

# MY HIDDEN 1411

## Chapter 1411: More Dangerous Than Gu Siting

Luo Qiangian nodded. "I will definitely return home tomorrow."

After making sure that her father was safe and that she had told Gu Weiwei everything, Yuan Meng did not interfere with Luo Qianqian's decision.

But she stressed a few words to the men from the Fu Family.

"Since they have been found, we can't stay here for long. Be careful and keep them safe. Bring them home tomorrow."

Her men were from the Dorrans Family after all, and it was not good to stay with the Fu Family.

At least Fu Shengying would not hear about it.

Also, those companies that cooperated with the Fu Family hated these things that were related to the underworld.

"Okay." The leader of the Fu Family agreed.

Yuan Meng checked the time and said to Luo Qianqian, "If there is nothing else, I will leave now."

"Okay, Sister Yuan Meng." Luo Qianqian nodded.

Yuan Meng took two steps and suddenly thought of something.

"Also, even if that Gu person saved you, you are not allowed to meet him again."

"That person was someone neither she nor Yuan Shuo could beat, and he came from a very strange background.

It was not a good thing for Weiwei that Luo Qianqian was involved with him.

"Why?" Luo Qianqian was confused.

Gu Yun Che saved her life and she still hoped to thank him properly when they met. What was wrong with that?

"He is not a good man. If you get close to him, you will lose your life."

"I don't even know where he is from or where he lives. I don't think I will have the chance to see him again," Luo Qianqian said regretfully.

Yuan Meng thought that it made sense, so she did not say anything more. She told them to leave tomorrow and left with her own men.

After she left the hotel, she called Fu Hanzheng instead of Gu Weiwei.

In the capital of Hua Land, Fu Hanzheng was just driving home when he received a call from Yuan Meng.

“I already know about Luo Qiangian.”

At first, he had not expected that Weiwei would ask Yuan Meng to bring someone to find her.

But more than an hour ago, he had received the news that his men had found Luo Qiangian with her.

“I am not talking about this,” Yuan Meng said.

“What else is it?” Fu Hanzheng parked the car and turned off the engine.

Yuan Meng sounded very serious.

“Do you know who saved Luo Qianqian and the other hostages?”

Without saying a word, Fu Hanzheng waited for her to spill the truth.

He arranged for his men to tell him that they had found her and nothing else.

“It is Gu Yun Che, the person who gave Gu Siting the Nine-Eyed Pearl,” Yuan Meng said straightforwardly.

Fu Hanzheng, who was about to get out of the car, stopped and stayed silent for a while.

“Are you sure it is him?”

“I saw him with my own eyes. He should be in Nice now. Get your men to keep an eye on him. I can’t make the arrangements here,” Yuan Meng said.

Gu Yun Che was too mysterious and dangerous.

Also, he had given Gu Siting the Nine-Eyed Pearl last time.

Fu Hanzheng was worried that one day, Gu Siting would join forces with him and the Fu Family would be in danger.

After all, this man was even more difficult to deal with than ten Gu Siting’s.

“Okay, I will make the arrangements.” Fu Hanzheng agreed.

“This person is more dangerous than Gu Siting. Also, if Weiwei was reborn because of the Nine-Eyed Pearl.” Yuan Meng paused and said, “Then her life is in his hands..”

### **Chapter 1412 More Frightening than Gu Siting**

Hearing the words, Fu Hanzheng stayed silent with a serious face.

After a long while, he asked, “Why did he save Luo Qianqian?”

That kind of person would not save a stranger for no reason.

But Luo Qianqian was Weiwei’s friend, and he had to find out if it was a coincidence or intentional.

“It must be a coincidence. The kidnappers who took Luo Qianqian and the others as hostages retreated to an old cafe in Nice and ran into Gu Yun Che who was eating here.” Yuan Meng confessed.

Judging from the conversation with Luo Qianqian at the hotel and the situation, it must have been a coincidence.

“Just a coincidence?” Fu Hanzheng was not convinced.

Yuan Meng thought over what she had asked Luo Qianqian and said, “It is indeed a coincidence that he saved Luo Qianqian and her men, but...”

