?”

“Lran into some trouble.” The moment Gu Weiwei entered the room, she heard her younger daughter crying.

Hearing that she was back, the nurse brought the child over.

“Madam, Tiantian refuses to sleep because she can’t see you.”

Gu Weiwei took the little girl into her arms. “Where is Youyou, is he sleeping?”

“He drank a bottle of milk and fell asleep,” the nurse said.

Gu Weiwei coaxed her spoiled daughter and she fell asleep in her arms.

She put the child down in the room and Fu Hanzheng followed her in.

“There is porridge in the kitchen, have some.”

Gu Weiwei nodded and followed him into the dining room.

Fu Hanzheng was just eating with her when Fu Shiqin received a call and said, “Brother, I found him. Kuroda Shio met with the Wei Family.”

“The Wei Family?” Fu Hanzheng raised his eyebrows.

“Yes, the Wei Family of Far East Enterprise, Wei Ziting and Grandpa Wei,” Fu Shiqin said.

Fu Hanzheng nodded thoughtfully. “What did he talk about with the Wei Family?”

“an overseas project, but the Wei Family turned him down,” Fu Shiqin said.

Although the Wei Family was wealthy, they were not as well off as the Fu Family.

If they agreed to collaborate with the Gu Family, they would be openly going against the Fu Family. The Wei Family’s properties were all in Hua Land and they were not stupid enough to accept the collaboration from the Gu Family.

“Where is Kuroda Shio now?” Fu Hanzheng asked.

“He seems to have found out that we are looking for him and has returned to A Land in secret,” Fu Shiqin said helplessly.

Also, he had left on the ship the night before and their men did not manage to catch up with him..

Chapter 1397: What Did You and Boss Do?

“He’s gone home?”

Fu Hanzheng looked serious. He had a feeling that Kuroda Shio was not just seeking a collaboration with the Far East Enterprise, whilst trying to avoid the Fu Family’s eyes.

After all, no one in Hua Land dared to work with the Gu Family at the risk of offending the Fu Family.

He knew that and so did Gu Siting.

Therefore, it was totally unnecessary to send someone to Hua Land to meet the Wei Family in secret.

“He left overnight the night before yesterday. Lei Meng and his men went after him but the ship went out of the public sea and went into the territory of A Land,” Fu Shiqin said helplessly.

Fu Hanzheng stayed silent for a moment. “Did he see anyone else apart from the Wei Family?”

“No one apart from the Wei Family has been found yet,” Fu Shiqin said.

“Check again,” Fu Hanzheng said with a low voice.

Fu Shiqin scratched his head. “He is gone, do we still need to investigate?”

“He spent so much effort to come to Hua Land just to find the Wei Family for a collaboration? Although it doesn’t look like a problem, when you think about it, it is very problematic,” Fu Hanzheng said.

“Is there a problem?” Fu Shiqin became increasingly confused.

Gu Weiwei made a rare suggestion. “No matter how brave the Wei Family are, they would not dare to risk offending the Fu Family by collaborating with the Gu Family. That is a very simple matter. Why would Kuroda Shio spend so much effort to meet the Wei Family?”

Fu Shiqin suddenly realized something. “So you are saying that he did something else apart from meeting the Wei Family?”

It must be so! The Wei Family would never agree to cooperate with the Gu Family and risk offending the Fu Family. That was obvious, so what was Kuroda Shio doing here?

What his brother meant was that he suspected that Kuroda Shio’s meeting with the Wei Family was just a cover and they had not discovered the real purpose.

“Maybe he has met someone important that you have not noticed yet,” Gu Weiwei said.

‘The Fu Family was indeed wealthy in Hua Land and many families feared the Fu Family, but some also wanted to bring the Fu Family down.

And such a person was the partner the Gu Family might seek.

But they could not let the Fu Family know about it, so their meeting must have been very secretive, so that the Fu Family had not discovered it yet.

“That is impossible. Who would dare to go against us?” Fu Shigin wondered if his brother was being too crazy.

In the business world of Hua Land, who would dare to work with the Gu Family to go against the Fu Family?

“Just be careful.” Gu Weiwei stressed.

Fu Hanzheng’s worries were exactly what she was also worrying about.

She had been in the Gu Family for so many years and she understood Gu Siting’s methods very well.

“Alright, I will ask Lei Meng to check everything Kuroda Shio has done in Hua Land.” Fu Shigin nodded.

They were just in the middle of a serious conversation when Gu Weiwei’s phone rang.

The phone was placed in the living room and Fu Shiyi shouted when he saw it.

“Sister-in-law, Jolin is calling.”

Gu Weiwei thought that it must be something related to work, or maybe she was asking if she was home safe, so she said, “Just pick it up.”

Fu Shiyi answered the call as he was watching TV.

Before he said anything, Jolin asked directly, “What were you doing with Boss at the banquet? Haven’t you seen how crazy your Weibo fans are? Didn’t I tell you to stay away from Boss in front of the public and not get into any gossip with him?”

Startled for a moment, Fu Shiyi countered.