“But what?” Fu Hanzheng asked.

“Luo Qianqian said that that person seems to know her, but before today, she had not met that person,” Yuan Meng said.

When she arrived with her men, that Gu man looked at Luo Qianqian as if he really knew her.

However, Luo Qianqian had been living in Hua Land and she had only been abroad for the past two years because of work.

This Gu man had always been unpredictable, and she just could not think of any connection between him and Luo Qianqian.

Fu Hanzheng stayed silent for a moment. “Think of a way to bring Luo Qianqian to see him again, so you can test his reaction.”

“What?” Yuan Meng, who was driving, braked hard. She was about to go back to Italy on the plane.

“The Fu Family and the Dorrans Family have not been able to find him for so long, so it is useless for us to keep an eye on him.” Seeing Gu Weiwei coming out with the children, Fu Hanzheng opened the door and got out

of the car. “Now is the only opportunity to approach him and test him.”

This man with the surname Gu was too mysterious. The Fu Family and the Dorrans Family’s intelligence department should be able to find him no matter how secretive he was.

But his background and whereabouts were unpredictable.

Maybe it was a coincidence that he saved Luo Qianqian, but since she said that he seemed to know Luo Qianqian, then it was their chance to approach him.

Yuan Meng snorted and turned the car around.

“Should I pack Luo Qianqian up and send her to his side?”

“It would be good if you can do it,” Fu Hanzheng said.

“If Weiwei knew that you set up her friend like this, would that be okay?” Yuan Meng snorted.

Fu Hanzheng waved at Gu Weiwei who was standing in the garden with his daughter and continued speaking, “Don’t tell her about this yet, just create an opportunity for Luo Qianqian to approach him.”

“Luo Qianqian did not want to return home today, so I think she wants to stay and meet that Gu person to thank him for saving her life.” Yuan Meng drove back to the hotel where Luo Qianqian and her father were

staying and told Fu Hanzheng about what happened there.

“Go with her, with the invisible camera, I need to see his every move,” Fu Hanzheng said.

Only when he saw his expression and actions when facing Luo Qianqian could he guess his real attitude towards Luo Qianqian and be sure that Luo Qianqian could approach him and find out information about him.

“Got it, I will make the arrangements now,” Yuan Meng said unwillingly.

When he was in a relationship with Weiwei, everyone else was exhausted doing their bidding..

### **Chapter 1413 Love**

After the conversation with Yuan Meng, Fu Hanzheng entered the garden with a smile.

He took over his daughter from her arms and kissed her short and soft hair.

“What are you doing here?”

“How about you? The car has been parked here for so long and yet you are still not coming inside,” Gu Weiwei said.

Fu Hanzheng looked calm, but he did not reveal the truth.

“IT had a work call, I wanted to finish it before coming in.”

Without a single doubt as to what he said, Gu Weiwei opened the door and entered the house with him.

“Qianqian and her father have caused you trouble.”

He was in the middle of an important meeting when she called.

“Why are you standing on ceremony with your husband?” Fu Hanzheng raised his eyebrows, apparently displeased by her politeness.

Fu Shiyi and Fu Shiqin, who were getting ready for dinner, lost their appetite for dinner when they heard their brother calling himself her husband.

However, Fu Shiqin was immune to love and he soon recovered.

Fu Shiyi, on the other hand, stared at his brother who was still flirting with his sister-in-law, with his daughter in his arms, in the living room.

“Is he done yet or not?”

The two of them spent the entire day together and yet they still had so many endless words of love.

Fu Shiqin did not want to wait any longer, so he picked up the chopsticks and started to eat.

“You must get used to the feeling of love. After all, we will be force fed their love for decades to come.”

“My heart is so broken these days and they are showing off their love! It is so annoying!” Fu Shiyi complained unhappily.

He was being mistreated by Ding Dongdong every single day, but his brother and sister-in-law were showing off their love in front of him. How inhumane!

If he had not wanted to see Youyou and Tiantian, he would not have stayed here for a single day.

A long while later, Gu Weiwei and Fu Hanzheng came to the dining room and ate. Youyou and Tiantian sat on their chairs and each of them cut a small piece of orange for them to eat.

Gu Weiwei said as she ate, “I want to visit Qianqian and her father in a couple of days.”

Luo Qianqian was a very smart girl. She could tell that she had hidden many things from her and Ji Cheng, but she never asked her out of curiosity.

Also, she regarded her as her best friend, and she should cherish this rare opportunity.

“She might not be able to come home tomorrow, we can make the arrangements when she comes home,” Fu Hanzheng said.

“Not coming home?” Gu Weiwei looked at Fu Hanzheng in astonishment and said, “Yuan Meng called and said that someone will bring them home tomorrow.”

Fu Hanzheng gave her some food and said with a gentle voice, “The police of Nice have to ask them some questions, and Luo Qianqian seems to have something to deal with at work too. That is what they said.”

Gu Weiwei was a bit worried. “It is very dangerous over there. One more day means one more day of danger.”

“Yuan Meng and her men will stay there until they return home safely,” Fu Hanzheng said.

The bandits who attacked them at that time had already died in Gu Yun Che’s hands and the situation was basically stable. It was just the investigation later on.

But Gu Yun Che’s whereabouts were unpredictable and if he missed the opportunity to approach him and test him, it would be very difficult to find him in the future.

With such unfathomable strength, even if he sent someone to follow him, he would definitely be shaken off easily.

Since he was still in Nice and Luo Qianqian had some dealings with him, this was the best opportunity to approach him. If he missed it... it would be very difficult.

#### **Chapter 1414 How to Thank You for Saving My Life**

Gu Weiwei found it strange. She had told her that she was leaving tomorrow, so why was she not coming home now?

But thinking that Yuan Meng was staying there, she was not that worried.

As long as Luo Qianqian and her father were found, she would be safe when staying with the Fu Family people and Yuan Meng.

“Since Yuan Meng is there, she can come back after she finishes her work.”

“Sister-in-law, are you that close to Luo Qianqian and Ji Cheng? They don’t even know who you are,” Fu Shiyi asked curiously.

As far as he knew, his sister-in-law had never told her two friends the truth that she was Gu Weiwei.

“It is a strange situation. Telling them would only make them confused.” Gu Weiwei glanced at them and said, “As for my relationship with them, when I was kicked out of the house, they were the only ones who

sincerely wanted to be my friends.”

Fu Shiyi and Fu Shiqin both turned to their brother.

“You caused it.”

“It is my fault.” Fu Hanzheng did not shift the blame but confessed straightforwardly.

If he had known that he would fall so deeply in love with her in the future, he would not have driven her out of the old mansion.

“I am not blaming you, and you were not the one who was wrong,” Gu Weiwei said with a smile.

At that time, Mu Weiwei had annoyed him.

They were happily eating dinner, and the little foodie Tiantian, who was eating the orange, saw them eating happily. She was holding a small piece of orange in one hand and stretching her other hand towards the table.

Seeing her greedy mouth, Fu Shiqin dabbed his chopsticks into the soup and was about to let her taste it.

But before he could feed her, Fu Hanzheng stopped him.

“Don’t let her eat it, she can’t have such food yet.”

“Licking the chopsticks should be fine, right?” Fu Shiqin asked.

Fu Shiyi glared at him. “Do you want Tiantian to lick your chopsticks?”

Fu Shiqin felt sorry for his niece, but he was also afraid of his brother, so he withdrew his hand and continued eating.

“Tiantian, I can’t give you this food right now, but when you grow up, I will bring you lots of delicious food.”

After dinner, Gu Weiwei wiped the hands of the two children and went to bathe them with Fu Hanzheng.

After she bathed the two children, Fu Shiyi and Fu Shiqin could not wait to accept their fresh smelling nephew and niece. Gu Weiwei decided to call Luo Qianqian after giving them the children and asked about her

situation.

After all, the previous phone call was just to know that she was safe.