“Jolin, you are an agent, how can you talk to my sister-in-law like this?”

“Third Master?” Jolin was startled and asked, “Where is Weiwei?”

“sister-in-law is eating with my brother,” Fu Shiyi said as he delivered the phone to the dining room.

Gu Weiwei picked it up and asked, “What is it?”

“Why are you asking me? Go and check for yourself!” Jolin said furiously..

Chapter 1398: Love

Hearing his tone, Gu Weiwei asked discreetly, “We were photographed?”

After thinking for a while, she realized that the most dangerous thing was that Fu Hanzheng picked her up and they returned together.

But the paparazzi had been lured away by Jolin, so they could not have been captured.

Could it be that they had not noticed that someone was following them?

“No.” Jolin calmed himself down and asked, “Why is it that your fans online are begging you to fall into Boss’ arms?”

“What?” Gu Weiwei was surprised.

“Thad just arrived home when the assistant called and said something. The moment I logged onto Weibo, I saw that everyone was begging you to fall into the arms of President Fu, begging you to fall in love with Boss, begging you to spill the love candy for Weibo. What were you doing at the banquet?”

Jolin read out a series of the posts and became increasingly confused.

He did not follow her into the venue, but before he entered, he had repeatedly warned her not to get too close to Boss, in case someone discovered their relationship.

But the moment the charity banquet ended, everyone was begging them to be in a relationship.

Need they beg on their knees?

They had been in a relationship for so long that they had two children!

“Well...” Gu Weiwei felt her forehead. She thought for a while and realized that it was probably when she and Fu Hanzheng had presented the two Ming Mountain Spring and Autumn Pictures to Grandpa Sun at the auction. Fu Hanzheng had helped her up and down the stage.

That was all. They hadn’t had any other contact.

Jolin had already watched the video. It was a section of the livestream and a very romantic song was added.

However, the scene where the two of them were walking onto the stage and leaving the stage, with Fu Hanzheng aiding Gu Weiwei with his hand, was enough for the fans to imagine a beautiful love story.

[Ahhh, President Fu and Weiwei look so sweet!]

[President and Movie Queen are in the same frame, it is spring for fans!]

[They look good together!]

[Please, fall in love!]

[Those above, kneel down together to the Emperor and Empress.]

The more Jolin watched, the more amazed he became. It seemed that the source of all the messages came from a tiny moment of them holding hands.

It was very normal for them to hold hands when they were showing off their love.

But he just could not understand how the fans could come up with so many stories.

Gu Weiwei massaged her forehead. “Then what should we do?”

“They may be excited for a few days but you have no work to do anyways, so just ignore them.” Jolin sighed helplessly.

Luckily, she was at home watching over the children and would not be showing her face.

So the fans would stop making a fuss after some time.

“Okay, that is a good idea,” Gu Weiwei replied.

There was no need to make a public statement.

“But you must never show up with Boss again.” Jolin stressed seriously.

Otherwise, their relationship would be exposed.

“Got it, I will be careful.” Gu Weiwei promised.

Anyway, she had no intention of going out these days. And because there were so many security guards in this villa area, as long as she did not go out, no journalists would come here.

“Also, Boss’ company may have found out that the woman who visited Boss previously is you, so it is best not to say anything online.” Jolin stressed.

Now the fans were so excited because they had not seen them in the same frame before... but many employees of Fu’s Enterprise had seen her going to the company.

Although she always wore a hat and mask, after what happened today, anyone with some intelligence would guess that she was the lady boss.

If these people revealed the news online, her relationship with Boss would be exposed.

Chapter 1399: Trap Again

Gu Weiwei glanced at Fu Hanzheng who was sitting opposite her and agreed helplessly.

“Okay, got it. Anything else?”

“Nothing else,” Jolin said and added then, “You don’t need Boss’ help to be talented. It is more harmful for you to be exposed.”

“Got it, Jolin.” Gu Weiwei rang off and turned to Fu Hanzheng opposite her. “Well... the fans seem to have sensed something from the live-stream.”

“They sensed the love?” Fu Shiyi asked with a smile.

All she did was step on and off the stage and his brother helped her, and yet these fans could imagine that the bossy president fell in love with her and wrote an eight million word romance novel.

“What do you want me to do?” Fu Hanzheng asked straightforwardly.

Gu Weiwei looked confused and said, “Maybe your company has already guessed that it is me. What Jolin means is that it is best not to reveal it.”

Fu Hanzheng nodded thoughtfully and threw a look at Fu Shigin.

“call Xu Qian and tell him to make the arrangements.”

“No need, just let it be. You and my brother are not shameful people,” Fu Shigin mumbled as he held the fruit plate.

It was fine if no one had noticed her before, but it was not a big deal if she was discovered now.

Gu Weiwei squinted at him. “I don’t want my private life to be scrutinized.”

When their relationship is exposed, not only herself but also his and the children’s lives would be exposed to the public and become the gossip of the public.

Fu Shigin was about to say something more when his brother glared at him... he obediently made a call to Xu Qian.