“Sorry, Weiwei, I want to deal with the work here before going home,” Luo Qianqian said.

But she sounded a bit guilty when she said this.

The real reason why she wanted to stay was not because of work.

Instead, she wanted to see Gu Yun Che again and thank him for saving her life.

“It is not very peaceful there with the conflict though.” Gu Weiwei stressed.

“I know but Sister Yuan Meng is here and we are now safe,” Luo Qianqian said gratefully.

Gu Weiwei reminded her. “Remember to tell Ji Cheng and your mother, otherwise they will be worried.”

“I told them,” Luo Qianqian said.

“Then be careful, I will see you when you return home,” Gu Weiwei said gently.

“Okay, see you when we return home,” Luo Qianqian said with a smile.

But after hanging up, she started to worry again.

If she really met Mr. Gu Yun Che tomorrow, how should she thank him for saving her life?.

## **Chapter 1415 Visual Sense**

In Nice, France.

With a cigarette in her mouth, Yuan Meng was typing a message that explained the situation to Yuan Shuo and the reason behind her delayed return.

Hearing Luo Qianqian’s sigh, she looked up.

“What is it?”

Luo Qianqian sat down on the sofa and said gloomily, “Although I want to see Mr. Gu again and thank him for saving my life, isn’t it too insincere?”

“Of course not,” Yuan Meng said.

“But how should I thank him?” Luo Qianqian became even more distressed.

After sending the text, Yuan Meng sized up Luo Qianqian.

“Bring the most beautiful clothes you have brought with you and let me see.”

“Ah?” Luo Qianqian was confused.

“You can’t be dressed so casually when you meet your savior, right?” Yuan Meng asked.

Luo Qianqian thought for a while and found that it made sense. So she took out her luggage and picked out the outfit she thought looked best.

Then she got changed in the bathroom and walked out.

“How is this one?”

Yuan Meng frowned as she saw the girl with short hair wearing a knitted blouse and jeans.

“Don’t you have any feminine clothes?”

Since she was asking her to help her check a man’s reaction, she had to be womanly.

“Is there a problem with this outfit?”

Luo Qianqian looked down at the clothes she was wearing. They were new clothes she had bought before she went abroad and she had never worn them before.

“You don’t have any dresses?” Yuan Meng asked.

Luo Qianqian shook her head. “I am not used to wearing dresses, I own almost none.”

For the past five years, the only time she had worn a dress was when Ji Cheng had brought her to the Ming Family’s club, and when Weiwei had her wedding ceremony. She

herself never wore dresses.

Yuan Meng felt her forehead helplessly. How was she going to seduce Gu Yun Che and get some information out of him dressed like this?

After a long while, she stood up and said, “Get your wallet and let’s go.”

“Where are we going?” Luo Qianqian was confused.

“To dress you up,” Yuan Meng blew out the smoke and said.

Luo Qianqian hesitated for a moment, but still grabbed her bag and followed her out.

Yuan Meng drove her to the mall and went straight to the floor where women’s clothes were sold. She found a store and glanced at the new ones.

“Try these two.”

Luo Qianqian obediently took the clothes to the fitting room and tried on a long dress.

Yuan Meng nodded. “Try that one.”

Luo Qianqian obediently tried on another flowery dress and walked out of the fitting room, feeling a bit uncomfortable standing in front of the mirror.

However, Yuan Meng said, “This one will do.”

“This one?” Luo Qianqian was surprised.

“Yes, just this one. It is cute and sexy, and not too revealing. Also... your legs are very pretty, you should show them more,” Yuan Meng said.

Luo Qianqian touched her ears in embarrassment. Although she was not used to wearing dresses, she still bought it according to Yuan Meng’s suggestion.

After Yuan Meng had brought her to buy dresses and pointed high-heels, the girl who used to be a handsome woman had suddenly become very feminine.

“Alright, I will style your hair tomorrow. I don’t believe that he will look at you unfazed tomorrow.” Yuan Meng smiled.

Luo Qianqian said gratefully as she held the shopping bag, “Thank you, Sister Yuan Meng.”

“You are welcome.” Yuan Meng laughed dryly.

For some reason, she felt a bit guilty, because she was trying to send the girl to manipulate her suspect, but Fu Hanzheng had ordered her to do so....

#### **Chapter 1416 Luo Qianqian’s Show**

Luo Qianqian went downstairs and asked Yuan Meng as she saw the dazzling array of goods, “Sister Yuan Meng, should I give you something to express my gratitude?”

Yuan Meng raised her eyebrows. “What about him?”

“Sister Yuan Meng, what are you talking about?” Luo Qianqian snorted but her face turned red.

Yuan Meng smiled without saying a word. Luo Qianqian was at the age where she could easily fall in love.

And today, she was saved by Gu Yun Che in such a dangerous situation. Since ancient times, the story of a hero saving a beauty was always liked by women, so it was normal

that Luo Qianqian had a good impression of that Gu person.

But that man was a dangerous person to any one of them.

This time, she had no choice but to test Luo Qianqian’s background.

But in the end, she still hoped that she could stay away from that Gu man.

“You are right though. It would be too embarrassing to thank someone empty-handed,” Luo Qianqian said as she looked around to see if there was a present suitable for Gu

Yun Che.

“You don’t know what he likes, so you can’t buy what he wants. It is better to give him food.” Yuan Meng suggested.

Luo Qianqian nodded and said, "I asked the owner of the cafe and she said that he only wants a cup of Blue Mountain coffee every afternoon."

"Then get him a dessert. I know a cake that is very tasty and that also looks good; I will order it for you," Yuan Meng said.

Luo Qianqian did not object but left the mall with her and went to the cake store to order the cake she wanted for the following day.

On the way back to the hotel, Yuan Meng said as she drove, "It is indeed not enough to just give him a cake for saving your life. If you can find out where he lives or how to

contact him tomorrow, you will have a chance to repay him."

After all, it was not proper for her to ask this Gu man about such private information.

And if she asked, the other party would definitely not tell her.

But maybe Luo Qianqian would be able to find something out.

"Okay." Luo Qianqian nodded.

She could not repay him with just some gifts, so she needed to thank him again in the future for saving her life.

"If you can't get his contact information this time, I am afraid that you will never be able to find him again." Yuan Meng reminded her, fearing that she did not take this

matter seriously.

Luo Qianqian looked at Yuan Meng and asked again, "Sister Yuan Meng, you know him, right?"

"Not really, I just met him once. He is so mysterious that I couldn't find him for months," Yuan Meng said.

But she did not reveal anything about his ties with Gu Weiwei.

Luo Qianqian nodded. She did not doubt her words at all. She also thought that Mr. Gu was very mysterious and dangerous.

But when she thought of the moment when he saw her, where his eyes lit up and softened, she could not help but feel her heart skip a beat.

"Let's go to the cafe tomorrow. If he is in Nice, he should still visit there," Yuan Meng said.

As for whether she could get anything useful from him, that would depend on Luo Qianqian's performance tomorrow.

Luo Qianqian said nothing but prayed that she would be able to meet the man at the cafe tomorrow.

Without saying anything more, Yuan Meng drove her back to the hotel.

When she first found Luo Qianqian, she had only wanted to take her away and send her home as soon as possible. She had not expected Fu Hanzheng's request.

Although she felt it was a bit inhumane to use Luo Qianqian to test Gu Yun Che, they had no choice.

With Gu Yun Che's skills, even she and Yuan Shuo could not keep an eye on him, let alone the Fu Family.

Therefore, in order to get some valuable clues, they could only let Gu Yun Che approach Luo Qianqian because he had acted differently towards her..

### **Chapter 1417 Waiting**

Luo Qianqian tossed and turned throughout the entire night.

It was probably the first time in years that she had such a bad night's sleep.

During the night, she sometimes thought of what she was going to say to Mr. Gu tomorrow, and sometimes she was worried that he would not show up tomorrow.

She had never stopped thinking.

Although she had not slept for the entire night, she still got up at dawn.