Then he said confidently, “Don’t worry, those who work at Fu’s Enterprise all know how to behave, unless they don’t want their jobs anymore.”

Seeing that they had called Xu Qian and asked the company employees not to reveal anything online, Gu Weiwei was no longer worried.

She believed that those who worked at Fu’s Enterprise were not stupid. Since she had covered her face before going to the company, she obviously did not want to be discovered.

Now that they had guessed it, they would not reveal her relationship with Fu Hanzheng online.

Fu Hanzheng checked the time and said, “I will get someone to remove the news online, don’t worry, go and rest early.”

“You still have work to do?” Gu Weiwei asked.

“Have something to discuss with Shigin, so take a rest,” Fu Hanzheng said with a smile.

Seeing this scene, Fu Shiyi raised his hands and asked, “Sister-in-law, can I ask you a question?”

“What question?” Gu Weiwei raised her eyebrows.

Leaning against the sofa, Fu Shiyi asked pitifully, “Tell me from a woman’s perspective, what is Dongdong up to? She slept with me but dumped me.”

“Damn, you still haven’t gotten her, have you become so bad at wooing girls?” Fu Shigin sneered and gloated.

“Is that my problem? It is Ding Dongdong’s problem. All the tricks fail,” Fu Shiyi said regretfully.

He had become her b*tch. She was mistreating him and yet he was still pestering her.

Fu Shigin took hold of his shoulders and suggested sincerely.

“Of course you should propose to her now, to show that you will be responsible for her.”

“Can’t I do something else?” Fu Shiyi complained.

“That is the thing that can move girls the most. Believe me, it will make sure you get the girl,” Fu Shigin said.

Fu Shiyi snorted and glared at him.

“Of course I don’t believe you! How many times have you set me up to fail?”

Chapter 1400: Stop Being Flirty

Gu Weiwei thought for a while and said with a smile, “Maybe Second Master’s method will work, why don’t you try it?”

Fu Shiyi pursed his lips. “Forget it, forget it!”

He had not even been in a proper relationship with her and now he was proposing to her? That was such a strange step.

Gu Weiwei did not pity him at all. As far as she was concerned, he was doing this to himself.

“Show your sincerity, Ding Dongdong will understand one day.”

Fu Shiyi leaned against the sofa helplessly. “I almost dug out my heart and lungs for her to see. What else do you want me to do?”

He had thought that Ding Dongdong liked him, but this woman had only slept with him and now she did not want him.

Gu Weiwei sighed and said kindly, “At least stop being flirtatious and treat her wholeheartedly.”

Fu Hanzheng took hold of her shoulders and urged her.

“Don’t worry about him, go back and rest.”

Gu Weiwei nodded and went straight to the master bedroom to wash.

Fu Shigin laughed at Fu Shiyi and followed his brother upstairs to the study to discuss work.

“Keep an eye on the Gu Family these days.”

“I know, we have never been relaxed around the Gu Family,” Fu Shiqin replied.

Gu Siting used to only have a blood feud with the Fu Family, but now he was eyeing his sister-in-law again. How could his brother not be nervous?

Fu Hanzheng sat down at the desk and leafed through the files.

“Also, pay more attention to the Qin Family.”

“What is the problem with the Qin Family?” Fu Shiqin was startled.

“Uncle Qin is going to step down soon and Qin Lv is too young to take over the Qin’s Enterprise. The Qin’s Enterprise and the Fu’s Enterprise have too many collaborations that could be affected,” Fu Hanzheng said without looking up.

Qin Lv was smart, but he hadn't been through a lot in business.

But with the Qin Family's position in Hua Land and his uncle and aunt in politics, no one would dare to have any ideas about the Qin Family.

But still... he had to be careful.

Fu Shiqin found it reasonable.

"Uncle Qin also said that we should take care of Lv."

"You can," Fu Hanzheng said straightforwardly.

Fu Shiqin teased.

"Brother, didn't you say that you don't want to see him because you are still concerned about him courting sister-in-law?"

Although Qin Lv and sister-in-law had nothing going on between them, he had been plotting to win over sister-in-law for a long time. With his brother's jealousy, he definitely did not want to see him that much.

"I am very busy," Fu Hanzheng said coldly.

On one hand, it was because he did not want to see him, but on the other hand, it was also because he was very busy.

Apart from work, he wanted to spend more time with Weiwei and the two children.

"Yes, yes, yes, you are the busy one." Fu Shiqin did not dare to argue back. He said as he returned to the other desk with the computer, "Grandma is not objecting now, but our father doesn't seem to approve of it. What are you going to do?"

Fu Hanzheng frowned and said after a moment of silence, "Let's wait and see."

Now, he was most worried about the Gu Family, so he could not spare any attention to deal with his father.

Anyway, they would not stop them from meeting for now. They just needed his father to nod and then they could remarry openly and hold the wedding.

This matter would not change in just one or two days, so he had to solve the more important matters first.

He had no idea what Gu Siting was up to, but he had to solve this problem in order to keep her and the children safe..