Yuan Meng knocked at the door and invited her to the hotel dining room for breakfast. Then she brought her back to the room and helped her with her makeup.

Yuan Meng, who had always been good at disguising herself, had already reached a level of perfection when doing makeup.

She first helped her with the makeup on her face and then used the hair dryer to style her hair into short curls. She looked even more charming than usual.

Two hours later, she finally stopped and said, "It is getting late, go and get changed."

Luo Qianqian went to put on the flowery dress and high-heels she had bought the day before. Yuan Meng looked at the beauty she had made and said excitedly, "Perfect."

Luo Qianqian normally had shoulder-length hair and she dressed in a very gender-neutral way. She was tall and slender, yet she looked very cold and elegant.

However, in order to please Gu Yun Che, the usual Luo Qianqian was not allowed to leave the hotel.

With the flowery dress, a pair of high-heels, her curly hair and makeup, she looked very charming and feminine.

Luo Qianqian looked at herself in the mirror in disbelief.

"Is this really okay?"

"Trust me, if you walk outside, the men outside will line up and flirt with you," Yuan Meng said confidently.

Although Luo Qianqian's facial features were not as exquisite as Weiwei's, she was still pretty in some aspects. With some light enhancements, she was still a beauty.

Luo Qianqian smiled and checked the time.

“It is getting late, let’s go and get the cake.”

Yuan Meng took the car keys and brought her out. She went to fetch the cake she ordered the day before, heading to the cafe where she met Gu Yun Che previously.

The moment she got out of the car, she looked at the cafe door and accidentally rolled her ankle.

Yuan Meng helped her up. “Are you that excited?”

Luo Qianqian took a deep breath and followed her into the cafe.

Since it was still noon, there were very few guests in the cafe.

She found the cafe owner and introduced herself, telling her that she was here the day before.

The cafe owner remembered and greeted her passionately. She felt as if she were dreaming as she recounted what had happened the day before.

Luo Qianqian greeted her and asked, “Is Mr. Gu here today?”

The cafe owner shook her head. “He is usually here at this hour, but today... Mr. Gu has not arrived yet.”

Luo Qianqian looked at Yuan Meng uneasily. “Is he not coming?”

“Let’s go upstairs and wait. Maybe he is delayed,” Yuan Meng said as she went upstairs and found a suitable seat.

Luo Qianqian sat opposite her and looked down at the street downstairs, distractedly stirring the coffee in her cup.

She was nervous, but Yuan Meng was even more nervous.

She had also heard from the cafe owner that Gu Yun Che had been here everyday for more than ten days and ordered a cup of Blue Mountain coffee every afternoon. That was why she had brought Luo Qianqian here

to wait for him.

They had no idea where else he was in Nice.

If that Gu person did not come back, they would have to search for him again..

### **Chapter 1418: Gu Yun Che and Luo Qianqian**

Luo Qianqian and Yuan Meng sat in the cafe for more than an hour and Gu Yun Che still did not appear.

“Sister Yuan Meng, it has been so long, is he not coming?”

She was just trying her luck here to see if he would come here again.

According to the boss of the cafe, he usually came here early but he did not show up today.

After what happened yesterday, would he not appear here or even... ever again?

As time passed, she felt increasingly disappointed.

“Let’s wait and see.” Yuan Meng consoled her.

Actually, her heart was already beating fast in panic. They had still not seen him.

This was not a reliable plan.

But they had no idea where he was or if he was still in Nice.

Luo Qianqian looked at the coffee in the cup with pursed lips, looking obviously disappointed.

“Sister Yuan Meng, don’t you know him? Can you find him?”

Yuan Meng laughed dryly. “Including yesterday, I have only met him twice. How am I supposed to find him?”

If she could find him, she would not have tried so hard to use her to test that Gu person.

Luo Qianqian was even more disappointed. If she could not find Mr. Gu, she would probably never see him again.

They waited for two hours and felt that it was useless to wait any longer, so they decided to go back to the hotel to discuss how to find him.

Yuan Meng and Luo Qianqian had just come down from the second floor of the cafe when they bumped into Gu Yun Che.

Luo Qianqian was startled when she saw Gu Yun Che and Gu Yun Che was also startled when he saw her.

She had not expected him to be here, and he had not expected her to be here.

“Mr... Mr. Gu, you are here.” Luo Qianqian, who had always been sharp-tongued, stuttered.

Gu Yun Che sized up Luo Qianqian. “Were you waiting for me?”

Before Luo Qianqian could reply, the cafe boss who was taking his order said, “This lady has been waiting here for more than two hours.” Luo Qianqian felt her face burning. She had never blushed when so many boys confessed their love to her, but now she was blushing.

“I... want to thank you for saving me yesterday.”

“You thanked me yesterday,” Gu Yun Che said.

“That was just a verbal thank you, not a formal thank you.” Luo Qianqian explained.

Gu Yun Che asked in astonishment, “So you still want to thank me again?”

Luo Qianqian stuttered. “I bought... a cake.”

Then she lifted the cake box.

Gu Yun Che looked at Luo Qianqian and then at the cake box in her hands. A complicated look of struggle flashed across his eyes.

Finally, he smiled.

“If you don’t mind, I can buy you a cup of coffee.”

“No, no.” Luo Qianqian smiled.

She had thought that she would not be able to see him, but unexpectedly, she ran into him downstairs.

Gu Yun Che pointed at the Blue Mountain coffee and asked, “What would you like to drink?”

Luo Qianqian was confused. Seeing him order the Blue Mountain coffee, she asked for a cup too.

Then she gave the cake to the cafe owner.

“Please help me cut it.”

Gu Yun Che ordered the coffee and went upstairs to his usual place.

But what was different this time was that there was a beautiful Chinese girl sitting opposite him.

Soon, coffee and cake were served.

However, it was the first time for Luo Qianqian to drink alone with a man, so she looked a bit uneasy.

“I heard that this cake is very good with coffee, do you like it?”

#### **Chapter 1419: Last Meeting**

Gu Yun Che took a bite and said, “Very much.”

Luo Qianqian smiled happily. Her preparations were not in vain.

Sitting far away in silence, Yuan Meng turned on the mini camera and live-streamed the meeting between Luo Qianqian and Gu Yun Che.

She did not dare to say anything else, but what she was sure of was that this Gu man seemed to be very special to Luo Qianqian.

When she and Yuan Shuo found him last time, they almost had a fierce fight.

Actually... it was them who ended up suffering unilaterally. The terrifying look in his eyes was still fresh in her memory.

But sitting in front of Luo Qianqian where he looked so gentle, she just could not believe her eyes.

Although she did not know why, he seemed to be very patient towards Luo Qianqian.

However, a few minutes after she turned on the camera, the man who was talking with Luo Qianqian suddenly stood up.

Then he walked towards her. “Are you going to turn it off yourself, or should I do it for you?”

Yuan Meng blinked innocently. “What do you mean?”

Gu Yun Che reached out and pulled off the mini camera that was disguised as a brooch from her body. He pinched it with his long fingers and the brooch and the mini camera inside turned to mulch like soft tofu.

Yuan Meng felt her forehead guiltily. Was this a human pair of eyes or did they belong to some supernatural creature?

How did he discover such a hidden camera when he was so far away?

“Is the lesson not enough?” Gu Yun Che reminded Yuan Meng coldly as he stood opposite her.

“Enough, it’s enough.” Yuan Meng surrendered.

She had always been a person who did not admit defeat, but she had once been defeated by him and she had

been mistreated so badly that she could not fight back.

Therefore, it was useless to show off now. She had to admit defeat.

After all, her life was more important.

Luo Qianqian followed him over and looked at them in confusion.

“What is it?”

“Your friend is not very friendly,” Gu Yun Che said.

Luo Qianqian looked at Yuan Meng in confusion. Since she did not know about the mini camera, she was even more confused about why he wanted to ruin Yuan Meng’s brooch.

“Mr. Cru, Sister Yuan Meng does not mean any harm. If anything makes you uncomfortable, I will apologize on her behalf.”

“It has nothing to do with you,” Gu Yun Che said as he returned to his seat and asked Luo Qianqian, “Why are you with her?”

“She is my good friend’s friend who asked her to keep my father and I safe.” Luo Qianqian confessed honestly.

“Good friend?” Gu Yun Che thought for a while and soon understood the relationship.

That woman came to her because of Gu Weiwei.

She was asked by her friend, so Luo Qianqian was Gu Weiwei’s friend.

Then the meeting today, whether intentional or not, had become someone else’s test.

Instead of revealing anything more, Luo Qianqian took a sip of coffee and curiously asked, “I heard from the cafe owner that you are here every day. Have you settled down in Nice?”

Gu Yun Che looked calm and alert.

“No, I was just passing by.”

“Then... where will you go next?” Luo Qianqian asked.

Gu Yun Che stared at her for a few seconds. “You want to know?”

Luo Qianqian nodded without hesitation.

“Yes, I do.”

If she knew where he was going, she would have the chance to see him again.

“I don’t know now, but...” Gu Yun Che looked at the Chinese girl sitting in front of him and said seriously, “I hope that today is the last time we meet.”

### **Chapter 1420 Familiar Words**

Luo Qianqian’s smile froze and she repeated in disbelief.

“One last meeting?”

“I have received your gratitude, no need to thank me.” Gu Yun Che looked at the disappointed girl in front of him and said, “I did it because they blocked my way, not to save you or anyone else.”

“But you did save me, I...” Luo Qianqian was worried and sad, trying to find a reason to see him again.

But no matter how much she tried, she had not expected this.

“Too much gratitude is just a problem for me. Please understand,” Gu Yun Che said ruthlessly but his eyes were full of conflict.

It seemed that he was forcing himself to make such a decision and say such words.

Not far away from them, Yuan Meng was still sitting there. The camera was ruined, so she would not be able to show such a scene to Fu Hanzheng who was back in the capital.

In the next minute after the camera was ruined, Fu Hanzheng’s text pinged on her phone.

[He found out?]

(Didn’t you see that he is not human?) Yuan Meng complained angrily.

She had hidden it so well that even security equipment could not find it. So how did he find it? She just could not understand.

Fu Hanzheng did not care that much, but asked what he was most concerned about.

(Has he left?)

[He is still here. I don’t dare to say anything else, but Luo Qianqian is definitely someone he treats specially.] Yuan Meng confidently said.

Without saying anything more, Fu Hanzheng said.

(Let Luo Qianqian find out something valuable]

Yuan Meng felt her forehead again. She could not use the camera anymore, so she had to see if Luo Qianqian could deal with this monster.

So she texted Luo Qianqian.

[Ask him about his family background and contact information.]

Seeing the message, Luo Qianqian turned to her curiously. Why did it feel like a blind date?

These questions were not only for Yuan Meng but also for herself.

But she did not know how to ask, nor did she have the courage to.

Especially after he said that this was the last time they would meet.

But in the end, the desire in her heart defeated her rationality. She did not want this to be the last time they met.

She still wanted to see him, wanted to see him more and understand more about him.

“Mr. Gu, I promise that I won’t cause you any more trouble, but... I don’t want this to be the last time we meet.”

Gu Yun Che looked at the girl in astonishment. “Why?”

Yuan Meng pricked up her ears and sent a text.

[Tell him that you like him!]

Yuan Meng widened her eyes at the sight of the message and slammed the phone onto the table.

This was the first time they were meeting, how could she say such a thing?

Seeing her staying silent, Yuan Meng got so anxious that she typed out a string of words.

[Tell him now! You seem to have met him before. From the moment he saved you yesterday, your heart no longer belongs to you.)

Luo Qianqian checked the phone and put it down again, looking increasingly confused.

“Mr. Gu, I... I feel that we seem to have met before, so I want to see you again, but I promise that I won’t cause you any more trouble. It feels familiar.”

Gu Yun Che’s face changed when he heard this sentence.

He sized up the Chinese girl opposite him with a complicated look. There was astonishment, confusion and... surprise in his expression.
